19. Elder B. B. WILLIAMS reads the following

REPORT ON PERIODICALS.

Your committee would recommend as a sound, fearless and faithful advocate of Baptist doctrine and practice, the *Biblical Recorder*, edited by C. T. Bailey and Thos. H. Pritchard, and published in Raleigh at the moderate sum of $2.10 per year. As a paper every way suited to the wants of our Sabbath Schools, we would recommend *Kind Words*, edited by S. Boykin, and published at Macon, Georgia, weekly in clubs at 63

cents, semi-monthly 33. We would further recommend the *Foreign Mission Journal*, a paper published in the interest of Missions, at Richmond, Va., at the very low price of 50 cents.

We regret to have to report that so small a per centage of our members read religious periodicals. So far as we have been able to learn, not more than one-tenth of our entire membership read religious papers. "These things ought not so to be."

All of which is respectfully submitted.

B. B. WILLIAMS, *Chm'n.*

On motion of Elder OVERBY, the consideration of this report is postponed until immediately after the disposal of the report on C. B. F. Institute.

20. Homes are assigned to delegates and visitors.

21. On motion, the Association adjourns until to-morrow morning at 9½ o'clock. Prayer by Elder B. B. WILLIAMS.

22. The Association meets pursuant to adjournment.

The Moderator reads the 90th Psalm. Elder HUFHAM leads in prayer.

23. The Assistant Clerk calls and corrects the roll.

24. On motion of Elder LEE, Dr. J. A. WOOD is recognized as a delegate from the Church at Gatesville, and Bro. J. C. TYNE as a delegate from the Church at Sandy Run.

25. The special hour having arrived for the consideration of the report on C. B. F. Institute, the report is called for, and read as follows:

REPORT ON CHOWAN BAPTIST FEMALE INSTITUTE.

Your committee take pleasure in reporting that during the past year this Institution has enjoyed a reasonable measure of success. During the present year it has enjoyed a larger patronage than it did the previous year. The same corps of experienced and successful teachers have been employed. It has been blessed with almost uninterrupted health, having been no case of serious sickness during the year. The well known character of the Institution, and the prosperity that has in the past attended it, afford a guaranty of its success in the future. The good already accomplished affords reasons of thankfulness to God for having made this Association His agent in such a noble enterprise, and places us under additional obligations to give it a liberal support.

J. N. HOGGARD, *Chm'n.*

This report, after addresses by Dr. WINGATE, Elders BAILEY, HUFHAM and Dr. MCDOWELL, is adopted.

26. On motion of Elder OVERBY, the report on Periodicals, the special order of the hour, is postponed to allow Dr. McDOWELL, in behalf of the Board of Stockholders of the Institute, to present the following:

The Stockholders of Chowan Baptist Female Institute beg leave to submit the following statement and proposition to the Chowan and Portsmouth Associations.

The Trustees of Chowan Female Collegiate Institute, at their semi-annual meeting, February 15th, 1867, finding themselves embarrassed by a large debt, created in the founding of the Institution, and increased by interest to an amount which precluded the hope of being able at that time to pay it by voluntary contributions, and being pressed by some of the creditors for immediate payment, resolved to transfer the Institute, with all its appurtenances, to a joint stock company, if such a company could be formed, upon condition of their assuming the debts, and binding themselves to restore the Institute to the two Associations, whenever the money expended by them in paying debts and adding improvements should be refunded to them.

Mr. Willie Riddick, the largest creditor being present, generously proposed, if the money could be raised in a short time, to compromise his claims at a discount of 50 per cent., provided the other creditors would do the same. Whereupon a committee was appointed to ascertain if the other creditors would consent to the same terms of compromise.

Both committees were successful, and the company was organized on the 8th of January, 1868, under charter bearing date 28th of December, 1867. The property was transferred to the company, and they paid, in accordance with the proposed terms of compromise, all the debts acknowledged to be valid, amounting in stock to $10,500. Cash advance by W. W. Mitchell, for which he holds the note of the company, $1,000.

The company have received nothing in the form of dividends or interest on their stock, but have devoted the entire income of the Institute to repairs and improvements. From this source they have made large additions to the appliances of instruction, thoroughly repaired the entire premises, which had greatly depreciated during the war, conducted ten years for the benefit of the denomination, with more than the former efficiency, and added buildings and other permanent improvements to the value of $4,900.

They think the denomination ought to share this benevolent work with them, and especially that the denomination ought to own and to control the Institution. They, therefore, propose that an earnest effort be made as soon as practicable, to raise the sum necessary to redeem it, and restore it to its original and appropriate owners. All they ask is the money expended by them in the payment of debts, with simple interest thereon; and to raise this sum they promise to contribute liberally themselves.

Their reasons for submitting this proposition are:

1. The Institution needs all its income to keep the premises in repair, and to furnish the additional appliances demanded by the progress of the age.

2. It is not right that a few individuals should bear the whole expense of a public Institution in the support of which all are equally interested.

3. It is not good policy, nor is it creditable to the two Associations, to allow an Institution founded by them to remain subject to the contingency of passing entirely beyond their control.

4. This contingency exists, and becomes yearly more imminent by the death of the original stockholders, and the passing of the stock into the hands of those who may feel no interest in the work of the denomination.

5. The property is worth much more than the sum necessary to redeem it.

27. In connection with this proposition, Elder HUFHAM submits the following: Moved, That brethren R. R. SAVAGE, A. MCDOWELL, W. W. MITCHELL, W. H. MANNING, D. P. DAUGHTREY, R. R. OVERBY, M. R. GREGORY, MILLS L. EURE, and J. R. ETHERIDGE, be appointed a Committee to consider the proposal of the stockholders, devise a plan by which the wishes of the stockholders may be carried out, and report at the next session of this body.

This motion is advocated by Elders HUFHAM, SAVAGE, OVERBY, MCDOWELL, BABB, WILLIAMS, and brethren WILLIE RIDDICK, L. TAYLOR and W. W. MITCHELL, and opposed by Prof. DELKE, who offers the following amendment:

Resolved, That we thankfully accept the tender made to the Association of the property of the C. B. F. Institute, by the stockholders, and that we make as early as practicable such arrangements as will soon restore it to its former ownership.

Resolved further, That an Executive Committee of five brethren from each Union meeting be appointed to devise and execute such measures as will secure the transfer of this property as early as possible, and that they be further empowered to act officially for the Association in the event that any of the stock should go into market.

This amendment is advocated by Elder COHEN and fails to pass.

The question recurs on the original motion, which is adopted.

28. The report on Periodicals is read, and the Association is addressed by Dr. MCDOWELL.

Pending the discussion, the Association adjourns for refreshments.

AFTERNOON SESSION.

WEDNESDAY, May 15th, 1878.

29. The Moderator calls the Association to order promptly at 2 o'clock.

30. The discussion of the report on Periodicals is resumed, and after addresses by Elders OVERBY and BAILEY, the report is adopted.

31. The Committee to whom was referred the application of the Church at Brantley's Grove for admission into this body, report, recommending that in the absence of delegates from that Church, and of the presbytery that constituted it, action on the application be deferred until our next meeting.

The report is received and the Committee discharged.

32. Brother L. TAYLOR, of the Committee on Time, Place and Preachers for next session, submits the following:

Place—Republican.

Time—Tuesday after the second Sunday in May, 1879.

To Preach Introductory Sermon—T. W. Babb; Alternate, R. T. Vann.

To Preach Conventional Sermon—R. R. Overby; Alternate, O. C Horton.

Elder HOGGARD moves to amend by substituting Mount Carmel in the place of Republican. The amendment is advocated by Elders HOGGARD and FLEETWOOD, opposed by Elders COHEN and BRICKHOUSE, and brethren W. W. MITCHELL and GEO. FLEETWOOD, and lost.

The question on the report of the committee is taken, and the report is adopted.

33. Elder WOODS submits the following:

REPORT ON BAPTIST STATE CONVENTION.

The object of this Convention is to secure the co-operation of the Baptists of the State of North Carolina in the work of State Missions, Foreign Missions, Ministerial Education and Sunday Schools.

In the *State Mission* work, God has wonderfully blessed the labors of his servants. Many destitute sections have been visited; Churches and Sunday Schools organized and numbers converted through their instrumentality. Since the resignation of Brother Richardson we have no Agent in the field, but valuable work has been done in the shape of voluntary service rendered by Dr. Pritchard, brethren Durham, Dixon, Gwaltney and others.

In the work of *Foreign Missions* the Convention feels a deep interest. It has aided in establishing and sustaining Mission Stations in China, Africa, Italy and other places. The visit of Brother Hartwell to this Association kindled a lively interest in the China Mission—an interest, which, we trust, will manifest itself in an increased liberality to the Board.

The *Education Board* reports ten beneficiaries at Wake Forest College, sustained in whole or in part by the contributions of the Churches. It reported no debt at the last session of the Convention, and trust the liberality of the brethren will enable them to make a similar report at the next.

The report from the Sunday School Board is most cheering. It has organized more schools and raised more funds during the present year than ever before.

The plan of raising funds by organizing the children into Mission Societies and making them "Little Leaders" in the work has proven a wonderful success, and infused much interest in the Sunday School work.

We would call attention to the resolution appended to last year's report, viz:

"That we pledge to the Convention our co-operation and support in all its benevolent enterprises."

R. T. VANN,
THOS. G. WOOD,
W. P. TAYLOR,
Committee.

This report is discussed by Dr. WINGATE, Elder OVERBY, Profe or [illegible], Elders SAVAGE and HUFHAM. Pending the discussion, a collection is taken up for beneficiaries at Wake Forest, amounting in cash to $21.70; in pledges to $221.00. The further discussion of the report is postponed until to-morrow morning, 10 o'clock.

34. Elder OVERBY offers the following:

WHEREAS, The little flock at Williamston are earnestly striving, in the face of many and serious difficulties, to build a house of worship, therefore,

Resolved, That we hereby express our sympathy for them in their efforts.

Resolved, That we commend the enterprise to the Churches of this Association, requesting them to give such aid as they can.

Elder COHEN moves to amend by including the Church at Plymouth, which amendment prevails.

Elder HUFHAM makes an appeal for funds to aid the Church at Williamston to complete its house of worship. A collection is taken up amounting in cash to $98.20; in pledges to $52.00.

Further discussion of the resolutions is postponed until immediately after the disposal of the report on Baptist State Convention.

41. Elder A. D. COHEN offered the following:

Resolved, That this Association, recognizing the necessity, would express their desire to see an Agent appointed to represent the State Mission Board as soon as practicable.

The resolution is adopted without debate.

42. Elder HUFHAM makes a verbal report of the progress of the Endowment of the Chowan Chair, stating that about $10,000, half of the proposed amount, have been pledged, but that in the Providence of God he is compelled to leave the field as Agent.

In connection with this subject, Bro. DELKE offers the following:

Resolved, That we recognize with grateful thanks to Almighty God, the signal and cheering success that has attended the labors of Brother J. D. Hufham, Agent of Wake Forest College, on the Endowment of Chowan Chair, and respectfully suggest to the Board of Trustees the speedy appointment of a suitable Agent to complete this work so prosperously inaugurated.

46. The Moderator calls the Association to order at 2, P. M.

47. Elder J. P. LEE introduces the following resolutions:

WHEREAS, There is danger of inconsiderate men rushing heedlessly into it, and

WHEREAS, Men in the ministry who have not been called of God, and who are not qualified for it, do much harm to the cause of truth and righteousness, and

Elder A. D. COHEN submitted the following:

REPORT ON CHOWAN BAPTIST FEMALE INSTITUTE.

During the present year the school has enjoyed almost uninterrupted good health, for which we are profoundly grateful, as this enables the work done to be of a more excellent character, and establishes the healthfulness of the location.

The scarcity of money has diminished the usual number of pupils in attendance, yet the same faculty has been on duty, and the advantages have been concentrated on the few that would otherwise have been bestowed on the many.

The advantages of the Institution have been increased during this year by fitting up and furnishing a Calisthenic Hall for daily practice, thus affording to pupils the means of pleasant, appropriate and healthful exercise, and combining physical with mental culture, a desideratum long felt and greatly needed.

From a personal inspection of the buildings, the locality of the Institute, its recitations, and its social influences, we are convinced that in all that constitutes real efficiency, the school is annually becoming more deserving of public confidence and patronage.

We cannot close this brief report without expressing our entire satisfaction with the qualifications of the chiefs of departments, both in head and heart, and our perfect confidence in the social influences thrown around the pupils by Principal and Teachers, making this Seminary a happy home for our daughters who are entrusted to their intellectual and moral training, not surpassed by any institution brought under our observation.

In view of the hardness of the times, and the probability that many girls, bright, intelligent and worthy, will be deprived of the opportunity of obtaining an education at home; and in view of the cheering prospect opened to us by the magnificent charity of the stockholders, relieving the Institute almost, if not entirely, of the debt which has accumulated, by generously cancelling their claims, we would recommend that a committee be appointed, to report at this session, some plan, if possible, by which many poor girls may be enabled to avail themselves of the most excellent opportunity to prepare for future usefulness by being permitted to enter the Institute as beneficiaries.

Respectfully submitted,

A. D. COHEN, Chm'n.

This report was discussed by Elder McDOWELL, Bro. DELKE, Elders HUFHAM, BAILEY, REUBEN JONES of Va., and adopted.

31. Elder SAVAGE submitted the following:

The committee appointed to suggest a plan to meet the proposition submitted by the stockholders of Chowan Baptist Female Institute at your last session, submit the following :

Committee met at Chowan Baptist Female Institute June 25th, 1878. After various plans were submitted and discussed, the stockholders then present made the following proposition : That they will donate the stock held by them to the Baptist denomination, on condition that they receive a certificate entitling them to keep one indigent young lady at Chowan Baptist Female Institute perpetually, free of charge for literary tuition, for each one thousand dollars of stock donated. The present indebtedness of the Institute is to be paid with the debts now due to it.

The stockholders present contributed stock as follows : W. W. Mitchell, $4,000 ; M. R. Gregory, $1,000 ; J. W. Mitchell, $500 ; L. T. Spiers, $250 ; J. W. Barnes, $250 ; A. McDowell, $500 ; Annie S. Askew, $500 ; John Mitchell, $1,000. All bearing interest from February 12th, 1869.

The following stockholders relinquish their stock on condition that they receive one hundred dollars annually in tuition at Chowan Baptist Female Institute until their stock, without interest, shall have been absorbed, viz : W. T. Brown, $500 ; Wiley Riddick, $340.

The above includes all the stock except $1,500, belonging to the estates of James Mitchell and W. S. Tayloe, deceased. The present liabilities of the institution, arising from current expenses, are about $4,000 ; the assets in bonds and accounts, about $16,000.

The motion to receive the report was discussed by Elders McDowell, Bailey and Savage, and carried.

32. In connection with this subject, Elder Cohen offered the following resolutions :

Resolved, That we appreciate the noble generosity of the stockholders of Chowan Baptist Female Institute in sustaining the institute for so many years, and for their recent act of unprecedented liberality in donating their stock to the Baptist denomination.

Resolved, That while we cordially acquiesce in their proposal to give the Institute to the Baptist denomination instead of the Chowan and Portsmouth Association, we shall always feel the same lively interest in its prosperity and success, and we cordially commend it to the liberal support of the Baptists and to the friends of female education everywhere.

Resolved, That we appoint nine brethren as Trustees, to receive and conduct the Institution in the future ; the Trustees to have power to fill vacancies between the sessions of the Chowan Association.

Resolved, That all vacancies shall be filled from persons nominated by this body at its annual sessions.

The resolutions were discussed by Elders McDowell, Hufham, Overby, Hoggard, and brethren L. Tayloe and B. B. Gillam.

Pending the discussion, the hour of adjournment having arrived, the order of business was suspended for the further consideration of the resolutions, which, after being discussed by Elders Hufham, Babb, B. Gillam, and L. Tayloe, were adopted by a rising vote.

33. Elder H. Hatcher of Va., preached in the grove at 11 o'clock.

37. Elder OVERBY moved that a committee of three be appointed to nominate Trustees for C. B. F. Institute. The motion was carried and the Moderator appointed the following committee: D. P. DAUGHTREY, J. M. MORGAN and A. McDOWELL.

38. Bro. N. L. SHAW offered the following:

REPORT ON PERIODICALS.

The dissemination of religious literature is necessary and important for the growth of the christian world. It has always been important; at this age it is essential.

Are we, as a denomination, growing! In members, very rapidly, but your committee fears it is not of a healthy nature, if what we are doing for the master is to be the standard by which we are to be judged.

Your committee has nothing favorable to report, so far as the increase of the circulation of the *Biblical Recorder*, our denominational State organ, and Sunday School papers are concerned. Lamentable as is the fact, yet it is true, that we number as an Association about ten thousand members, and there is not taken in the whole Association to exceed six hundred copies of the *Recorder*. If we are doing less for the Master in the various objects that demand our attention than other smaller Associations in our State, may not this be the explanation?

The *Biblical Recorder* is our State organ, of which we feel proud. It is one of the best papers in the South, ably edited and managed by learned and consecrated men of God. This paper grows better every year, very cheap, (only $2.00 annually,) so cheap that the poorest can have it. We heartily endorse it and cheerfully recommend it, and respectfully urge upon the pastors and laymen to do more than they have ever done to have it more extensively circulated.

We cannot too highly endorse and recommend *Kind Words* as THE Sunday School paper for the schools in this Association, which is furnished at the very small sum of 63 cents in clubs for weekly, and 33 cents for monthly. There has recently been added to this paper a little paper for infant classes, a want long since felt by the laborers in the Sunday School cause.

The *Foreign Mission Journal*, published at Richmond, Va., in the interest of missions, at the small sum of 50 cents a year, we would recommend, and urge that its claims be more urgently presented. Have it circulated, and a decided improvement in our mission contributions will be the result. The *Baptist Teacher* is a splendid Sunday School paper for teachers and advanced classes, and we heartily endorse and recom-

mend it. Finally, your committee would say, have the number of subscriptions to these papers doubled during the coming Associational year, and you will see a decided improvement in our works.

All of which is respectfully submitted.

NORMAN L. SHAW, Chairman.

In connection with this report, addresses were delivered by Elders OVERBY, BAILEY, JONES, and HATCHER of Va., WILLIAMS, Bro. SHAW, Elder HUFHAM, and adopted.

39. Elder R. T. VANN preached in the grove at 3 o'clock.

40. Elder OVERBY submitted the following:

REPORT ON THE EDENTON CHURCH-LETTER.

Your committee have duly considered the application of the church at Edenton for pecuniary aid from this body in supporting their pastor.

The church is entitled to aid and sympathy, but there are two difficulties which meet us: 1. We are without funds. 2. Our home-mission work is done mainly in co-operation with the Mission Board of our State Convention, yet we recommend that our brethren present contribute as liberally as possible to aid them.

We suggest that the church make application to that Board, and we hereby commend the application to their favorable consideration.

The Association was addressed by Elder WM. BEAVINS, Pastor of Edenton Church, and Elder A. D. COHEN, and the report was received.

41. Elder O. C. HORTON read the

REPORT ON BAPTIST STATE CONVENTION.

The State Mission Board renders a good report. It has conducted the work on a more Scriptural plan, and reports out of debt with a small balance in the treasury. The plan and means of working have been well observed by those in charge, and cheering news continues coming from the labors of the missionaries now employed on the field. We learn that voluntary, valuable and efficient services have been rendered by many of our pastors during the year.

The Secretary's report to the Convention shows an increased contribution to Foreign Missions for this year of eight hundred and eighty-two dollars and fifty-three cents, yet we are behind our privilege and duty in this great work of evangelizing the world. The commission, and the recent providence of God in sending the heathen to our land, are urging us to renewed efforts and greater sacrifices for our Redeemer's cause.

We also learn that thirteen pious young men have been aided during the year by the Education Board, who are making hopeful progress in mind and heart. This Board has lost one of its strongest advocates and most efficient workers in the death of Dr. W. M. Wingate. He is of pleasant and precious memory to your committee, and hence his name in this connection. The beneficiary will look in vain for his complete likeness in another. Let us feel more interest in the work of this Board because of his absence.

The Sunday School Board is keeping its work prominently before us, and more interest is being felt in this peculiar work of christians. While

this is true, there are many brethren and sisters in all our churches that have not been reached who ought to become interested.

Respectfully submitted.

O. C. HORTON,
R. P. THOMAS,
Committee.

42. On motion of Elder HUFHAM, it was agreed to consider so much of the report as refers to State Missions now, and make that part of it which refers to Education the special order for to-morrow at 10 o'clock.

Addresses on State Missions were delivered by Elder C. L. POWELL of Cape Fear Association, Elders R. T. VANN, R. R. SAVAGE, J. D. HUFHAM, A. D. COHEN, and that part of the report was adopted.

43. On motion of Bro. N. L. SHAW, it was agreed that Bro. T. T. SPEIGHT be allowed the privilege of presenting the claims of the brethren at Jones' school house, to-morrow morning at 9½ o'clock.

44. On motion, the Association adjourned. Prayer by Elder T. G. WOOD.

45. After devotional exercises, conducted by Elder REUBEN JONES, the Association was called to order by the Moderator.

worthy of ordination after examination, asking that a presbytery might be appointed for that purpose.

On motion of Eld. McDowell, a committee of three was appointed to reply to the church at Yeopim. The committee consists of Elds. J. M. C. Luke, West Leary, and Bro. J. T. Waff.

Letters were also read from the churches at Edenton and Sharon, informing the Association of their temporal and spiritual condition.

On motion, the report on C. B. F. Institute was made the special order for to-morrow at 10 o'clock, A. M.

The committee appointed at the last session of the Association to devise and report measures for the education of indigent young ladies at the C. B. F. Institute, submitted the following:

REPORT OF COMMITTEE ON EDUCATION OF INDIGENT GIRLS.

The committee to whom was referred the matter of education of promising young girls in indigent circumstances, as per recommendation of report of the committee on the C. B. F Institute, would respectfully submit that they feel the greatest interest in this subject, and an intense sympathy with many of our young girls who thirst for an opportunity to obtain a more thorough education than the means of their parents or friends can possibly encourage them to hope for. We are convinced that the subject of female education cannot be microscopically magnified into undue proportions, but that it claims, next to the education of indigent young ministers, the first place in all our benevolent objects.

But how to reach the end proposed, or how we can do any thing in this direction, your committee does not clearly apprehend. But for the purpose of drawing out the views of this body, we present the following resolutions:

Resolved 1st. That this Association recommend to the trustees of C. B. F. Institute that so far as they may have jurisdiction in this matter, they allow such young ladies who may be recommended by any Baptist church within our bounds, and who can satisfy a committee of examination to be appointed for this purpose, as to her indigence, and her capability of receiving a finished education, to attend the course of instruction at the C. B. F. Institute, *free of charge for tuition;* and that the churches be encouraged to seek out such girls in their neighborhoods, and otherwise provide for their other expenses, such as clothing, books, board, &c.

2d. That the churches be requested to send up to this body such contributions for the purpose of aiding such beneficiaries as may be approved by the committee of examination, the fund to be under the charge and direction of said committee.

3d. That this Association appoint a committee of ——— brethren, whose duty it shall be to examine the educational abilities of each applicant, and the fact of indigency, and if satisfied, furnish said applicant with a certificate entitling her to enter the Institute in any of the classes for which she may be prepared, and continue there till graduation; provided her deportment and progress may meet the approbation of the Principal in charge.

Respectfully submitted,

A. D. COHEN, Chm'n.

Eld. McDowell moved to amend by substituting the following resolution:

Resolved, That this Association recommend to the Board of Trustees of C. B. F. Institute to take active measures to raise a fund of $50,000 to be invested for the education of indigent young ladies at C. B. F. Institute.

On motion of Eld. Overby, the report and amendment were referred to another committee, consisting of Elds. McDowell, Hufham and Savage.

On motion, it was agreed to allow Eld. J. S. Purefoy an opportunity to present the claims of the Wingate Memorial Chapel to-morrow morning.

Eld. T. G. Wood read a letter from Bro. D. E. Tayloe, stating that the late Mrs. Lucinda B. Wheeler, widow of Dr. I. J. Wheeler, dec'd, a short time before her death desired him to present to the Chowan Association a complete file of its minutes, the property of her late husband. The gift was accepted with the thanks of the Association.

On motion it was agreed to allow Eld. T. H. Pritchard an opportunity to address this body to-morrow evening at 2 o'clock on the subject of Education.

On motion, the Association adjourned. Prayer by Eld. R. R. Overby.

Eld. T. H. Pritchard preached in the grove at 3 o'clock.

MORNING SESSION.

WEDNESDAY, May 12th, 1880.

The Association met pursuant to adjournment. The Moderator read 121st Psalm. Prayer by Eld. B. B. Williams.

The roll was called, and absentees noted.

Eld. R. R. Savage offerred the following

REPORT ON CHOWAN BAPTIST FEMALE INSTITUTE.

The reputation for the healthfulness of location which this School has attained, has been fully sustained the present session.

Arrangements have been effected by the Trustees with Rev. A. McDowell, D.D., by which they secure to the denomination and public a first-class school with all the appliances necessary, together with a full corps of able and efficient teachers, without the risk of incurring debt to the Institute.

The liabilities for past current expenses have been reduced at least one-third, by collections from the assets.

The management of the School under the present arrangement is entirely satisfactory, and the quantity and quality of the work performed during the present term will compare favorably with any period in the history of the Institution.

The number of pupils in attendance is not so large as we could wish; the falling off has been, however, mainly in the academic department, so that a much larger proportion than usual of the present number is in the collegiate department. The decrease in numbers has probably resulted from the following causes, viz:

1st. The want of financial prosperity in the immediate section from which the Institute partially draws its patronage.

2d. The accessibility of other Schools.

3d. Increase in number and quality of private schools.

These obstacles, though formidable, are not all of them evils in themselves, and may be met by proper effort.

Your committee suggest that the pastors of the churches in this Association be requested to interest themselves in directing the attention of parents and their daughters to the importance of education, and inducing as many as practicable to attend the Institute.

R. R. SAVAGE, Ch'm'n.

In connection with the report, addresses were delivered by Elder McDowell, Bro. Delke, Elders Savage and Hufham, and the report adopted.

Elder McDowell, of the committee to whom were referred on yesterday the report of the committee to devise measures for the education of indigent young ladies at C. B. F. Institute, and the amendment proposed to be substituted for it, offered the following:

Resolved, That we recommend the Trustees of Chowan Baptist Female Institute to take active measures to raise as soon as possible, in cash, in real estate, in bequests, or other donations of present or prospective value, a permanent fund of at least one hundred thousand dollars, the income of which shall be used to furnish literary tuition free to indigent young ladies of promising talents, to assist in sustaining a large and able faculty, improving the grounds and building, in increasing the Library and Cabinet, and adding such other appliances as may be deemed necessary to the completeness and efficiency of the Institute.

A. McDOWELL, Ch'm'n.

The resolution was discussed by Eld. McDowell, Bro. N. L. Shaw, Eld. Hufham and Bro. J. A. Delke, and adopted.

On motion, it was agreed to defer the address of Eld. J. S. Purefoy on the subject of the Wingate Memorial Chapel until to-morrow morning.

The committee to suggest names to fill vacancies that may occur in the Board of Trustees of C. B. F. Institute, submitted the following nominations: Rev. John Mitchell, D.D., Rev. T. G. Wood, Rev. Reuben Jones, J. H. Wright, Esq., Rev. O. F. Flippo. The report was adopted.

The committee to whom was referred the letter from the church at Dudley's Grove, submitted the following:

That we sympathize with the church, and heartily commend the course they have pursued. That we advise them to procure a pastor as soon as possible, and that they treat the members who have withdrawn from them with kindness and courtesy, in the hope that they will return to the church, and that they grant letters of dismission to none except to unite with a church of the same faith and order.

R. R. OVERBY, Ch'm'n.

The report was discussed by Elds. Williams, McDowell, Overby, Hufham, Brethren L. Tayloe, Jas. Warren and B. B. Gilliam, and the following amendment, offered by Eld. Hufham, was passed:

Resolved, That Elds. J. Mitchell, R. R. Savage, A. McDowell, and Brethren J. A. Delke, W. W. Mitchell, and R. P. Thomas, be appointed a committee to visit the church at Dudley's Grove, assure them of the sympathy of this body in their trouble, of our hearty approval of their course, and give them such advice as the circumstances of the case may seem to require.

Eld. Overby submitted the

REPORT ON BAPTIST STATE CONVENTION.

Your committee have not the data at hand by which they can report definitely what the Convention has done through its Boards during the present year. The State Mission Board is prosecuting its work with commendable zeal. With very limited means they have accomplished wonders, and we are confident that if the churches could be made to see their opportunity and furnish the Board with means, we would soon take the State for Jesus.

We regret to be forced to state that from the best information at hand, we have fallen behind in our contributions to Foreign Missions this year.

We had hoped that the reminiscences of Dr. Yates, published weekly in the *Biblical Recorder*, would have largely increased our contributions.

The Education Board is doing a glorious work for the State. There are sixteen young men being aided this year by the Board, all of whom are well reported of, and promise to make useful ministers of our Lord Jesus Christ. The Board is several hundred dollars short this year. We think the very best investment any man can make of his money, is to put it into the head of a young man called of God to preach the Gospel and consecrated to the work.

The Sunday School Board deserves all praise. They keep the subject before the people. We believe there is more interest in this department of Christian work than ever before.

Respectfully submitted, R. R. OVERBY, Ch'm'n.

On motion, so much of the report as relates to Foreign Missions was taken up and discussed by Elds. C. E. Taylor and T. E. Skinner, and, on motion, its further consideration was postponed.

A motion to have no preaching this afternoon was lost.

Eld. R. W. Cridlin preached in the grove at 11 o'clock.

On motion the Association adjourned one hour for refreshments.

Afternoon Session.

On re-assembling, the report on Baptist State Convention was taken from the table, and so much of it as relates to Ministerial Education was discussed by Elds. Taylor and Hatcher, and adopted.

Pending the discussion, a collection was taken up for this object, amounting in cash to $53.64, and in pledges from the churches, to be paid by the meeting of the Convention, to $355, as follows: Ahoskie, $15; Ballard's Bridge, $15; Berea, $10; Bethel, $25; Bethlehem, $10; Buckhorn, $10; Cashie, $10; Coleraine, $5; Ebenezer, $5; Edenton, $10; Elam, $10; Elizabeth City, $10; Galatia, $5; Gatesville, $10; Great Hope, $5; Harrellsville, $10; Hertford, $5; Holly Grove, $5; Macedonia, $5; Meherrin, $10; Middle Swamp; $5; Mt. The committee appointed to confer with the church at Yeopim in reference to the ordination of Bro. Thos. Bonner, beg leave to report that they have performed the duties assigned them by instructing said church

that the ordination of Bro. Bonner is a matter over which this Association has no jurisdiction whatever, but that it pertains entirely to the church at Yeopim, where he holds his membership; and that they alone are the proper authorities to call a presbytery for this purpose.

at 9½ o'clock, and that Elder J. E. Carter would preach at the same place at 11 o'clock.

The hour of 10 having arrived, the report on C B. F. Institute was called for and submitted by Elder R. R. Savage, as follows:

REPORT ON C. B. F. INSTITUTE.

Your committee are glad to be able to report the increased prosperity of this school. A larger number of pupils have been in attendance during this session than last, and an increase the latter half of the term on the former.

The number for graduation is much larger, and the outlook for the prosperity of the school is encouraging.

The failing health of the faithful and beloved President has been a cause of grief to his many friends and to the friends of the cause. Yet, we are taught to look upon this as among the "all things" that work together for the good of them that love the Lord. Arrangements have been made by which the teaching has been satisfactorily and successfully done, and the interests of the pupils have not been neglected. No doubt the trustees will perfect the arrangement to fill the place made vacant, at the end of this session, by the resignation of the present incumbent, and that the school will go on in its career of usefulness.

R. R. SAVAGE.

The report was discussed by Elder Savage, Bro. Delke, Elders J. E. Carter, J. D. Hufham and Reuben Jones, and the following preambles and resolutions were offered as an amendment to the report:

WHEREAS, Our beloved and venerated brother, Elder A. McDowell, for so many years Principal of our Institute at Murfreesboro, whose fortunes he has guided with signal ability and success;

AND WHEREAS, He has been all the while an active member of this body, thoroughly alive to all its interests and enterprises, and always ready for every good word and work;

AND WHEREAS, Our beloved brother now lies sick nigh unto death; therefore

Resolved, That we do hereby express our sympathy with him in his affliction, and our prayers that God may be with him through the time that remains, and may help him to manifest the glory of our Redeemer in the closing scenes, as he has done in the other portions of life.

Resolved, That we do tender to the wife and faithful help-meet of our brother in all his labors, and to the whole household, our heartfelt sympathies and our prayers for them that God may be with them in this time of sorrow, to guide and to bless.

Resolved, That this body unite with Bro. Carter in special prayer in behalf of our suffering brother.

After touching remarks by Elders Savage and Mitchell, the amendment was adopted, and Elder Carter led the Association in special prayer for Bro McDowell.

Elder Hufham submitted the following:

WHEREAS, Our beloved brother L. Tayloe, tenders to this body as his gift, one thousand dollars of stock in the Institute at Murfreesboro, originally held by the estate of the late Bro. W. S. Tayloe.

Resolved, That we do accept with sincere thanks this munificent gift of our beloved brother.

The resolution was adopted, and the question then recurring on the report, it was adopted.

Elder T. W. Babb read the following :

REPORT ON BAPTIST STATE CONVENTION.

The object of this Convention is to secure the co-operation of the Baptists of the State of North Carolina in the work of State Missions, Foreign Missions, Education and Sunday Schools. And your committee are glad to be able to report, that the State Mission work has wonderfully increased, and never was more earnestly pushed than now. During the past year something near fifty thousand dollars was raised for this object, and the labors of the brethren in the fields whereon it was expended have been greatly blessed.

In the work of Foreign Missions, the Convention feels a deep interest, and during the last Conventional year, raised more than its proportion of the expenses of the Foreign Mission Board of the Southern Baptist Convention. Indeed, in the work of Missions, both State and Foreign, there is, or at least seems to be, a general working up and advancement all along the line.

The Education Board reports that the College at Wake Forest—our school of the prophets for forty years—was never so prosperous as now. Over 180 students have been in attendance during the past year, among whom are some thirty-three young ministers, of whom twenty are beneficiaries of the Board. The Board hope to close the year free of debt, and from the work it has done and is now doing, we can most cordially commend it to the support of the churches.

The report of the Sunday School Board is cheering. The amount of money raised, and the number of schools organized, encourage us to hope that in the future every child in the State may have access to a well organized Sabbath School, and that every church in the land may feel called upon to maintain such a school in its midst.

T. W. BABB,
J. N. HOGGARD,
T. T. SPEIGHT,
Committee.

On motion of Bro. Delke, so much of the report as refers to State Missions, was taken up for discussion, and the remaining portion was laid on the table. In connection with the subject of State Missions, Elder Huf ham made an appeal for Plymouth church, asking the Association to redeem his pledge of $75, which he had made to supply that church with preaching, which amount was collected and paid over to Elder Huf ham, lacking twenty dollars, which was pledged by the Executive Committee of Bertie Union meeting.

After remarks by Elders Savage, Huf ham and Babb, so much of the report on Baptist State Convention as relates to State Missions, was adopted.

The Moderator renewed his invitation of yesterday to visiting brethren to accept seats with us, which was accepted by Elder J. G. Barclay and Bro. E. T. Barclay, of Tar River Association.

On motion of Elder Savage, so much of the Report on Baptist State Convention as relates to Ministerial Education, was deferred until to-morrow at 10½ A. M.

On motion of Elder Huf ham, Bro. J. H. Mills, of the Orphan Asylum, was invited to address the Association this P. M. at 2½ o'clock.

Prof. James A. Delke, appointed at our last session to write a history of this Association, announced that that duty had been performed, and presented his manuscript to the Association.

On motion of Bro. Delke, so much of the report on Baptist State Convention as relates to Foreign Missions, was taken up and discussed by Elders Babb and Pritchard. Pending the discussion, the hour of ad journment having arrived, the Association took a recess of one hour and a half.

On motion of Elder Williams, a collection was taken up for the benefit of the Orphan Asylum, amounting to $20.48.

Elder Huf ham, of the committee on the inspection and revision of the Association, made the following recommendations :

2. That a committee be appointed to have charge of the publication of the work and bring it out at the earliest convenient period.

NOTE—These statistics are not as full as usual, because the printers supplied the Clerks of the churches with forms for making out their reports different from those we have been accustomed to use. For the same reason, in the table of Statistics of Benevolence we have had to include under "Other Objects," the contributions to Wake Forest College, and have been unable to make any distinction between "Present Contributions" and those sent up during the year.

WEDNESDAY, May 17th, 1882.

The Association met pursuant to adjournment. The Moderator read the 19th Psalm. Bro. M. L. Green led in prayer.

On motion of Bro. J. A. Delke, the special order of the hour, the report on C. B. F. Institute, was called for and read by Elder R. R. Savage, as follows:

REPORT ON CHOWAN BAPTIST FEMALE INSTITUTE.

Since the last meeting of this body, Rev. A. McDowell, D. D., who was then President of the Institute, has gone to his reward. The vacancy has been filled by Professor J. B. Brewer, and the school has been continued with some increase in the number of pupils.

The prospect for the future success of the school is gratifying. Over eight hundred dollars have been judiciously expended during the present term in the improvement of the property, and in increasing the facilities and appliances for prosecuting the legitimate work of the school, and this has been done without any increased liability on the part of the Trustees.

Besides this may be mentioned the valuable accession of the use of the private school property of the present incumbent.

The Institution deserves and solicits patronage, especially of the Baptists, and particularly of the Chowan Association. Your committee would suggest that a committee of two be appointed in each church to interest themselves in directing the attention of parents and daughters to the importance of education, and to place such as are interested in correspondence with Prof. Brewer.

R. R. SAVAGE,
M. R. GREGORY,

Elder A. E. Owen preached at the stand at 11 o'clock.

AFTERNOON SESSION.

WEDNESDAY, May 17th, 1882.

The Association re-assembled at 2 o'clock and engaged in singing.

Elder A. W. Burfoot read the

REPORT ON BAPTIST STATE CONVENTION.

The object of this Convention is to secure the co-operation of the Baptists of the State of North Carolina in the work of State Missions, Foreign Missions, Ministerial Education and Sunday Schools.

In the State Mission work God has wonderfully blessed the labors of His servants. Many of the destitute sections have been supplied with the Gospel. Churches and Sunday Schools have been organized, and a large number have been converted through their instrumentality. The report of our last Convention shows that our Board was out of debt, and that there was a larger amount of money contributed, and the work more extensive than in any year of the history of the Convention, showing that the Baptists of the State are alive to the work of the Master, and as we believe that it is our duty to occupy the entire State, we would advise our churches to contribute liberally to the State Board, as we think it the best mode of accomplishing our work.

T. T. SPEIGHT,
A. W. BURFOOT,
Committee.

On motion of Elder Hufham, so much of the Report as refers to Ministerial Education was taken up, and the Association was addressed by Prof. C. E. Taylor.

Pending the discussion, Elder Mitchell offered the following:

In view of the great and growing need of a more liberal education for our ministry—

Resolved, 1. That this Association assume to raise annually five hundred dollars for the support of ministerial students at Wake Forest College.

2. That the churches of this Association be requested to specify in their church letters the amounts they are willing to contribute to this object for the next year.

The resolutions were discussed by Elders A. E. Owen, R. R. Overby, J. D. Hufham, R. R. Savage. Pending the discussion the roll of the churches was called to see what amounts they would pledge for this object, to be paid by the meeting of the next Association, with the following result:

REPORT OF THE COMMITTEE ON WINGATE MEMORIAL HALL.

Your committee find that Rev. J. S. Purefoy, agent for the Wingate Memorial Hall at Wake Forest College, has received from the brethren and churches of this Association, up to this time, $503.71, leaving of the pledges formerly made about $500 unpaid. We exceedingly regret that this amount has not been fully met. Bro. Purefoy agrees and proposes that if the brethren, now and here, raise by cash and reliable pledges one-half of this amount, say $250, to be paid within six months, it shall be regarded as a full discharge of all these pledges.

On motion, the report was laid on the table.

To Baptist State Convention—All Ordained Ministers of this Association and as many lay brethren as may attend.

On motion, so much of the report on Baptist State Convention as relates to State Missions was taken up for discussion. Elder Hufham asked the Association for $275, the amount he pledged to the State Mission Board at the last session of the State Convention from this Association, of which amount $190.16 were raised in cash, $40 in pledges, which together with the amount sent up by the churches for this object, was sufficient to redeem the pledge.

Bro. N. D. Shaw offered the following:

Resolved, That the amount of funds now in the hands of the Treasurer for benevolent purposes be appropriated equally to State Missions, Foreign Missions and the Sabbath School Depository.

Adopted.

Bro. N. L. Shaw submitted the

REPORT ON DOMESTIC AND INDIAN MISSION BOARD.

Your committee would respectfully submit that this Board is one of vital importance to us, and should by all means command our hearty support. New Orleans, soon to become the New York of the South, and the Antioch of the Baptist denomination, is a point that we should watch with care, and, by all means, see that the Baptist cause shall not wane, but shall be placed on a sure and fixed basis. This church owed $10,000 and was under mortgage; the Con-

vention at Greenville raised $5,000 in cash and pledges; the brethren in New Orleans will raise $3,500, and others will raise the amount. There are two city missions in New Orleans.

Bro. Hartwell and wife and Mrs. Sanford are laboring among the Chinese in California with success. North Carolina and South Carolina have promised to support them.

To our shame be it said, that we have neglected the towns, and this Board, to a great extent, has repaired the injury. About forty-one Missionaries and agents have been employed for a part or all of their time. About $27,000 have been raised. In some of the States in the South there is not more than one preacher to a county. If we sleep and withhold our means, Catholicism and Infidelity will fill the land.

INDIANS.

The Creek Indian Manual Labor School has 125 students; over 15 professed in a revival. The Indians have a special claim upon us, and to neglect them would reflect on us not only as Baptists, but as American citizens. The Sunday Schools also help the Board. *Kind Words* pays a royalty of $1,000 a year.

Respectfully submitted,

T. G. WOOD,
N. L. SHAW,
C. S. VANN,
Committee.

The report was adopted without discussion.

Elder Savage, of the committee to whom was referred the application of the church at Christian Harbor, reported, recommending the admission of the church into this body. The report was received and the right hand of fellowship presented to the delegates by the Moderator.

The committee on Time, Place and Preachers for next session submitted the following, which was adopted :

Place—Harrellsville Church, Hertford county.
Time—Tuesday after 2d Sunday in May, 1883.
To preach Introductory Sermon—Elder T. T. Speight. Alternate—Elder O. C. Horton.
To preach Missionary Sermon—Elder J. D. Hufham. Alternate—Elder R. Vandeventer.

Respectfully submitted,

W. P. TAYLOR,
For Committee.

The hour for the Missionary Sermon having arrived, the Association adjourned.

Elder John Mitchell preached in the house from Acts xx : 35. Elder T. H. Pritchard preached at the stand at the same hour. Amount of public collection $35.09, to be divided equally between State and Foreign Missions.

AFTERNOON SESSION.

THURSDAY, May 18th, 1882.

On motion of Elder Mitchell, the report on Wingate Memorial Hall, laid on the table yesterday, was taken up.

On motion of Elder Wood, the report was referred to a new committee, consisting, by appointment of the Moderator, of Elders Mitchell, Wood and Bro. J. A. Delke, with instructions to report at this session of the body.

On motion, that part of the report on Baptist State Convention relating to Sabbath Schools was taken up. Bro. Delke presented the following

SABBATH SCHOOL STATISTICS.

After discussion by Elder Dodson, the report on Baptist State Convention was adopted.

Elder Wood, of the committee on Wingate Memorial Hall, submitted the following:

Your committee find that Rev. J. S. Purefoy, Agent for the Wingate Memorial Hall of Wake Forest College, has received from the brethren and churches of the Association up to this time $503.71. We learn from the Agent that if $250 additional can be raised, the work can be carried forward to completion. We commend this object to the churches, and suggest that steps be taken immediately by them to raise this amount and forward it to Rev. J. S. Purefoy at Wake Forest College.

In behalf of the committee, T. G. WOOD.

The report was adopted.

Elder T. H. Babb submitted the

REPORT ON PERIODICALS.

We believe the circulation of a sound religious periodical to be the most powerful agency ever devised by man for the accomplishment of all the great works of the church. The BIBLICAL RECORDER is such a paper, and upon its success depends, in a great measure, the success of every one of our State and denominational enterprises. If we are correct in this, even in part, then it is true that there is no paper in all the world that can take the place of the RECORDER to North Carolina Baptists.

Kind Words and *Foreign Mission Journal* we would also recommend.

T. W. BABB,
W. P. TAYLOR,
G. A. BRETT,
Committee.

After discussion by Elders Babb, Overby, A. E. Owen, C. T. Bailey, T. H. Pritchard, J. A. Speight, the report was adopted.

Elder B. B. Williams read the

REPORT ON TEMPERANCE.

Your committee to whom was referred the subject of Temperance, beg leave to submit the following as their report:

We have no means of ascertaining the object of this report, only as we learn from reports heretofore adopted by the Association, and recorded in our minutes. From these reports we infer that in years long gone by, men saw the evils of strong drink, and organized societies for the suppression of its use as a beverage. These were known as Temperance Societies. The Association approving total abstinence from spirituous liquors as a beverage, and wishing to attain the end sought, so far as the churches were concerned, by moral suasion, appointed committees to make annual reports of the progress of Temperance in the churches composing the Association.

If we are correct in our inference as to the object of these reports, it would be well to ascertain whether or not the Scriptures, our only rule of faith and practice in religious matters, favor total abstinence from the use of spirituous liquors as a beverage.

Your committee are of the opinion that the Scriptures do favor total abstinence by all the servants of God. Our opinion is founded upon the following Scriptures: Prov. xx: 1, "Wine is a mocker, strong drink is raging, and whosoever is deceived thereby is not wise." Prov. xxiii: 20, "Be not among wine bibbers." Prov. xxiii: 29, "Who hath woe? who hath sorrow? who hath contentions? who hath babblings? who hath wounds without a cause? who hath redness of eyes? They that tarry long at the wine, they that go to seek mixed wine. Look not thou upon the wine when it is red, when it giveth its color in the cup, when it moveth itself aright. At the last it biteth like a serpent, and stingeth like an adder." Hosea iv: 11. "Whoredom and wine, and new wine take away the heart." Hab. ii: 15, "Woe unto him that giveth his neighbor drink, that putteth thy bottle to him, and maketh him drunken also." Rom. xiv: 21, "It is good neither to eat flesh, nor to drink wine, nor anything whereby thy brother stumbleth, or is offended, or is made weak." 1st Thess. 5: 22, "Abstain from every appearance of evil."

We think the Scriptures cited justify us in the conclusion that every lover of Christ should abstain from alcohol as a beverage.

It pains your committee to be compelled to report that the temperance cause is making but slow progress in our churches. Many of our members manufacture and use the deceptive fluid with seemingly perfect impunity. Its manufacture and sale are daily encouraged by church members who patronize these venders all over the country. Your committee would heartily recommend to the Association the sentiments of Dr. Cuyler, of New York, on dram drinking.

He says: "Every church member should make total abstinence from strong drink a part of his daily religion. The dram cup is the deadliest foe to Christ, in our churches and communities, and he who would be the friend of Jesus must be the enemy of the bottle. More souls are ruined by the drink habit than any single vice or error on the globe, and every professing Christian who gives his example to the drinking usages of society is a partner in the tremendous havoc which those evil customs produce. 'If any man will come after me,' says Jesus, 'let him deny himself.' And the great Apostle only clinched this glorious precept when he said, 'It is good not to eat flesh, *nor to drink wine*, nor to do any thing whereby thy brother stumbleth.' On this immutable rock of SELF-DENIAL FOR THE GOOD OF OTHERS, stand the heaven-derived foundation of temperance reform. There the Divine founder of Christianity has placed it; there with Christianity it stands securely linked, and there it will move forward to victory or perish. We do not hesitate to say that with the triumph and prevalence of Christian self-denial in the churches of Jesus Christ, is bound up the only hope of the triumph and prevalence of pure Christianity in our world."

OBITUARIES.

REV. DORSEY SANDERLIN

was born in Camden county, N. C., in the year 1808, and died in Pasquotank county, N. C., in 1881, aged about seventy-three years.

Bro. Sanderlin was licensed by Sawyer's Creek Church, of his native county, October, 1841. The larger portion of his ministerial labor was given to pioneer service. He went from one school house to another, in Virginia and his own State, telling the "old, old story," *according to the measure of grace given him;* thus preparing fields for others to occupy, cultivate and reap a harvest. He was pastor of Shady Grove church, Currituck county, for several years. He also gathered Rehoboth church, same county, and continued its undershepherd till death.

O. C. H.

REV. NATHAN DELON

was born in Pasquotank county, N. C., about the year 1846. He professed hope in Christ at an early age and united with Salem Baptist church of his native county. Soon after, he was licensed by said church to exercise the gifts of exhortation and preaching. In early Spring, of 1866, he moved to Powell's Point, Currituck county, N. C., and commenced the work of teaching for a livelihood. Here he married, and continued his home until death. He was ordained to the full work of the ministry in 1878 or '79, and became pastor of Powell's Point church soon after, which connection pleasantly and profitably continued until death. He also became assistant pastor of Rehoboth church, about twelve or eighteen months before his call to rest. He had a missionary spirit and his charges partook thereof, soon after he became their pastor. He died of pneumonia December 24th, 1881, near Currituck Courthouse, N. C. Thus ended a brief but finished life.

O. C. H.

GODWIN COTTON MOORE, M. D.

Dr. G. C. Moore was born in Hertford county, N. C., November 7th, 1806; graduated at Chapel Hill; read medicine with his brother-in-law, Dr. Fletcher, and received his diploma at Transylvania University.

In 1831, he represented his native county in the State Legislature, and was the popular, though unsuccessful candidate of his party for Congress in 1837.

In 1840, he was chosen Moderator of the Chowan Baptist Association, the largest body of the kind in the State, which honorable station he held through thirty-six years, discharging the duties of this position of honor and trust with fidelity to his brethren and unswerving devotion to the Master's interests.

He was elected a member of the Legislature again in 1842, as also in 1867. He was a Trustee of Wake Forest College, and, for many years, the honored and efficient President of the Board of Trustees of Chowan Female Institute.

Truly and well did he honor every station in life he was called to fill, leaving the world better for having lived in it. As a man he was genial, courteous, benevolent, just. As a husband and a father, he was affectionate, kind and true; a christian gentleman of the highest type. His influence for good was wide-spread and healthful. He died in 1880, loved and lamented by all that knew him.

J. A. DELKE.

REV. ARCHIBALD McDOWELL, D. D.

Bro. McDowell was born in Kershaw District, South Carolina, April 10th, 1818, and died at Chowan Baptist Female Institute, Murfreesboro, N. C., May 27th, 1881, aged 63 years, 1 month and 17 days.

His early youth was spent in active labor on the farm and in the mill, in which pursuits he acquired those habits of industry and energy that characterized him through life as a citizen and educator, and a minister of the gospel.

His father being an eminently pious and efficient preacher, Bro. McDowell enjoyed the advantages of early religious training, and was baptized by Elder Breaker into the fellowship of Flat Rock church, S. C.

In 1842 he entered Wake Forest College, and graduated in 1847, in the 29th year of his age. In 1844 he preached his first sermon, in the college chapel, his text: "For I am not ashamed of the gospel of Christ," &c , the earnest of his life-long work in his Master's service. Soon after his graduation, he was united in marriage to Miss Mary H. Owen, a sister of Professor W. H. Owen. She proved a genial sympathizer and efficient co-laborer in light and in shade.

In 1844 he was elected Principal of Chowan Female Institute, Murfreesboro, N. C., which school was formally opened on the 11th of October. In the following spring the school was temporarily suspended in consequence of the prevalence of small pox in the town, and Bro. McDowell removed to Milton, N. C., where he conducted a female school until 1853, when he accepted a call to Raleigh, where he labored for two years, preaching and teaching with much acceptance. In 1850, while at Milton, he was ordained to the work of the ministry by a presbytery consisting of Elders Wait, Pleasants and J. L. Pritchard.

In 1855 he returned to Murfreesboro, having been called to the chair of Mathematics and Natural Science, in Chowan Female Institute, then under the presidency of Rev. Wm. Hooper, D. D., LL. D.

Then and there opened up his great life work, destined to work out such great and good results for God and humanity.

In 1862, Dr. Hooper having retired, Dr. McDowell was chosen President, which office he held when death called him to higher honors and nobler enjoyment around the great white throne.

What shall I say more? How tell what he was, what he did? Let his own works praise him in the gates. All that knew him, knew him well, felt it was safe to follow when he lead the way.

May the God of mercy comfort the sorrowing hearts of the bereaved.

"He past; a soul of nobler tone,
My spirit loved and loves him yet"—
But I will still my vain regret,
Since God has claimed him as His own.

ELDER THOMAS HOGGARD

was born in Bertie county, N. C., August 15th, 1802, and died June 4th, 1881, aged nearly seventy-nine years. He was baptized by Rev. A. M. Poindexter about 1821, into the fellowship of the church at Outlaw's Chapel. Went to Gates county in 1824; united with the church at Cool Spring and was licensed to preach by that church in 1831, and ordained to the full work of the ministry in 1835—Elders James Delke and Quentin H. Trotman constituting the presbytery. He moved to Hertford county in 1842, and joined the church at Bethlehem, of which he remained a member until his death. During his ministry he was pastor of the churches at Ramoth Gilead, Capeharts, Potecasi, Hebron, Connaritsa, Pleasant Plains and Ross' M. H.; of the latter, he was pastor about forty years. Without any of the advantages of an early education, he yet accomplished a great work for the Master. He fought the battle of life at great disadvantage; but with a strong native intellect, a fine physical constitution, and indomitable energy, with the blessing of God, he made a success. He died full of years, honored for his works, and left a family respected for their sterling worth, both as christians and citizens.

R. R. SAVAGE, Com.

ELDER WEST LEARY.

Elder West Leary was born June 9th, 1811. In the 29th year of his age, he made a profession of religion, uniting with the church at Capeharts, Bertie county, N. C. On the 14th of June, 1832, he married Mary E. Thatch, and in the year 1847 moved to the county of Chowan. He was regularly ordained into the gospel ministry in the year 1848. In the year 1850 he organized and established the church at Macedonia, in the pastorate of which he continued thenceforward to his death, a period of over 30 years. June 23d, 1860, he lost his wife; January 8th, 1862, married Mrs. A. V. Townsend, who died April 29th, 1872. He served in the pastorate many churches in the bounds of the Chowan Association—Mars Hill, Salem, Ballard's Bridge, Ebenezer, Whiteville Grove, Ross' Church, Providence, Macedonia and others. He died at his home in Chowan county after a brief illness on the 24th of July, 1881, in the 71st year of his age. Ten of the thirteen children born unto him now survive him. His educational advantages were few indeed, but a native vigor of intellect, fired by a zeal for the cause of his master, and tempered by devoted piety, made him a powerful instrument in God's hands in the accomplishment of a great work. The churches he served as pastor, the communities where he labored in conjunction with others at the recurring protracted revival seasons, will acknowledge the efficiency of his ministry and gratefully cherish his memory. W. H. M.

REV. EDWARD HOWELL

was born June 5th, 1797, and died Aug. 1st, 1879, in his 83d year. Bro. Howell in his early life was a man of means but not a christian. Said he, on one occasion—"I was fond of my toddy and one day, after I had taken my drink, my oldest child, a little boy, said to me, 'Pa, the Devil will get you if you don't stop drinking.' That," said Bro. Howell, "was the first temperance sermon I ever heard; and turning around, I wiped my mouth, saying, 'God helping me, I will let the stuff alone!' Soon after, God took that child from me. And though I could not then see why He should do it, I think I can see now. I found no peace of mind until I gave myself to Jesus, and since then, in my feeble way, I have been striving to labor for Him in season and out of season."

The exact time of Brother Howell's ordination cannot now be ascertained. Though a resident of Virginia, he was a member of Piny Grove church, Gates county, from its organization in 1827, till his death. He served the churches at Great Fork, Middle Swamp, Cool Spring, Piny Grove, Beaver Dam and Buck Horn. He was a Bible scholar, zealous in his labors and sound in doctrine. He always took great delight in talking on religious subjects, and whatever the topic of conversation, it would always find some channel through which to flow to Jesus.

He read much and retained much of what he read. His eyesight never failed him, and to the time of his death he could, without the aid of glasses, read the finest print. When too infirm to fill his appointments longer, he spent much time at his mill, where he still talked of Jesus, counseling His followers and urging sinners to turn to Him. Ripe in years and christian labors, he fell asleep, after a short illness, as quietly as a babe upon its mother's bosom.

Elder Williams petitioned for letters of dismission for the following churches to form a new Association: Buckhorn, Elam, Harrellsville, Hebron, Jackson, Lawrence's X Roads, Mars Hill, Meherrin, Mt. Carmel, Mt. Tabor, Murfreesboro, Pleasant Grove, Plymouth, Potecasi, Robert's Chapel, Roquist and Winton.

Elder Hufham moved that action on the petition be deferred until the next meeting of the Association.

The motion was discussed by Elders Hufham, Williams, Savage and Babb, and lost.

The question recurring on the original motion to grant letters of dismission to the churches named, was carried.

On motion, the special order of the hour, Report on Baptist State Convention, was called for.

The following was presented by Elder Hufham for the committee:

REPORT ON BAPTIST STATE CONVENTION.

I. STATE MISSIONS.—In this department of our labor there has been steady and gratifying progress for several years. Five years ago there were nine missionaries at work in connection with our Board. Last year there were thirty-eight; now there are fifty-four. The whole time spent in their labor by the missionaries last year, makes 1,037 weeks. They supplied sixty-eight churches and fifty-nine stations, preaching 3,263 sermons, baptizing 376 persons, and organizing twelve churches. This year the amount of labor will be much greater and we may reasonably hope for much larger results.

This is exceedingly gratifying to the lovers of Jesus and His truth. It makes a strong plea for increased liberality on the part of the churches, specially when backed by the vast fields still destitute and waiting to be occupied by the Baptists.

II. FOREIGN MISSIONS.—It is a cause for joyfulness on the part of the Southern Baptists that the Lord's favor has rested on this department of our work during the past year. Some of the missions have been reinforced, and in all of them there are abundant indications pointing our brethren forward to still greater efforts with the prospect of a great harvest the coming years. Several brethren here in the South, one more in our own State, have heard the voice of God calling them to the foreign field and have given themselves to the work, to enter on it as soon as their studies are completed. The amount of money contributed last year was the largest in the history of the Southern Baptists.

III. MINISTERIAL EDUCATION.—Forty-five young brethren are now at our College, who are to give themselves to the full work of the ministry on the completion of their course of study. This is the largest number we have ever had, and there is in it a manifest token of the Spirit's presence in the churches, bestowing his rich gifts on them. Of the number mentioned above, thirty-four are aided by the Board of Education. To meet the demands requires liberal contributions from the churches. Thus far they have been equal to the needs.

IV. SABBATH SCHOOLS.—There has been progress in this branch of our labor not only in our own bounds but throughout the State, as will appear from the report of the Committee on Sabbath Schools and from the statement of the Corresponding Secretary of our Convention, who is here with us.

R. R. OVERBY,
Chairman.

So much of this Report as refers to Ministerial Education was taken up for consideration.

The body was addressed by Prof. Taylor and Elder Overby.

Pending the discussion the roll of the churches was called, and the following amounts pledged by the delegates for this object during the coming Associational year, viz. :

REPORT ON PERIODICALS.

The BIBLICAL RECORDER, our old and well beloved organ, has never had a larger measure of prosperity than at the present time. It is steadily finding its way into a large circle of the homes of our brethren, and is bringing forth good fruit, stimulating the religious, and denominational and intellectual life wherever it goes. This is a matter for profound thankfulness, as it gives sure promise of denominational unity and power through the years to come. The editorial management is all that could be deired. It remains for us to push the circulation to the utmost.

Kind Words is admirably adapted to the wants of our Sunday Schools.

The *Foreign Mission Journal* is indispensable to the Baptist who would be completely equipped for his Lord's work on earth.

R. T. VANN, Chairman.

MORNING SESSION.

WEDNESDAY, May 14, 1884.

After religious exercises conducted by Rev. George Baker, the Association convened, and the Moderator read the 95th Psalm.

The congregation sang "Jesus, lover of my soul," and Rev. A. D. Cohen led in prayer.

An invitation to seats was extended to visiting brethren and corresponding messengers, and accepted by Elders A. D. Cohen and Thomas Carrick of the Tar River Association, and Rev. C. S. Farriss of the BIBLICAL RECORDER.

It was announced that Elder J. D. Bond would preach at the stand this morning.

On motion, the special order was taken up.

Rev. R. R. Overby read the following

REPORT ON CHOWAN BAPTIST FEMALE INSTITUTE.

Your committee are gratified to report an increased patronage, the number of pupils being now larger than it has been since 1875. There has been marked improvement in all departments of the school, the policy being to make advancement "all along the line." The health has been, as usual, good. The religious aspect of the school is peculiarly good. A revival has recently been in progress, in which almost the entire number of students has been reached.

Respectfully,

R. R. OVERBY.

The following was offered by Elder Overby:

Resolved, That this Association pledge themselves to do what they can to increase the number of pupils to one hundred next year.

The report was discussed by Elders Overby, Savage, Baker, Hufham, and Bro. Gregory.

Elder Savage made the following statement in regard to the financial condition of the Institute:

When the stockholders donated the property to the denomination, there was a debt against it of $4,600. It was thought, however, that there were sufficient assets to liquidate this debt. Many of these assets were open accounts, out of date, and could not be collected. The Trustees have made a strenuous effort, and paid all the debt except about $600, to provide for which there are no further resources at their command.

On motion, the roll of churches was called, and the following amounts pledged to pay one half of the above debt:

Ballard's Bridge	$15 00	Ramoth Gilead	$15 00
Berea	5 00	Rehoboth	5 00

AFTERNOON SESSION.

On motion, the report on Baptist State Convention was called for.

The following was read by Elder Hufham:

REPORT ON BAPTIST STATE CONVENTION.

The work of the Convention comprises five departments:

1st. STATE MISSIONS.—Through this department we are endeavoring to supply Baptist preaching to such portions of the State as are now destitute of it. It is a high and holy enterprise. Patriotism, no less than religion, calls us to it. Our Board has been enlarging its effort in this work for several years. Its efforts and responsibilities are greater this year than ever before. Glorious are the fruits gathered from this field in other years. Many and gracious are the testimonies which God has given of his favor towards our labors in this enterprise.

2nd. FOREIGN MISSIONS.—During the year just closed the Baptists of the south have done more than ever before to carry the gospel to the other nations of the

earth. Nearly $90,000 were contributed by them for this purpose, and the year closed without any debt. We are glad to note that there are openings, specially in Mexico and China, for a great increase of laborers, and the Board is putting forth efforts to meet the demand. There will be need this year for increased liberality on the part of the churches.

3rd. HOME MISSIONS.—This department of labor aims to reach the Indians and the destitute portions of the South and the Southwest. It is a great and important enterprise, and appeals to every lover of Jesus.

4th. MINISTERIAL EDUCATION.—There are now at our College thirty-five young ministers sustained by the Board of Education. Funds are sadly needed to meet the expenses of these young brethren.

5th. SUNDAY SCHOOLS.—This Board, in Raleigh, through the Corresponding Secretary of the Convention, will extend aid in almost any direction to Sunday schools applying for it. T. W. BABB, Chairman.

Elder Overby offered the following amendment :

WHEREAS, We recognize the great responsibility to give the world the Gospel; therefore

Resolved, That during the coming Associational year we make an honest, earnest effort to raise $2,500 for the various objects of the Baptist State Convention.

Elder Huf ham moved that that part of the report relating to Ministerial Education be adopted.

Association met pursuant to adjournment.

Subject of Sabbath Schools continued.

The body addressed by Elder VanDeventer, Bro. R. P. Felton and Prof. Delke, and the report adopted.

Rev. R. VanDeventer read the

REPORT ON PERIODICALS.

Believing that godliness exalteth a nation, and that the religious press is an efficient agent in scattering truth which provokes to piety and good works, it behooves us as christians to scatter the fruit of the press over our land; and as Baptists desiring the principles of the Bible to be received everywhere, we should strive to put the BIBLICAL RECORDER in every family in our churches, believing that wherever our denominational paper is read, the interest of our denomination is promoted. The large degree of success attained speaks its merit and sustains us in recommending it, and should be a strong reason why its circulation should be further enlarged. We also recommend the *Foreign Mission Journal* to all Baptists. We would recommend to our Sunday Schools the "International Lesson Helps." In these will be found help for classes of all grades. Schools using these helps wisely will realize much benefit.

R. VANDEVENTER.

REPORT ON TEMPERANCE.

Your committee believe the sale of intoxicating liquors, and their use as a beverage by professors of religion, to be against growth in grace and christian usefulness. These liquors some of our brethren, we fear, sell, and some times drink even to intoxication. We, therefore, recommend that our churches be watchful, and exercise a more healthy discipline against intemperance.

O. C. HORTON,
D. P. DAUGHTREY,
EDW. PEARCE,
Committee.

On motion, the report on Temperance was adopted.

MORNING SESSION.

WEDNESDAY, May 13, 1885.

Association met pursuant to adjournment.

The Moderator read the 46th Psalm.

Congregation sang "Before Jehovah's Awful Throne," and Dr. John Mitchell led in prayer.

Proceedings of yesterday were read and approved.

On motion, the special order was taken up, and Brother N. L. Shaw read the following:

REPORT ON CHOWAN BAPTIST FEMALE INSTITUTE.

The good accruing to the church by consecrated female education is beyond the calculation of the most discerning. The benefit to the Baptist cause in eastern North Carolina and Virginia, by the religious literary training of our girls at Chowan Baptist Female Institute, will never be known in time. Such an important factor to our growth in religious and mental proficiency should be heartily encouraged and liberally patronized.

Your committee are pleased to report that at no time in the history of this Institution are the evidences of prosperity clearer and more evident. The standard of the curriculum is equal to that of any female school in the State, and the advantages as to moral discipline and healthful exercise are in advance of most female institutions. There are now at the Institute ninety girls, the most of them regular boarders; and one of the strongest evidences of

the religious and moral atmosphere that pervades this school is that every regular boarder is a Christian except four. The general health of the school has been good. It will be remembered that at the last session of this body pledges were made by churches and individuals for the purpose of paying the last of the old debt due by this institution. Some of these pledges have not been paid, and as the parties to whom the money is owing would be glad to have it, and the further great importance of clearing up and settling finally these old matters, your committee would urge the importance of the immediate settlement of these pledges. Have we discharged our duty in compliance with resolutions offered and adopted at the last session of this body, "That we do what we could to increase the number of pupils to one hundred during the present year?" If so, all well; if not, let us redouble our energies to increase the patronage of this noble institution, that the blessings which we have so richly enjoyed in the past may be multiplied beyond the calculations of the most sanguine.

Respectfully submitted,

N. L. SHAW, Chairman.

Elder Overby requested that the roll of churches be called, to ascertain whether the pledges made at our last session to liquidate the debt against the Institute had been paid or not. The roll was then called, and it was ascertained that what had not been paid would be, soon.

On motion to adopt, remarks were made by Brother N. L. Shaw, Brother J. B. Brewer, President of the Institute, and Elder T. G. Wood.

Report adopted.

The report on Ministerial Education was then taken up, and Elder Hufham read the following:

REPORT ON MINISTERIAL EDUCATION.

During the current year thirty-four young brethren have received aid from the Board of Education, and thirty-one are now wholly dependent on the Board for the means which shall enable them to pursue their studies. Owing to the financial tightness prevailing in many parts of the State, and to other causes, contributions have not been made so freely and promptly as usual; and the Board, therefore, appeals with special urgency for cash contributions at this time. We recommend that at least two hundred dollars be raised at this time.

J. D. HUFHAM, Chairman.

After remarks by Elder R. T. Vann, the roll of the churches was called, to ascertain how much each church would pay to the Education Board during the coming year, and what amount of this would be paid by the 1st of June. Responses were made as follows:

AFTERNOON SESSION.

Association met pursuant to adjournment. The discussion on the report on Ministerial Education was resumed. Remarks were made by Elders Overby, Hufham, Prof. C. E. Taylor, and the report adopted.

A motion was made to take up the report on the Baptist Orphanage, and the following was read by Elder R. Van Deventer:

REPORT ON THE BAPTIST ORPHANAGE.

It is a good cause for rejoicing that some of our brethren have determined to found a home in which the indigent orphans in our churches and congregations may be cared for. Reason and Scripture agree in binding us to found and support such an institution. An association was organized for this purpose during

the last session of our State Convention. A charter has been secured by an act of the last Legislature. Thomasville has been selected as the location. A tract of land has been purchased and paid for. Other land has been purchased, and part of the purchase money has been paid. Arrangements have been made for the erection of an orphan-house during the approaching summer. Our beloved brother, J. H. Mills, is in charge of the work as general superintendent. Already application has been made for the reception of needy orphans. It is, as has been said, matter for rejoicing that a great charity like this has gone forward thus far with so many tokens of God's favor. It remains for our brethren and churches to push the work vigorously, and by liberal contributions carry it on to completion.

Respectfully submitted,

COMMITTEE.

Brother J. H. Mills said: I was reluctant to engage in this work, but when the brethren began to write on the subject and call me by name, I decided to help them. I felt that every child had a claim on us. I determined that no child should look at me and say, "You have had an opportunity to rescue me from degradation and would not." Our people take but little interest in charity. I met a minister some time ago who could not find a chapter in the Bible on charity. Few of our hymn-books have hymns on charity. Some time ago I stopped in a town and asked some one to go with me to look after some children, and they told me it was a part of the town which they never visited. I am glad the Baptist Orphanage is started, if for but one reason, and that is to ascertain whether the Baptist brotherhood is a society for enjoyment and for selfish pleasure, or a church of God for the good of mankind. The Lord has given us the poor to cultivate charity. The people in Israel were always commanded to leave a part of their crops and a part of their fruit for the poor. Some of our deacons think that the only work for them to do is to hand around the bread and wine. Some of our people think that baptism is all of the gospel. Our Lord commanded to call the poor, the halt, the lame, and blind to the feasts. How many feasts of that kind have you given? I do not hear of any such feasts being given now. I understand one is to be given next summer. Our Savior told the deacons who followed him to provide something to feed the poor. It is the business of our deacons to provide for the poor. Before there was an orphanage in this State I was once on my way to the Chowan Association, and on the way I took out a Testament and asked a little girl to read me a few

passages. A lady standing near said: "She can't read; her father and mother are dead, and she has never had an opportunity to go to school." We call a man brother and a woman sister. Are we going to care nothing for their children when they are dead. The Baptist Orphanage has been started; what part are you going to take in it? It is remarkable that the first contribution that came to me, after I announced myself was from an outsider. Various are the contributions received. Two little orphans brought me twenty cents apiece. I did not want to take it, but I hated to hurt their feelings. One little girl sent me one cent. You are bound to believe the religion of the Bible, and that religion teaches charity.

Remarks were made by Elder Hufham, and the report adopted.

Brother N. L. Shaw moved that a collection be taken up for the Baptist Orphanage. Amount received for this purpose, $27.00.

The report on State Missions was made the special order for to-morrow, 10½ o'clock.

The report on periodicals was then taken up, and the following read by Elder T. W. Babb.

REPORT ON PERIODICALS.

It is surely needless to insist on the importance of a good religious newspaper in the household. Without it the furnishing of the house is incomplete. Such a newspaper we have in the

"BIBLICAL RECORDER."

It is an able expounder of Baptist principles, and a fearless defender of the old Gospel faith; wise and earnest in the advocacy of every good word and work, and prompt to gather news of the progress and the needs of Christ's kingdom on earth. The North Carolina Baptist who fails to take it wrongs himself and his household. As a Sunday school paper,

"KIND WORDS,"

published at Macon, Ga., is heartily commended. For those who wish to be fully informed as to the foreign mission work of Southern Baptists,

"THE FOREIGN MISSION JOURNAL,"

published in Richmond, Va., will admirably supply their needs.

T. W. BABB, Chairman.

This report was made the special order for to-morrow, 10 o'clock.

The Committee on Time, Place, and Preacher of Introductory Sermon for the Next Session of this body reported as follows:

Place—Columbia, Tyrrell County.

Time—Tuesday after the second Sunday in May, 1886.

To Preach Introductory Sermon—Rev. George Baker; Alternate, Rev. R. R. Overby.

Report received and adopted.

The following was read by Rev. R. Van Deventer:

REPORT ON FOREIGN MISSIONS.

Though this year has witnessed the Board s severest struggle, it has also seen its most signal triumphs. Never have so many men and women decided to give themselves to the work; never has so much work been done, and never have means been so hard to obtain.

With these difficulties, the Board reports free of debt, with $1,144.61 in hand. The Baptists of the South gave during the past year $81,289.59 Much more would be done if our churches were disposed to support those who are willing to consecrate themselves to the work.

Two of our "own boys" expect to join Dr. Yates soon, and we rejoice to know that some of our churches have taken steps toward their support. We have read the urgent call of Brother Yates for $2,200 to complete the chapel at Chinkiang, which will be daily used by Brother Bryan or Brother Herring.

The Mexican Mission should claim our special prayers and aid. The past success inspires gratitude and should stimulate our faith. As a means of stimulating our interest in this work, we recommend the Foreign Mission Journal and Heathen Helper as worthy of a general circulation among our churches.

Respectfully submitted, COMMITTEE.

The report was made the special order for to-morrow at 2 o'clock.

The following resolution was offered by Elder Hufham:

WHEREAS, Our brethren at Greenville are still cumbered with the work of building their house of worship, which shall serve them as a sanctuary and also serve to commemorate one of the most important events in our denominational history—the organization of the Baptist State Convention; therefore,

Resolved, That we commend our brethren at Greenville and their enterprise to the liberal consideration of the churches.

Remarks were made by Elders Hufham, R. T. Vann, Brother N. L. Shaw, Elders T. W. Babb and T. T. Speight, and the resolution adopted.

A petitian from Coleraine church asking for a letter of dismission to join the West Chowan Association was received. and on motion the letter was granted.

Association adjourned.

It was announced that Rev. R. T. Vann would preach at the stand.

The report on State Mission was taken up, and the following read by Elder Overby:

REPORT ON STATE MISSIONS.

With gratitude to Almighty God for his blessing upon our past efforts, your committee are able to report that our State Mission work is steadily advancing. With the blessing of the Lord, and the wise supervision of our Corresponding Secretary, our progress

is truly wonderful. With many of our Associations and Union Meetings refusing to work with and through the State Board, we have advanced, within seven years, from nine missionaries to sixty-three, as reported at the last convention, with a corresponding increase of funds.

At a meeting of the Board, during the last Convention, others were appointed in addition to the sixty-three, so that we cannot have at present less than seventy under appointment.

It is a source of rejoicing to review the work of these missionaries. During the last year they baptized 1,276 persons, besides other important work. Your committee will not say that the State Mission work is the most important in which we are engaged, because the last order Jesus ever gave to his church was, "Go ye into all the world and preach the gospel to every creature," and whatever tends to the carrying out of this order is all important. We will say, however, that by close observation we have seen that every good work rises or falls with State Missions.

Perhaps it is upon the principle laid down by Paul: "He that will not provide for his own is worse than an infidel."

Resolved, therefore, That in council assembled, and in view of God's blessing upon the little we have done, we do solemnly promise Almighty God and the State Board that during the coming year we will try to do more than we have done in the past.

R. R. OVERBY,
M. R. GREGORY.

On motion to adopt, the body was addressed by Elders R. R. Overby, W. P. Jordan, T. T. Speight, George Baker, and T. W. Babb.

While the motion was pending a collection was taken for this object, amounting to $16.01.

The report on Temperance was taken up, and on motion adopted, after remarks by Elders R. R. Overby and L. C. Brickhouse.

REPORT ON TEMPERANCE.

Your committee think the cause of temperance on the advance in our midst since our last report. Some Baptists who were selling intoxicating liquors have discontinued the sale, and we hear of less drinking at bars by our church members than formerly. We hope the time is not far distant when every Baptist will think more of his Christian influence and the Master's cause than to sell or drink intoxicating liquors as a beverage.

O. C. HORTON, Chairman.

The Clerk was instructed to have 1.500 copies of the minutes printed.

Elder Overby moved that the resolution passed at our last session in regard to selling articles on and about the church grounds during the sessions of the Association be made a standing resolution.

The following was offered by Brother N. L. Shaw:

Resolved, That this body tender its hearty thanks to this church and to the friends and members of other denominations for the generous manner in which they have entertained this Association, and to such railroad and steamboat companies as have passed the delegates and visitors to and from this body at reduced rates of fare.

On motion, adopted.

*Absent.

It was moved that a standing committee on Home Missions be appointed, and that said committee report as early as practicable.

The following committees were announced:

On Baptist Orphanage—Rev. George Baker, Rev. R. R. Overby, Rev. O. C. Horton, Rev. T. T. Speight, Rev. R. Van Deventer.

On Home Missions—Rev. Josiah Elliott, Rev. C. P. Bogart, E. F. Aydlett.

On motion, the reading of the Constitution and Rules of Decorum was dispensed with.

On motion, the report on C. B. F. Institute was called for, and read by Eld. R. Van Deventer:

REPORT ON CHOWAN BAPTIST FEMALE INSTITUTE.

The year past has been one of success and prosperity. Notwithstanding the financial depression felt in the eastern section of our State, the number of students in attendance this session is 98, a gain of 9 per cent. over last year. There is a larger number of boarders than at any of the female schools of our denomination in the State, so far as our information extends.

The prosperity and patronage of the school are such that a larger building is a necessity.

There has been no death, nor any case of serious illness; and the health of the girls has been as good as at any other institution. We report with satisfaction that, while the physical condition of the students is so good, it is no better than the moral and spiritual. The work done by the pupils is very satisfactory to the faculty, and calls forth their commendation. These facts prompt us to heartily recommend the claims of the Institute to parents who have daughters to educate. Respectfully submitted,

R. VAN DEVENTER,
W. G. FEREBEE,
Committee.

On motion, this report was made the special order for to-morrow, 10 o'clock.

The Association then adjourned until 9 o'clock to-morrow morning.

Prayer by Rev. J. M. McManaway.

MORNING SESSION.

WEDNESDAY, May 12th, 1886.

Association met pursuant to adjournment.

The Moderator read the 90th Psalm; congregation sang, "All hail the power of Jesus' name," and Rev. C. S. Farriss led in prayer.

The committee on the Admission of New Churches reported as follows:

Your committee, to whom have been referred the new churches, Ariel, Beulah and Poplar Branch, report favorably; and recommend the reception of these churches into the Association.

P. S. C. DAVIS,
W. B. WAFF,
R. R. OVERBY,
T. T. SPEIGHT,
Committee.

The report was adopted, and the Moderator extended the hand of welcome to the delegates.

The committee on Time, Place, &c., reported:

Place—Providence, Currituck county.
Time—Tuesday after second Sunday in May.
To preach introductory sermon—Rev. W. P. Jordan; Alternate, Rev. T. T. Speight.

W. B. SHAW, *Chairman.*

On motion, it was agreed that one hour only should be allowed for the discussion of each of the subjects to come before the Association.

The special order was taken up, and, on motion to adopt, was discussed by Elders R. Van Deventer, C. W. Scarborough, T. G. Wood, Bro. W. B. Shaw and Elder J. D. Hufham. Report adopted.

It was announced that Rev. C. W. Scarborough would preach at the Methodist Church.

Elder J. D. Hufham offered the following:

WHEREAS, The increasing patronage of the Chowan Baptist Female Institute at Murfreesboro absolutely requires that additional buildings shall be erected at an early day; and,

WHEREAS, The same thing is required by the spirit of our times and by the constantly rising standard of education: therefore

Resolved, That we request the trustees of the Institute to make inquiry as to the character and cost of such additional buildings as may be needed, and make report to the next session of this body.

On motion, W. G. Ferebee, W. B. Shaw and J. M. Forehand were recommended to fill vacancies in the board of trustees of Chowan Baptist Female Institute.

Report on Ministerial Education was taken up and read by Elder Hufham:

REPORT ON MINISTERIAL EDUCATION.

It is a gratifying token of the Lord's presence with the Baptists of the State that He is calling large numbers of young men into the ministry. It is a sure sign of life and progress and is full of promise for the future. These young men are, of course, in most cases, poor. In order to secure the highest measure of power and usefulness, it is needful that the churches furnish them the means for securing the best possible intellectual training before giving themselves wholly to their high and holy work.

During the current year there have been about thirty of these young brethren at our college. The contributions of the churches for their support have been liberal, considering the financial depression of the times; still, they have fallen short of the amount needed for the support of the brethren. At the last session of this body, three hundred dollars were pledged for this purpose. Of this amount all but twenty-eight dollars and seventy-three cents have been paid in.

It is hoped that this deficit will be provided for at this session, and also that a liberal contribution will be made for the Board during the coming year.

J. D. HUFHAM, *Chairman.*

On motion to adopt, the body was addressed by Prof. C. E. Taylor, Elder J. D. Hufham and Bro. W. P. Shaw.

The roll of churches was called, and amounts pledged for Ministerial Education as follows:

The report on Foreign Missions having been called for, was read by Elder O. C. Horton:

REPORT ON FOREIGN MISSIONS.

"The work of the Foreign Mission Board was never more extensive and inviting. It has over one hundred missionaries, native and foreign, laboring in South America, Europe, Asia and Africa." Some additional laborers have been sent over during the past year and the constant cry is for more help. Some parts of the field are ready for seeding and others already white to harvest. The laborers are few and the funds in hand not sufficient to support those already at work. The amount asked for the work—one hundred thousand dollars—is small to carry on the entire interest, build houses of worship, pay rents and the salaries of the faithful workers.

We don't know how much the general receipts of the Board amount to, but hope they will be enough to relieve it of all its indebtedness. Special efforts have been made during the past two months, in Baltimore, Louisville and Atlanta, to save the Board from embarrassment, but we have not learned the result. Of the eight thousand dollars asked of North Carolina as her part of the one hundred thousand dollars distributed among the States, only about six thousand dollars were raised up to the first of April.

Some has been sent in since, but we fear not enough to pay us out of debt. We think the churches of our Association have not been as mindful of Foreign Missions during this year as heretofore; therefore we recommend that this body undertake to raise five hundred dollars for this object during the present associational year. Respectfully submitted,

O. C. HORTON,
E. F. AYDLETT,
J. G. HUGHES,
Committee.

On motion to adopt, the Association was addressed by Elders O. C. Horton, R. Van Deventer, T. W. Babb and Bro. W. B. Shaw. Report adopted.

The report on Baptist Orphanage was called for and read by Elder George Baker:

REPORT ON BAPTIST ORPHANAGE.

Your committee on Baptist Orphanage beg leave to submit the following: The N. C. B. O. was organized November, 1884. Notwithstanding grave fears of failure and scarcity of means, God has signally blessed the project. Two tracts of needed land have been secured and paid for, together with a suitable house. Two other houses are in process of building. An additional tract of land has been purchased, making in all three hundred acres.

Fifteen hundred dollars are needed at once to relieve the debt incurred. We recommend, therefore: 1st, That a collection be taken in each church of the Association, and forwarded to the treasurer for its liquidation; 2d, That each of the ministers of this Association secure as many life-members to this orphanage as convenient who will pay a dollar annually to the institution for its support. 3d, That we cultivate in our fields of labor a lively sympathy, and send funds whenever needed for the support not only for the twenty-three children there now but also for others who are waiting to go; and that we extend the influence of its usefulness as its demands may require. 4th, That we recommend the appointment of a standiug committee to see to its interests.

All of which is respectfully submitted,

GEO. BAKER,
R. R. OVERBY,
O. C. HORTON,
T. T. SPEIGHT,
R. VAN DEVENTER,
Committee.

On motion to adopt, the body was addressed by Elders George Baker, T. W. Babb, R. R. Overby, J. D. Hufham and T. T. Speight.

Pending the adoption of the report an effort was made to raise fifteen hundred dollars to pay the above mentioned indebtedness, and this being partially accomplished, the report was, on motion, laid on the table until to-morrow morning, 10 o'clock.

The report on State Missions was made the special order for to-morrow morning, 10½ o'clock.

Association adjourned until 9 o'clock to-morrow morning.

MORNING SESSION.

THURSDAY, May 13th, 1886.

Association met pursuant to adjournment.

The Moderator read the 13th chapter of First Corinthians.

The congregation sang, "There is a fountain filled with blood," and Rev. R. E. Peele led in prayer.

The following was offered by Elder Hufham:

WHEREAS, Our brethren at Greenville are still burdened with a debt on their unfinished house of worship; and

WHEREAS, They are greatly hindered in their work, and the cause is suffering throughout the whole region by reason of this indebtedness: therefore

Resolved, That we deeply sympathize with our brethren at Greenville, and that we will aid them according to the measure of our ability, until the work shall have been finished.

Remarks were made by Elder Hufham, and the resolutions adopted.

The report on Sunday Schools was called for and read by Rev, W. B. Waff:

Brother Hufham offered the following:

Resolved, That we record with profound thankfulness to God the liberality given to his people, which has led them to subscribe at this session more than the amount needed to pay for the farm at the Baptist Orphange, still unpaid for.

Resolved, That a committee of two brethren in each Union Meeting be appointed to collect the amounts already subscribed and to canvass for the subscriptions until the farm shall have been paid for.

Resolved, That George Baker and R. R. Overby, A. W. Burfoot and Jos. A. Spruill, T. T. Speight and W. P. Jordan compose the committee.

Resolved, That this committee be instructed to forward the amounts collected to the treasurer of the Baptist Orphanage and make report to this body.

The report on State Missions was taken up and read by Elder Overby:

REPORT ON STATE MISSIONS.

With profound gratitude to Almighty God, your committee are able to report that the work is constantly advancing with gratifying results. The State Board, to-day, is paying ten more missionaries in the field than ever before.

The reports published in the *Recorder*, by our Corresponding Secretary, of the labors of these missionaries are truly encouraging. In the judgment of

*Dr. Capehart handed me five dollars while in Edenton on my way home, to be applied to whichever of our benevolent objects I might deem best. T. E. WAFF.

your committee the rapid growth of the Baptists in North Carolina, which has perhaps no parallel, is very largely due to the labors of the missionaries of this Board who have at some period within the last fifty-six years preached the gospel in every county within the State.

The Baptist State Convention was organized fifty-six years ago; and from the best information to be had, we then numbered 15,360; to-day we number 225,322.

When we contrast these figures we feel like asking, "What hath God wrought?" Over such results we ought to rejoice, but with trembling; for on the back of this comes another question, "What have we rendered to God for such blessings?"

As the Board advances the field expands; and the prospects of yet grander results brighten. At nearly every meeting of the Board pressing appeals are made for aid in new, inviting fields; and men, good and strong, are saying, "Here am I, send me." With the means at their disposal, and the blessing of the Lord, the Board feel confident that North Carolina can be taken for Jesus Christ. They dare not make other appointments with one thousand dollars still due on the first quarter.

We are sure that every christian will say, this ought not so to be. Your committee think that they are not extravagant when they say that with all we say about hard times (which we have never seen) we are fully able to place at the disposal of the Board this conventional year ten thousand dollars. It ought to be done; it can be done; shall it be done?

Respectfully submitted,

R. R. OVERBY, Ch'mn,
J. R. ETHERIDGE,
A. D. WHITE,
Committee.

Remarks were made by brethren Ray and Hufham.

Pending the adoption of the report, the roll of churches was called and the following pledges made to be paid between this and our next Association:

The following amounts were paid on the above pledges: Bethel $1.00; Providence $5.00; Roanoke Island $2.00.

A collection was taken up amounting to $11.78.

Report adopted.

Elder Hufham offered the following:

Resolved, That the clerk be instructed to have the minutes printed at the *Recorder* office.

Resolved, That, in case there is not money enough to pay for the work, he be instructed to notify the pastors and ask for contributions.

Adjourned one hour for dinner.

AFTERNOON SESSION.

Association met pursuant to adjournment.

The report on Home Missions was taken up and read by E. F. Aydlett:

REPORT ON HOME MISSIONS.

Your committee to whom the subject of Home Missions was left for consideration beg leave to make the following report:

The Home Mission Board connected with the Southern Baptist Convention report in their annual circular the following facts of interest:

"The number of its missionaries has been increased from thirty-four in 1882 to fully two hundred. As a result of their labors, the baptism of converts has increased from one hundred and nineteen reported in 1882, to twenty-nine hundred and thirty-one, reported in 1885.

"A corresponding increase is shown in every other item of labor reported by them to the Board. The present year is even more fruitful in blessed results than any one of the past. The first six months show twenty-eight hundred baptisms, and the reports for the third quarter, now coming in, justify the expectations that four thousand baptisms will be reported during the conventional year. Even with this enlargement of our work, the Board feels that so far from having reached the limit of its field, it has but fairly entered upon it."

Your committee suggest that in order to secure a more liberal contribution to the funds of this mission, that a collection be taken, during the year, in each church for this object.

By this systematic way of collecting funds, we think a larger amount may be forwarded to the cause of missions.

Your committee would also suggest that the collection and money pledged be sent up by the first day of April of each year.

Respectfully submitted,

JOSIAH ELLIOTT,
C. P. BOGART,
E. F. AYDLETT,
Committee.

On motion to adopt, the Association was addressed by Rev. J. M. McManaway.

The report on Periodicals was taken up and read by E. F. Aydlett:

REPORT ON PERIODICALS.

Your committee on Periodicals take great pleasure in recommending to our denomination the "*Biblical Recorder*" as an able expounder of the faith and doctrines to which we profess to adhere. It is indeed a missionary, having the State as its principal field of labor. It should be read in every Baptist family in North Carolina.

Without it or some other such journal, our whole denomination as such, as well as individual members, would be of slow growth. A family without the "*Recorder*" cannot understand or properly appreciate the amount or importance of the work that we are endeavoring to do for the cause of our Master.

As a Sunday school paper, "*Kind Words*" is not only amply sufficient to meet the wants and needs of our Sunday schools for a paper, but is a most excellent periodical, unsurpassed by any Sunday school paper that has come under our observation. It is published under the direction of the Southern Baptist Convention, and is a thorough Baptist paper in principle. We commend it to the consideration of all our superintendents, and earnestly recommend its introduction into every Sunday school within our denomination.

All should be interested in Foreign Missions; and, to those desiring a more extended knowledge of its work, we commend the *Foreign Mission Journal*, published at Richmond, Va.

JOSIAH ELLIOTT,
Committee.

Remarks were made by Elders T. W. Babb, J. M. McManaway, R. R. Overby, Josiah Elliott, L. C. Brickhouse and Bro. George Fleetwood, and the report adopted.

Elder A. W. Burfoot read the report on Temperance, which was, on motion, adopted:

REPORT ON TEMPERANCE.

We think the temperance cause is growing and strengthening in our Association and in all the other Associations; not that we have more temperance societies or hear more speeches, but the standard of morals is being raised higher, and the people seem to be turning on more light, thus causing intemperance to recede with the darkness. We would recommend that Christians use every legitimate means for its growth.

A. W. BURFOOT, *Chairman.*

The following resolution was adopted:

WHEREAS, The sale of intoxicating liquors in close proximity to our churches is a nuisance and a grievance: therefore

Resolved, That we request the churches to petition the legislature to pass laws prohibiting the sale of the same within one or two miles of their places of worship, as the exigencies of each case may demand.

T. T. SPEIGHT,
Committee.

The report was adopted, and the Moderator extended the hand of welcome to the delegates.

On motion, the report on Chowan Baptist Female Institute was made special order for to-morrow afternoon immediately after assembling.

The report on Home Missions was called for and read by Rev. O. C. Horton:

REPORT ON HOME MISSIONS.

History shows the many benefits of co-operating with kindred spirits in kindred work. We need more personal effort, but said effort should be more strictly in accord with God's word and in co-operation with the Christian agencies of our great Baptist Fraternity. "Two are better than one," because of the assistance they may render each other along the way in the great work of life. Loneliness in effort was the only thing God pronounced not good, after looking over his finished work of creation. The history of our denominational work likewise exhibits the blessing of united effort. Though our "Home Mission work" has been, and is still largely done by our State Boards, there remains much to be done by some other agency, which the State Boards cannot or else will not do. The proof is found in what the Home Mission Board has done, in supporting missionaries, organizing churches and Sunday schools, and otherwise fostering denominational interests in every Southern State. Weak churches in our large and growing centers of influence have been carefully looked after and helped by the Home Mission Board. We need not name them, because so well known to many members of this Association.

This Board has always labored in co-operation with the Associations and conventions composing the great body of which it is the servant, viz.: "The Southern Baptist Convention."

The Board is made up of brethren of ability and piety, who direct the Lord's money coming into their hands in the way to promote his cause over the entire South, among the Indians, and the Chinese of California. God's blessings have and are still signally following its efforts. Your committee, therefore, recommend that this Association fraternally co-operate with this Board in the work of the Lord.

O. C. HORTON, *Chairman.*

On motion to adopt, the body was addressed by Elders O. C. Horton and R. R. Overby. Report adopted.

On motion, the report on Ministerial Education was made special order for to-morrow morning, 10 o'clock.

Rev. A. W. Burfoot, Chairman of Committee, appointed at the last session, to visit Jacob's Pillar, recommended that the name be retained on the roll.

On motion, the clerk of this Association was requested to write the clerk of the Yeopim Union Meeting, and request that body to consider that field with a view to sending a missionary to occupy it.

The Association adjourned until 9:30 o'clock to-morrow morning.

MORNING SESSION.

WEDNESDAY, May 11th, 1887.

Association met pursuant to adjournment. The Moderator read the 51st Psalm. Rev. J. D. Hufham led in prayer.

Elder J. D. Hufham offered the following, which was adopted:

That after the business of opening the session the following order of business be adopted: 1st. Appointment of Committees; 2d. Reports of Committees; 3d. Miscellaneous business.

The hour for the special order having arrived, Rev. R. T. Vann read the following:

REPORT ON MINISTERIAL EDUCATION.

The Board of Education is aiding this year thirty-four young men, who feel called of God to preach the Gospel, and who have been recommended by their churches. There are ten others at the College able to pay their own expenses. Appeals for aid have been received from at least fifty other young men, which, owing to lack of funds, we have been compelled to refuse. The demands of this Board have increased to such an extent that the whole time and energy of a secretary are needed to prosecute its claims, and we are hoping to secure the right man at an early day.

Pending the motion to adopt, Rev. R. T. Vann addressed the body.

A collection was taken amounting to $108.37 in cash and pledges to be paid by the 1st of June.

The roll of churches was called, and amounts pledged for the ensuing year for Ministerial Education as follows:

At the last session of your body the following resolution was passed: "*Resolved*, That we request the trustees of the Institute to make inquiry as to the character and cost of such additional buildings as may be needed, and make report to the next session of this body." In accordance with the resolution the trustees, at their annual meeting in June, appointed a special committee to take this work in hand. After much thought and consideration a decision was reached as to the character of the buildings necessitated, an architect was employed, and we present to-day plans and specifications of a building, which embody our conceptions of the meaning of your resolution, as well as the imperative needs of our school.

The report on State Missions was called for and read by Rev. T. W. Babb:

REPORT ON STATE MISSIONS.

Never in the history of our State was there greater cause for gratitude to God for his manifold blessings than during the past year. With a larger number of missionaries laboring to supply the destitution in our commonwealth, more churches and Sunday schools organized, more houses of worship erected, more souls led to the Lord Jesus Christ, the outlook is peculiarly promising. Although the expenses of the State Board were more than two thousand dollars greater than during any previous year, still no debt was reported to the Convention. Encouraged by the success of the past year, and impelled by the enlarged demands upon us by new and inviting fields the Convention authorized the Board to appropriate ten thousand dollars this year for this great work. And at this time there are eighty-two men commissioned as our representatives to carry the Gospel of peace to the perishing souls in our own State. The Board is now greatly embarrassed for want of funds. The end of the second quarter has come and brought a debt of four thousand dollars. Let us as Baptists come up to the help of this great cause.

The Special Order—Foreign Missions—was read by W. P. Jordan:

REPORT ON FOREIGN MISSIONS.

As servants of the Lord Jesus, we ought to feel profoundly grateful to God for His special blessing on this department of our work. Truly the Lord has blessed us in all our work; but nowhere are the blessings of God more abundantly seen than on the labors of His servants in foreign fields. This work of Foreign Missions has steadily gone on widening and increasing, until the Foreign Mission Board of the Southern Baptist Convention has planted Missions, North-Eastern, Eastern and South-Eastern China; in Western Africa, in Italy, in Brazil and in Mexico; with Missionaries, Native and Foreign, numbering one hundred and fourteen.

These consecrated missionaries of the Cross, who are teaching the heathen the way of eternal life, are looking to us for sympat'y and support. At the session of the Southern Baptist Convention in 1886, the Board asked the churches of the South for one hundred thousand dollars with which to prosecute this great work during the Conventional year just closed. We are happy to state that enough was paid to relieve the Board of all its indebtedness, and we start on a new year with renewed energy. North Carolina was asked to contribute eight thousand dollars as her part of the one hundred thousand. We are sorry to have to state, that this amount has not all been paid; $7,242.00 was contributed by this State during the last Conventional year; it ought to have been $10,000. Your committee would recommend to the churches of this Association the following: First. That we pray more for this work. Second. That we agitate this work more among our people. Third. That we give more to send the Gospel to the heathen than we have ever done.

J. T. WAFF,
L. P. HAYS,
W. P. JORDAN,
Committee.

On motion to adopt, the body was addressed by Elders J. D. Hufham, T.W. Babb, W. P. Jordan, R. R. Overby and Prof. C. E. Taylor.

The Special Order—Periodicals—was called for and read by Rev. P. S. C. Davis:

REPORT ON PERIODICALS.

The time has come, yea is upon us, that Periodicals are a necessity. We are glad to say that we have, as a denomination, in the BIBLICAL RECORDER, a Periodical that has gradually grown fifty-two years, gaining strength and influence until it is power in North Carolina, for good. The Baptists are to be congratulated with its present editors. Their eyes are open and they see, they listen; and as they listen, are not afraid to expose error and defend the truth. Being in deep sympathy with the work of the denomination, is like a sentinel telling us where danger is coming. We commend the RECORDER, as a periodical, to the brethren of North Carolina, *Kind Words*, as a periodical for Sunday schools we would commend, also *Young Reaper* and the other periodicals published by the American Bible Publishing Society. For a knowledge of our Foreign Mission work, we would recommend to you the *Foreign Mission Journal.*

P. S. C. DAVIS,
T. J. RIDDICK,
G. D. B. PRICHARD,

On motion to adopt, the body was addressed by Elders C. S. Farriss, R. R. Overby, Geo. Baker, T. W. Babb and J. D. Hufham. Report adopted.

It was announced that Rev. W. P. Jordan would preach at the stand immediately. The congregation sung one verse of "Jesus, lover of my soul," while a part of the congregation were retiring.

The report on Baptist Orphanage was read by Elder J. D. Hufham:

THE BAPTIST ORPHANAGE.

This institution still maintains its hold on the hearts of the people, though the contributions, owing to the financial stringency of the times, have not been so large as heretofore. Fifty-five orphans are now there in the home provided for them by the Baptists of the State. More are waiting for admission. It is needful that our brethren should bestir themselves in order that the prosperity and efficiency of this great enterprise be not hindered.

Your committee have not been able to learn what proportion of the pledges

made last year and now due have been paid. It is important that the pledges be redeemed.

We recommend that the committee of last year be continued.

REPORT ON CHOWAN BAPTIST FEMALE INSTITUTE.

Considering the financial stringency of the times, and the multiplication of schools in the territory from which the Institute has hitherto drawn its support, the patronage during the present year has been remarkable. Good health and good order have prevailed, and the progress and proficiency of the pupils in their studies have been gratifying. The Institute is well officered, well equipped, and its condition and prospects are in every way satisfactory. The attention of this body, in two consecutive sessions, was called to the importance of additional buildings, and, by resolution of this body, the Trustees were instructed to prepare plans and estimates. Thos. G. Wood, of Murfreesboro, has been appointed agent to solicit funds for the erection of the new building. He is here present with us, as is President Brewer, of the Institute. Your committee recommend that these brethren be now heard.

Report on State Missions was called for and read by R. R. Overby.

REPORT ON STATE MISSIONS.

We are sure we are right when we are sure we are following the directions of our Lord Jesus Christ, in giving his last *order* to the church, "Go ye into *all* the world, and preach the Gospel to every creature." He charges them to begin at Jerusalem. Not that he was partial to Jerusalem, for they were sinners, perhaps, above all others; but as that was the natural order, it would be the quickest way to reach the end. As the man who takes the best care of home, is most willing to help others. Both experience and observation demonstrate that the State which does most for itself, does most for foreign and every other good work. Jesus taught that for a house to stand, it must have a rock foun-

dation. We think that State Missions is the rock upon which we must build up every other benevolent work. Our own State is an example. Only a few years ago, and State Missions in North Carolina was but a name; three or four missionaries, and hardly money enough raised to pay the Secretary. To-day we have 77 under appointment of the Board of State Missions, and raised last year $10,000. Then we were doing very little to educate our young preachers. To-day we are aiding thirty-nine. Then we were very far behind in our contributions to foreign and domestic missions. To-day we compare favorably with the best of the States. Then we had no Orphanage to care for the helpless. To-day we have one, of which we are all proud, filled with children, and are making room for more as rapidly as we can. Your committee are of opinion that all this wonderful advance is due largely to a revival of the spirit of State Missions among our people; that we are only in our infancy.

Respectfully submitted,

R. R. OVERBY,
T. B. BOUSHALL,
P. H. MORGAN,
Committee.

On motion to adopt, the body was addressed by Rev. C. Durham.

The roll of churches was called, and amounts pledged for State Missions, as follows:

P. S. Unfortunately, I left the copy of last year's minutes, which I used to take down the pledges to State Missions, Ministerial Education, and the names of the brethren appointed to take the collection for Home Missions—on my desk, and have not been able to procure it. I wrote to all of the pastors, asking them to inform me the amounts pledged by their respective churches. All responded except brethren T. W. Babb and J. R. Matthews. So I put down their churches the same as last year, which may not be correct.

G. D. B. PRICHARD.

On motion of Dr. J. D. Hufham, Baptist Orphanage was made the special order to-morrow morning 10 o'clock, and Periodicals at 10:30 o'clock.

The committee to whom was referred the petition of South Shore church reported, recommending its reception.

J. T. WAFF,
JAS. WARREN,
H. T. WILLIAMS,
Committee.

On motion, the church was received, and the Moderator extended the hand of welcome to Rev. R. B. Collier, representing the church.

On motion, the rules were suspended for the Committee on Hospitality to assign delegates homes.

Dr. J. D. Hufham read the following report on Foreign Missions:

REPORT ON FOREIGN MISSIONS.

The first and oldest of our Missions is *China*. This great empire has a population more than six times as large as that of the United States. It is the oldest of the nations of the earth. Its civilization included the printing press and the mariner's compass long before these things were known to the other people of the earth. It is now the last great pagan empire that exists in the world—the Gibraltar of heathenism, it has been called. For the south-eastern part of the empire, we have missions in Canton and the surrounding towns. In central China, our work is in Shanghai, Soochow, and the surrounding towns. In this mission our own men, Bryan and Herring, are laboring. Here Matthew T. Yates spent forty years, and here he has at last fallen asleep in Jesus. In northern China we have missions Tungchow, Hwang-hien and Pingtu, with the neighboring towns. In all these fields there are 54 missionaries, native and foreign, with 24 churches and stations, 677 church-members, 18 schools and 203 pupils. Deacon Wong, of Shanghai, has built and furnished a chapel at his own expense, costing more than a thousand dollars.

It fills us with sorrow to note the death of our beloved Yates, on his field, since the last session of this body. For forty years he had given himself to his work among the Chinese; and he was busy planning and pleading for the enlargement of his mision when the Lord received him to a higher sphere.

Our missions in *Africa* have passed through many vicissitudes. The last missionaries, W. J. David and W. W. Colley, the latter a colored man, were sent out in 1875. They are laboring in Yoruba, with Lagos as the central station. With them are fourteen others, native and foreign, with five churches and chapels, 138 members, five schools, and 284 pupils. Our missions in Italy, under the supervision of Dr. Geo. B. Taylor and J. H. Eager, were established in 1871. Several native ministers, some of them men of fine culture and all of them deeply pious, are engaged as pastors and evangelists. There are 14 churches and stations, with 306 members.

Our mission to *Brazil* was established in 1881. In that year, W. B. Bagby and wife went out. Now there are 14 missionaries, native and foreign, laboring at six stations and churches which have 175 members.

The mission to *Mexico* was established in 1880. In December of that year, the first missionary, J. O. Westrup, was murdered by Mexicans and Indians. The following year W. D. Powell was sent out to take his place. The history of this mission reads like a chapter from the Acts of the Apostles. It now includes 17 missionaries, native and foreign, and eight churches which have organized an Association.

The tidings from all these fields are of a most encouraging character. They tell us of God's blessing on the stations already occupied and of new fields opening to us year by year. They also call loudly for reinforcements to enter the fields which are opening their gates to us. It is the call of God to us to "go forward."

We mention also that C. L. Powell, a native of Columbus Co., is laboring in Algiers, Africa. He is gone in obedience to what he conceives a call of God, and relying on God for support. This instance of apostolic faith deserves commendation and encouragement.

Bro. E. F. Aydlett moved that the old Constitution be stricken out and the one offered by the committee be substituted in lieu thereof. The motion was adopted.

The hour for the special order having arrived, Rev. H. T. Williams read the following:

REPORT ON BAPTIST ORPHANAGE.

This institution has proved by its rapid success that it is blessed of God. In a brief time it has prepared a home for the physical, intellectual and religious

training of ninety poor orphans. This has only opened the way for it to become a greater power of good. Many of God's little ones are pleading for admission to this God-given home, and are refused because there are no funds for their support. We recommend this as one of the greatest channels of Christian liberality, and we urge upon our churches the necessity of large and regular contributions to meet this appeal.

A. W. BURFOOT,
H. T. WILLIAMS,
Committee.

On motion to adopt, Bro. J. H. Mills addressed the body. The report was adopted.

It was announced that O. C. Horton would preach at the stand.

The report on Periodicals was taken up and read by Rev. T. W. Babb.

REPORT ON PERIODICALS.

Your committee to whom was referred the subject of Periodicals beg leave to make the following report :

That in the published periodicals of to-day, we recognize the most potent agency, for the weal and woe of our land. That through their influence every interest of the church and State, and every relationship of man, social, civil and religious, are greatly effected. That this, always true, is true to-day to a greater extent than at any former period of our history. First, because of the multiplication of periodicals on every subject; and, secondly, because of the increased ability and opportunity of the masses for reading. That three facts point to the necessity of maintaining a thoroughly equipped and strictly denominational paper in our midst, that the enemy gain no vantage ground and obtain no advantage over us. That in the *Biblical Recorder*, under the able and efficient management of Dr. Bailey, we have such a paper—a periodical in every way suited to our wants and necessities as a denomination, and worthy of our greatest confidence and most liberal support. Warm in its advocacy of every good work, strong in its support of every laudable denominational enterprise, peerless in its exposure of error and wrong doing, coming from whatever quarter it may, faithful as a watchman upon our walls of Zion, we believe every interest of the denomination to be safe in its keeping, and that its circulation cannot be diminished or its influence impaired without serious detriment to the best interest of our cause in the State.

Kind Words, your committee regards as the very best paper for our Sunday-schools, and it is to be hoped that it may have a wide circulation and to the exclusion of other papers less in sympathy with us as a people and less decided in their tone as Baptists.

The *Foreign Mission Journal*, for its special field, we commend to every Baptist in the land.

We heartily endorse and recommend *Charity and Children*, published at Thomasville by the Baptist Orphanage.

The *Gospel Herald*, published in Raleigh, in the interest of the Boards, by Rev. C. Durham, Cor. Sect'y, and issued monthly, we commend as a medium of information concerning State, Home and Foreign Missions and Education. This periodical is not intended in any way to take the place of our regular organ, but simply to present the reports of the work done by the Boards, and needs of the fields of the Convention.

T. W. BABB,
Chairman Com.

On motion to adopt, Elders C. T. Bailey, C. Durham, T. W. Babb, J. D. Hufham and R. R. Overby addressed the body. Report adopted.

The report on Foreign Missions was taken up and discussed by Rev. T. W. Babb, Rev. C. Durham, Dr. C. T. Bailey. Report adopted.

Association took a recess of one hour and a half for dinner.

AFTERNOON SESSION.

Association met pursuant to adjournment.

The report on Ministerial Education was taken up and read by Rev. F. M. Satterwhite.

REPORT ON MINISTERIAL EDUCATION.

Both the wisdom and importance of ministerial education have been fully demonstrated by the results of the work. The approval of God is upon it. It is in keeping with the spirit and teachings of the Bible. Training is the keystone of all high attainments. The Education Board is the instrument through which the Baptists of North Carolina are aiding young men, who seem called of God to the ministry, in fitting themselves for their work. The Board at present is aiding thirty-nine young men in pursuing their studies at Wake Forest College, six of whom are candidates for full graduation in June. The Board is in need of funds for the work. It is entirely dependent upon the contributions of the churches. Your committee would recommend: 1st, That the pastors of all our churches be requested to instruct their people upon the work of the Board, and endeavor to enlist them fully in the support of the work; 2d, That the churches earnestly pray the Lord of the harvest to send forth more laborers into his harvest.

Respectfully submitted,

F. M. SATTERWHITE,
for the Com.

REPORT ON FOREIGN MISSIONS.

Your Committee on Foreign Missions are gratified to make such an encouraging report. The report of the Board before the Southern Baptist Convention shows wonderful progress at all its Missions. In China, Africa, Europe, Mexico and South America, the missionaries have labored faithfully and God has abundantly blessed their work. The churches have steadily grown in efficiency, and the gospel light is spreading in all the surrounding country. During the year, thirty-six new Missionaries have been appointed from the churches of the South, to represent this Board in foreign lands. One lady—Miss Knight, from our own Association—has given herself to this work and will soon sail for China, to engage in her life-work. Others are offering themselves to the Board from all over our Southland and will be sent forth as soon as the churches furnish the means for their support. The receipts of the Board are larger than in any year since its organization, having reached $99,000.

It is also stated that $120,000 will be required next year for the support of its Missionaries, and $30,000 will be needed to erect six houses of worship where they are absolutely necessary, making $150,000 the Board will ask the churches to give the coming year. Your committee think, judging from the reports given by the churches, that this Association does not give enough attention to this work, nor as much as is our imperative duty. We would recommend that more money be given and that we remember this work in our prayers.

JOSIAH ELLIOTT,
M. H. HUGHES,
Committee.

Pending the adoption of the report, remarks were made by Rev. C. Durham, Dr. R. R. Overby, Dr. C. E. Taylor and Rev. W. P. Jordan, and the report was adopted.

Rev. T. W. Babb offered the following resolutions:

Resolved 1st. That a standing committee of three be appointed to secure from the churches, if possible, the funds necessary for the support of Miss Fannie Knight.

2d. That this committee recommend to the several churches of this Association the amounts which it will be necessary for each to raise in order to secure the whole amount.

3d. That all contributions for this object be sent to the Treasurer of the Baptist State Convention.

4th. That the committee keep an account of all funds acknowledged in the *Biblical Recorder* as given to Foreign Missions from the Chowan Association, and present a report annually to the Association.

Resolutions adopted, and the Moderator appointed Dr. R. R. Overby, Rev. T. W. Babb and Rev. W. B. Waff, committee under above resolutions.

On motion, it was ordered that the rules be suspended on to-morrow to hear Dr. C. E. Taylor, of Wake Forest College.

The churches at Mt. Sinai, Gum Neck and Roper presented letters petitioning admission into the Association. On motion, a committee, consisting of Dr. R. R. Overby and Rev. J. J. Hall, was appointed, to whom should be referred the application of churches for membership into this body. The committee reported favorably as to the churches asking admission; report adopted, and the Moderator extended the right hand of fellowship to the delegates.

REPORT ON PERIODICALS.

Your Committee on Periodicals beg leave to report the following: That the *Biblical Recorder*, under the management of Dr. Bailey, has been enlarged and improved in every way and deserves the earnest support of every Baptist in the State.

We think we have all that is necessary for our Sunday Schools in the *Kind Words* series, and would recommend that our people patronize this series for their Sunday Schools, published by the Home Mission Board of the Southern Baptist Convention, at Atlanta, Ga. The *Foreign Mission Journal* is a necessity, to inform our people upon that special work. We heartily recommend *Charity and Children*, published at Thomasville, by the Baptist Orphanage. We also recommend *Our Home Field*, a monthly paper published by our Home Mission Board.

A. W. BURFOOT,
W. P. JORDAN,
Committee.

Remarks were made by Drs. C. T. Bailey, R. R. Overby, Revs. J. R. Speight and J. J. Hall, and the report was adopted.

In the absence of any member of the Committee on Ministerial Education, it was ordered that Revs. W. P. Jordan and J. J. Hall be appointed a committee, to report at this session of the Association.

The Committee on Arrangements assigned homes to the delegates, and the Association adjourned until half-past 9 o'clock to-morrow. Congregation sang the L. M. Doxology. Benediction by Rev. C. A. G. Thomas.

SECOND DAY—MORNING SESSION.

WEDNESDAY, May 22, 1889.

The Association met pursuant to adjournment, and spent a half hour in devotional exercises. Congregation sang "'Tis religion that can give," &c.

The Association was then addressed by Rev. Dr. Taylor on "Higher Education."

Dr. R. R. Overby offered the following resolution:

Resolved, That it is the sense of this body that the churches of this body raise at least $1,500 for the increase of endowment of Wake Forest College.

Resolution adopted.

It was announced that Rev. C. A. G. Thomas would preach at the stand.

Letters were presented from the churches at Olivet and Collington, petitioning admission into this body, which were referred to the committee appointed for that purpose.

Committee on the reception of the churches at Olivet and Collington reported favorably.

Report adopted, and the right hand of fellowship was extended to the delegates by the Moderator, and the churches welcomed into the Union.

Special order was then taken up:

STATE MISSIONS.

Our work is one. We call it Home, Foreign and State Missions, to designate the different departments of the one work—obedience to the command of our Lord to preach the gospel to every creature. At the Convention in Greensboro, our Board felt that it had been aiding for years a number of places that ought to do more for their own support, and hence, in the arrangement for this year, no appropriations were

made to such places. This gave us an opportunity to begin more new work—more Mission work—in the new and growing towns, and in the most hopeful places in the country, than was ever undertaken by the Board in any one year. Many applications where, under other circumstances, we should have gladly made appropriations, had to be denied. We now have 83 missionaries and 12 colporters. These are doing a large and a most important and hopeful work. Let us continue to push State Missions, until in every town and country neighborhood in our State there shall be a vigorous and self-supporting Baptist church. Your committee recommend that we contribute more liberally of our means for this grand work, and that we pray without ceasing for greater results. Your committee, recognizing that the towns and cities are the great centres from which disseminate the glad tidings of the Master, and the importance of securing them, therefore further recommend that our energies be first directed to have preaching in every growing town in the State, both morning and night, even to supplementing the pastor's salary, when necessary to accomplish this end.

E. F. AYDLETT,
D. B. SQUIRES,
Committee.

After remarks by Rev. C. Durham, the report was adopted, and the roll of churches was called to ascertain how much each church would pay to State Missions during the coming year. Responses were made as follows:

Ariel	$ 5 00	Olivet	$ 3 00

REPORT ON HOME MISSIONS.

The work of our Home Mission Board of the Southern Baptist Convention is being enlarged every year. The past year was the largest in contributions, labors and results in the history of the Board. This work is in the destitute Southern States, among the Indians, the new and rapidly growing West and in Cuba. During the past year the churches in this State sent to this Board about $1,550. This is not at all equal to the importance and demands of this work, or the ability of the churches to aid in it. Let us, therefore, urge our people to give more liberally for Home Missions.

R. R. OVERBY, *Chairman.*

After remarks by Dr. R. R. Overby, the Association adjourned for one hour and a half for dinner.

AFTERNOON SESSION.

The Association met pursuant to adjournment.

The discussion of the report on Home Missions was resumed. Remarks were made by Elder J. A. Speight, and the report adopted.

It was announced that Rev. J. J. Hall would preach at the stand.

REPORT ON CHOWAN BAPTIST FEMALE INSTITUTE.

Your Committee on C. B. F. Institute would report the following: This Institute for female education is located in the eastern part of our State, and has done a grand and glorious work for our State and other States, and we believe that it is capable of doing a still greater work, if our people will only rally to its support. The patronage of this school this year is not so large as formerly. This is due, we believe, mainly to the financial hard times and to a lack of interest in female education among our people. Your committee, therefore, would recommend the following: That every member of this Association consider himself an agent to labor for the increased patronage of this institution; and that those having daughters to educate, inquire into the advantages of this school before sending their daughters elsewhere. And we would also suggest to the Trustees the propriety of enlarging their Board.

W. P. JORDAN, *Committee.*

Remarks were made by Rev. W. P. Jordan, Dr. C. E. Taylor, Rev. T. G. Wood and Rev. T. W. Babb, and the report was adopted.

The Moderator recognized Bro. P. D. Camp, of the Portsmouth Association, and invited him to a seat in the body.

Statement of income and expenses of the C. B. F. Institute, by Elder T. G. Wood, as follows:

MURFREESBORO, N. C., May 20, 1889.

To the Board of Trustees of Chowan Female Institute:

DEAR BRETHREN—At the last session of Chowan Association, you requested me to furnish a statement of the income and expenses of the Institute for the year. It is impossible for me to do this accurately, because I use all I can get from my farm to help furnish my boarding department, and count the expenses of the farm as part of the expenses of the boarding department.

Income from boarding department and farm, session '87–'88	$6,068 37
Expenses for same time	4,967 03
Profits on these	$1,101 34
Income from literary and music departments	$4,077 23
Expenses of same	3,191 82
Profits, if all bills were paid	$ 885 41

Of the bills for the year 1887–'88, there are $1,346.54 unpaid.

Income from boarding department and farm for year 1888–'89 will be	$4,203 08
Expenses of same to May 18	3,207 05
Profits, if bills are paid	$ 996 03
Income from literary and music departments, session 1888–'89	2,757 43
Expenses to date	2,203 09
Income, if bills are paid	$ 554 34

There are $2,387.55 of bills for session 1888–'89 still unpaid.

It therefore appears that the services of myself and the use of my farm have been worth to me $3,537.12, less the expenses from Saturday

to the close of the session. My profits, however, are in accounts, as yet unpaid, amounting to $3,734.09.

Or, we may state the case in this way: My obligations for the two years amount to $296.97 more than I have received from the institution, and I have to pay the expenses for the remainder of the session, and I have $3,734.09 of accounts out of which to pay me money advanced, and my own salary for two years. Free tuition to ministers' daughters and the scholarships are a heavy drain upon the income of the institution.

I find, by examining my books, that the Institute furnished in this way—

In 1882–'83	$ 725 00
In 1883–'84	975 00
In 1884–'85	912 00
In 1885–'86	975 00
In 1886–'87	1,350 00
In 1887–'88	1,035 00
In 1888–'89	810 00

In seven years it has furnished $6,782 of free literary tuition; $150 of music tuition, and, I think, $678 in board—an average of nearly $1,100 per year. J. B. BREWER.

Bro. E. F. Aydlett offered the following resolution:

Resolved, That it is the sense of this body that the churches of this Association aid the Trustees of the Chowan Baptist Female Institute in the repairs of their building, and in making such other improvements as are necessary.

Remarks were made by Prof. J. B. Brewer, and the resolution was adopted.

Dr. R. R. Overby offered in nomination the names of the following brethren, from which to select additional members of the Board of Trustees of the Chowan Baptist Female Institute:

J. M. Forehand, G. D. B. Prichard, C. W. Mitchell, A. M. Early, P. D. Camp, W. P. Shaw, John Prince, J. E. Peterson, E. F. Aydlett, James M. Corbitt, J. D. Hufham and Noah Biggs.

Committee on Time, Place and Preacher of Introductory Sermon for the next session of this body reported as follows:

Time, Tuesday after the third Sunday in May, 1890. Place, Sandy Cross, Gates county. To preach Introductory Sermon, Rev. C. A. G. Thomas; alternate, Rev. J. J. Hall.

The report was adopted.

The Association adjourned to half past 9 o'clock to-morrow morning.

THIRD DAY—MORNING SESSION.

THURSDAY, May 23, 1889.

The Association met pursuant to adjournment. Congregation sang "There is a fountain," &c.

Rev. C. Durham read the 8th chapter of I Corinthians. Prayer by Rev. S. W. Satterwhite.

On motion, the report on Baptist Orphanage was made special order for 10:30 o'clock.

The Committee on Statistics of Benevolence reported. Report adopted. [See Appendix.]

Committee on Church Statistics reported. Report adopted. [See Appendix.]

Special order:

REPORT ON BAPTIST ORPHANAGE.

Your Committee on Baptist Orphanage respectfully submit the following: The Baptists of North Carolina never did a better or a wiser thing, than when, in 1884, a few brethren met in the pastor's study in the city of Raleigh and projected the Orphan Association.

In the face of strong opposition, without a dollar in hand, believing we were right and that God would bless the right, we organized the present Baptist Orphan Association. Our faith was well founded. The opposition soon gave way, and friends rapidly multiplied everywhere. To-day the Association has a warm place in every Christian's heart. We have 300 acres of land and $10,000 worth of buildings, all paid for, and 108 helpless children well cared for. We felt assured, from the first, of success, because on the direct line of Christian duty. Giving of our means to honor God and care for the poor, stands at the head of Christian obligation. It is the spirit of Christ, and Paul says: "If any man have not the spirit of Christ, he is none of His." James says: "Pure religion and undefiled before God and the Father, is to visit the fatherless and the widow in their affliction, and to keep yourself unspotted from the world." If it is this, then nothing else can be. To visit the fatherless and the widow is not to tell them how sorry you are for them, or how much you thought of their parents, but to relieve their necessities.

The following resolution was then offered by Bro. T. B. Boushall:

WHEREAS, Rev. T. W. T. W. Babb, he was given ample time to rebut this evidence; and whereas, according to the unanimous verdict of this council, he failed to rebut the evidence against him, and was, therefore, adjudged by his fellow-ministers guilty of the charges preferred, and requested to retire from the ministry; and whereas, he has refused to do so; therefore be it

Resolved, 1st. That the Chowan Baptist Association no longer recognize Rev. T. W. Babb as a christian minister.

2 l. That the Clerk be ordered to erase his name from the list of ministers.

REPORT ON FOREIGN MISSIONS.

Mission work is the very essence of the last and great command of Christ. Foreign mission work is what we do for those dwelling in the remotest regions of the earth. Every disciple of Christ must go with the gospel, or give to send it to those living in these dark places. The report before the recent meeting of the Southern Baptist Convention shows progress all along the lines of Foreign work. At home we have raised for this work more than any year before, and have a balance on hand. Abroad, the spirit of Christ has been strictly shown by our missionaries, and great progress has been made in the various fields. Many souls have been led to Christ. Our State has given, since April 30th, 1889, $8,421.72, an increase over last year of $1,381.70. Our Association has given $488.56, an increase over last year of $309.04. The people need more information about the field, work and workers, and we believe that more missionary literature should be distributed among the churches. God calls the workers to "go;" He calls us to "give" to support them. This should be done upon business principles, and we believe that every church should strive to establish a better system of giving. God is wonderfully opening the fields of the earth to the gospel.

As He opens, we must occupy. Let us go ourselves or help others to go. With a steadfast faith in God, let us obey the commands of His Word, and follow the leadings of His providence.

Resolved, That the Association try to raise the balance of Miss Fannie Knight's salary, and that the Association again assume her support.

Respectfully submitted,
C. A. G. THOMAS,
W. P. JORDAN,
W. J. F. SPENCE,

REPORT ON PERIODICALS.

Your Committee on Periodicals beg to report the following:

The Biblical Recorder is a good paper, in fact, the best paper for North Carolina Baptists. Dr. Bailey keeps improving the paper all the while. It richly deserves a place in every Baptist home in the State. We recommend *Kind Word* series for our Sunday-schools.

The Home and Foreign Mission Journal should be taken, so as to keep us informed concerning Home and Foreign Mission work. *Charity and Children* is our orphanage paper, and deserves to be taken by us all.

Resolved, That every Baptist family in this Association be requested to take the *Biblical Recorder*.

JOSIAH ELLIOTT,
A. A. PARISH,
J. D. BOND,
Committee.

Pending the adoption of the report remarks were made by Drs. C. T. Bailey, R. R. Overby and Rev. J. A. Speight. Report adopted.

It was announced that Rev. R. B. Collier would preach at the stand.

Congregation arose and sang two verses of "There is a Fountain."

Rev. R. T. Vann offered the following amendment to the Constitution, to-wit: "There shall be an Executive Committee composed of the officers and chairmen of the standing committees of this Association, who shall have power to transact any business for the body between sessions;" which was referred to a committee composed of E. F. Aydlett and C. S. Vann, who should take into consideration the advisability of the adoption of the motion by the Association, and report to morrow at 10 o'clock A. M.

REPORT ON STATE MISSIONS.

The report of our Corresponding Secretary, Rev. C. Durham, before the Convention in Henderson last November, of our State Mission work,

showed decided progress. We now have nearly one hundred Missionaries and Colporters at work in the State. This is ahead of what we have been doing, but not what we should do, nor what the work demands. Many places are asking help, and the Board would gladly help if the churches would only place the means in their hands. We recommend more giving and praying for the work.

Resolved, That we will try to secure $800 during the next year for State Missions.

On motion to adopt, Rev. C. Durham addressed the body.

Bro. E. F. Aydlett arose to the point of order, that ministers serving the churches composing the Association had a right to vote in addition to the three delegates allowed the churches by the Constitution (See Art. III. of the Constitution).

The Moderator ruled that under the Constitution each church was entitled to three votes, and that no minister was entitled to vote unless such minister was one of the three delegates from his church.

From this ruling there was an appeal, and the Association failed to sustain the ruling by a vote of 31 to 26, and the report was adopted.

The Association then took a recess for one hour and a half for dinner.

AFTERNOON SESSION.

The Association met pursuant to adjournment. Congregation sang "Jesus, Lover of My Soul."

On motion the special order (Home Missions) was suspended until 3 o'clock to hear the report on Baptist Orphanage.

REPORT ON BAPTIST ORPHANAGE.

Your Committee on Baptist Orphanage respectfully submit the following: The Baptists of North Carolina never did a better or a wiser thing, than when in 1884 a few brethren met in the pastor's study in the city of Raleigh, and projected the Orphanage Association. In the face of strong opposition, without a dollar in hand, believing we were right and that God would bless the right, we organized the present Baptist Orphan Association. Our faith was well founded. The opposition soon gave way, and funds rapidly multiplied everywhere. To-day, the Association has a warm place in every christian's heart. We have 300 acres of land, and $10,000 worth of buildings, all paid for, and 108* helpless orphans well cared for. We felt assured from the first of success, because on the direct line of christian duty. Giving our means to honor God and care for the poor, stands at the head of christian obligation. It is the spirit of Christ, and Paul says: "If any man have not the spirit of Christ, he is none of His." James says: "Pure religion, and undefiled before God and the Father, is to visit the fatherless and the widow in their afflictions, and to keep yourself unspotted from the world." If it is this, then nothing else can be. To visit the fatherless and the widow, is not to tell them how sorry you are for them, or how much you thought of their parents, but to relieve their necessities.

Resolved, Therefore, that we urge all our churches to give more to this object.

Respectfully submitted,

R. R. OVERBY,
P. S. C. DAVIS,
C. S. VANN,
Committee.

It was announced that Rev. J. A. Speight would preach at the stand.

Pending the motion to adopt, Bro. J. H. Mills addressed the body, and the report was adopted.

Resolved, That the churches of this Association give their hearty support to this work, and raise the amount asked for by the Board.

COMMITTEE.

Pending the motion to adopt, brethren L. R. Mills and J. H. Mills addressed the body, and the report was adopted.

On motion, the pledges received by a call of the roll of churches, for State and Foreign Missions, were ordered expunged from the record

REPORT ON HOME MISSIONS.

With gratitude to God for His abundant blessings we record another year of progress in the Home Mission work. During the past year 371 missionaries have labored under the appointment of the Home Board in fourteen Southern States in the Indian Territory and in Cuba. These missionaries have organized 267 churches and 336 Sunday-schools, and have added to the churches by Baptism 4,477 persons. Yet more money and more men are needed for this great work. Home Missions have never received proper attention in this Association. We therefore earnestly request the churches to take a deeper and more active interest in this branch of our work, and urge the pastors to inform their people as to its needs and importance.

W. B. WAFF,

REPORT ON CHOWAN BAPTIST FEMALE INSTITUTE.

Your Committee on C. B. F. Institute submit the following:

There are monuments from Maryland to Florida, from the sand hills of Currituck to the clay hills of Cherokee, in the persons of cultured, godly women sent out from the Chowan Female Institute, of Murfreesboro. Eternity alone will reveal what power a first-class female school exerts in reforming and refining a fallen and sinful world.

A cultured, pious woman indelibly stamps coming generations with purity and piety. Failure to encourage male education is deplorable, but to neglect the education of our daughters is to poison the reservoir from which our daily thirst is slaked. What this old Commonwealth is, and what it shall yet be, is now, and will then be tracable to the kind of mothers who have lived in North Carolina, said an eminent Judge. The C. B. F. Institute, long hampered with so many shackles, is now gradually throwing them off, and under the management of its present progressive and cultured Faculty, entering a career of unparalleled prosperity.

We are glad to report that the patronage of this year is at least 25 per cent. more than that of last; but it is not yet what it should be, due mainly to the unprecedented failure in crops, and partly to the indifference or lack of papreciation on the part of parents. This Institute, brethren, is ours, and should have our sympathy, patronage and prayers. We would recommend that every Baptist minister be requested to see to it that the girls belonging to their churches be urged to patronize

their home institution, rather than those more inconvenient and more expensive; 2d. That the Association comply with its pledge made last year.

Respectfully submitted,

R. B. COLLIER.
Chairman

Pending the adoption of the report, remarks were made by the Revs. Thomas G. Wood and C. W. Scarborough, and the report was adopted.

Resolved, that a special committee be raised to whom is referred the matter of inquiring after certain churches not represented here, and report to the next session of this body, giving definite information as to whether said churches still exist, with recommendation as to revision of the list of churches.

Resolution adopted. [Moderator failed to name members of such committee.—CLERK.]

Rev. R. T. Vann offered the following resolution in behalf of the "Ministers' Relief Fund" for the Baptist ministers of North Carolina:

Resolved, That the Ministers' Relief Fund for the Baptist ministers of North Carolina commend itself to our hearts and judgment, and should be made one of the objects of benevolence on the Part of the churches of this Association.

Resolution adopted.

The following resolution was offered by Bro. E. F. Aydlett:

Resolved, That the thanks of this body be tendered to this church and the friends of other denominations for the generous manner in which they have entertained the members and visiting friends of this Association.

Resolution adopted.

On motion, it was ordered: 1st. That the Secretary of this Association buy a large and suitable minute docket and transcribe the proceedings of the Association in the same; 2d. That the Treasurer of the Association be and is hereby directed to pay the bill for said book.

On motion, the Clerk was allowed the usual fees for transcribing the minutes.

On motion, it was ordered that the Clerk distribute the minutes of the Association to each church as per money sent for such purpose.

On motion to adjourn, congregation sang Long Meter Doxology.

Benediction was pronounced by Rev. J. F. Tuttle, and the Moderator declared the Association adjourned *sine die*.

W. B. SHAW, *Moderator*.

T. J. RIDDICK, *Clerk*.

NOTE—According to resolution offered by Rev. Wm. P. Jordan and adopted by the Association, I have withheld the publication of the minutes until I could hear from the meeting held in Plymouth, on the 17th and 18th of June. On the 25th inst., I received a letter from Rev. A. W. Burfoot, stating that I need not wait any longer, that they had failed to get the amounts from the churches.

I have also received from the Clerk of Warwick church, Bro. David Hollowell, a letter stating that Warwick would pay to the several objects the following amounts, to wit:

To Foreign Missions	$ 15 00
" State Missions	10 00
" Baptist Orphanage	5 00

ART. VIII. We think it necessary to have an Association fund for defraying the expenses of same, for the raising and support of which we think it the duty of each church in the union to contribute voluntarily such sums as they may think proper, and send by the hands of their delegates to the Association. And those moneys thus contributed by the churches shall be deposited in the hands of the Treasurer, who shall be accountable to the Association for all moneys by him received and paid out according to the directions of the Association.

ART. IX. The minutes shall be regularly filed by the Clerk of the Association and kept for its use.

ART. X. The minutes of the Association shall be read, and corrected if need be, and signed by the Moderator and Clerk before the Association rises.

5. To appoint any member or members, by and with their consent, to transact any business they shall see necessary.
6. To withdraw from any church in the union that shall violate the rules of the Association, or deviate from the orthodox principles of religion, after due measures are taken to reclaim such a church or churches, and they remain incorrigible.

REPORT ON BAPTIST ORPHANAGE.

Bro. Moderator:—Your Committee on Baptist Orphanage report:

The Orphanage now has 133 orphans in charge, owns 300 acres of land and fourteen buildings. An infirmary and office building were erected during the last year. The health of the children is good, and we believe the Baptists of the State are giving the Orphanage a liberal support. Your committee think the management of the institution will compare favorably with like institutions in the State, the annual expense of our Orphanage at Thomasville being about $70, while at Oxford it is about $80.

We commend the Orphanage to the prayers and support of this Association. T. B. BOUSHALL, *Chairman.*

Pending the motion to adopt the report, the Association was addressed by Rev. J. D. Newton, Dr. R. R. Overby and Bro. T. B. Boushall.

Rev. C. J. Woodson moved that a cash collection be taken up for the Orphanage. The collection amounted to $46.

On motion of Rev. C. A. G. Thomas, it was ordered that the report on Home Missions be made the special order for 8 o'clock P. M.

On motion of Dr. Overby, the report on State Missions was called for.

Dr. Durham submitted the following

REPORT ON STATE MISSIONS.

At the last session of the Baptist State Convention, the Board of Missions and Sunday-schools was instructed to arrange its work for this year on the financial basis of $16,500.

The Board has obeyed this instruction, and has enlarged its work this year beyond anything it has ever done. We now have one hundred and six missionaries. The Board has also many other pressing and important applications before it. Some of these will, perhaps, be favorably acted upon at its next meeting.

From the foundation work, through all the years since our fathers in this beautiful and historic section of our State began the struggle for a pure and Scriptural Christianity, has come the supplies which have sustained every department of our work. Just south of the sound, in Tyrrell, Washington, Beaufort and Hyde counties, are open and important mission fields that should be speedily and fully occupied.

The Board looks hopefully to the pastors and churches for larger contributions to State Mission work this year than ever before.

As we wisely enlarge this work, we make it possible to enlarge and sustain Education, Home and Foreign Missions, and our Orphanage at Thomasville; therefore,

Resolved 1*st*, That we will try to secure for State Missions during the next Associational year $1,000.

Resolved 2*d*, That a committee of three be appointed to divide, as best they can, this amount among our churches, and ask them to try to secure the amount asked for by the committee, and that this committee report to this body for the acceptance of the churches.

C. DURHAM,
For the Committee.

Pending the motion to adopt, the congregation sang "Jesus, Lover of My Soul."

Remarks were made by Drs. Durham, Overby and Taylor, Revs. W. P. Jordon and R. T. Vann.

On motion, it was ordered that the resolutions accompanying the report be divided, so as to be voted on separately.

The report and resolutions were adopted.

The Moderator announced as the committee called for in resolution second of the report, Revs. J. F. Tuttle, A. W. Burfoot and Josiah Elliott.

Committee on Religious Exersises announced that Rev. J. G. Dowell would preach in the M. E. Church at 3 o'clock P. M., and that Rev. T. G. Wood would preach at 8 o'clock P. M. at the same place.

To the Brethren Composing the Churches at Ariel and Sandy Cross.

DEAR BRETHREN:—We, a committee appointed by the Chowan Association, in session at Edenton, N. C., May 19, 1891, beg leave to address you this circular letter.

WHEREAS, In article 13, section 6 of the Constitution of the Association it is provided that the Association shall have power to withdraw fellowship from any church, etc.; and whereas, this Association, at its session held at Sandy Cross May, 1890, on the basis of charges of gross

immorality, which charges, after the most thorough investigation, were sustained, did withdraw fellowship from Rev. T. W. Babb; and whereas, in the face of such action, the aforesaid churches at Ariel and Sandy Cross have seen fit to retain the said Rev. T. W. Babb as their pastor: Now, with continued assurance of our fraternal regard, and being deeply solicitous for your spiritual welfare, and desiring only to perpetuate the bonds of union hitherto existing, we crave your prayerful consideration of and attention to the following advice, to-wit: That you, in your sovereign power as independent churches of Jesus Christ, remove the cause whereby the peace and harmony existing between us have been disturbed, and may be destroyed, to the great detriment of the cause of Jesus Christ.

All of which we respectfully submit.

J. F. TUTTLE,
J. B. HARRELL,
C. P. BOGART,
Committee.

The hour for the special order—report on C. B. F. Institute—having arrived, the report was read by T. G. Wood.

REPORT ON C. B. F. INSTITUTE.

We are glad to be able to report the unusual prosperity of this institution. The number of pupils enrolled during the present session is larger than it has been in recent years, and the work done by teachers and pupils is excellent.

The early completion of a railroad connecting Murfreesboro with a trunk line, and the extension of other roads, is bringing the school within easy reach of patronage hitherto inaccessible.

The effort to secure a new building, owing to failure of crops, was abandoned, but the funds secured were used in refurnishing the building and adding new dormitories, so that the accommodations now are superior to anything of the sort in the previous history of the school, and ample for present needs. This school is, and for many years must remain, the school for the Baptist girls of this Association and the eastern part of the State, and so long as it offers advantages equal to any other within our reach, we should give it our cordial support.

R. T. VANN,
For Committee.

The gross income for the session of 1890–'91 of the Institute is as follows:

Boarding department	$5,658.54
Literary department	2,254.27
Music department	2,716.63
Incidental expenses	88.38
Total	$10,717.82

J. B. BREWER.

NOTE.—President Brewer stated to me that it was almost impossible for him to report what would be the net income of the Institute just at this time, as there were a number of outstanding debts to be collected. He also promised to write me more fully concerning the matter, when he returned home, than the above statement shows. I have not heard from him to date, June 2, '91.

CLERK.

Pending the motion to adopt, the report was discussed by Rev. T. G.

Wood, Prof. J. B. Brewer, Rev. B. B. Williams and Drs. Taylor and Overby and adopted.

The hour for the special order having arrived, the report was read by Rev. W. B. Waff.

REPORT ON PERIODICALS.

The great need of our people as regards the work of our various Boards is information. We must know our duty before we can do our duty. Willful ignorance of one's duty is criminal ignorance.

The information needed is at hand, and can be found in the following periodicals: *The Biblical Recorder*, which is sound in doctrine and faithful in exposing errors, gives us much information in regard to the work of all our boards, and should, therefore, be in every Baptist home in this Association. *The Foreign Mission Journal*, published at Richmond, Va., has changed its form and appearance and has been much improved in the past year. By taking and reading it we can keep ourselves posted on our work in foreign fields.

Our Home Field, published at Atlanta, Ga., is indispensable to all who desire to know what our Home Mission Board are doing.

Charity and Children, the organ of our Orphanage at Thomasville, is in every way worthy of our patronage.

Resolved, that every Baptist family in this Association be requested to take and read these papers.

Respectfully submitted,

W. B. WAFF,
JOSIAH ELLIOTT,
EDWARD PEARCE,
Committee.

Pending the motion to adopt the report, remarks were made by Drs. Bailey and Overby, and the report was adopted.

1. That the first line of Article II of the Constitution, viz.: "This Association shall be composed of the churches in," be changed so as to read. "The territory embraced in this Association shall be limited to."

On motion, it was ordered that an order be drawn on the Treasurer for $7.65, to pay for minute book purchased by the Clerk.

The hour for the special order having arrived, Rev. C. A. G. Thomas submitted the following:

REPORT ON MINISTERIAL EDUCATION.

Your Committee on Ministerial Education submit the following report:

Our forefathers never acted more wisely than when they made ministerial education one of the primary objects of the State Convention. To carry on this noble work a Board of Education, composed of our wisest and best brethren, is appointed annually. There is no more important board in the State than this. And there is no greater responsibility resting upon any board than upon this. The churches have placed this responsibility upon the Board, and it is their duty to furnish the means for the Board to carry out its plans and work. The great responsibility of this work rests upon the churches. There have been forty-two worthy young men aided during the present year. Three of these are from our own Association. The Board is in debt, and needs help. Larger contributions must be made, or the Board will be crippled. Your committee earnestly recommend that the pastors make this work more prominent, and that the churches increase their contributions for this work.

CHAS. A. G. THOMAS,
C. P. BOGART,
JAMES WARREN,
Committee.

Rev. J. F. Tuttle offered the following resolution as an amendment to the report:

Resolved, That this Association recommend to the churches—by apportionment—one-third the amount apportioned for State Missions, or $333.33 for education.

Which was accepted.

Pending the adoption of the report, remarks were made by Rev. B. B. Williams, Bro. J. C. Caddell, Rev. G. J. Dowell and Dr. C. E. Taylor.

Report adopted.

Rev. M. L. Green submitted the following:

REPORT ON FOREIGN MISSIONS.

Mission work is the very essence of the last and great command of Christ. Foreign Mission work is what we do for those dwelling in the remotest regions of the earth. Every disciple of Christ must go with the gospel, or give to send it to those living in those dark places.

The report before the recent meeting of the Southern Baptist Convention shows progress all along the lines of Foreign Mission work. In Mexico there have been fourteen new missionaries appointed this year; and so all along the line, as the Lord opens the way, we are to occupy. As the field widens it takes more money and more men.

Jesus said, "Pray that the Lord send more laborers into the vineyard." This prayer is being answered. Let us strive to do more than we have ever done. Last year's report shows $8,421.72. This year's shows about $9,000 to Foreign Missions, an increase of about $500. Brethren, God calls the workers to go. He calls us to give to support them.

Your committee would recommend that every disciple of Christ lay by him in store upon the first day of the week as the Lord has prospered him. The statistics show that this Association has given during this year for Foreign Missions $424.15.

This Association promised to raise $600 for the support for sister Fannie Knight, and your committee recommend that the churches raise the deficit of $175.85 of last year, and again assume the support of sister Fannie Knight, which would make $775.85.

Respectfully submitted.

M. L. GREEN,
For the Committee.

NOTE.—Elder Green in his report says that the Association raised last year for Foreign Missions only $424.15; creating a deficit of $175.85. The statistics for the year show in "Contributions During the Year," for Foreign Missions, $464.98; and in Finance Committee's report, which comes under "Present Contributions," the sum of $59.96, making a total for the Associational year ('90–'91) for Foreign Missions the sum of $524.94, leaving a deficit of $75.06. Now take that which has not been paid, viz., $75.06, and adding thereto Miss Fannie Knight's salary, $600, we have only $675.06 to be raised, instead of $735 as asked for in the resolution.

Rev. Dr. C. Durham, Corresponding Secretary of Baptist State Convention, told me personally that this Association did not report all the money that was given by the churches of this Association for Foreign Mission work, and that he was certain that the churches of this Association had given more money to this work than they had given themselves credit for. I would therefore suggest to the Treasurers and Clerks of the different churches the importance of keeping throughout the year an itemized account of all the money raised for the various benevolent objects, so that in the annual report of this Association credit may be given to whom credit is due.

CLERK.

Bro. E. F. Aydlett offered the following:

Resolved 1st, That we raise $735.00 during the ensuing year for Foreign Missions.

2d. That a committee be appointed to apportion the amount among the churches of this Association.

The resolution was discussed by Rev. R. T. Vann and others and adopted in the place of the last recommendation embodied in the report. The report adopted.

Rev. R. T. Vann offered the following:

WHEREAS, The "Woman's Missionary Union," composed of the various Women's Missionary Societies in the Southern States, and auxiliary to the Southern Baptist Convention, has been signally blest of God in stimulating and organizing missionary work among the women and children of our churches; and, whereas, this W. M. U. raised for the work during the last conventional year $36,000,

Resolved, That the women of our churches be requested to organize women's missionary societies on the basis of the Constitution furnished by the Central Committee of the W. M. Societies of N. C., located in Raleigh, and to report their work through that committee.

2d. That they also be requested to organize the children into Sunbeam Societies, which have been of great value in instructing and training the little ones. Adopted.

On motion, it was ordered that the Clerk be allowed $25 for services in transcribing minutes.

Rev. J. F. Tuttle offered the following resolution of thanks:

1st. That the thanks of this body are due and are hereby tendered to the railroad and steamboat companies for passing our delegates and visitors at reduced rates.

2d. That the thanks of this body be tendered to the M. E. Church of this city for the use of their house of worship.

3d. That the thanks of this body be tendered to the Edenton Baptist Church and their friends for the generous hospitality dispensed.

On motion of Rev. R. R. Overby there was a collection taken up to supplement the minute funds. Collection amounted to $6.

On motion of Rev. A. W. Burfoot, Bro. C. S. Vann was elected Vice-Moderator of this Association.

On motion of Bro. E. T. Aydlett, the Clerk was instructed to send ten copies of the minutes of this session to Ariel Baptist Church.

On motion, the Association adjourned to meet with the Church at Ballard's Bridge in May, 1892.

Congregation sang a hymn.

Benediction by Dr. Overby.

(Adopted at the session of 1884, held with the Church at Rockyhock.)

ART. II. The territory embraced in this Association shall be limited to the following counties, to wit: Currituck, Camden, Pasquotank, Perquimans, Chowan, Gates, Washington, Tyrrell, Dare and Hyde.

ART. III. The Association, when convened, shall be governed and ruled by parliamentary usage, as prescribed in Mells' Parliamentary Practice.

ART. VI. Every motion made in due order, and seconded, shall come under the consideration of the Association, unless withdrawn by the person who made it.

ART. VII. The Association shall furnish the churches with a number of printed minutes of the Association, from time to time, proportionable to the moneys contributed from each church to the support of the Association fund.

ART. VIII. We think it necessary to have an Association fund for defraying the expenses of same, for the raising and support of which we think it the duty of each church in the union to contribute voluntarily such sums as they may think proper, and send by the hands of their delegates to the Association. And those moneys thus contributed by the churches shall be deposited in the hands of the Treasurer, who shall be accountable to the Association for all moneys by him received and paid out according to the directions of the Association.

ART. IX. The minutes shall be regularly filed by the Clerk of the Association and kept for its use.

ART. X. The minutes of the Association shall be read, and corrected if need be, and signed by the Moderator and Clerk before the Association rises.

3. To preserve inviolable a chain of communion among the churches.
4. To inquire into the cause why the churches fail to present themselves, at any time, in the Association.
5. To appoint any member or members, by and with their consent, to transact any business they shall see necessary.
6. To withdraw from any church in the union that shall violate the rules of the Association, or deviate from the orthodox principles of religion, after due measures are taken to reclaim such a church or churches, and they remain incorrigible.
7. To admit any of the visiting brethren from other Associations, as assistants, who may be present.
8. To adjourn themselves to any future time and place they may think most convenient to the churches.

Prayer by Rev. W. R. Gwaltney.

The hour for the special order having arrived, the Report On Periodicals was read by Rev. C. A. G. Thomas.

REPORT ON PERIODICALS.

Our people are not a reading people. Some of them are woefully ignorant of the work of our denomination in our own State. This condition needs to be changed. The illuminating power of Baptist periodicals should be carried into the homes of our association. Our people will never be well informed until they begin to read our papers. The BIBLICAL RECORDER has been and *is* one of the greatest factors in the progress of our churches in N. C. The *Recorder* has thrown the right arm of its power around every denominational interest and held it up until it has become self-supporting. The *Recorder* is loyal to every interest of N. C. Baptist, and should receive the undivided and hearty support of every N. C. Baptist.

CHARITY AND CHILDREN :—Representing the claims of our Orphanage, should find a loving reception in every home. The FOREIGN MISSION JOURNAL and HOME FIELD representing the Boards of the Southern Baptist Convention are well worth a place in the homes of our people. The periodicals of the Sunday School Boards of the Southern Baptist Convention should be taken by every Sunday School in the bounds of the Convention. *Wake Forest Student* published by the students of the College will be helpful and interesting to the friends of the College. We recommend that every pastor preach upon the importance of the religious paper in the home : and make an earnest effort to get the BIBLICAL RECORDER and CHARITY and CHILDREN into every Baptist home in the Association.

CHAS. A. G. THOMAS,
J. S. MCCOY,
J. W. BRYAN,
Committee.

On motion to adopt, Dr. J. B. Boon addressed the Association. The further discussion of the report was suspended, and the special orders—Report On Baptist Orphanage—was taken up, and read by Rev. C. J. Woodson.

REPORT ON BAPTIST ORPHANAGE.

The Baptist Orphanage located at Thomasville, N. C. is an institution which commends itself to the practical sympathy of every one who has a heart responsive to the demands of christian charity. Its object is to provide food, raiment moral and intellectual training for the children of our deceased brethren and sisters. We now have 125 children in the Orphanage who cannot live on sympathy alone, and we recommend that at least, one collection be taken in each of our churches, and once a month in our Sunday Schools for their support. St. James defines pure and undefiled religion to be this : "To visit the fatherless in their afflictions."

C. J. WOODSON,
M. H. HUGHES,

REPORT ON STATE MISSIONS.

Your Committee on State Missions submit the following report :

There are now laboring under the auspices of the Board about one hundred missionaries. They are God's ministers who are working hard to reclaim the destitution in N. C. The Lord has abundantly blessed the work of these men in the past, but under God they have never made more rapid progress than at present. But still, there is

great destitution in the State, and even within the bounds of this Association. For we find that Tyrrell, Washington, Beaufort and Hyde counties are almost destitute of the gospel as we believe it.

The Board still owe a debt of nine hundred dollars on last year's work. As a result : some of the Missionaries are in very straitened circumstances.

Your committee earnestly appeals to the churches to make their contributions to this Board more in accordance with the Scriptural plan, so that these faithful servants of the Lord may not have to wait so long for their much needed salaries.

Respectfully submitted,

J. B. HARRELL,

REPORT ON FOREIGN MISSIONS.

The report of the Corresponding Secretary H. A. Tupper, D. D. to the Southern Baptist Convention in Atlanta, shows progress in the Foreign Mission work. North Carolina increased her contribution nearly one thousand dollars. This is truly encouraging, but our own Association is behind some in what it promised to do, and in what we ought to do : Still, we are making progress. We recommend, as this is the Centennial of Missions, that earnest efforts be made to educate our people up to their duty.

It was announced that Rev. N. P. Stallings would preach at the stand.

The report on Ministerial Education was called for and read by Dr. R. R. Overby.

REPORT ON MINISTERIAL EDUCATION.

Your Committee on Ministerial Education submit the following : Ministerial education commends itself to every thoughtful christian. Other things being equal, it would be hard to say too much in its favor. It has been truly said, it is to the minister, what a good sharp axe is to the man who would fell the forest. It enables him to do better and more work in a shorter time. But what we are pleased to call culture, is not the chief need of the Gospel preacher.

The school may make good talkers, but never good preachers. A man with only culture, may flash out like the meteor, but he will as soon go out, leaving the darkness blacker. There are three things essential to make a good Gospel preacher, piety, good common sense, and a Divine call: with these he can never fail. His common sense will teach him that he needs all the culture he can get, his Divine call will fill him with a wise zeal to save men and his piety will impel him to avail himself of all the means of usefulness within his reach.

Such a man will grow intellectually.

Our College is doing for the world a grand work, in doing (we think) all that can be done, by faithful men, to train, the heart and head of our young preachers. We have at Wake Forest 42 young preachers sharpening their axes for future work. Therefore, be it resolved:

1st. That we most heartily endorse the work of our College.

2nd. That we advise our churches to furnish the Education Board with all the money they need to prosecute the good work committed to their hands.

Respectfully submitted,

R. R. OVERBY,
C. P. BOGART,
T. H. MORGAN.

THURSDAY, MAY 19th, 1892.

The Association met pursuant to adjournment. Vice-Moderator E. F. Aydlett in the Chair. Congregation sang, "Come Thou Fount," and "There is a Fountain filled with Blood."

Dr J. D. Hufham read the 5 chapter of Romans, and led in prayer.

On motion, the Clerk was instructed to have the minutes of the Association printed wherever he could get them printed cheapest, best and most expeditions.

Dr. J. D. Hufham offered the following Resolutions:

Whereas, Baptist have in all ages held that each church is under God complete and independent; and

Whereas, They have held with equal firmness that the churches are bound through their delegates in Association assembled, to withdraw fellowship from such other churches as depart from the faith or fail to excercise proper and wholesome discipline ; and

Whereas, The churches of this body through their delegates assembled in this present session, have withdrawn fellowship from the churches at Ariel and Sandy Cross ; from Ariel because she retains as a member a man who, though once an ordained minister, has been declared by unanimous vote of the pastors of this Association and by the Association itself, to be wholly unfit for membership in any gospel church ; from Sandy Cross because she holds this same person in the high and holy office of pastor. Therefore, Resolved, That we have taken this step unwillingly and sorrowfully, and that we will still keep these erring churches in loving remembrance, praying for them that they may be delivered from their present disorderly connection.

Resolved, That we hold ourselves ready to give them joyful and fraternal welcome when they shall have put away from them the unworthy person mentioned above ; and that we earnestly but kindly urge them to put him away from them, since their present course grieves the brotherhood Threatens the piety of the churches and brings reproach on the ministry.

Resolved, That a copy of these resolutions be inserted in the minutes, and that a copy be sent to each of the disorderly churches.

Resolutions, adopted.

On motion, Revs. A. W. Burfoot, W. P. Jordan and W. B. Waff, were appointed a committee to examine the work done by the clerk in transcribing the minutes of the Association in book purchased for that purpose.

REPORT ON C. B. F. INSTITUTE.

Your Committee would remind the Association.

1st. That this school is the property of the denomination, and is under the immediate control and direction of Trustees appointed by this body.

2nd. That it is the only school for girls in the State owned by Baptist.

3rd. That it has enjoyed an unbroken and prosperous career for nearly a half century, sending out over 200 graduates from its halls : and hence its diplomas are of far more worth in teaching circles, than those from schools of precarious and uncertain existence.

4th. That to more than any other agency, the well nigh unrivaled prevalence of Baptist principles throughout this eastern section, is due, under God, to the work and location of this school in our midst.

5th. The present session is an exceedingly prosperous one. Its rooms full, no case of serious sickness has occurred, and best of all, the school has enjoyed a recent spiritual revival, in which all but one of the pupils out of Christ found joy and peace in believing.

CHOWAN

Baptist Female Institute,

MURFREESBORO, N. C.

Parents and guardians will do well to consider the following facts in regard to the above institution:

1. It offers superior advantages in its Literary, Music and Art Departments. Only teachers trained for their special work are employed in any department.

2. It is the property of the Baptists and its Trustees can incur no debt that jeopardizes it. As the Institute must remain under the control of the Baptists and, so far as can be seen must be permanent, its diplomas become the more valuable.

3. The President endeavors to manage the school as a large family, and make the surroundings pleasant and attractive.

4. The completion of the Murfreesboro railroad and telegraph line gives quick communication with other places.

5. The charges are as reasonable as the advantages offered will allow.

The next session begins on Wednesday, Sept. 14th.

For catalogue or additional information, address

JNO. B. BREWER, President.

STANDING RESOLUTION OF REQUEST.

Resolved, That the pastors and deacons of the churches with which future sessions of this body may be held, be requested to prevent the sale of any article whatever on the church grounds during the session. That they also prevent the erection of tents or booths for taking pictures, and that they secure similar prohibition as to the lands of citizens adjoining the church grounds.

(Adopted at the session of 1884, held with the Church at Rockyhock.)

CONSTITUTION.

ARTICLE I. This Association shall be composed of white delegates, chosen by the churches of this body, and of all ordained ministers who are members of or laboring in connection with said churches. Each church shall send a letter showing the number of members, those baptised, received by letter or restored, those dismissed by letter, excluded, and dead since last session.

ART. II. The territory embraced in this Association shall be limited to the following counties, to-wit: Currituck, Camden, Pasquotank, Perquimans, Chowan, Gates, Washington, Tyrrell, Dare and Hyde.

ART. III. The Association, when convened, shall be governed and ruled by parliamentary usage, as prescribed in Mells' Parliamentary Practice.

Report on Periodicals was called for and read by C. S. Vann.

REPORT ON PERIODICALS.

The question in these times is not the need of literature, but the power of selection. Of making many books and publishing newspapers without number there is no end. The good and the bad ; The vicious and the virtuous come from the same press and it is sometimes most difficult to tell the one from the other. It is safe under such circumstances to confine ourselves to the true and tried.

As Baptist we cannot and ought not to expect to make intelligent progress without the "BIBLICAL RECORDER." That this paper is perfect your committee does not contend but it does commend the paper for its soundness of doctrine for its straight forward policy and because it is necessary for an intelligent understanding of the work of the Baptist of the State. Your committee does not wish to be understood as being exclusive for it comments "*Charity and Children,*" "The *Foreign Mission Journal,*" and "*Our Home Field,*" but it does mean and so wishes to be understood, that there is no substitute for *The Recorder.*"

We people may take these with safety and profit. They must take and read the *Recorder* if they expect intelligent growth.

Burfoot and Dr. C. S. Blackwell. Motion adopted.

Report on Home Missions was called for and read by Rev. A. W. Burfoot.

REPORT ON HOME MISSIONS.

Every true christian has an abiding interest in the world's evangelization. With equal truth it may be said that every Southern christain has this feeling intensified when they come to think of the destitution existing in our lovely South land. The work of the "Home Board" is to employ Missionaries and locate their fields in the Southern States, the Indian Territory and the Island of Cuba. The importance of the work is seen in the rapid influx of immigration, all the isms of the world threatening to overthrow our time-honored institutions and poison our Southern society. This element must be christianized, or it tends to heathenize us. This work we as Southern christians cannot afford to neglect. The results for the past year stands without a peer in all the history of the existance of the Board. The receipts of the Board have been (directly and indirectly) two hundred and fifty thousand dollars; and the Missionaries 368 in number, have done great good. Rev. A. J. Diaz our Missionary to Havana reports encouraging prospects on the Island of Cuba. From all quarters the work looms up before us in gigantic proportions. Shall we enter and possess the land for Christ? We recommend that the Pastors of this Association strive to quicken interest in this work and see that at least one good collection be taken in each church during the year to aid in this great work of preaching the gospel to dying men and women.

A. A. PARRISH, *for Committee.*

The adoption of the report was made special order for 2, P. M. to-morrow.

It was announced that Rev. C. B. Williams, would preach at the M. E. Church at 8 p. m. and Dr. J. D. Hufham to-morrow at 11 a. m.

Adjourned until 8 p. m. to-night. Prayer by Dr. C. Durham.

NIGHT SESSION.

The Association met pursuant to adjournment.

The report on Ministerial Education was read by Rev. N. P. Stallings.

REPORT ON MINISTERIAL EDUCATION.

The day has passed when the question can be asked shall we educate our preachers. Our preachers must be educated to reach the people, to stand abroad with the few and to compare favorably with the ministry of other denominations. Our college does not seek to make preachers but to prepare them better to wield the sword of God in slaying the host of sin and in proclaiming the name of Jesus to the uttermost parts of the earth.

God makes and calls the preachers, unless God calls, the Board of Education cannot send forth a gospel preacher.

Our Board comes to the help of the man who gives evidence that God has called him, but is not himself able to qualify himself for the work of the ministry. We now have 38 such men at our college receiving aid from theBoard of Education and whereas: the Board in the past has received the smiling approbation of God, and whereas the work of Ministerial Education lies at the bottom of all our Missionary enterprises.

THEREFORE BE IT RESOLVED. 1st. That we most heartily endorse the work of the Board. 2nd. That we commend this work to the churches of this Association and ask them to contribute liberally to the support of this Board.

JOSIAH ELLIOTT,
N. P. STALLINGS,
L. N. NORMAN. } *Committee.*

On motion to adopt. The Association was addressed by Rev. W. R. Gwaltway. Report adopted.

Report on C. B. F. Institute was called for and read by Rev. W. B. Waff.

REPORT OF C. B F. INSTITUTE.

Your committee on C. B. F. Institute would report as follows :

The Institute seems never to have been in better condition than at present. The patronage for the past year has been good, very good when we consider the shortness of the crops and the scarcity of money.

The music class is the largest that has been in many years. The deportment of the young ladies has been exceptionally good. and their health has been fine, the services of a physician not being needed more than once during the past year. Many of the pupils are preparing to teach, and as they go forth to engage in that high calling they become radiating centers of noble Christian influences, and thus a blessing to the communities in which their lots are cast.

We would remind the Association, that the Institute belongs to no one man, to no board, but to the Baptist in general and to the Chowan and West Chowan Association in particular. It has done a great work for the denomination in the past, it is capable of doing even a greater work if properly supported.

It is largely for the Baptist of this section to say whether our Institute shall take the lead of her sister Institutions, or be out-stripped by them.

We therefore recommend to the Association to remember C. B. F. Institute in their prayers, to help it with their money, when needed, and to do all they can to extend its patronage, by sending their own girls there to be educated and by inducing others to send theirs.

Special order—Foreign Missions, was taken up.

REPORT ON FOREIGN MISSIONS.

Foreign Missions is but a technical expression to define one department of work—to distinguish between it and what is local or more nearly at home. The command of our Lord and Master, to "preach the gospel to every creature," unifies the work of missions and obliterates all lines of distinction. To obey that command, is the chief business of the church—the primal duty of all Christians. From this obligation none are exempt, and any plea to waive it is simple disloyalty to Jesus Christ. Involuntary ignorance may, in some measure, mitigate this offence, but wilful indifference is an insult to God. What Christ meant giving this command, better understood in its co operative character : "Is I am with you always, even to the end of the world."

This seems the perpetuation of His coming and life's work—the outward development of unity between Himself and His people.

It is He in them, working out the purpose of the Father, bringing the kingdoms of this world into subjection to the kingdom of our Lord and His Christ. The revival of modern missions its increased facilities and multiplied agencies, but emphasisies the original command and reaffirms the solemn obligation to obey it. Have we done it ? Are we trying as we should to do it ? If so. Then well ; otherwise, let us make haste to begin. The time is short, what we do we must do quickly. With what is suggestive in the history of missions, with what is developed in this "Centennial of Missions," we may not remain ignorant and be guiltless.

To know, Then, and to do what is manifestly in the line of this Command. Are co-ordinate duties ; and the individual or the church not in harmony with this gospel of missions, is a travesty on New Testament Christianity, a burlesque on "Apostolical Church Polity."

Brethren, of the Chowan Association, let us seek to do more and better things for our Lord, remembering that we "are bought with a price" and that it is but a "reasonable service."

That we present our "bodies a living sacrifice, holy acceptable unto God", Rom. 12 : 1.

Respectfully Submitted,

J. F. TUTTLE, *For Committee.*

What is said about these Lesson Helps.

"It is almost superfluous to commend what is so widely known, and so highly valued wherever known. We are glad to know that the circulation of the periodicals of the American Baptist Publication Society is constantly increasing; though what else should be expected of papers that contain matter of such excellence, so beautifully printed, so moderate in cost, and pushed with so much enterprise?"—*Examiner, New York.*

"In the high character, variety, and instructiveness of their articles, the quality of their illustrations, their mechanical execution and general make-up, these Sunday-school supplies are as good as ever. Indeed, they improve with age, growing better every year."—*The Baptist Courier, S. C.*

"The American Baptist Publication Society's periodicals are unsurpassed for variety, mechanical execution, and soundness of doctrine. Our best talent North and South, East and West have been employed in their preparation. They are adapted to the needs of Baptist Sunday-schools everywhere. They are a marvel of cheapness."—*Florida Witness.*

"No one can look through these excellent periodicals without being highly pleased with the output, whether it be the variety, mechanical execution, aptness of illustration, instructiveness, or general make-up. In all respects, they are first-class."—*Southern Baptist Record, Miss.*

ART. VIII. We think it necessary to have an Association fund for defraying the expenses of same, for the raising and support of which we think it the duty of each church in the union to contribute voluntarily such sums as they may think proper, and send by the hands of their delegates to the Association. And those moneys thus contributed by the churches shall be deposited in the hands of the Treasurer, who shall be accountable to the Association for all moneys by him received and paid out according to the directions of the Association.

ART. IX. The minutes shall be regularly filed by the Clerk of the Association and kept for its use.

5. To appoint any member or members, by and with their consent, to transact any business they shall see necessary.
6. To withdraw from any church in the union that shall violate the rules of the Association, or deviate from the orthodox principles of religion, after due measures are taken to reclaim such a church or churches, and they remain incorrigible.
7. To allow no delegate to leave the Association until the final adjournment, without the permission of the body.
8. To admit any of the visiting brethren from other Associations, as assistants, who may be present.

Brewer, President Chowan Baptist Female Institute, of Murfreesboro; Elder T. T. Speight and Rev. ——— Bristow, of the West Chowan Association; Bro. J. C. Caddell, of the *Biblical Recorder*, and Rev. R. T. Vann, of the Tar River Association, were recognized as visiting brethren.

The report on the Chowan Baptist Female Institute was called for, and read by Dr. Blackwell.

REPORT ON CHOWAN BAPTIST FEMALE INSTITUTE.

Your Committee on Chowan Baptist Female Institute reports as follows:

This is the oldest school for young women in North Carolina, with one exception, the Moravian school at Salem.

It was founded in 1848 by the Chowan Association, and is now the only female school owned by the Baptist denomination in North Carolina, and one of the very few owned solely by the denomination anywhere.

Situated in the bounds of the Chowan and West Chowan Associations, comprising a Baptist population of 15,000, who share a large part of the rich farming and trucking lands of this favored section, together with the fish, lumber and other business interests, at least two hundred and fifty girls should be sent from these five thousand Baptist homes to the Chowan Baptist Institute every year. When we add these other considerations—a record of unequaled healthfulness, the total absence of social irregularities, the presence of a skilled and experienced principal whose very character is a guarantee that purity of life, industry of mind and high scholarship, with refinement of manners, will be inculcated at the Institute—we feel that Baptist parents of this and adjoining Associations are doing themselves and their daughters the greatest injustice by not crowding the halls of the Chowan Baptist Female Institute.

The past record and present curriculum of the Institute make its diplomas a symbol of all that is best and all that is needed in female education.

The honorable history of the Institute ought to inspire every Baptist with pride enough to make him an ardent friend and active worker for such future success as will dim the past, however glorious.

In the property of the Chowan Baptist Female Institute the Baptist have in their hands an instrument of greatest good and infinite blessing. Let us use it to its utmost for the culture of our daughters, for the happiness of posterity and for the glory of God.

Though the distinguished abilities of Prof. J. B. Brewer have attracted attention far beyond our State lines, and by reason of which he is frequently offered other and, perhaps, more lucrative fields, yet he is still with us as our honored educational leader. We feel that the people of the Association are to be congratulated upon this fact, and that they should be urged to show their appreciation of Professor Brewer's self-denial and loyalty to their interests, by at least doubling the patronage of the school next year. But to do this we will have to do better than we have done during the year now closing, for of the eighty girls at the Institute this year only 7½ per cent. are from Chowan Association. This is a Baptist school, where Baptist principles and Baptist pride are impressed on the formative character of the women who are to preside over the homes of the next generation. It is needful, not only that these daughters be polished as pillars in our social temple, but that they be strong in their convictions of Bible truths, and proud of Baptist triumphs, for at one time the other denominations strove to suppress Baptists by persecution, whip and flame, now they try to capture our ambitious sons and sprightly daughters by flattery. Our girls can be best armed against these soft and subtle assaults by educating them in such a school as Chowan Baptist Female Institute.

Notwithstanding general depression in business during the year, the school has kept up its full average attendance, and its work is even on a higher grade.

CALVIN S. BLACKWELL,
Chairman Committee.

Pending a motion to adopt, the question was discussed by Dr. Blackwell, Prof. Brewer, J. A. Speight and R. T. Vann. The report was adopted.

On motion of T. G. Wood, Brethren C. W. Scarboro and A. B. Adkins were recommended to this Association to fill any vacancy that may occur on the Board of Trustees of the Chowan Baptist Female Institute.

The Moderator appointed Brethren W. T. Love, A. A. Parrish and W. D. Barnard a Committee on Time and Place for holding the next session of this body.

The committee to whom was referred the application of Sandy Cross Church made the following report:

Your Committee suggest that the resolution, passed at Ballard's Bridge, instructing other churches to receive members from Sandy Cross without letters, be rescinded.

2. We further believe that (inasmuch as the church feels that if her delegates had been heard she could have retained her membership in the body) the refusal of this Association to hear said delegates was hasty and to be deplored. We, therefore, recommend that Sandy Cross Baptist Church be restored to full fellowship among us, and the Moderator extend to her delegates present, Brethren Riddick, Hofler and John M. Trotman, the right hand of fellowship and cordial greeting.

W. P. JORDAN,
J. M. FOREHAND,
T. G. WOOD,
Committee.

The report was unanimously adopted.

The delegates from Sandy Cross Church were recognized by this body and, upon invitation, came forward and received the right hand of fellowship.

The report on Periodicals was read by Rev. A. W. Burfoot, as follows:

REPORT ON PERIODICALS.

We have good religious newspapers published in this and other States, but no paper published anywhere should or can take the place of the *Biblical Recorder* with us. The *Recorder* is true and tried and should be dear to every Baptist in North Carolina. Numbers do not and, it seems, will not take it, notwithstanding its untold worth to us as a denomination and as individuals. How to get our people to take and read the paper is a puzzling question to your committee.

We also earnestly recommend *Charity and Children*, *The Foreign Mission Journal* and *Our Home Field* to our people.

Respectfully,
J. W. BRYAN,
A. W. BURFOOT,
Committee.

The congregation sang, "Take the name of Jesus with you."

On motion to adopt the Report on Periodicals, Brethren J. C. Caddell, R. R. Overby, T. T. Speight, C. S. Blackwell and J. A. Speight spoke in support of the motion.

The report was adopted.

Dr. J. J. Hall was allowed a few minutes, in which time he cordially invited all Baptists visiting Norfolk to attend Park Avenue Baptist Church, assuring them that they would find a hearty welcome there or at any other Baptist Church in the city; and further stated that he would look after the boys of any of the brethren who may be in Norfolk, if he is apprised of their whereabouts.

The Committee on Hospitality assigned homes to the delegates and visitors.

On motion, the Association adjourned till 9:30 A. M. to-morrow.

Prayer by Elder VanDeventer.

SECOND DAY—MORNING SESSION.

WEDNESDAY, May 23, 1894.

The Association met pursuant to adjournment and was called to order by the Moderator. Rev. T. T. Speight led in prayer.

On motion, the courtesies of this body were extended to Rev. A. C. Jordan, of the M. E. Church.

On motion, the special order of business was changed, and the Report on the Orphanage was taken up.

REPORT ON THE BAPTIST ORPHANAGE.

The Baptist Orphanage, at Thomasville, N. C., is doing a grand and noble work, and commends itself to everybody. It should have our hearty support. There are now one hundred and sixteen children within its walls to be provided with food and raiment, moral and intellectual training. We recommend at least one collection in each of our churches annually and one every month in our Sunday-schools for their support.

Respectfully submitted,

C. J. WOODSON,
T. B. BOUSHALL,
EDWARD PEARCE,
Committee.

On motion to adopt, the Association was addressed by Brother J. H. Mills. The report was adopted.

REPORT ON MINISTERIAL EDUCATION.

Your Committee learn from the Corresponding Secretary of the Board of Ministerial Education that there are at present thirty-three young

men at Wake Forest College aided by the Board to better equip themselves to preach the Gospel; and that the Board is in pressing need of money just at this time.

Your Committee make two recommendations:

1. That the Churches in this Association exercise great care in recommending young men to the Board of Education for help, and that such recommendations be made only after rigid and satisfactory investigation shall have been made.

2. That this Association raise for this object during the coming year the sum of three hundred and fifty dollars.

W. V. SAVAGE,
N. P. STALLINGS,
For Committee.

A motion having been made to adopt the report, Elder W. V. Savage and Dr. John Mitchell addressed the body, and the motion was carried.

The roll of Churches was called and pledges taken for Ministerial Education as follows:

On motion, the question of General Education was taken up and ably discussed by Brethren R. T. Vann and C. Durham, and the following resolutions were unanimously adopted by a rising vote:

GENERAL EDUCATION.

WHEREAS, Dr. C. E. Taylor has published in the *Biblical Recorder* a series of articles on "How Far Ought a State to Undertake to Educate"; and

WHEREAS, These articles discuss questions of great and vital interest of practical importance to all of our people; therefore,

Resolved 1. That in the opinion of the Chowan Baptist Association, representing fifty-one churches, located in Camden, Chowan, Currituck, Dare, Gates, Perquimans, Pasquotank, Tyrrell and Washington counties, with a total of about eight thousand members, these articles are timely, important and wise.

Resolved 2. That in our opinion the next Legislature ought to obey fully the Constitutional requirement to provide, at least, for a four months public school in every school district in every county in the State.

Resolved 3. That in our opinion no public funds, which can be appropriated by the Legislature for education, should be appropriated other than for the public school.

The Association adjourned for one hour.

Afternoon Session.

The Association met according to adjournment. The congregation sang, "Jesus, lover of my soul," and W. V. Savage led in prayer.

The report on Foreign Missions was called for, and R. R. Overby read the following:

REPORT ON FOREIGN MISSIONS.

It has been more than 1800 years since Jesus Christ first said to His church, "Go ye into all the world and preach the gospel to every creature, he that believeth and is baptized shall be saved, but he that believeth not shall be damned." We have been slow to obey. But your committee, however, are happy in the belief that the day is breaking and the darkness disappearing.

This, perhaps the hardest year financially that our country has ever experienced, the Board of the Southern Baptist Convention has raised for Foreign Missions $179,732.41. North Carolina has raised within the same time $6,364.14.

The Board has under appointment at this time one hundred missionaries, and many others anxiously waiting for the church to say go.

Our churches are manifesting more interest in mission work than ever before, and the Lord is furnishing them an opportunity never before enjoyed. Every nation on the earth is now open to the Gospel, and the piteous cry comes on every breeze, "Come over and help us." Shall we heed the cry?

When God's people are ready to obey, He is always ready to make His promise good, "Lo! I am with you." Our missionaries are all hopeful. They are seeing and rejoicing that their labors are not in vain in the Lord. If God has so blessed the *little* that we have done, what may we not expect when we rise to the full measure of our responsibility.

It is clear that the gospel is designed for the world; it is equally clear that God has always had a people in the world. There must, therefore, be a cause for our sloth in giving the world the Word of Life. Our first duty seems to be to ascertain, if possible, where or what the cause is.

Your committee are of the opinion that the chief cause is ignorance of the teaching of God's Word, in regard to the final destiny of all who die out of Christ.

We recommend, therefore—

1. That as pastors we do all we can to give the people the teachings of God's Word upon this subject.

2. That we pray until we are filled with the spirit of Caleb, when he said to mourning Israel, "Let us go up at once and possess it (the land), for we are well able to overcome it."

3. That to give the world the gospel, we work with and through the Foreign Mission Board, located at Richmond, Va.

Respectfully submitted,

R. R. Overby.

Pending a motion to adopt the report on Foreign Missions, the Association was addressed by R. R. Overby and R. VanDeventer. A letter, bearing upon the subject of Foreign Missions, was read by W. B. Waff from Miss Fannie S. Knight, our missionary in China.

On motion, the time for discussion of Foreign Missions was prolonged fifteen minutes.

Bro. J. E. White offered the following as an amendment to the report:

Whereas, Miss Fannie S. Knight who, heretofore has been supported by this Association through our Foreign Mission Board, has conveyed

to us her intention no longer to work under the direction of the Board, and has connected herself with the movement called the "Gospel Mission," this Association resolves—

1. To express regret that she has deemed this step necessary.

2. This Association desires to express its high regard for her Christian character, faith and zeal in the work of Foreign Missions, and would gladly continue her support if she would work through the Board.

3. That this Association believes that the abandonment of our present methods of work would prove destructive to the best interests of Foreign Missions, and therefore unwise to accede to her request as expressed in her letter.

4. That we would gladly resume her support should she at any time return to the work under the direction of the Board of Foreign Missions.

The amendment was adopted.

Then the report, as amended, was adopted by unanimous vote.

The hour having arrived for the special order, W. P. Jordan submitted the following as the

REPORT ON STATE MISSIONS.

Your Committee on State Missions would report the following: We believe that under God our State Mission work has done more in giving to all the people in our State the pure word of God than any other agency in the hands of His people.

The work of our State Mission Board is to have the gospel preached in every city, town, village and rural district in our beloved State; and they are meeting with wonderful success in this blessed work.

We are glad to report that the debt that was resting so heavy upon the Board, as reported at the last session of the Baptist State Convention, has all been paid, and the hearts of our missionaries made glad and the Board greatly encouraged.

We have to-day ninety-five missionaries at work under the appointment of this Board, some giving a part of their time, others all of their time to the mission work. Seven of these missionaries are at work in our own Association.

The Board is working this year on the basis of $15,000, and hopes to report no debt at the next session of the Convention. This ought to be done, and can be done if we will all do our duty.

Your committee would recommend to the churches of this Association the following:

First. That we sympathize with and pray for our State Mission Board, its missionaries and their work.

Second. That we keep ourselves informed as best we can upon the workings of the Board, and if needful give them our advice or criticism.

Third. That we make an honest effort to raise during this Associational year the sum of eight hundred dollars for this work.

Respectfully submitted,

W. P. JORDAN,
P. S. C. DAVIS,
JOSIAH ELLIOTT,
Committee.

REPORT ON HOME MISSIONS.

What the State Mission work is to North Carolina the Home Mission work is very largely to all the States in the Southern Baptist Convention. This Board supervises the work in Cuba also.

During last year the Board employed three hundred and eighty-one missionaries. These baptized four thousand four hundred and seventy souls; constituted one hundred and thirty-three churches; organized four hundred and twenty-nine Sunday Schools; distributed one thousand one hundred and fifty Bibles among the people. These figures poorly indicate the return God has given for the sacrifice of nearly $107,000, laid by our Southern churches upon His altar. North Carolina gave last year about $3,500 to this work. For this Associational year our churches pledge $481. It is earnestly hoped that this amount has been sent up to the Board, and that our churches pledge themselves this year in proportion to the rapidly increasing needs of the work.

The Convention ordered the consolidation of the two papers, *Home Field* and *Foreign Mission Journal*, into one magazine or journal. This deserves a wide circulation among our people.

Respectfully submitted,

J. B. FEREBEE.

A motion having been made to adopt the report, the body was addressed by T. G. Wood, R. T. Vann, C. S. Blackwell, Josiah Elliott, C. Durham, W. V Savage and R. R. Overby.

The report was adopted.

Resolved, That the pastors and deacons of the churches with which future sessions of this body may be held, be requested to prevent the sale of any article whatever on the church grounds during the session. (Adopted at the session of 1884, held with the Church at Rockyhock.)

ARTICLE I. This Association shall be composed of white delegates, chosen by the churches of this body, and of all ordained ministers who are members of, or laboring in connection with said churches. ART. II. The territory embraced in this Association shall be limited to the following counties, to-wit: Currituck, Camden, Pasquotank, Perquimans, Chowan, Gates, Washington, Tyrrell, Dare and Hyde.

ART. III. The Association, when convened, shall be governed and ruled by parliamentary usage, as prescribed in Mells' Parliamentary Practice.

ART. VI. Every motion made in due order, and seconded, shall come under the consideration of the Association, unless withdrawn by the person who made it.

ART. VII. The Association shall furnish the churches with a number of printed minutes of the Association, from time to time, proportionable to the moneys contributed from each church to the support of the Association fund.

ART. VIII. We think it necessary to have an Association fund for defraying the expenses of same, for the raising and support of which we think it the duty of each church in the union to contribute voluntarily such sums as they may think proper, and send by the hands of their delegates to the Association; and those moneys thus contributed by the churches shall be deposited in the hands of the Treasurer, who shall be accountable to the Association for all moneys by him received and paid out according to the directions of the Association.

ART. IX. The minutes shall be regularly filed by the Clerk of the Association and kept for its use.

ART. X. The minutes of the Association shall be read, and corrected if need be, and signed by the Moderator and Clerk before the Association rises.

ART. XI. Orthodox and orderly churches shall be admitted to membership in this body on petition by letter and delegates.

ART. XII. Amendments to this plan or form of government may be made by a majority of the union.

ART. XIII. The Association shall have power—

1. To provide for the general union of the churches.
2. To give the churches all necessary advice in matters of difficulty.
3. To preserve inviolable a chain of communion among the churches.
4. To inquire into the cause why the churches fail to present themselves, at any time, in the Association.
5. To appoint any member or members, by and with their consent, to transact any business they shall see necessary.
6. To withdraw from any church in the union that shall violate the rules of the Association, or deviate from the orthodox principles of religion, after due measures are taken to reclaim such a church or churches, and they remain incorrigible.
7. To allow no delegate to leave the Association until the final adjournment, without the permission of the body.
8. To admit any of the visiting brethren from other Associations, as assistants, who may be present.
9. To adjourn themselves to any future time and place they may think most convenient to the churches.

"Better late than never" is true of the inauguration of any good work. The Baptists of North Carolina are to be congratulated upon having at last taken steps to provide for their destitute and afflicted veterans of the ministry. Other States have gotten far ahead of us in the work. Notably Virginia, which has an interest-bearing fund already established of ten or twelve thousand dollars. By means of small contributions from the churches, it is the design of the Convention to provide means of support or relief, not for *all* ministers, but for that class alone who devote their time and energy to the work of the ministry, and to them only when they shall have become disabled by disease or old age, their widows and orphans.

Our Association this year for the first time publicly acknowledges its obligation to this, the worthiest class of our brethren. The Board is trying to care for eleven of these needy aged ones this year, and there are several applications for help, which should not be ignored.

Brethren, let us rally to the help of these veterans of the cross. They have faithfully served us, and need to be faithfully served by us.

THOS. G. WOOD, for Com.

It was announced that Rev. R. S. Mouds would preach at the stand in the grove.

Pending a motion to adopt the report on Ministers' Relief Board, brethren Wood, Burfoot, W. N. Gregory and James Warren discussed the report. The report was adopted.

The report on periodicals was called in regular time and Dr. R. R. Overby offered the following:

REPORT ON PERIODICALS.

There are many good religious newspapers published, the value of which can hardly be estimated by dollars and cents, but for North Carolina there is no substitute for The Biblical Recorder. It is the acknowledged organ of the Baptist State Convention, therefore the authorized medium of communication for the entire brotherhood of the State. Through all the years it has given no uncertain sound. It has always stood behind and pushed forward every enterprise of the denomination in the State. Wake Forest College, the State Mission Board and the Baptist Orphanage never could have done for the State what they have done but for the Recorder. Whatever other papers may be read, and however helpful (and they are helpful) on some lines, the men who read the Recorder are distinctly marked in all the churches. They are like Gideon's band, "faint, yet pursuing." When work is needed in any direction, these men are already informed and take the lead. The paper was never better than to-day. Indeed it has taken in a larger field and at a reduced price, thus silencing (we hope) the excuse of many for not taking the paper. We most heartily commend the Foreign Mission Journal, the Home Field and Charity and Children.

Resolved, therefore, that we make an earnest effort to extend their circulation among our people.

R. R. OVERBY, Com.

The report was discussed by Brethren J. C. Caddell, R. T. Vann, R. R. Overby, J. B. Boone, J. A. Speight, and adopted.

The Moderator appointed the following-named committees:

On Time, Place and Preaching—E. Bunch, Wm. A. Bogue and O. G. Pritchard.

The Association adjourned until to morrow at 10 o'clock A. M.

SECOND DAY—MORNING SESSION.

WEDNESDAY, July 15, 1896.

The Association met at 9:55 A. M. and was called to order by the Moderator.
Rev. J. A. Shaw read 103d Ps. and lead in prayer.
By agreement the order of business was changed as to time of hearing reports of Foreign Missions and the Orphanage, so as to hear the latter at 12 o'clock M and the former at 2 o'clock P. M.
J. E. White presented the report on C. B. F. Institute:
Your committee on Chowan Baptist Female Institute beg leave to report as follows:
Chowan Female Institute is the child of the Chowan Association. It was founded in 1848, and is now the only female school owned by the Baptists in North Carolina. For these forty-eight years it has been an unfailing light throughout the Chowan section: filling their homes with intelligent and cultured women, repaying all the toil and sacrifice of the establishment. Prof. John B. Brewer, for many years its successful President, has resigned, and in his place Prof. Wm. O. Petty has been placed to continue and enlarge the great work which has been done there. We commend the school to the patronage of the Chowan Association. We further insist that the Chowan people are under obligations to patronize this school. If it is right for us as Baptists to establish and equip schools and colleges, by the force of consistency it is the duty of Baptists to support and patronize these schools.

JNO. E. WHITE.

Brethren Samuel Saunders and R. T. Vann addressed the Association on the report. The report was adopted.
The following standing committees were appointed by the Moderator:
On State Missions—Josiah Elliott, W. E. Waff and E. S. Norman.
On Foreign Missions—T. G Wood, J. A. Shaw and James Spence.
On Home Missions—W. P. Jordan, J. B. Ferebee and R. P. Morris
On Chowan Baptist Female Institute—W. F. Watson, T. T. Speight and W. H. Elliott.
On Ministerial Education—R. R. Overby, C. S. Vann and J. A. Spruill.
On Baptist Orphanage—C. J. Woodson, G. G. O'Neil and H. A. Litchfield.

On Periodicals—N. P. Stallings, S. F Bristow and M. H. Hughes.
On Sunday Schools—T. T. Speight, W. N. Gregory and B. G. Rountree.
On Ministers' Relief Board—A. W. Burfoot, Edward Pearce and M. Majett.

The Committee on Religious Exercises gave notice that W. F. Watson would preach immediately at the stand in the grove.

The hour for the special order having arrived, A W. Burfoot offered the report on State Missions.

Your Committee on State Missions report the following :

The 94 missionaries working under the appointment of the board are doing hard work for the Lord in the destitute places of our State. We believe the New Testament churches are missionary in polity, spirit, plans and work. They are the Lord's organized army to send the gospel to all the world—to make known the Christ to every creature. State missions is the united effort of our churches to give the gospel to the destitute of our State. By destitute we mean all those places and sections that are without the knowledge of bible truths, as held and preached by the Baptists. State missions, therefore, with us means one Lord, one faith and one baptism for all the people of North Carolina. Last year this Association promised, and so far as we know raised, $705 for this work. We earnestly recommend that we, under God, try to do this and more, if possible, during the coming year.

A. W. Burfoot, for Committee.

Pending the motion to adopt, John E. White, Cor. Sec. Baptist State Convention, addressed the Association. The roll of churches was called and pledges taken for State missions (see table of pledges).

The report was adopted.

Rev. W. P. Jordan submitted the

Report on the Baptist Orphanage.

Your Committee on the Baptist Orphanage submit the following :

There is no work that has ever been undertaken by the Baptists of North Carolina that has met with so large and so warm a reception by our people as the Baptist Orphanage work. The good that has been accomplished by this work cannot be told—eternity alone will only reveal. There are at present 144 children at our Orphanage : these children must be fed and clothed, and they appeal to our sympathy and religion. The Central building, about which we have all heard, will, in a few days, be commenced, and when finished will be of great service and convenienee. We request our churches and Sunday Schools to send in, at an early day, a sufficient amount to pay for the building when it is complete. As the number of children increases at our Orphanage, there will be of necessity an increase in expense. So your committee would request the churches and Sunday schools of this Association to remember the Orphanage work in their prayers, and especially in their contributions. Respectfully submitted,

W. P. Jordan,
Jno. A. Shaw,
H. M. Pritchard, } Committee.

J. B. Boone addressed the body on the report and in behalf of the work therein specified.

The sum of $14.55 was paid for the Central building by the following-named persons and church: Mrs. M. D. Baxter $5, Mrs. J. E. C. Bell $2, Mrs. William Etheridge $1, Rockyhock $6.55. (See also report of Finance Committee.)

Pledges were made for the Central building fund as follows: Hertford Baptist S. S. $5, B. B. Felton $2, J. H. Merrett $5, N. C. Burgess $1, Middle Swamp $2, Sawyer's Creek S. S. $5. A cash collection aggregating $14.08 was taken for current expenses of the Orphanage.

The report was adopted.

On motion the Association adjourned till 2:15 o'clock P. M. Benediction by Samuel Saunders.

AFTERNOON SESSION.

WEDNESDAY, JULY 15, 1896.

The Association reassembled according to adjournment. Rev. N. P. Stallings offered the

REPORT ON FOREIGN MISSIONS.

Your Committee on Foreign Missions beg leave to report the following. We have in foreign fields as follows:

Africa—6 missionaries, 8 native helpers, 6 churches, 51 baptisms, 247 members.

Brazil—11 missionaries, 8 native helpers, 14 churches, 273 baptisms, 783 members.

China—41 missionaries, 44 native helpers, 19 churches, 152 baptisms, 1266 members.

Italy—3 missionaries, 28 helpers, 21 churches, 79 baptisms, 430 members.

Japan—6 missionaries, 4 helpers, 1 church, 3 baptisms, 40 members.

Mexico—19 missionaries, 18 native helpers, 37 churches, 177 baptisms, 1,035 members.

We are very hopeful, because of the fact 735 have been baptised. It should encourage us as Baptists to put forth greater effort in the future for the spreading of the gospel of our Lord and Saviour in every land.

N. P. STALLINGS, } Com.
W. G. GODFREY, }

The report was discussed by N. P. Stallings, W. F Watson and R. Van Deventer.

Pledges were taken for foreign missions (see table of pledges) and the report adopted.

The courtesies of this body were extended to Dr. R. B. John, presiding elder of the Methodist Conference, Elizabeth City District, and to Rev. J. H. Hall, pastor M. E. church of E. City.

The report on Ministerial Education was read by C. E. Cross, reading clerk, as follows:

Report on Ministerial Education.

We believe that men are called of God to the work of the gospel ministry; that the preparation of the heart of man, as well as the answer of the tongue, is from the Lord, but nevertheless we are commanded to study to show ourselves approved unto God, and to be able rightly to divide the word of truth. We believe that intellectual and heart culture combined are both necessary to a full equipment for the great work of saving souls. In this enlightened age an educated ministry is indispensable, and to this end we heartily commend the work and efforts of the Education Board of Wake Forest College to the practical sympathy of the churches of this Association, and would urge upon them the importance of enlarged contributions.

Respectfully submitted,

C. J. Woodson, for Committee.

The motion was discussed by John Mitchell and adopted.

On motion the clerk was instructed to enter the same amounts for 1896 that were pledged for ministerial education in 1895, except in cases where changes are made.

The committee on Time, Place and Preacher asked leave to report. The following is the report as finally amended :

Report on Time, Place and Preacher.

Your committee on Time, Place and Preacher for the next session of the Chowan Baptist Association report as follows :

Time, Tuesday after the third Sunday in October, 1897. Place, Shiloh, Camden county. To preach the introductory sermon, W. F. Watson, and W. B. Waff alternate.

Respectfully submitted,

O. G. Pritchard,
W. A. Bogue,
E. Bunch,
} Committee.

That part of the report relating to the time for the meeting of the Association was discussed by W. P. Jordan, A. W. Burfoot, N. P. Stallings, J. H. Parker and others. The report, as above written, was adopted.

Mr. W. J. Young, of Raleigh, representing the asylums for the blind and deaf and dumb, was allowed time to make a statement in regard to the institutions that he represents.

On motion the Association adjourned to 10 o'clock A. M. to-morrow, Prayer by W. P. Jordan.

THIRD DAY

THURSDAY July 16, 1896.

The Association convened at 10 o'clock A. M. Prayer by R. S. Mouds, The minutes were read, corrected and approved.

THE CLAIMS OF CHRISTIAN EDUCATION.

PREAMBLE.—"The future of civilization in America depends, in no small degree, on the extent to which distinctively Christian education shall be encouraged. The State has no more right to supply it on Wednesday in a college, male or female, than it has to provide it in a church on Sunday. Education, so far as it is distinctively Christian, must be furnished on the voluntary principle or not at all.

Within the last few years a number of the Christian Institutions in North Carolina have been placed on the defensive by the policy of some who have been acting in the name of the State. The resistance which these institutions have made has been forced upon them. It has been successful, to a great extent, up to the present. It has, incidentally, been very useful, in that, as a result, in part, of the almost universal discussion of the principles involved, there has been a more general revival of interest in popular education than has ever been known in North Carolina.

The necessity for this resistance is to be deplored; but so long as the necessity shall continue, the attitude of resistance ought to be maintained. To submit without a protest to what we believe to be unjust and wrong, and to allow the efficiency of our institutions to be impaired without seeking to defend them is neither manly, Baptistic, nor Christian. But our protests and defense need be none the less manly because they are Christian in spirit, in expression and in method."

Be it resolved, therefore,

First—That this Association of Baptist churches offer its protest against State aid to higher education, and insist that only through the voluntary principle can Christian education be secured for the people.

Second—That a cause worth fighting at all is worth fighting to the end—and we pledge ourselves to an earnest and unremitting effort to carry to successful issue the contention against State aid to higher education.

The question of Christian education was discussed by J. E. White and N. B. Broughton. The foregoing preamble and resolutions were adopted.

Miss Lula Butt, principal of Ryland Female Institute, Berkley, Va., was introduced to the Association by Judge M. L. Eure.

E. F. Aydlett spoke for Wake Forest College. The following resolution was adopted:

Resolved, That the Chowan Association renew its allegiance and loyalty to Wake Forest College, in the great work it is doing for Christian education, in its contribution to Baptist growth and progress, and in its widespread and ever-increasing influence as the center of religious light and intelligence.

The report of the committee on Home Missions was submitted as follows:

Report on Home Missions.

The Home Board of the Southern Baptist Convention has within its territory more than twenty million people. Of these 2,500,000 are Baptists We have, therefore, 17,000,000 yet unreached by us. We have 450 missionaries to support; these men are receiving less than $75,000. We need $250,000 and fifteen hundred missionaries. The churches need to see these facts and needs and come up to the help of the Lord.

C. S. Blackwell,
Josiah Elliott,
B. D. Lawrence,
} Committee.

C. S. Blackwell addressed the Association on Home Missions.
The report was adopted.
The Committee on Sunday Schools offered the following

Report on Sunday Schools.

Your Committee on Sunday Schools beg leave to report that the church letters received show a decrease in officers and teachers from 566 to 377, and a general falling off in Sunday School statistics. This is due to negligence of churches in sending up Sunday School statistics. Nineteen churches send no letter at all, and three contain no reference to Sunday Schools. We desire to call the attention of the Association to this very serious matter. We recommend that a resolution be passed and a copy sent to each church urging that next year every church send a letter to the Association containing its statistics. The Sunday School work under God has mightily advanced our Baptist cause, and has been a means of incalculable value to the kingdom of Christ. The Baptist State Convention has taken hold of the work more vigorously than ever before Rev. B. W. Spillman has been called to this work, and the prospect is most encouraging for an enlarged Sunday School work in our State. We extend to Brother Spillman our hand of hearty cooperation and resolve to aid and encourage him in the work in every way possible. We recommend that all orders for Sunday School supplies be made through the Baptist Book Store at Raleigh.

John T. Davis, for Committee.

N. B. Broughton spoke on the Sunday School question. The report was adopted.

T. G. Wood made announcement as to a Sunday School Convention to be organized in the Camden and Currituck Union meeting.

The Committee on Sabbath School Statistics reported and the report was adopted (see Appendix)

The committee on Statistics of Benevolence reported and the report was adopted (see Appendix).

The committee on Finance reported and the report was adopted (see Appendix).

There was an overplus of one dollar and seventy-five cents ($1.75) in the hands of the Finance Committee. By order of the Association the same was paid to the clerk to be applied to the Minute fund; provided, however, should the clerk ascertain to what church this amount belongs, said church shall have proper credit for the same.

[Note.—On the 22d of July I received from the Finance Committee three dollars and twenty-five cents ($3.25) without instruction. This, with

the $1 75, was probably sent to the Association by some church that failed to receive credit for the same. The amount is held by me subject to the order of the Association.

LYCURGUS HOFLER, Clerk.)

The committee on Church Statistics reported and the report was adopted (see Appendix).

The following was submitted as the

Respectfully submtted,

J. H. MORRISETTE, Treasurer.

The report of the Treasurer was adopted.

Report of the Executive Committee.

Your committee beg leave to submit the followiug report:

The work within the bounds of the Association has been vigorously prosecuted by the missionaries on the field with fairly gratifying results. The debt upon the house in Hyde county, reported at your last session, has been satisfactorily arranged, and the deed for the property is now in the hands of Rev Josiah Elliott. Bro. W. R. Corawan is still occupying the field—salary provided for by the Yeopim Union Meeting—though the appointment of the missionary was made by the State Board.

Brethren T. G. Wood and R. R. Overby are still holding the fort at Geneva, without compensation, with constantly increasing interest in the work. A church will probably be consituted at this point within a short time.

Rev. N. P. Stallings is still preaching at Coinjock. The debt, reported at the last session of this body upon the building, has been liquidated, though the house is still in an unfinished state.

Albemarle and Gum Neck, and possibly other poinis, are efficiently served by Rev. J. A. Shaw.

Bro. A. W. Burfoot is preaching most acceptably at Roper, and the work is moving along fairly well.

Rev. G. G O'Neil is now in charge of our shore mission, and at Collington regular monthly preaching is maintained. At Whale's Head a new church has been constituted since the last Association and a new church building completed.

It is pre-eminently necessary that the Executive Committee have the sympathy and support of the churches in the Association in order to the most efficient service and best results in its efforts to do the mission work of the Association.

W. F. Watson, for Committee.

The report was adopted without discussion.

The following named brethren were duly elected as the Executive Committee of this Asaociation for the ensuing year, viz: T. G. Wood, A. W. Burfoot, Josiah Elliott, W. F. Watson and H. A. Litchfield.

C. S. Blackwell was elected as the delegate from this Association to the next session of the Southern Baptist Convention to be held in Wilmington, N. C., beginning on Friday, the 7th day of May, 1897, and J. H. Morriselte as alternate.

Resolved, That the thanks of this body are due and heartily tendered to the members of Berea church and citizens in the vicinity for their cordial hospitality in entertaining the members and visiting friends of this Association. We also thank the Norfolk and Southern Railroad Co. for the reduced rate given to delegates and visitors.

The resolution was unanimously adopted.

The following resolution, by C. S. Blackwell, was readopted (session of 1895) and ordered to be printed in the minutes each succeeding year.

Resolved, That hereafter the churches be requested to send to the Clerk of the Association the list of their delegates and alternates at least ten days before the meeting of the Association, that a roll of the body may be ready for call immediately on assembling.

It was ordered that the Clerk have the Minutes printed and distribute

the same; and it was further ordered that the Clerk be allowed the usual fee ($18) for his services.

On motion the Association adjourned to meet with the church at Shiloh, Camden county, on Tuesday after the third Sunday in October, 1897.

"Blest be the tie that binds
Our hearts in Christian love,"

was sung by the congregation, and John Mitchell closed the Association with prayer.

C. S. BLACKWELL, Moderator.

After prayer by John A. Shaw, the Association adjourned until to-morrow at 10 o'clock a. m.

According to announcement, at 7.30 p. m. L. C. Brickhouse preached in Shiloh church; text, Rev. 2:17, "To him that overcometh will I give to eat of the hidden manna," etc.

SECOND DAY.—MORNING SESSION.

Wednesday, October 20th, 1897.

R. R. Overby and Josiah Elliott were appointed a Committee on Reception of New Churches.

A. W. Burfoot submitted the

REPORT ON MINISTERS' RELIEF BOARD.

Your Committe on Ministers' Relief Board submit the following:

All Christians should feel an interest in our aged and infirm preachers—men of God who have worked hard and spent their lives preaching the Gospel. We think the Lord demands they should be cared for in old age. But little has been reported to this work, from the State, and scarcely nothing from our Association. We would ask the brethren to give, at least, one collection a year to this work and that earnest prayer be offered for the worn-out preachers.

A. W. BURFOOT,
for Committee.

Pending the motion to adopt, J. D. Hufham, T. G. Wood and J. J. Hall addressed the Association, and the report was adopted. It was moved and carried, that the roll of churches be called and pledges taken at this session for the Ministers' Relief Board.

On motion, the regular order of business was changed. The Report on Periodicals was made the special order for 2 o'clock p. m. to-day, and the report on State Missions set for to-morrow at 10 a.m.

The report on the Orphanage was read by C. J. Woodson, as follows:

REPORT OF COMMITTEE ON ORPHANAGE.

The Baptist Orphanage, located at Thomasville, N. C., is an institution which commends itself to the practical and heartfelt sympathy of every Christian patriot and philanthropist, and is doing a grand and glorious work for God and humanity, in feeding, clothing, and educating, and above all, in Christianizing, the bereaved children of ourdeceased brethren and sisters, and who, otherwise would be thrown upon the cold charity of a merciless world. The Orphanage has now, under its fostering care 160 children, and the number will very soon be increased to 180. Of the present number, about one-fifth are from the territory composing this Association.

We take pleasure in saying that the present administration is superb, that peace and harmony reign supreme within its borders, and that the health record is unsurpassed. Your Committee would earnestly urge upon all our churches and Sunday Schools the importance of more frequent, as well as enlarged, contributions to its support.

C. J. WOODSON,
For Committee.

On motion, the report was laid on the table, to be called up at will.

T. G. Wood submitted the

REPORT ON CHOWAN BAPTIST FEMALE INSTITUTE.

This school, founded nearly fifty years ago by the Chowan Association, is the only female school owned and operated by Baptists in North Carolina. To its culture of our wives and daughters is due largely the fact of the almost universal prevalence of Baptist principles throughout the eastern part of our State. We are under obligation to patronize this school. We owe it to our fathers, we owe it to our children. The right to equip and endow schools for our children carries with it the obligation to patronize them, and to send elsewhere for equal privileges is both a suicidal policy and betrayal of trust. The denomination is to be congratulated upon securing Hon. John C. Scarborough to take the management of this school.

The patronage is not as large this session as it should be, and the representation from this Association is very small, but we believe that, under its present administration, supplemented by the co-operation of the churches, its halls will soon be filled with pupils, and the school become again our joy and pride.

T. G. WOOD,
For Committee.

On motion, the report was laid on the table, to be called up at will.

The report on Foreign Missions, offered by T. G. Wood, is as follows:

REPORT ON FOREIGN MISSIONS.

Parker, in his Apostolic Life, says: "The key-word of Christianity is '*enlargement.*' Christianity is not a local lamp, but a universal sun. Ours is an aggressive religion, a fighting faith, a military theology. 'The Christian who is not aggressive and self-sacrificing gives the lie to his own faith, and is only a baptised '*infidel*'." To be a Baptist, is to desire to be obedient to Christ in all things. His last request, His parting command—constituting the "marching orders" for His people—was, "Go into all the world and preach the Gospel to every creature." Our people have been signally honored of God in their effort to obey this command of His Son. The names of Carey, Judson, Rice and Yates stand high on God's honor roll of missions.

North Carolina has cause for deep gratitude when she remembers her own faithful men and women now on foreign fields—R. T. Bryan had wife, G. W. Greene and wife, T. C. Britton and wife, E. F. Tatum, L. W. Pierce and Miss Lottie Price.

Some people think missions a failure. It is well to consider some figures. Starting with 120 despised Galileans, there are now, says Farrar, at least one hundred and twenty millions of protestants, not counting other divisions of Christians, and they have in their hands almost all the wealth and resources of the world. To-day the Bible is translated into thirty times as many languages as were spoken by the disciples on the day of Pentecost, and nearly three hundred million copies of the Word of God are in the hands of mankind. In 1877, twenty years ago, Southern Baptists had 48 workers in foreign fields, and the contributions were $32,760. In 1887, ten years ago, we had 116 workers, 1,551 members, and the contributions were $80,830. This year, 1897, Dr. Willingham reported 190 workers, 660 baptisms, 4,324 members, and $125,681.99 in contributions. The expense of conducting this great work is less than eight per cent of its

receipts; *i. e.*, for every dollar received by the Board in Richmond, 92 cents find their way into the hands of the missionary. These facts should cause us to thank God and press forward to the consummation of the work.

Our people have missions in China, Africa, Italy, Mexico, Brazil and Japan.

Four hundred and twenty-four dollars and twenty-five cents only were pledged by this Association fo the work this year. It is earnestly hoped that this amount and more has been sent in by the churches.

T. G. WOOD,
For Committee.

The report was discussed by J. D. Hufham, R. R. Overby, J. J. Hall, J. A. Speight, E. S. Pierce, T. G. Wood and John E. White, and adopted.

On motion, E. S. Pierce and C. J. Woodson were appointed to write the report on Home Missions, (the regular Committee being absent.)

At 1 o'clock p. m., the Association adjourned for one hour.

SECOND DAY.—AFTERNOON SESSION.

October 20th, 1897.

The Association convened at 2½ p. m., and was called to order by the Moderator.

The report on Periodicals was called, and the following, after discussion by J. W. Bailey, editor of the "Biblical Recorder," J. D. Hufham, J. A. Speight, editor of the "Atlantic Baptist," C. J. Woodson and R. R. Overby, was adopted.

REPORT ON PERIODICALS.

There are many good religius newspapers published, the value of which can hardly be estimated by dollars and cents, but for North Carolina there is no substitute for the "Biblical Recorder." It is the acknowledged organ of the Baptist State Convention, therefore the authorized medium of communication for the whole brotherhood of the State. Through all the years it has given no uncertain sound. It has always stood behind and pushed forward every enterprise of the denominationin the State. Wake Forest College, the State Mission Board and the Baptist Orphanage never could have done for the State what they have done but for the "Recorder." Whatever other papers may be read, and however helpful (and they are helpful) on some lines, the men who read the "Recorder" are distinctly marked in all the churches. They are like Gideon's band, "faint, yet pursuing." When work is needed in any direction, these men are already informed and take the lead The paper was never better than to-day. Indeed, it has taken in a larger field, and at a reduced price, thus silencing (we hope) the excuse of many for not taking the paper. We most heartily commend the "Foreign Mission Journal," the "Home Field," and "Charity and Children."

Resolved, therefore, that we make an earnest effort to extend their circulation among our people.

The regular order of business was suspended, and the report on the Orphanage taken from the table.

J. B. Boone, General Manager of the Baptist Orphanage, and John C. Scarborough, one of the Trustees, addressed the Association, and the report, previously stated, was adopted. A collection was taken for the Orphanage, aggregating $9.09.

The Committee on Time, Place and Preacher presented their report, which after being amended, was adopted, as follows:

REPORT OF COMMITTEE ON TIME, PLACE AND PREACHER.

Your Committe on Time, Place and Preacher for the next session of this Association, beg leave to report as follows: Time, Tuesday after the third Sunday in May, 1898; place, South Side, Tyrrell county, N. C.; to preach the Introductory Sermon, Rev. W. S. Penick, and Rev. J. P. Spence, alternate.

Respectfully submitted,

JOSIAH ELLIOTT,
SAMUEL JARVIS,
L. F. WRIGHT,
Committee.

That part of report relating to place was discussed by T. G. Wood, R. R. Overby, C. J. Woodson, H. L. Swain and J. D. Hufham.

The Committe on Reception of New Churches, report three applications, viz: Whale's Head church, organized in 1895, in Curriuck county; Pantego church, organized in 189—, in Beaufort county; and Rose Bay church, organized in 1895, in Hyde county. Whereupon, on motion, Whales Head and Rose Bay churches were unanimously received into this Association, and the right hand of church fellowship was extended to the delegates, E. S. Pierce from Rose Bay, and G. G. O'Neill from Whales Head.

The Association adjourned to 9.30 o'clock a. m. to-morrow. Prayer by A. W. Burfoot.

THIRD DAY.—MORNING SESSION.

Thursday, October 21, 1897.

The Association reassembled at 9.15 o'clock a. m. The congregation sang, "Come Thou Fount of every blessing." Religious services were conducted by A. W. Burfoot, who read the 32d Psalm. Prayer by John E. White.

The Moderator called the Association to order. The minutes of yesterday were read and approved.

In accordance with a resolution adopted at the last session of the Baptist State Convention, on motion, the Association proceeded to the election of a representative on the State Board of Missions and Sunday Schools. T. B. Boushall, of Belcross, N. C., was unanimously elected as the representative from this Association on said Board.

N. P. Stallings offered the following resolution, which was adopted:

Whereas, the brethren consume a great deal of time in discussing topics which are foreign to the business of the Association:

Resolved, That no one be allowed to speak more than once, and not longer than ten (10) minutes, without permission from the body.

The following resolution, offered by A. W. Burfoot, was adopted:

Resolved, That this Association allow its Clerk for his services twenty-five ($25) dollars per annum, to take effect from this day.

The Moderator appointed the following standing committees:

On State Missions.—Josiah Elliott, N. P. Stallings and H. A. Litchfield.
On Foreign Missions.—R. R Overby, W. H. Cannon and E. F. Aydlett.
On Home Missions.—C. J. Woodson, W. P. Jordan and J. C. Meekins, Sr.
On Chowan Baptist Female Institute.—W. F. Watson, E. F. Pierce and A. T. Bush.
On Ministerial Education.—A. W. Burfoot, C. S. Vann and M. Majett.
On Baptist Orphanage.—T. G. Wood, J. A. Shaw and J. H. Morrisette.
On Periodicals.—J. P. Spence, G. G. O'Neill and J. G. Hughes.
On Sunday Schools.—W. B. Waff, C. P. Bogart and M. H. Hughes.
On Ministers' Relief Board.—N. P. Stallings, T. B. Boushall and C. B. Garrett.

On motion, Lycurgus Hofler was elected as the delegate from the Association to the next session of the Southern Baptist Convention, to be held in Norfolk, Va., beginning on Friday, May 6, 1898.

J. H. Morrisette, A. W Burfoot and Josiah Elliott were elected delegates to the Baptist State Convention, to meet in Oxford

C. J Woodson offered the following resolution, which was adopted:

Resolved, That the thanks of this Association are due and heartily tendered to the brethren and sisters of this church and community for the kind and hospitable manner in which they have entertained us: and also to the Norfolk and Southern Railroad Company for a reduction of fares.

The following resolution, offered by H. L. Swain, was adopted:

Resolved, That we tender thanks to Mr. Pettit's line of steamboats for their liberal rates given to the delegates and friends who have attended this Association.

The Moderator appointed T. G. Wood, A. W. Burfoot, Josiah Elliott, W. F. Watson and H. A. Litchfield as the Executive Committee for the ensuing Associational year.

The Clerk of this Association reports five ($5) dollars left in his hands, without instructions, by the Finance Committee of 1896.

On motion, the above-mentioned $5 was equally divided between State Missions and the Orphanage.

The following resolution, by Lycurgus Hofler, was adopted:

Whereas, Edwards & Broughton, printers and binders, of Raleigh, N. C., than whom there are none better in the South, have very neatly and substantially bound, in book form, the minutes of this Association from 1869 to 1896 (both dates inclusive), and presented same to us, complimentary;

Therefore resolved, That the thanks of Chowan Baptist Association be tendered to brethren Edwards & Broughton for their much appreciated work.

The following resolution was adopted:

Whereas, Our Theological Seminary, at Louisville, Ky., was founded by the Baptists of the South for the training of our young preachers; and

Whereas, It is essential to the largest measure of usefulness of the Institution that the professors be acceptable to the denomination; and

Whereas, The President of the Seminary is, in the judgment of a large part of the Southern Baptists, unfit for the place he holds; therefore,

Resolved, That, in the judgment of this body, the retirement of the President is urgently demanded, as a matter of justice to the Baptist brotherhood of the South, to the best interest of the Institution. (Signed) J. H. MORRISETTE.

The report on Home Missions was read by E. S. Pierce, as follows:

REPORT ON HOME MISSIONS.

Your Committee on Home Missions beg leave to make the following report:

The Home Mission Board presents to us wider fields, greater destitution, more numerous and more pressing demands than ever before. Our work needs to be increased among the negroes all over the South, the foreign population in Missouri, Oklahoma, Louisiana, Texas and other States, in the Indian Territory, in the mountain region, in Florida, in Cuba, and the frontier—indeed, everywhere. To do this, we must have increased resources. The Southern churches ought to contribute one hundred thousand dollars to meet these obligations; to give less is to leave part of this work undone. We should use every proper means to secure it. With it, and with the blessings of the Lord, we hope to do a larger work this year than we have ever done before. We recommend the churches to increase their contributions along this line.

Respectfully submitted,

E. S. PIERCE,
C. J. WOODSON,
R. P. MORRIS,
Committee.

The report was adopted.

R. R. Overby submitted the

REPORT ON MINISTERIAL EDUCATION.

Your Committee submit the following:

The Board of Education needs no commendation from your Committee; its work commends itself. The men helped by this Board are scattered over this and other States, and are among the best pastors and workers. There are now twenty-five at college aided by this Board, with many others anxious to enter, but cannot for lack of money. The Board is very much in need of funds to meet expenses. We therefore recommend to all our churches that we do more for this Board.

Respectfully submitted,

R. R. OVERBY,
Committee.

The report was discussed by John Mitchell and Josiah Elliott, and adopted.

The report of the Committee on State Missions was read by A. W. Burfoot, Reading Clerk.

REPORT ON STATE MISSIONS.

Your Committee on State Missions submit the following as their report:

The cause of State Missions should lie very near the heart of every true Baptist, for it is the key-note of all our work. Our efficient Corresponding Secretary, John E. White, has been pushing the work all over the State, but from the financial report of the "Biblical Recorder," we are a long way behind on what we instructed the Board to appropriate, and our own Association may be behind on what was pledged. Our poorly paid missionaries are in need of their promised salaries. We would urge the churches to come at once to the help of this department of our work, so no debt may be reported to the Convention in Oxford.

JOSIAH ELLIOTT,
W. B. WAFF,
E. S. NORMAN,
Committee.

The report, on motion to adopt, was discussed by John E. White and J. D. Hufham, and adopted.

A collection for State Missions was taken, amounting to $47.14.

J. A. McKaughan was allowed time to present the cause he represents at Halifax, in the Tar River Association, and $13.25 was contributed, through a collection, to the Halifax church.

On motion, the report on Chowan Baptist Female Institute was taken from the table. John C. Scarborough addressed the Association, and then the report was adopted.

John E. White offered the following resolution, which was adopted:

Resolved, that this Association re-affirm its loyalty and devotion to the Chowan Female Institute, and pledge ourselves to the support of our school established by our fathers for our Chowan women, and under the present efficient management of John C. Scarborough.

The Committee on Finance reported, and the report was adopted. (See Appendix.)

The following is the

TREASURER'S REPORT.

I beg leave to submit the following as a true and exact report of the receipts and disbursements of all the funds that came into my hands as Treasurer of the Chowan Baptist Association, at the session held with the church at Shiloh, October 19th, 20th and 21st, 1897:

	Total Disbursements	$276 93

Respectfully submitted, J. H. MORRISETTE,
Treasurer.

The report of the Treasurer was adopted.

By motion, the Clerk of the Association was instructed to pledge all the churches for the various objects at the same rate they were pledged last year.

(Note.—The hour for final adjournment had arrived, and no church pledges had been taken, hence the reason for the above order. Referring to the list of pledges written in 1896, I find the same is not complete, therefore I cannot depend on that to guide me in the work. The pledges entered in these minutes have been estimated from the church letters received at this session. The length of the past and present Associational years has been considered in estimating the amount of pledges. Let our reports, at the Association in May, 1898, show that each church has gone far beyond the amounts specified in the list of pledges, arranged at the request of the Association.

LYCURGUS HOFLER, Clerk.)

The following is a standing resolution of this Association:

Resolved, That hereafter the churches be requested to send to the Clerk of the Association the list of their delegates and alternates at least ten days before the meeting of the Association, that a roll of the body may be ready for call immediately on assembling. (Adopted at the session of 1894, held with the church at Shady Grove.)

By motion, it was ordered that the Clerk have the Minutes printed and distribute them among the churches, in proportion to the Associational or Minute fund contributed by each church.

After prayer by Josiah Elliott, the Association adjourned to meet with the Church at Sound Side, Tyrrell county, on Tuesday after the third Sunday in May, 1898.

JOSEPH A. SPRUILL,
Moderator.

STANDING RESOLUTION OF REQUEST.

Resolved, That the pastors and deacons of the churches with which future sessions of this body may be held, be requested to prevent the sale of any article whatever on the church grounds during the session. That they also prevent the erection of tents or booths for taking pictures, and they secure similar prohibition as to the lands of citizens adjoining the church grounds.

(Adopted at the session of 1884, held with the church at Rockyhock.)

CONSTITUTION.

Article I. This Association shall be composed of white delegates, chosen by the churches of this body, and of all ordained ministers who are members of, or laboring in connection with said churches. Each church shall send a letter showing the number of members, those baptized, received by letter or restored, those dismissed by letter, excluded and dead since last session.

Article II. The territory embraced in this Association shall be limited to the following counties, to-wit: Currituck, Camden, Pasquotank, Perquimans, Chowan, Gates, Washington, Tyrrell, Dare, Hyde, and Beaufort.

Article III. The Association, when convened, shall be governed and ruled by parliamentary usage, as prescribed in Mell's Parliamentary Practice.

Article IV. The officers of the Association shall be a Moderator, Vice-Moderator, Clerk, Reading Clerk and Treasurer, who shall be elected annually.

Article V. Each church shall be entitled to a representation of three delegates to this body.

Article VI. Every motion made in due order and seconded, shall come under the consideration of the Association, unless withdrawn by the person who made it.

REPORT ON THE ORPHANAGE.

This Institution is dear to the hearts of North Carolina Baptists, and is doing a glorious work for the State, for humanity and for God. It is feeding, clothing, educating and striving to Christianize one hundred and seventy orphan children who otherwise would be left to grow up in ignorance—a menace to our State and Nation.

The administration is all that could be desired and has the confidence of the entire brotherhood.

The health of the children is good; while all are not in perfect health, there is no case of serious illness among them.

Frequent and enlarged contributions are a necessity for the maintenance of the Institution upon a safe and happy basis. The house in process of building—as a home for the General Manager—is about half completed. Funds pledged therefor and contributions are now needed that it may be speedily completed.

Your Committee would urge—(1) That pastors consider the wisdom of providing for monthly collections in their Sunday Schools to this object; (2) That the General Manager be requested to prepare a suitable program of exercises, and arrange for an annual Children's Day observance in behalf of the Orphanage.

T. G. WOOD,
For Committee.

J. B. Boone, General Manager, and W. S. Penick spoke in regard to the Orphanage and Orphanage work.

The report was adopted.

Announcement was made that W. F. Watson would preach at the stand in the grove.

The report on State Missions was read by the Reading Clerk, as follows:

REPORT ON STATE MISSIONS.

The work of State Missions lies very near to the hearts of Chowan Baptists. To no object do they contribute more generously or more cheerfully.

We fully understand that this work lies at the basis of our denominational prosperity. If we are to have well-developed churches, if here at home we are to be strong, we must have the gospel preached.

All over our State there are hundred of places which are destitute of churches and preachers. It is the work of State Missions to send preachers who, as missionaries, go forth with the glad tidings. God ordained and commanded in Acts i. 8 that the gospel should be preached "both in Jerusalem and in all Judea." This was State Missions. The uttermost parts of the earth will be reached just in proportion as the home land and the home churches are developed and built up. We rejoice that God is so greatly blessing the work of our State Mission Board in these latter years. The Baptists as no other people are going out into the highways and hedges. As a result of our faithfulness in preaching the gospel to the poor and destitute, the Lord gave us nearly three thousand souls on our mission fields last year, which were added to mission churches. We are looking for even a greater blessing this year.

Under the direction of the Board, we have one hundred and three regular missionaries. In addition to this, the volunteer corps, organized by our Corresponding Secretary, will be at work during the summer.

This movement means a mighty uplift to our Baptist cause in North Carolina; in it ninety of our best and strongest pastors have enlisted, without money and without price—promising to give ten days labor in destitute places each year for four years, wherever the Board of Missionaries may send them. We call upon our churches to spend a season of prayer for these brethren who leave their homes and their work to go forth in this unselfish and Christlike cause.

And let us remember that this work needs our enlarged contributions to sustain it. Our Brother White, who is of us and among us, needs and desires the sympathies and prayers of our people in the arduous work he is doing for the cause of our Master in our State.

JOSIAH ELLIOTT,
N. P. STALLINGS,
H. A. LITCHFIELD,
Committee.

Pending a motion to adopt the report, John E. White, Corresponding Secretary State Mission Board, addressed the Association on State Mssions.

A cash collection for State Missions was taken, aggregating $23.25.

On motion, the roll of churches was called and pledges taken for State Missions. (See list of pledges.)

The report was adopted.

R. R. Overby read the following

REPORT ON FOREIGN MISSIONS.

It is with gratitude to God that we are able to call the attention of the Association to the encouraging fact that our Foreign Mission Board has closed the year without any debt to hamper the work and discourage the churches. God has greatly blessed our missions in China, Brazil, Italy and Japan during the past year. At no time

since our Lord gave his last command to go into all the world and preach the gospel to every creature, have the people of God had more to encourage them in the great work. The doors are open, the barriers broken down, and the call for help from heathen millions is louder and clearer to-day than since Christ died on Calvary. There are hundreds of consecrated men and women who stand ready to go with the gospel wherever we can send them. What answer will the Lord's people make to the wonderful opportunity opened before us?

God has commanded us to send the gospel. Before the Bar every professed Christian stands and must give answer.

Why should we not obey Christ's last commandment? What excuse have we to offer? Christ gave Himself for us. What must He think of us—if we receive the blessings of His gospel, but refuse to pass the word of salvation on to others for whom He died?

We would especially urge upon the churches in the Chowan Association that all their prosperity comes from the missionary spirit. If we only would enlarge our sympathies and increase our gifts, we could expect an outpouring of God's blessing upon churches and pastors so great that we could not contain it.

We recommend a systematic effort on the part of our pastors to secure an increased interest in the work of Foreign Missions this year. We recommend that all our people remember the devoted missionaries on the distant fields in prayer to God. We recommend that all of us lay by in store on the first day of each week as the Lord may prosper us for this cause, which means life and hope and Christ to perishing millions.

R. R. OVERBY,
Chairman Committee.

The report was laid on the table. to be called up at 2 o'clock p. m. to-day.

The regular order was suspended, and Foreign Missions made the special order for the first business this p. m.

The Association adjourned till 1.30 p. m.

SECOND DAY—AFTERNOON SESSION.

The Association was called to order at 1.30 p. m.

The Report on Periodicals was submitted by W. F. Watson, as follows:

REPORT ON PERIODICALS.

There are many good religious newspapers published, the value of which can hardly be estimated by dollars and cents, but for North Carolina there is no substitute for the "Biblical Recorder." It is the acknowledged organ of the Baptist State Convention, therefore the authorized medium of communication for the whole brotherhood of the State. Through all the years it has given no uncertain sound. It has always stood behind and pushed forward every enterprise of the denomination in the State. Wake Forest College, the State Mission Board and the Baptist Orphanage never could have done for the State what they have done but for the "Recorder." Whatever other papers may be read, and however helpful (and they are helpful) on some lines, the men who read the "Recorder" are distinctly marked in all the churches. They are like Gid-

eon's band, "faint, yet pursuing." When work is needed in any direction, these men are already informed and take the lead. The paper was never better than to-day. Indeed, it has taken in a larger field, and at a reduced price, thus silencing (we hope) the excuse of many for not taking the paper. We most heartily commend the "Foreign Mission Journal," the "Home Field," and "Charity and Children."

Resolved, therefore, that we make an earnest effort to extend their circulation among our people.

The report was adopted.

The report on Foreign Missions was taken from the table.

W. S. Penick addressed the Association on Foreign Missions.

The roll of churches was called and pledges taken for Foreign Missions. (See pledges.)

The report was adopted.

The Report on the Chowan Baptist Female Institute was submitted by W. F. Watson, as follows:

REPORT ON CHOWAN BAPTIST FEMALE INSTITUTE.

The Chowan Baptist Female Institute, now entering upon the fiftieth year of her existence, is, in a peculiar sense, the property of the Baptists of this Chowan section.

The fathers, fifty years ago, conceived the idea of giving to the girls in the Baptist homes of all this Eastern section educational advantages equal to any and inferior to none, and in keeping with this idea founded the Chowan Baptist Institute and started her out upon her useful mission with their added blessing. The power and influence of the Institute has been felt in all our denominational work throughout this entire section since the inauguration of the Institution.

Chowan Baptist Institute appeals to us as an Association for sympathy and support as no other school can or does. She belongs to us. The Institute was possibly never better manned or prepared to render the denomination more valuable service than at the present time.

Under the skilful management of Presi lent Scarborough the Institute has taken on new life, and with the cordial sympathy and support of the Association, owning the property and controlling the school, will crown the closing years of the century with the best work of her long and illustrious history.

W. F. WATSON,
E. S. PIERCE,
A. T. BUSH,
Committee.

Pending a motion to adopt, the report was discussed by W. F. Watson, and J. C. Scarborough, President of the Chowan Baptist Female Institute.

A. F. Rountree, of Hobbsville, N. C., was elected a member of the State Board of Missions and Sunday Schools.

The report on Ministerial Education was submitted by M. Majette, as follows:

REPORT ON MINISTERIAL EDUCATION

The Baptists of North Carolina, who have ever been the friends and promoters of education, cannot afford to have any other than a consecrated and educated ministry. The Board of Ministerial Education is doing a great and noble work in the way of educating young ministers who, possessing all of the other necessary attributes, are wanting in education and the means whereby to obtain the same.

There are twenty-four young men now attending college, because of the aid extended to them by the Board, and who would otherwise be debarred from the ministry, or their usefulness be greatly diminished.

The Board, in its anxiety to do all the good possible, has already incurred a debt of about four hundred dollars, and finds it necessary to refuse aid to worthy applicants. We deplore this state of affairs, and recommend that our contributions be enlarged to the end that the debt may be paid and aid be extended to all worthy and needy applicants.

Your Committee points with pride to the many worthy ministers who have been aided by this Board in the past, and rests assured that the future will show the wisdom of the continuance of the labors of this Board.

M. MAJETTE,
For Committee.

THIRD DAY.—MORNING SESSION.

Thursday, May 19, 1898.

The Association assembled at 9.30 a. m. Devotional exercises were conducted by John Mitchell.

The Minutes of yesterday were read and approved.

REPORT ON MINISTERS' RELIEF BOARD.

Your Committee on Ministers' Relief Board ask to submit the following:

Since God has ordained that men should be saved by hearing and believing the Word, and as a goodly number of our aged and infirm ministers have spent the most of their lives in preaching the gospel, which is the power of God unto the salvation of the believer. and as we have about fifteen of these faithful servants of God who are now beneficiaries of this Board, we therefore ask that our active brethren in the ministry take at least one collection a year from each church for the support of this Board.

Respectfully submitted,

N. P. STALLINGS,
T. B. BOUSHALL,
C. B. GARRETT,
Committee.

The report was discussed by N. P. Stallings, and adopted.

A cash collection, amounting to $6.35, was taken for the Ministers' Relief Board.

The following resolution, offered and discussed by W. S. Penick, was adopted:

Whereas, A state of war exists between our country and the Kingdom of Spain; and

Whereas, We believe it is a war waged by the United States in the interest of humanity as against inhumanity, and the interest of freedom as against tyranny:

Resolved 1. We will humble our hearts before God, and constantly seek His blessing upon those who direct the affairs of our Nation, and upon our army and navy in this war.

Resolved 2. That we will humbly invoke the blessing of Almighty God upon our arms, and plead with Him that He will bring this war to a speedy close, and that it may result in the advancement of His Kingdom of truth and righteousness in the earth, and in the furtherance of the cause of freedom among men.

A special prayer for our armies on land and sea and for the freedom of Cuba was offered by R. R. Overby.

REPORT ON HOME MISSIONS.

This department of our mission work is engaged in giving the gospel to the destitute portions of the Southern Baptist Convention not provided for by the State Boards.

This embraces the native population in the South and Southwest, the foreign population who have made their home in this territory, the Indians, the negroes and the Island of Cuba. We announce with pleasure the prosperous condition of this Board. Our contributions for the year just closed were in excess of what we received last year. Let each of our churches do more the coming year than ever before for the progress of this work.

J. C. Caddell, Vice President of the Home Mission Board from North Carolina, and J. E. White addressed the Association on Home Mission work.

4. That this body provide for an annual Report on Temperance.

The following resolution of thanks was unanimously adopted by a rising vote:

Resolved, That the thanks of this Association are due and heartily tendered to the brethren and sisters of Sound Side, sister churches and community for the kind and hospitable manner in which they have entertained us; also to the Norfolk and Southern Railroad Company and Mr. Petit's line of steamboats for their liberal rates given to the delegates and friends who have attended this Association.

JOB G. SAWYER.

The Report on Sunday Schools was read by Reading Clerk, as follows:

REPORT ON SUNDAY SCHOOLS.

The importance of Sunday Schools is not yet appreciated by our people.

Statistics show that a large number of the members of our churches take no part whatever in the Sunday School work. In the last twenty years there have been organized six hundred churches in

connection with our State Mission work, two-thirds of which have grown out of Sunday Schools. We need no clearer proof of the importance of this work than this fact. But there are other things which show the importance of Sunday Schools. It is the place where the young are taught the Scriptures, which are able to make them wise unto salvation, and where they get that training which shall make them more efficient workers in the church. And the great aim of every Sunday School should be to lead souls to Christ and then train them for service.

The Baptist Book Store is the property of North Carolina Baptists, and should be patronized by them. All the profits go into our work. It is the place to buy our books and all our Sunday School literature.

The publications of our Sunday School Board at Nashville, we think, are the best for Southern Baptists, and we most heartily recommend them to our schools.

We urge all those who are now engaged in the work to greater diligence and to try to get others to take part with them.

W. B. WAFF,
M. H. HUGHES,
Committee.

The report was adopted.

On motion, the custom of appointing an Executive Committee was abandoned.

On motion of R. R. Overby, the Clerk was instructed to have the Minutes printed and distribute them in proportion to the Minute fund contributed by each church. The Clerk was allowed the usual fee ($25 per annum) for his services.

Article VIII. We think it necessary to have an Association fund for defraying the expenses of the same, for the raising and support of which we think it the duty of each church in the union to contribute voluntarily such sums as they think proper and send by the hands of their delegates to the Association; and these moneys thus contributed by the churches shall be deposited in the hands of the Treasurer, who shall be accountable to the Association for all moneys by him received and paid out according to the directions of the Association.

Article IX. The Minutes shall be regularly filed by the Clerk of the Association and kept for its use.

Article X. The Minutes of the Association shall be read, and corrected if need be, and signed by the Moderator and Clerk before the Association rises.

5. To appoint any member or members, by and with their consent, to transact any business they shall see necessary.
6 To withdraw from any church in the union that shall violate the rules of the Association, or deviate from the orthodox principles

R. R. Overby made the following

REPORT ON PERIODICALS.

If knowledge is power, then ignorance must be weakness.

It is clear from God's Word that we were created and especially redeemed to glorify God. Jesus taught us to pray, "Thy kingdom come, thy will be done on earth as it is done in heaven." Paul, "Whether ye eat or drink or whatsoever ye do, do all to the glory of God." It follows therefore, that the Christian's only business in the world is to glorify God, i. e., to make the most of life. This can only be done by keeping in close touch with the great movement that is going on in the Christian world, viz: to give the world the Gospel. What the people mostly need is information on these lines. A first-class religious newspaper is the best means known to your committee for acquiring this information. The Biblical Recorder is not behind the best published in this country, and for our own people it has no equal; it ought to be in every family. We shall never come up to the measure of our obligations until our paper—Biblical Recorder—gets into the homes of more of our people. We commend, therefore, the Biblical Recorder, Foreign Mission Journal and Charity and Children:

Resolved, therefore, That we make an earnest effort to induce more of our people to take and read these papers.

Respectfully submitted, R. R. OVERBY.

Pending a motion to adopt, N. L. Shaw addressed the Association, and the report was adopted.

The Moderator appointed the following committees to serve at this session:

On Sabbath School Statistics.—B. F. Bray, W. G. Godfrey, R. A. Perry.

On Statistics of Benevolence.—Charles Bateman, I. A. Hines, J. T. Davis.

On Church Statistics.—Dr. J. R. Parker, Samuel Jarvis, R. J. Piland.

The Committee on Devotional Exercises report prayer-meeting to-morrow at 9.30 a. m.. to be conducted by Bro. A. Johnson.

On motion of J. B. Ferebee, the Moderator appointed W. P. Jordan, T. G. Wood and A. W. Burfoot a Committee on Reception of New Churches. Said committee immediately considered the application of Geneva church and recommended that it be received into this Association.

Whereupon, on motion, Geneva Baptist church, located in Camden County and organized in 1898, was received into this Association and the right hand of church fellowship was given its delegate —Gideon Garrett. Prayer by W. P. Jordan.

The Association adjourned to 9 a. m. to-morrow.

SECOND DAY.—MORNING SESSION.

Wednesday, May 24, 1899.

The Association met at 9 a. m..

Devotional exercises were conducted by Archibald Johnson.

The Moderator called the Association to order.

The Minutes of yesterday were read and approved.

J. E. J. Warren, I. A. Hines, William E. Wood, L. W. Norman and J. H. Morrisette were appointed a Committee on Time, Place and Preachers for the next session of this Association.

The Reading Clerk read the following

REPORT ON THE ORPHANAGE.

The Orphanage is located on the Southern Railway, one-half mile west from the town of Thomasville, N. C. The landed property comprises 318 acres of fairly good land. There are about eighteen buildings on the grounds. Five of these are occupied by the five families or groups of children. The property of the Orphanage is estimated to be worth $25,000. During its history of 14 years, more than five hundred children have been cared for, and many of them are now occupying honorable and useful places in society; some, of course, have turned out worthless and ungrateful. There are now 175 children at the Orphanage and the average is as high among these as it has ever been. There are many bright and beautiful children there at present.

The only support the institution has is the voluntary offerings of the Baptist people of North Carolina. For all these years this source of supply has never failed and it will not fail now. The Lord has used the Orphanage greatly to enrich the lives of our people, and they have felt the blessing that comes to the willing giver of shelter and bread to the homeless and hungry. The work is becoming better organized. The monthly contributions from the Sunday Schools have been of vast benefit to the work, and we hope a much larger number will adopt this plan this year. We recommend that every Sunday School within the bounds of this Association, whether rich

or poor, will devote the collection of one Sunday in each month to the Orphanage.

Charity and Children is becoming a source of good revenue, and will declare a much better dividend this year than ever in its history. Every dollar the paper makes, above the expense of getting it out, goes directly into the treasury.

Respectfully submitted, J. B. FEREBEE.

Archibald Johnson addressed the Association on the Orphanage work. A cash collection was taken for the Orphanage amounting to $16.36 for the general fund and more than fifty dollars for Charity and Children.

The report was adopted.

It was announced that L. R. Christie would immediately preach at the stand in the grove.

"Jesus, lover of my soul" was sung.

On motion, the regular order of business was suspended, and the report on the Chowan Baptist Female Institute was submitted, as follows:

REPORT ON CHOWAN BAPTIST FEMALE INSTITUTE.

This institution, situated within the bounds of the territory originally covered by this Association, is closing its fifty-first year. During this period it has been a large factor in making this section of our State a Baptist country; the same is true of eastern Virginia, while the central part of our State has felt its force. The Institute to-day is doing good work from a literary standpoint, and is still doing foundation work for the cause of truth as Baptists hold it. It becomes us to ask whether this school has the same claim upon us that we recognized with pride in former years, and to ask ourselves seriously whether we can afford to be indifferent to it, or to turn from it in favor of other schools whose influence will be used directly against the denomination we love. Your committee is pleased to be able to state that the patronage of the Institute is much better than it was last year; but insists that our people owe to the Institute sympathy, prayers and patronage, which they have not given for several years. The Institute claims that its charges are as reasonable as the charges of any school which offers equal advantages. JOSIAH ELLIOTT, For Committee.

The report was discussed by C. W. Scarborough and N. L. Shaw, and adopted.

On motion, the following-named persons were duly appointed by this Association as Trustees of the Chowan Baptist Female Institute, viz.: D. N. Stephenson, Pendleton, N. C.; J. W. Fleetwood, Severn, N. C.; C. R. Harrell, Potecasi, N. C.; A. T. Liverman, Roxobel, N. C.; Thomas Gilliam, Windsor, N. C.; D. W. Britton, Rosemead, N. C.; T. T. Speight, Lewiston, N. C.; L. M. Curtis, Aulander, N. C.; Dr. W. G. Freeman, Murfreesboro, N. C.; Dr. Frank Griffin, Woodland, N. C.; Gray Phelps, Merry Hill, N. C.; W. B. Waff, Reynoldson, N. C.; Lycurgus Hofler, Gatesville, N. C.; Joseph A. Spruill, Columbia, N. C.; H. A. Litchfield, Creswell, N. C.; W. P. Jordan, Hertford, N. C.; Josiah Elliott, Hertford, N. C.; B. C. Jackson, Mumford, N. C.; J. H. Morrisette, Shiloh, N. C.; Dr. W. S. Penick, Elizabeth City, N. C.

REPORT ON MINISTERS' RELIEF BOARD.

This Board was created in 1890. The object of said Board is to aid the disabled ministers of the Baptist denomination of North

Carolina. Many of these old soldiers of the Cross have given their lives and means to put the Baptists of North Carolina where they now stand. Old age finds them without means to live upon in their declining years. Shall we allow our fathers, who have striven so hard in season and out of season to leave us such a rich legacy, to die in want, and their widows to suffer for want of pecuniary assistance, while we live upon the fruits of their struggles? God forbid! Let us remember that we owe them our assistance and should never see them suffer for the things of this life. There are now being aided by this Board 14 infirm ministers and their families, making a total of 40. There was between nine hundred and one thousand dollars contributed to this object last year. Only $78 has been received since the last Convention for this Board.

Brethren, let us see that our aged brethren are better cared for. It is a debt we owe them. Your committee recommends that this Board be given more attention by our pastors and churches.

Respectfully submitted, J. T. RIDDICK,
For Committee.

J. T. Riddick, Josiah Elliott, N. L. Shaw and T. G. Wood addressed the Association, and the report was adopted.

On motion of J. H. Parker, the pastors of this Association are requested to urge their churches to contribute to the support of the aged ministers.

The Association adjourned to 2 p. m.

SECOND DAY—AFTERNOON SESSION.

The Moderator called the Association to order at 2 p. m.

The congregation sang "All hail the power of Jesus' name."

North Mattamuskeet church in Hyde County, made application for membership in this Association. The application was referred to the Committee on Reception of New Churches. Said committee made a favorable report, and North Mattamuskeet Baptist church was received into this Association.

T. G. Wood made the following

REPORT ON STATE MISSIONS.

As North Carolina Baptists we confront new conditions in our State Mission work. For the first time since 1845 the Baptist State Convention will occupy the entire territory of North Carolina. The Western Convention, with its nine Associations and twenty-two thousand members, has united with us. This brings added responsibility. Last year God signally blessed the work of this Board Our missionaries baptized 1,466 converts—132 more than in any previous year. They were also enabled to preach 6,721 sermons, an increase of 1,257 over the year before. But, instead of diminishing, the number of places to be occupied on our developing fields steadily increases.

We are not half supplying the need at factory towns for missionary work. There are over two hundred cotton mills in North Carolina, and a factory population of about twenty-five thousand people. Yet we have only fourteen missionaries who are working any portion of their time among them. Then, too, the shore section of our State is very important, and sadly destitute, and much more

should be done for its development than the Board has yet deemed necessary.

To meet this increased expenditure and greatly enlarged work, our Convention last fall passed the following resolution:

"That the recommendations of the Secretary as to enlargement of the work be adopted, and that the State Mission Board be instructed to operate on a basis of $20,000 the ensuing year."

In view, therefore, of the increased territory to be occupied, and the consequent enlargement of expenditure in this work, our churches need to make greatly increased appropriations to State Missions.

Your committee would recommend that the "Executive Committee" of this Association be abolished, and that appropriations asked of the Board be first approved by the Union Meeting within whose territory the mission is located.

THOMAS G. WOOD,
For Committee.

O. L. Stringfield, R. R. Overby and B. Craig spoke on State Missions.

The report was adopted.

The roll of churches was called and pledges taken for State Missions. (See Pledges).

It was announced that P. S. C. Davis would preach immediately at the stand in the grove.

Upon the solicitation of B. Craig, cash and pledges aggregating $106 were taken to rebuild Bethel church, Tar River Association.

On motion, the Committee on Temperance is requested to submit a report on Thursday a. m. of this session.

W. S. Penick submitted the following

REPORT ON FOREIGN MISSIONS.

At the last meeting of the Southern Baptist Convention, just held in Louisville, Ky., the Foreign Mission Board was instructed to enlarge its work at least 25 per cent during this year:

Resolved 1. That the churches of our Association be requested to advance on its last year's pledges at least 25 per cent for Foreign Missions.

Resolved 2. That the pastors and delegates be instructed to read these resolutions to their various churches.

W. S. PENICK,
For Committee.

The report and resolutions, after discussion by W. S. Penick, were adopted.

R. R. Overby led in prayer for the guidance of the Holy Spirit in the work of our Master.

The Committee on Time, Place and Preachers reported.

The report was amended and adopted as follows: Time, Tuesday after the third Sunday in May, 1900; place, Elizabeth City, N. C.; C. J. F. Anderson to preach the Introductory Sermon; G. N. Cowan, Alternate.

The Committee on Devotional Exercises made the following announcements for services to-night: J. T. Riddick to preach at Belvidere; B. Craig to preach at Chappell's Hill; O. L. Stringfield and N. L. Shaw to lecture at Warwick.

On motion, the Association adjourned to 9.30 a. m. to-morrow.

Benediction by B. Craig.

THIRD DAY—MORNING SESSION.

Thursday, May 25, 1899.

The Association met at 9.45 a. m.

W. G. Welborn, of Suffolk, Va., read the 30th Psalm and led in prayer.

The Moderator called the Association to order.

The Minutes of yesterday were read and approved.

Prof. W. G. Welborn accepted the invitation extended to visitors.

REPORT ON TEMPERANCE.

Of all the evils that are in the world, we do not believe there is one that is more destructive to human life than the immoderate use of strong drink; and may I not say that the moderate use of strong drink is the bridge that every victim to its evil has to cross. And yet I am glad to say that I believe the use of strong drink is growing less and less every year among the Baptists; but not only the Baptists, some other Christian denominations are making the same progress. I thank God the day has come when no Baptist preacher can afford to use it; and further still no layman who expects to march in the front rank of the great Baptist host and represent the Lord Jesus Christ can afford to make or sell or use strong drink publicly. God grant that the day will soon come when public bars and stills and public drinking will be known no more in our midst; and the only solution of the great problem is to educate the rising generation out of its use.

Respectfully submitted,

T. T. SPEIGHT,
For Committee.

Pending a motion to adopt, T. T. Speight addressed the Association and the report was adopted.

W. B. Waff made the

REPORT ON MINISTERIAL EDUCATION.

The constitution of our Baptist State Convention says that one of "the primary objects of the Convention shall be to educate young men called of God to the ministry, and approved by the churches to which they belong. The Education Board shall, so far as it is able, assist promising and indigent young ministers seeking to prepare themselves for the more efficient preaching of the Gospel." During the past year 28 young ministers have been aided by the Board at Wake Forest. The session closes with a debt of about two hundred dollars, which the Secretary hopes to be able to pay in the near future.

Paul wrote to Timothy, a young preacher, "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." It is just as important to-day that the Word of Truth should be rightly divided as it ever was. In order that this may be done, our young men who are called of God to preach the Gospel need proper intellectual training. Very few of the men who have money to lend are willing to lend it to poor young men without security. This, many of them are unable to give. We therefore need some agency through which they can get the money necessary to procure an education. We know of no better agency than our Education Board. Some of our ablest and best men have been aided in this way. But the Board can do no more

than the churches enable it to do. We therefore recommend that our churches contribute more liberally to the support of this Board, that more young men may be aided and a larger work done for the Master by fitting his servants for their great work.

Respectfully submitted, W. B. WAFF.

O. L. Stringfield addressed the Association on the subject of Education.

The report was adopted.

C. J. F. Anderson submitted the following resolution, which was adopted:

Whereas, Bro. J. Paul Spence is arranging to open a school in Elizabeth City next September, to be known as Albemarle Academy; and

Whereas, This school is intended to be preparatory and auxiliary to the schools of our State under Baptist control; and

Whereas, We believe that the Chowan Association needs such a school; therefore be it

Resolved, That the Association endorse this school and give brother Spence both sympathy and patronage.

LYCURGUS HOFLER,
W. P. JORDAN,
C. J. F. ANDERSON,
Committee.

The roll of churches was called and pledges taken for Education Board. (See list of pledges.)

On motion of Josiah Elliott, it was ordered that thirty minutes be given this p. m. for general discussion of the school to be opened in Elizabeth City, and to be known as the Albemarle Academy.

It was announced that T. T. Speight would at once preach at the stand in the grove. "I am Thine, O Lord," was sung.

On motion of W. P. Jordan, it was ordered that the pledges for ministerial education be stricken from the Minutes and the pastors instructed to take a collection in all of their churches for ministerial education at least once each year.

REPORT ON HOME MISSIONS.

It is with profound gratitude to our Lord and Master that we have been enabled during the past conventional year to do so much work on our Home Mission field; and yet there is so much more that needs to be done on this inviting field that we can say of a truth, "The field is white already to harvest," and more laborers are needed to enter in and work for the Master.

During the past conventional year just closed the Home Board had 653 missionaries employed preaching the Gospel of the blessed Christ to the destitute of this Southland of ours, in the Indian Territory and on the island of Cuba. This is an increase in the number of missionaries over the previous year of 186, and yet we can say, what are they on so large a field, with such inviting prospects? During the past year our missionaries on the home field baptized 6,552 converts, with a total addition by letter and baptism to our mission churches of 12,983 happy souls. Surely we can say, "The Lord hath done great things for us; whereof we are glad."

The Home Board during the past year collected and spent in cash $65,818.81, and besides this amount, which was given by the

churches, the Woman's Missionary Societies contributed in cash and boxes sent to the Frontier missionaries the amount of $22,567.06, and some from other sources, making the net sum of $106,326.08 spent in actual missionary work on this great harvest field that God has given us to reap for His Son.

During the past year over fifty thousand dollars was spent in building houses of worship, with the erection of 92 new houses of worship, and 194 churches constituted. Surely such results as these from our feeble efforts should cause us to thank God and take courage.

Your committee would like to call the attention of the churches of this Association to the fact that our own State has not done as much for our Home Mission Board, by far, as we ought to have done. Our State only gave last year from all sources the sum of $5,873.09. May the Lord incline our hearts to do better this year. Our own Association only gave last year the sum of $301.33.

Since the war with Spain is over, the whole island of Cuba is open to receive the Gospel of our blessed Redeemer, and our Board is supplying this field with missionaries just as fast as possible, and God is signally blessing their labors.

We hopefully look forward to the day when the entire Southland, with the island of Cuba, shall be fully taken for our blessed Lord and Master. Let every one do his duty.

W. P. JORDAN,
For Committee.

THIRD DAY—AFTERNOON SESSION.

At 2 p. m. the Association reassembled. The congregation sang, "How firm a foundation."

The Order of Business was amended so as to include a report on Temperance.

N. P. Stallings submitted the following:

REPORT ON SABBATH SCHOOLS.

In the State of North Carolina we have a population of about one million eight hundred thousand. About four hundred thousand of this number are in Sunday Schools. There are about four hundred and fifty thousand Christians in our State whose names at one time were on the roll as Sunday School scholars, but not now. Adding the 400,000 who have been and the 400 000 who are, we still have in this great State of ours about a million of people who are not and have not been engaged in the Sabbath School work at all. North Carolina stands ahead of any State in the United States in the number of Baptist Sunday Schools. We should feel very grateful to God for the work already done along this line, but there is room for improvement both in numbers and efficiency. We believe that at least two-thirds, if not three-fourths, of the church organizations have grown, either directly or indirectly, out of the Sunday

School work. In view of these facts, we to whom is given the great commission, "Go ye therefore and teach all nations," should seek to plant a Sunday School in every destitute section of North Carolina.

N. P STALLINGS,
JOHN A. SHAW.

The report was discussed by N. P. Stallings, J. A. Shaw, O. L. Stringfield and N. L. Shaw, and adopted.

The following resolution of thanks was unanimously adopted:

Resolved, That the hearty thanks of the Chowan Baptist Association are due and hereby tendered to the members of Whiteville Grove church, to sister churches and to the members of the Friends and Methodist churches, for their kind and unbounded hospitality in entertaining us. Also to the owners of certain steamboats and to the Norfolk and Southern Railroad Company for the accommodations and reduced rates given to the delegates and visitors who have attended this session. E. I. SAWYER.

On motion of W. P. Jordan, the Clerk was instructed to have the Minutes printed and distribute them in proportion to the Minute Fund contributed by each church. The Clerk was allowed the usual fee ($25 per annum) for his services.

C. J. F. Anderson was duly elected as the delegate from this Association to the next session of the Southern Baptist Convention, to be held in the city of Hot Springs, Arkansas (unless otherwise arranged for) on Friday, May 11, 1900.

T. B. Boushall, Lycurgus Hofler and J. A. Shaw were duly elected delegates to the next session of the Baptist State Convention, to be held in Asheville, N. C., on Wednesday, December 6, 1899.

W. P. Jordan, Hertford, N. C., was elected a member of the State Board of Missions and Sunday Schools.

The following is a standing resolution of this Association:

Resolved, That hereafter the churches be requested to send to the Clerk of the Association the list of their delegates and alternates at east ten days before the meeting of the Association, that a roll of the body may be ready for call immediately on assembling.

(Adopted at the session of 1894, held with the church at Shady Grove.)

After the business of the session was finished, the Moderator stated that he had attended many sessions of this Association, and this was one of the best in his recollection. He, on behalf of the Association, thanked the people for their kindness and the visiting brethren for their presence and aid.

Archibald Johnson led in prayer. "God be with you till we meet again" was sung, and the Moderator declared the Association adjourned, to meet next year in Elizabeth City, N. C., on Tuesday after the third Sunday in May, 1900.

T. B. BOUSHALL, Moderator.
LYCURGUS HOFLER, Clerk.

Resolved, That the pastors and deacons of the churches with which future sessions of this body may be held, be requested to prevent the sale of any article whatever on the church grounds during the session. That they also prevent the erection of tents or booths for taking pictures, and they secure similar prohibition as to the lands of citizens adjoining the church grounds.

(Adopted at the session of 1884, held with the church at Rockyhock.)

CONSTITUTION.

Article I. This Association shall be composed of white delegates, chosen by the churches of this body, and of all ordained ministers who are members of, or laboring in connection with said churches. Each church shall send a letter showing the number of members, those baptized, received by letter or restored, those dismissed by letter, excluded and dead since last session.

Article II. The territory embraced in this Association shall be limited to the following counties, to-wit: Currituck, Camden, Pasquotank, Perquimans, Chowan, Gates, Washington, Tyrrell, Dare, Hyde and Beaufort.

Article III. The Association when convened, shall be governed and ruled by parliamentary usage, as prescribed in Mell's Parliamentary Practice.

Article IV. The officers of the Association shall be a Moderator, Vice Moderator, Clerk, Reading Clerk and Treasurer, who shall be elected annually.

Article V. Each church shall be entitled to a representation of three delegates to this body.

Article VI. Every motion made in due order and seconded, shall come under the consideration of the Association, unless withdrawn by the person who made it.

Article VII. The Association shall furnish the churches with a number of printed minutes of the Association, from time to time, proportionable to the moneys contributed from each church to the support of the Association fund.

Article VIII. We think it necessary to have an Association fund for defraying the expenses of the same, for the raising and support of which we think it the duty of each church in the Union to contribute voluntarily such sums as they think proper and send by the hands of their delegates to the Association; and these moneys thus contributed by the churches shall be deposited in the hands of the Treasurer, who shall be accountable to the Association for all moneys by him received and paid out according to the directions of the Association.

Article IX. The Minutes shall be regularly filed by the Clerk of the Association and kept for its use.

Article X. The Minutes of the Association shall be read, and corrected if need be, and signed by the Moderator and Clerk before the Association rises.

Article XI. Orthodox and orderly churches shall be admitted to membership in this body on petition by letter and delegates.

Article XII. Amendments to this plan or form of government may be made by a majority of the union.

2. To give the churches all necessary advice in matters of difficulty.
3. To preserve inviolable a chain of communion among the churches.
4. To inquire into the cause why the churches fail to present themselves, at any time in the Association.
5. To appoint any member or members, by and with their consent, to transact any business they shall see necessary.
6. To withdraw from any church in the union that shall violate the rules of the Association, or deviate from the orthodox principles of religion, after due measures are taken to reclaim such a church or churches, and they remain incorrigible.
7. To allow no delegate to leave the Association until final adjournment, without the permission of the body.
8. To admit any of the visiting brethren from other Associations, as assistants, who may be present.

REPORT ON STATE MISSIONS.

Since the last session of the Association, our State Mission work has taken on new life and gone forward in a manner that should call forth devout praise and thanksgiving to God. The Union of the two Conventions brought new opportunities and larger responsibilities.

The great mountain section of our State with its undeveloped resources and undeveloped population, appeals to us strongly for immediate help. We are glad to learn that our State Board has secured the co-operation of our Home Mission Board for the developing of that section and is getting in shape to prosecute the work there vigorously and hopefully. The factory problem in North Carolina is fast becoming a serious one. There are now 250 factories in the State with a factory population of more than 100,000. Among these we have only fourteen missionaries laboring. Many of these people are already Baptists. Many of them are not Christians at all. Having moved from their country homes and churches to towns where, as a rule, Baptists are weak, they have come under Pedobaptist influences, and unless we send them missionaries to teach and guide them in the right way they will soon be lost to us.

It is gratifying to know that the Board is conscious of the situation and will do all in its power to relieve it. There is also great destitution in the eastern section of the State, a part of which lies in our own bounds and ought to be looked after at once by this association.

During the past year the Board employed 100 missionaries, who preached 7,028 sermons, baptized 16,030 persons, assisted in organizing 33 churches and 84 Sunday Schools and finished building 31 houses of worship. The sum of $20,000.00 was expended for this work. While this is a very gratifying advance, still it comes far from meeting the ever increasing needs of the work. Most of the Associations in the State have increased their pledges to State Missions for this year 33⅓ per cent. Brethren, shall we not go forward too? Surely we cannot afford to lag behind. We therefore recommend that this Association try to raise $1000.00 for State Missions during the coming year.

Respectfully submitted,

W. B. WAFF,
Committee.

The report was made the special order for 8 o'clock to-night.

THE REPORT ON C. B. F. INSTITUTE

was submitted through Edward Pearce as follows:

Your Committee desire simply to remind the Association:

1. That this school is the property of the denomination, and is under the immediate control and direction of trustees appointed by this body.
2. That, until this year, it was the only school for girls in the State owned by Baptists.
3. That it has enjoyed an unbroken and prosperous career for over a half century
4. That to more than any other agency, the well nigh universal prevalence of Baptist principles throughout this Eastern section, is due, under God, to the work and location of this school in our midst.
5. That while we rejoice in the success of the University at Raleigh, we realize that it can never be to our people and section what the Insti-

tute has been, and that we must look to our own school to continue the work so wisely and unselfishly inaugurated by our fathers.

6. That for salubrity and all real, true school work, the location is an *ideal* one, and unrivalled in the State.

There has been no case of sickness during the session. The patronage is increasing and the outlook is hopeful.

The income of the school is used for repairs and insurance. The trustees are pleading for the modest sum of $1000.00 for improvements, and trust you will give them at least one half of that amount.

T. G. WOOD,
For Committee.

Pending a motion to adopt, the report was discussed by John C. Scarborough, E. S. Pearce and John E. White. The Association endeavored to raise $500 for repairing the apparatus and for making other much needed improvement at the Institute.

Pledges were taken from individuals, as follows:

J. C. Caddell	$ 5 00	E. F. Aydlett	$50 00
W. T. Love	10 00	W. B. Waff	10 00
Dr. John Mitchell	10 00	J. E. White	10 00

W. M. Matthews	Pd. 1 00	Total	$126.00

The roll of churches was called and pledges made for the Institute. (See list of Pledges.) The motion was adopted.

At 4:30 o'clock the Association adjourned to meet at 8 o'clock to-night.

FIRST DAY—EVENING SESSION.

The Association assembled at 8 p. m., E. F. Aydlett, Moderator, in the chair. Prayer by C. J. F. Anderson. "All Hail the Power of Jesus Name" was sung. The hour for the special order having arrived, the Report on State Missions was ably and eloquently discussed by John E. White, Corresponding Secretary Baptist State Convention. $26.22 in cash and $799 in pledges were taken for State Missions, and the report was adopted.

Rev. R. C. Beaman, pastor of the M. E. Church, Elizabeth City, was recognized as a visitor and invited to a seat.

W. P. Jordan submitted the

REPORT ON MINISTERIAL EDUCATION,

as follows:

Thirty-six young Ministers have been aided by the Board of Education during the present session. Three of these are from the Chowan Association. The work done by these young ministers has been fairly good, and we are hoping to close the session out of debt.

The aid given these young ministers is $9.00 per month, and this not a gift, but rather a loan to be returned after five years without interest. If not paid within the five years the notes will bear 4 per cent. interest.

The work is growing upon us and the Board have decided to increase the number of beneficiaries to forty, with the hope that the contributions from the churches will justify it. There are several applications for aid before the Board now, one from this Association who will be received next session. Would that we were able to help all the worthy young ministers who apply.

For the Master's sake, brethren, let us do it. This Association has more young Ministers on the Board than any other in the State. Let all the churches rally to their support.

W. P. JORDAN,
For Committee.

John Mitchell, Josiah Elliott, J. C. Caddell, F. P. Hobgood and C. J. F. Anderson addressed the Association on Ministerial Education.

The roll of churches was called and pledges made (See List.) The report was adopted. "Nearer, my God to Thee" was sung.

THE REPORT ON THE ORPHANAGE.

The Orphanage at Thomasville needs no commendation from your committee. The work found in every community of the State commends it to every good citizen. Orphan children are the most helpless creatures, as a class, on earth. He who finds his heart running out in tender sympathy for, and his hand open to supply their needs, has one of the very best evidences that he has the Spirit of Jesus Christ who left heaven and came to our world to help and save the helpless. We shall have to wait for the light of eternity to reveal the good done by this institution.

Many who would have grown up in ignorance and crime have been cared for, trained and sent out to make good and useful men and women.

To-day there are 180 or 190 helpless children there, being cared for and trained, and many others crying, "take us in."

The Orphanage has been a great blessing to all our churches in stimulating the spirit of liberality. Our contributions for missions have been growing every year since we have had the poor children on our hands. This only proves that the more we give, the more we have to give. "There is that scattereth and yet increaseth." Your commiteee are glad to say that the day will never come where there will not be an urgent need for more giving, because Jesus said, "It is more blessed to give than to receive."

We need to-day more room for others, a better supply of water and the equipment of the Mills Memorial Building. We therefore recommend to all our churches and Sunday Schools an increase in their contributions to meet these demands.

Respectfully submitted,
R. R. OVERBY, Ch'm.

On motion to adopt, the Association was addressed by Archibald Johnson. A cash collection of $19.83 was taken for the Orphanage, and the report was adopted.

On motion, Foreign Missions was made the special order for to-night at 8 o'clock, and Home Missions was made the special order for 3.30 this evening.

The Association adjourned to 2:30 p. m.

SECOND DAY—AFTERNOON SESSION.

At 2:30 p. m., the Association met according to adjournment and was called to order by the Moderator. Prayer by Dr. John Mitchell.

COMMITTEE ON TIME, PLACE AND PREACHERS

made the following report:

Time, Tuesday after the Third Sunday in May, 1901; Place, Reynoldson, Gates County, N. C.; G N. Cowan to preach the introductory sermon; alternate, T. G Wood.

Respectfully submitted,

EDWARD PEARCE,
J B. COMBS,
D. B. SQUIRES,
Committee.

The report was discussed and adopted, as submitted by the Committee.

D. P. Harris and Joseph Aden, by permission, addressed the Association on the work in Pamlico and vicinity. For the Church at Oriental Mrs. —— Bell paid $5, W. G. Forbes paid $2, and E. S. Pearce pledged $5. The roll of churches was called and pledges made for Oriental church. (See list of pledges.) (Send money for Oriental church to W. J. Smith, Oriental, N. C.)

At 3:30 the special order, report on Home Missions was called, and upon omission of the committee to write a report for 1900, it was suggested that the report of 1899 be considered.

J. C Caddell and O. L. Stringfield spoke on Home Missions. See list of pledges for subscriptions made for Home Missions. [The report of 1899 will not do for 1900, hence it has been left out of these minutes.—Clerk.]

REPORT ON TEMPERANCE.

Intemperance is the great evil of the world. Nothing is more destructive to the family of man. Of all the evils this seems to be the greatest. The inspired writer saw the danger when he said, "Look not upon the wine when it is red, when it giveth its colour in the cup, when it moveth itself aright. At the last it biteth like a serpent and stingeth like an adder." We are glad to say we believe the use of strong drink is growing less all the while. There was a time when it was not thought to be so hurtful, but now the leaders of our Zion have set their faces against it as a deadly foe. They seem to have heard anew the Master say, "No drunkard shall enter the Kingdom of Heaven." We believe that God wants the good women of any land to rise up as a unit and put this monster evil down. They can bring to bear public sentiment and when that is done King alcohol will be swept away. And we are glad to say the good women of our town are laboring to that end. May God in His wisdom and love come to their help and make them instrumental in saving millions of our race from drunkards' grave and drunkards' hell.

Respectfully submitted,
J. B. FEREBEE,
JOSIAH ELLIOTT,
Committee.

The report was adopted.

Adjourned to 8 p. m. to-night. Benediction by O. L. Stringfield.

The hour for the special order having arrived, the

REPORT ON FOREIGN MISSIONS

was submitted as follows :

The command of our Lord to deciple all nations, is as imperative to-day as when delivered to the Apostles.

The denomination, church or individual christian, that neglects this demand, fails to grasp the true idea of Christ coming into the world. He came to seek and save the lost, and "God so loved the world that He gave His only begotten Son that whosoever believeth in Him should not perish but have everlasting life." We rejoice that the interest in Foreign Missions is rapidly increasing in our Southern Baptist Zion, under the leadership of our able and consecrated secretary, Dr. R. J Willingham.

At the recent session of the Convention the Board reported all indebtedness paid and a surplus on hand. For this "we thank God and take cour age." We recommend that our pastor's keep their people supplied with missionary literature and urge them to read the Foreign Mission Journal.

C. J. F. ANDERSON,
JAMES G. GREGORY,
Committee.

J. F. Love, C. J. F. Anderson, O. L. Stringfield and W. S. Penick spoke on Foreign Missions. The roll was called and the churches pledged for Foreign Missions. (See pledges.)

The motion was adopted.

The following resolution was adopted by a rising vote:

WHEREAS, Bro. C. J. F. Anderson, the talented young pastor of Hertford, Bethel and Yeopim churches, has decided to dedicate his life to the work of Foreign Missions, therefore be it

Resolved, That this Association assure him of its love for him and its abiding interest in the great work which he is about to enter.

J. PAUL SPENCE.

The Association then adjourned to 9:30 a. m. to-morrow.

Benediction by R. R. Overby.

THIRD DAY—MORNING SESSION.

ELIZABETH CITY, N. C., MAY 24, 1900.

The Association re-assembled at 10 a. m. and engaged in devotional exercises conducted by O. L. Stringfield

The minutes were read and approved.

The following named committees, On Church Statistics, Statistics of Benevolence, and Sabbath School Statistics, submitted their reports and the reports were adopted. (See Appendix.)

The Committee on Finance made their report which was adopted. (See Appendix.)

THE REPORT ON PERIODICALS

was called and the following was submitted:

We feel more and more as our work grows and our denominational interest multiply the necessity of our people being informed concerning our churches and the history which year by year they are making. What our children shall be both in church and State will depend largely on the training they receive in their homes. Realizing this your Committee would urge that every Baptist home shall be supplied with all the good literature possible. We especially commend to every Baptist family the Biblical Recorder, the official organ of North Carolina Baptists, and which for three score years and ten has been a faithful exponent of Baptist principles and Baptist progress, not only in our own State, but in the entire world.

We earnestly recommend Charity and Children, the organ of our Orphanage work—a nice, clean, well-edited paper, filling its sphere of work in a most acceptable manner. We also recommend the Home Field and the Foreign Mission Journal as invaluable agencies in the prosecution of the Home and Foreign Mission work.

Respectfully submitted,
JOSIAH ELLIOTT,
E. I. SAWYER,
Committee.

The report was discussed by J. C. Caddell and J. F. Love and adopted.

The following resolution, offered by W. S. Penick, was unanimously adopted:

Resolved, That this Association re-affirm its entire confidence in our brother. J. W. Bailey, the editor of the Biblical Recorder, both in his ability and in his loyalty to the great principles of our denomination; and we desire further to assure him of our constant sympathy in his work.

On motion, O. L. Stringfield is allowed time, beginning at 12 m. to-day, to discuss female education.

The Treasurer's report was received and adopted.

J. Paul Spence submitted the Report on Minister's Relief as follows:

REPORT ON MINISTERIAL RELIEF.

It is very gratifying to your committee to be able to report a prosperous year and a most promising outlook for the work of the Ministerial Relief Board. The receipts have more than met its obligations, and the Permanent Interest-bearing Fund has been materially increased. One third of all amounts collected go to this fund, which now has more than $2000 to its credit Sixteen worthy servants of the Lord, aged ministers and their wives, are being helped by the Board, and applications for help have been received from others. These old brethren are not likely to be dependent upon us very long, as appears from the fact that only two now remain of those who were received at the organization of the Board, the others having passed to their reward

The evident approbation which God has given the work of this Board; the growing sympathy on the part of the brethren generally for its exalted and Christ-like purpose, and the increased contributions, due largely to gifts that have come from new sources, all point to the speedy coming of the day, when we shall have an ample and permanent source of support for every aged and dependent minister who deserves our help. And your committee would urge upon the pastors of this Association the importance of informing the churches about the Board and its work, taking at least one collection during the year for its benefit, and communicating to the Secretary or President of the Board the names of all worthy who persons properly fall within the province of its work.

J. PAUL SPENCE,
A. F. ROUNTREE,
A. T. BUSH,
Committee.

J. P. Spence, D. P. Harris and J. C. Caddell spoke to the report and the report was adopted.

J. J. Hall, pastor of Parke Avenue Baptist Church, Norfolk, was recognized and invited to a seat as a visiting brother.

L. M. Curtis, by permission, was allowed time to make a statement in regard to C. B. F. Institute.

O. L. Stringfield addressed the Association on Female education.

The following resolution of thanks was unanimously adopted:

E. church for the tendered use of their house of worship in case it should be needed. Also to the Norfolk and Southern Railroad Company for reduced rates given to the delegates and visitors attending this session of the Association

E. F. Aydlett was duly elected as the delegate from this Association to the next session of the Southern Baptist Convention, to be held in the city of New Orleans, Louisiana, on Friday, May 10, 1901.

The following named persons were elected delegates to the next session of the Baptist State Convention, to be held in Raleigh, N. C., December 5th, 1900, viz: Lycurgus Hofler, Josiah Elliott and A. F Rountree.

W. P Jordan, Hertford, N. C., was elected a member of the State Board of Missions and Sunday Schools.

The following is a standing resolution of this Association:

Resolved, That hereafter the churches be requested to send to the Clerk of the Association the list of their delegates and alternates at least ten days before the meeting of the Association, that a roll of the body may be ready for call immediately on assembling.

(Adopted at the session of 1894, held with the Church at Shady Grove.)

On motion of W. B. Waff, it was

Resolved, That the Clerk of the Association receive the usual amount ($25) for his services, and that he be instructed to print and distribute the minutes in proportion to the Minute Fund contributed by each church.

The business of this session having now been finished, the Moderator called upon C. J. F. Anderson to conclude the exercises with prayer, after which the Association adjourned to meet with Reynoldson Church, Gates county on Tuesday after the Third Sunday in May, 1901.

E. F. AYDLETT, Moderator.

LYCURGUS HOFLER, Clerk.

STANDING RESOLUTION OF REQUEST.

Resolved, That the pastors and deacons of the churches with which future sessions of this body may be held, be requested to prevent the sale of any article whatever on the church grounds during the session. That they also prevent the erection of tents or booths for taking pictures, and they secure similar prohibition as to the lands of citizens adjoining the church grounds.

(Adopted at the session of 1884, held with the church at Rockyhock.)

CONSTITUTION.

Article I. This Association shall be composed of white delegates, chosen by the churches of this body, and of all ordained ministers who are members of, or laboring in connection with said churches. Each church shall send a letter showing the number of members, those baptized, received by letter or restored, those dismissed by letter, excluded and dead since last session.

Article II. The territory embraced in this Association shall be limited to the following counties, to-wit: Currituck, Camden, Pasquotank, Perquimans,, Chowan, Gates, Washington, Tyrrell, Dare, Hyde and Beaufort.

Article III. The Association when convened, shall be governed and ruled by parliamentary usage, as prescribed in Mell's Parliamentary Practice.

Article IV. The officers of the Association shall be a Moderator, Vice-Moderator, Clerk, Reading Clerk and Treasurer, who shall be elected annually.

Article V. Each church shall be entitled to a representation of three delegates to this body.

Article VI. Every motion made in due order and seconded, shall come under the consideration of the Association, unless withdrawn by the person who made it.

Article VII. The Association shall furnish the churches with a number of printed minutes of the Association, from time to time, proportionable to the moneys contributed from each church to the support of the Association fund.

Article VIII. We think it necessary to have an Association fund for defraying the expenses of the same, for the raising and support of which we think it the duty of each church in the Union to contribute voluntarily such sums as they think proper and send by the hands of their delegates to the Association; and these moneys thus contributed by the churches shall be deposited in the hands of the Treasurer, who shall be accountable to the Association for all moneys by him received and paid out according to the directions of the Association.

Article IX. The minutes shall be regularly filed by the Clerk of the Association and kept for its use.

Article X. The minutes of the Association shall be read, and corrected if need be, and signed by the Moderator and Clerk before the Association rises.

Article XI. Orthodox and orderly churches shall be admitted to membership in this body on petition by letter and delegates.

Article XII. Amendments to this plan or form of government may be made by a majority of the union.

Article XIII. The Association shall have power—

1. To provide for the general union of the churches.

2. To give the churches all necessary advice in matters of difficulty.

3. To preserve inviolable a chain of communion among the churches.

4. To inquire into the cause why the churches fail to present themselves at any time in the Association.

5. To appoint any member or members, by and with their consent, to transact any business they shall see necessary.

6. To withdraw from any church in the union that shall violate the rules of the Association, or deviate from the orthodox principles of religion, after due measures are taken to reclaim such a church or churches, and they remain incorrigible.

7. To allow no delegate to leave the Association until final adjournment, without the permission of the body.

8. To admit any of the visiting brethren from other Associations, as assistants, who may be present.

9. To adjourn themselves to any future time and place they may think most convenient to the churches.

D. P. Harris submitted the report on Ministerial Education:

REPORT ON MINISTERIAL EDUCATION.

It is very gratifying to your committee to report that the work of the Board of Education has been, for the year now closing, fairly successful. During the session thirty-eight young ministers have been received and helped by the board. Their work has been satisfactory, and the board is much encouraged to continue its work. There are still other applications for aid, and it is hoped that the contributions from the churches will enable the board to aid all worthy young ministers who may apply, and to this end the churches are urged to make liberal their contributions to the board.

Respectfully submitted, D. P. HARRIS,
For Committee.

On motion to adopt, the report was discussed by D. P. Harris, John Mitchell, C. W. Duke and John C. Scarborough.

Pledges were taken for ministerial education, and the report was adopted.

The Moderator appointed the following committees, viz.:

On Church Statistics—A. F. Rountree, C. S. Sawyer, W. S. Bartlett.

On Finance—H. A. Litchfield, Nathan Riddick, R. B. Hollowell.

On Religious Exercises—The pastor and deacons of Reynoldson Church.

The report on Ministers' Relief Board was called for. The entire committee appointed to write the report, being absent, it is ordered that the report made last year be adopted, and the Clerk is instructed to correct the same as may be necessary from present statistics. J. B. Brewer and J. C. Scarborough briefly discussed the question of ministerial relief.

REPORT ON MINISTERS' RELIEF BOARD.

It is very gratifying to report that during the last conventional year there have been many indications that the work of the Minister's Relief Board is steadily growing upon the sympathy and liberality of our Baptist brotherhood. Receipts during the past year were not quite so large as the year before, but there were more contributors. There were no large gifts last year. There has been

no death among the beneficiaries during the year. Nineteen worthy servants of the Lord are being helped by the board. Every needy and deserving Baptist preacher in the State ought to be on the list of beneficiaries, and there should be enough money in the treasury to supply their wants. These aged servants who have given their best years to God in the uplifting of humanity, should not lack for comforts that can be supplied by the Baptists of North Carolina. The Master has put his approbation on the work of the board, then why should we not help? CLERK.

R. R. Overby offered the following resolution:

"*Resolved*, That it is the sense of this Association that it is inexpedient to require ministerial students to refund to the Board of Ministerial Education the money that said board furnished these students while at college."

On motion to adopt, the question was discussed by Brethren Overby, Mitchell, Speight, Ayers, J. C. Scarborough and Duke. The resolution was adopted.

It is moved and carried that the first business on to-morrow shall be the reception of new churches.

The Committee on Hospitality assigned homes to the delegates and visitors.

Adjourned to 9:30 a. m. to-morrow.

Benediction by L. M. Curtis.

SECOND DAY.—MORNING SESSION.

The Association met at 9:30 a. m.

"Come thou fount of every blessing" was sung.

Prayer by L. M. Curtis.

J. H. Rich presented an application from the Baptist Church at Belhaven for admission to membership into this Association.

W. P. Jordan, Josiah Elliott and J. M. Forehand were appointed a committee to whom the said application was referred.

Visiting brethren were invited to seats, and the following recognized:

C. W. Scarborough, of the West Chowan Association; Livingston Johnson, Corresponding Secretary State Mission Board; Archibald Johnson, Editor *Charity and Children;* J. W. Bailey, Editor *Biblical Recorder;* J. B. Boone, General Manager Thomasville Orphanage; C. W. Mitchell, West Chowan.

The Committee on Reception of New Churches recommend that Belhaven Baptist Church be received as a member of this Association. On motion, Belhaven Baptist Church was received into this Association, and the right hand of fellowship was given to J. H. Rich, the delegate from said church.

The following order of business for to-day was adopted:

9:30 a. m.—Miscellaneous business.
9:45 a. m.—Reception of new churches.
10 a. m.—Orphanage.
10:30 a. m.—C. B. F. Institute, and the Century Education Work.
2 p. m.—State Missions.
3 p. m.—Foreign Missions.
4 p. m.—Temperance.

Archibald Johnson submitted for the committee the Orphanage report:

ORPHANAGE REPORT.

The Orphanage year, now drawing to a close, has been prosperous. The number of children in the institution is now more than two hundred.

The financial condition of the Orphanage is fairly good, and the prospects are bright for better work in the future than ever before.

The Biggs building has been greatly enlarged and improved. Its capacity has been doubled, and it is now one of the handsomest and most convenient houses on the grounds.

The Mills Machine Shop has been completed within the year and the machinery is being installed.

The value of the plant has been greatly increased within the past five years and all the new buildings are of a much more substantial character than those first erected. The pressing need of the institution at present is the establishment of water-works. This is necessary, not as a matter of luxury but of necessity.

The health of the children is involved, and without some sanitary arrangements, sickness must inevitably ensue. This is more pressing and important as the the population increases. The support of the Orphanage must come, and ought to come from the churches. The meat and bread and clothing will be sent as it has ever been, under the good hand of God, through the brethren and sisters. It would be a calamity if our people were deprived of the blessing of giving to the Orphanage. There is little danger that they will ever lose this glorious opportunity. We urge the importance of this means of grace upon all our churches, and we hope no church in all this body will fail to do its best for this blessed and beloved institution.

Respectfully submitted, ...

.....

J. B. Boone, General Manager, addressed the Association on the work of the Orphanage, and the report was adopted.

The Moderator appointed J. M. Forehand, Miles Whitehurst and E. Bunch a committee on time, place and preacher of the next session of the Association.

The report on C. B. F. Institute was called for. The entire committee being absent, the Clerk is requested to write and insert a report in the minutes. L. M. Curtis, John C. Scarborough and C. W. Mitchell spoke in reference to the Institute, its work and its needs.

REPORT ON C. B. F. INSTITUTE.

The Chowan Baptist Female Institute, beautifully situated, at Murfreesboro, N. C., has just closed its fifty-third year. This school is the property of the denomination, and is controlled by trustees from this and the West Chowan Association. During the past year this institution has enjoyed a reasonable measure of success. It has been blessed with almost uninterrupted health. There has been no case of sickness serious enough to require the services of a physician. For salubrity and real true school work the location is an *ideal* one. This college, under God, has been a great blessing to Eastern North Carolina, and to other localities where her noble and consecrated women have made their homes. The good already ac-

complished affords reasons of thankfulness to God for having made us His agents in such a noble enterprise, and places us under additional obligations to give it our liberal and hearty support.

CLERK.

The following resolution, offered by W. P. Jordan, was adopted:

"*Resolved*, That it is the sense of this Association that we are willing the change in the management of C. B. F. Institute be made, if in the judgment of the trustees the change ought to be made, and that we urge all the trustees to be present at the meeting of the Board of Trustees, at Ahoskie, on June 4, 1901."

J. W. Bailey addressed the Association on the Century Educational Movement.

It is moved and carried that all the pastors, and as many of the laymen as will, meet in Edenton on Tuesday after the second Sunday in June next, to consider and apportion the amount of the Century Fund to be raised by this Association.

On motion, D. P. Harris is requested to notify each pastor, living or laboring in this Association, to be present at the Edenton meeting.

On motion of C. W. Duke, the committee that met in Elizabeth City and apportioned the Century Fund to be raised in this Association, is requested to refer the matter back to the Central Committee with the request that the amount apportioned to be raised by this Association be reduced $1,000.

By motion, the Association adjourned to 2:30 o'clock p. m.

WEDNESDAY.—AFTERNOON SESSION.

The Association reassembled at 2:30 p. m.

"Am I a soldier of the cross?" was sung, and Livingston Johnson led in prayer.

The report on State Missions was submitted by W. P. Jordan as follows:

Your Committee on State Missions submits the following:

REPORT ON STATE MISSIONS.

At the last session of the Baptist State Convention, held last December in the city of Raleigh, it was agreed to undertake to raise during this conventional year the sum of $25,000 for our State Mission work in North Carolina. We are sorry to say that only about one-fifth of this amount has been raised, leaving about $20,000 to be raised between now and the meeting of the convention in next December. This amount may look large to some of us, yet it can be raised—it must be raised, or the board will be forced to report a debt, which, we think, will be displeasing to our Master. Just how much the churches in this Association have raised during the Associational year just closed, your committee is unable to say; but we fear that the $1,000 that we were asked to raise has not all been paid. Brethren, this ought not to be so, and by the help of the Master let us try and do better this coming associational year. Our State Mission Board has under its employment this year about 103 missionaries, preaching the gospel of our blessed Christ in the destitute portions of our own beloved State. These faithful men of God are laboring mainly in the mountain regions, among our factory people, and in the Eastern counties of our State. These men, the most of them at least, are working on a very small salary, and that not very

promptly paid. We should pray for and help these men in their work for the salvation of souls.

We were sorry to part with our Corresponding Secretary, Bro. John E. White; but we hope the work has fallen into stronger hands, so we are glad to welcome our new Secretary, Bro. Johnson, who is with us to-day.

Your committee would recommend first, that we go forward in this work; second, that we pay our State Mission pledges by the meeting of the convention in next December.

Respectfully submitted,

W. P. JORDAN,
For Committee.

The report was discussed by Livingston Johnson, Corresponding Secretary Baptist State Convention. J. H. Rich, T. T. Speight, J. B. Brewer and W. P. Jordan spoke in the interest of State Missions at Belhaven. Pledges were taken for State Missions, and for a church-house at Belhaven, the amounts for Belhaven Church to be sent to J. H. Rich, at Belhaven, N. C. The report was adopted.

The Committee on Time, Place and Preacher report as follows:

Your committee beg leave to report: Time, Tuesday after the third Sunday in May, 1902; place, Ramoth Gilead, in Pasquotank County; W. A. Ayers to preach the introductory sermon; G. N. Cowan, alternate.

MILES WHITEHURST,
For Committee.

On motion, the report, as submitted, was adopted.

R. W. Simpson submitted the report on Foreign Missions:

REPORT ON FOREIGN MISSIONS.

Foreign Missions is a work that should engage the attention of every Baptist in all this land. In no way can we better follow our Master's instructions than by aiding in every possible way the mission work.

"Go teach all nations" is the command, and it is our duty as a Christian denomination, and as indivduals to obey.

We are proud that our denomination in this Southern land is fast realizing the necessity of greater action, and greater sacrifices, upon our part in order that the Christian religion may be felt and realized even to the ends of the earth. We have already accomplished much along this line, but our efforts must not cease until the nations of the earth shall come to know righteousness and truth.

R. W. SIMPSON,
For Committee.

J. W. Bailey made a great speech on Foreign Missions. Pledges from the churches were taken and the report was adopted.

REPORT ON TEMPERANCE.

For many years the most of our Associations have had their reports on temperance, and invariably it has taken its turn to that of strong drink, when the true meaning of temperance is that of moderation. That is, that in all things, and surely it is high time that we should learn this rule, so that we might profit thereby. Being intemperate in strong drink has been the ruin of many a one as an individual, and oftentimes to many others. But the intemperate use of language has had its broad sweep with the human

family, and like a mighty tornado, it has swept over our land for the last few years and to my mind it has done more harm to our Zion than strong drink, for the same length of time. And we pray God that in the coming years that we may learn the true meaning of temperance and apply it in such a way as our Master's kingdom will be profited and God glorified. As for strong drink, God speed the day when all of our people will go to the polls in one solid phalanx and cast their votes only for the man that neither drinks strong drink, nor advocates it. To discontinue its use, the progress may be slow, but let us not be weary or fall out by the wayside, but fight on, the battle never give over, until the victory we have won in the name of our God.

Respectfully submitted,

T. T. SPEIGHT,
J. E. COPELAND,
Committee.

The report was discussed briefly by T. T. Speight and E. S. Pearce and adopted.

The Association adjourned to 9:30 a. m. to-morrow.

Benediction by C. W. Scarborough.

At 9:50 a. m. the Association reassembled and was called to order by J. E. J. Warren, Moderator.

The following order of business for to-day was submitted by the committee:

10 a. m.—Miscellaneous business.
10:30 a. m.—Periodicals.
11 a. m.—Home Missions.
11:45 a. m.—Sabbath Schools.
12 m.—Reports of the Finance and other committees.
12:15 p. m.—Close.

REPORT ON PERIODICALS.

We, as Baptists, are rejoicing in the numbers and strength of our people. Our increase has been exceedingly marvelous. Our resources have been multiplied many times during the last few years. An inquiry into the cause of this rapid progress will show that it must be attributed to the stream of light and intelligence set in motion. Our schools and colleges have scattered and given the ability to think amid the storm of weak, trashy and poisonous literature. We have had sound, strong, high-class Baptist periodicals which have stood firmly and unflinchingly by the cause of truth—the cause of our people. First among these, for North Carolina Baptists, stands the *Biblical Recorder*. We believe it to be the duty therefore of every Baptist family in North Carolina to take and read the *Biblical Recorder*, because, first, it is the only official organ of North Carolina Baptist; second, it will stimulate and aid in the effort to raise the one hundred thousand dollars for the glory of God, and the uplifting of fallen humanity, not only in our own State, but throughout the world. We would also urge upon our people to take *Charity and Children* in order that they may keep informed as to the progress, needs, etc., of our Orphanage. We recommend *The Foreign Mission Journal* to be an invaluable agency in the great work of giving the gospel to the heathen. We also recommend our Southern Baptist Literature to be used in our Sunday Schools.

Respectfully, N. P. STALLINGS.

Pending the motion to adopt, the report was discussed by R. R. Overby, J. W. Cobb, J. W. Bailey, I. S. Boyles, Archibald Johnson and J. C. Scarborough. The report was adopted.

W. B. Waff presented the report of the Committee on Home Missions, as follows:

REPORT ON HOME MISSIONS.

Home Missions is the work of giving the gospel to the destitute of our own Southland and Cuba, and is divided into the following heads: Work among the negroes, among the foreign population in the South, among the Indians, work in Cuba, and among our own native white population. One of the gravest and most difficult problems which now confronts us is what to do and how to work among the negroes, and our Home Mission Board, realizing this, is feeling its way cautiously along in its efforts to uplift this race, which to-day forms 40 per cent of the population of the South.

The foreigners are turning this way more and more every year. Already they number three millions in the South, and they have just begun to come. We owe it to them, to ourselves, to our children, and to our God, to give them the gospel. Indeed, it would be little less than suicide not to do this; for "if we don't Americanize them they will foreignize us; if we don't Christianize them, they will heathenize us." We have a few missionaries laboring among these people, some of whom are doing a great and blessed work.

For over fifty years we have been doing work among the Indians of Indian Territory. They are now pretty well Christianized, but undeveloped. The work there now is mainly one of training and developing for more efficient service for the Master.

The work in Cuba seems to be prosperous and hopeful. Hundreds of converts have been baptized since the late war there. The work, however, needs to be very greatly enlarged as speedily as possible.

But by far the largest and most important work of our Home Mission Board is that among our own native white population, especially the work in the cities, in the mountains and on the frontier. While the work in all these places needs to be pushed with unusual vigor, that on the frontier seems to promise the largest and quickest returns for the money expended. Towns out there which a few years ago were mission stations are now contributing thousands of dollars a year to the cause of missions. The country there is rapidly filling up with people from other sections of the country. Thirteen years ago Oklahoma was known as "no man's land." To-day the population is 400,000, with a net-work of railroads and many flourishing towns and cities. The need there for the gospel is imperative. And not only on the frontier, but all over the South wonderful changes are taking place. Towns and cities are springing up and growing with wonderful rapidity. The country is being developed, population and wealth are on the increase, and opportunities such as never before confronted a people now lie before us. To meet these opportunities as they ought to be met, our board needs ten times as much money as it now has at its disposal. And yet a large number of our people are giving nothing to this work. More than one-tenth of the churches of this Association reported nothing last year for Home Missions.

During the past year our Home Mission Board had laboring under its appointment, including the co-operative work in the older States, 811 missionaries, who baptized 6,671 converts, organized 511 Sunday Schools, constituted 162 churches, built 100 houses of worship, and improved 109 others. The amount of cash expended for the regular work of the board was $86,964.68, an increase of $11,598 over the previous year. In addition to this, $82,542.75 were expended on houses of worship, making a total expenditure of $169,507.43. Our board greatly desires to enlarge its work, and we recommend and most urgently request our churches to increase their contributions to this great and important work.

Respectfully submitted,

W. B. WAFF,
J. A. SHAW.

Archibald Johnson, John C. Scarborough and C. W. Duke spoke on Home Missions. Pledges were taken and the report adopted.

The following resolution, submitted by J. H. Rich, was unanimously adopted:

"*Resolved*, That the heartfelt thanks of this body be tendered to Reynoldson Baptist Church and surrounding community for the kind and hospitable welcome with which we have been received into their homes and hearts; also, that we thank the Norfolk and Southern Railroad Company and such other railroads and steamboat lines that have given reduced rates to our delegates and visitors."

Josiah Elliott submitted the report on Sunday Schools as follows:

SUNDAY SCHOOL REPORT.

Teaching the Word of God is the most important work of Christianity. No doubt Timothy ever referred to his mother and grandmother with grateful memory, because they taught him in childhood the Holy Scriptures, which were able to make him wise, and did

make him wise unto salvation through faith in Christ. A quiet evening talk with Christ, the Great Teacher, prepared Nicodemus for displaying great heroism around the cross of Christ.

Aquilla and Priscilla did an excellent work when they taught Appollos the way of the Lord more perfectly. Let us learn from these examples of the necessity of bringing all classes under the influence of the Word of God as taught by godly men and women. Thus they may be prepared for more efficient service in the Master's kingdom. Especially should the youths of our land be brought into the Sunday School. In them rests the hope of our future Zion. They must meet the issues and interrogation points of the future and should therefore become early conscious of salid ground beneath their feet. We commend everything which will quicken the Sunday School interest, such as Sunday School institutes, conventions, etc. We also suggest that our unions seek to lay the importance of this work on the minds of the people.

Respectfully submitted, JOSIAH ELLIOTT,
Committee.

The report on Sunday School question was discussed by C. W. Scarborough and Josiah Elliott.

FEW APPRECIATIVE WORDS

"I do not think that a word is needed as to their excellence, both in the matter of a mechanical execution or splendid scholarship. No names stand higher than those of our helpers and teachers in the publications. They are constantly growing better. Indeed, it is safe to say they are surpassed by none. From the standpoint of every consideration, they ought to be used in all our Sunday schools."—*The Standard.*

"As a matter of fact, the Baptists take first rank to-day among the scholars of the world and in many specialties are positive leaders; and our Sunday school literature is something to be proud of."—*The Watchman.*

"The American Baptist Publication Society's literature towers above all others. There is a clear, thoughtful quality to the work. There is a sweetness to the explanation of the truth and a simplicity that levels the great teaching of the gospel to the apprehension of all, and yet there is about it a rugged strength that has always characterized Baptists as vigorous thinkers."—REV. C. D. LAMKIN, Houston, Texas.

"Their teachings are thorough and plain, and so simple as to be understood by the smallest scholar."—REV. JAMES W. BRAWLEY, Charleston, S. C.

On motion of R. R. Overby, J. W. Rose, of the Tar River Association, was allowed time to make a statement in regard to the work in his Association.

The entire Committee on Foreign Missions being absent, C. W. Duke was requested to formulate a report on Foreign Missions.

COMMITTEE ON TIME AND PLACE.

The Moderator appointed J. H. Morrisette, B. F. Bray and Joseph Riddick a Committee on Time, Place and Preacher for the next session of this Association.

The report on State Missions was submitted by C. W. Duke as follows:

REPORT ON STATE MISSIONS.

North Carolina Baptists are to-day developing intelligence and missionary enthusiasm as never before in their history. The report of Secretary Johnson at the last State Convention was the most gratifying ever read before that body. While it showed a debt of $3,766, it also revealed the fact that the churches had, during the foregoing year, increased their direct contributions to State Missions by 60 per cent over any preceding year. Twenty-six thousand six hundred and thirty-six dollars and twenty-eight cents were contributed last Convention year to State Missions, but this year the work is projected on a still larger scale. Our pressing needs justify and demand the increase. The eastern section of the State, embraced within the Tar River, the Eastern, the Neuse, and the Atlantic Associations, is said to present the greatest destitution in the State. Of the twenty-five churches in one of these Associations, only two are self-sustaining. There are three whole counties that have only two churches each, and one county has no preacher, and only twenty-five Baptists. An effort is being made by the Board to secure the assistance of several pastors throughout the State to give ten days each to mission work in this section.

In the central division of the State we are confronted by the "factory problem." There are more cotton mills in North Carolina than in any other State in the Union, except Massachusetts, and nearly all these mills are located in this section. The majority of the operatives in these mills are Baptists, who have moved from the rural districts to the factory towns.

Religion does not easily bear transportation. We must make special effort here, even to hold our own. Western North Carolina Baptists are experiencing a great educational revival. Two years ago there was one Baptist school west of the Blue Ridge, with property worth $5,000, and an enrollment of 150 students. They now have ten of these schools with property worth $40,000 and an enrollment of 1,500 pupils, and the great work is even yet in its incipiency. Your committee would respectfully make the following recommendations:

1. That our churches encourage their pastors to do missionary work in the destitute portion of this eastern section, when the opportunity is opened to them, by granting them a brief vacation for the same, and that our pastors volunteer for such work.

2. That we encourage our most cultured young women to do volunteer teaching in the mountains during summer, under the auspices of the Woman's Central Committee of Missions. This scheme of work, organized a year ago, has yielded excellent results. The Board pays the traveling expenses of the lady, and she teaches without salary, as a labor of love and for the sake of a summer in the mountains.

3. That this Association undertakes to raise this year $1,500 for State Missions.

Respectfully submitted, C. W. DUKE.

On motion to adopt, the report was discussed by C. W. Duke, Livingston Johnson, A. D. Hunter, Duncan McLeod, J. B. Brewer, W. P.

Jordan and R. R. Overby. Pledges were made for State Missions. The report was adopted.

A cash collection, aggregating $21.56, was taken for Belhaven Church.

After prayer, by Livingston Johnson, the Association adjourned to 2 p. m.

SECOND DAY.—AFTERNOON SESSION.

The Association met at 2 p. m., J. E. J. Warren, Moderator, presiding.

Prayer, by A. D. Hunter.

According to request, C. W. Duke submitted the report on Foreign Missions.

REPORT ON FOREIGN MISSIONS.

We are glad to report a year of progress in our Foreign Mission work. God has graciously blessed the work, both at home and abroad, there being a good increase of converts on the fields, of new workers sent out, and in contributions to sustain the work. Southern Baptists, through their Foreign Mission Board, at Richmond, Va., are working in three pagan countries, China, Japan and Africa, and in three papal, or Roman Catholic countries, Mexico, Italy and Brazil.

The dark war clouds have about passed away from China, and she is waiting for the light. New ideas are taking possession of her and she is open to the gospel as never before. Our missionaries there baptized 484 converts last year. We now have on that field 59 missionaries and 73 native assistants, 24 churches and 52 out-stations, or places where they have regular preaching, 2,839 members, who contributed $1,056.58 last year to the work.

Japan some years ago received the gospel gladly. Then, elated with her material progress, and especially with her victory over China, she turned a deaf ear to the gospel and became hostile to Christianity. Now, a change has some and she again lends a listening ear. Our work there is in a very hopeful condition. We had 25 added there last year by baptism, which is twice as many as were reported the year before. We have there two churches and 9 out-stations, ten missionaries and seven native helpers, and one hundred and fourteen members, who gave $101.03 to the work last year.

In Africa we have had but few workers, and they have had many difficulties to contend with. Nearly three times as many baptisms are reported as for the previous year, and our workers are cheerful and hopeful. We now have on that field 10 missionaries and 13 native helpers, 6 churches and 6 out-stations. Ninety-three were baptized last year, making a membership of 452, who last year gave $1,024.48 to help on the work.

In Mexico the work was interrupted some years ago by some trouble among the missionaries, but now the work is moving on smoothly and prosperously. The missionaries are in full sympathy and harmony. We have on that field 15 missionaries and 27 native assistants, 37 churches and 21 out-stations, and 1,159 members, 150 of whom were baptized last year. They contributed $855.41 to the work last year.

[Brother Duke requested the Clerk to insert in the minutes the regular report of the committee, provided the same was delivered in time for publication. The following is the report of the committee: (Brother Duke prepared an excellent report.—CLERK.)]

Italy is the home of Romanism, and the gospel there has met with persistent opposition. Yet, there has been steady progress. Our missionaries are full of hope. Brother Anderson and wife, who went from this Association, are on this field. We have there 4 missionaries and 26 native helpers, 25 churches and 21 out-stations; 71 were baptized last year, making a membership of 685, who gave last year $1,167.44 to help on the work.

Brazil is at present the most prosperous of all of our mission work. The progress is so rapid that our missionaries can not keep up with it. Calls come from so many places to come and preach the gospel, and so urgent are the calls that the missionaries feel they can not resist them, and they are breaking down with overwork. In spite of the opposition of the priests and the persecutions which they instigate, the people lend a listening ear, and many are turning unto the Lord, 616 having been baptized last year. We have there 17 missionaries and 33 native helpers, 45 churches and 62 out-stations, and 2,542 members, who gave to the work last year $9,151.75.

To sum up, we have now on the foreign fields 115 missionaries, male and female, 171 native assistants, 139 churches and 171 out-stations. There were 1,439 baptisms, making a membership of 7,821, who contributed $13,356.69 during the past year to help on the work.

Twenty new missionaries were sent out last year, and six more have been appointed, who will soon sail for their fields of labor.

There has been a corresponding increase of contributions to the work. The amount reported a year ago was $156,083.33. This year the amount was $173,439.49, making an increase of $17,356.16. We especially rejoice at the increase of 33 1-3 per cent in our own State, going from $9,461.36 a year ago to $12,693.77 the past year. Brethren and sisters, God is leading and is calling us to come up to His help. Let us heed the call and go forward.

Respectfully submitted, W. B. Waff.

The report was discussed by C. W. Duke, J. C. Scarborough and Livingston Johnson. Pledges were taken for Foreign Missions and the report was adopted.

Announcement was made that W. P. Jordan would preach immediately at the stand in the grove.

The report on Time, Place and Preacher was submitted through the Reading Clerk as follows:

We, the Committee on Time, Place and Preacher, submit the following:

Time, Tuesday after the third Sunday in May, 1903. Place, Woodville, in Perquimans County. W. A. Ayers to preach the introductory sermon; S. F. Bristow, alternate.

J. H. Morrisette,
B. F. Bray,
Joseph Riddick,
Committee.

The report, as read, was adopted.

The report on C. B. F. Institute was called and submitted as follows:

REPORT OF C. B. F. INSTITUTE.

Your Committee on C. B. F. Institute would offer the following report:

We are glad to report the Institute in a fair condition. Some very much needed repairs have been put upon the School building, and

much more could be wisely spent in the same direction, and we hope in the near future to see the property in first-class order. During the scholastic year just closed the patronage was much better, especially the boarding patronage, than for several years in the past; and we would be glad to see the number double next year. As the great educational movement is sweeping so grandly over our old State, we ought to see that our own institutions, for the education of our girls, are kept abreast with the times.

What we especially need at C. B. F. Institute is money enough to equip the school with all necessary repairs and improvements, and then give to our President, John C. Scarborough, one hundred bright and studious girls to be trained for God, and for usefulness. This we would be glad to see in the near future.

Respectfully submitted, W. P. JORDAN,
For Committee.

John C. Scarborough and A. D. Hunter addressed the Association on Christian Education. The report was adopted.

On motion of T. B. Boushall, a committee of five was appointed to apportion the amount to be raised by the Chowan Association for the Century Educational Fund among the churches composing the Association. The Moderator appointed as the above-named committee, T. B. Boushall, C. B. Garrett, H. A. Litchfield, J. A. Spruill and J. G. Gregory.

The Association adjourned to meet at 9:30 a. m. to-morrow.

Benediction, by Josiah Elliott.

THIRD DAY.—MORNING SESSION.

The Association re-assembled at 9:30.

Devotional exercises were conducted by Livingston Johnson.

J. E. J. Warren, Moderator, called the meeting to order.

The minutes of yesterday were read and approved.

The report on Home Missions was read as follows:

HOME MISSIONS.

It is indeed true that in this Southland of ours, "A great and mighty world is rounding into form," and upon the work of the Baptists in the next few years depends what their influence shall be in moulding the destiny of our home land. Our opportunities are great—beyond expression. The South is rapidly growing rich, and with the increase of wealth there is a great increase of population, and Baptists must take care of the situation. Therefore, the first reason for Home Missions is self-preservation. We as a great people under God have claimed this land as our own. As Americans we are very hopeful, but to be hopeful does not mean that the land is in fact ours. With all of our great and well-organized institutions, with our able ministry, and many churches that are really "Missionary Baptist Churches," there is still a wilderness of sodden sin about us, and our cry is only a little more than the crying in the wilderness. New Orleans has its 275,000 inhabitants and only one self-supporting white Baptist Church. There comes the cry from Tennessee with her great city of Memphis, which has only two self-supporting white Baptist Churches. The people of Florida stand appalled when they look at their needs. Norfolk, Wilmington, Savannah, Atlanta, Dallas, and many others of Southern cities are calling

upon the Home Board for help, because the foreigner is, in a great many cases, practically in charge of the largest business concerns of these cities. In these cities are numerous cotton mills, whose best paid skilled bosses are foreigners or sons of foreigners. The foreigner is not only found in our business life, but holds an important part in our educational interests. In many places the foreigner holds the superintendency of our public schools,and even the presidency of higher institutions. He must be saved. God has sent him to us for that purpose. We as Baptists are the only people that can do this work. With an open Testament standing against any looseness of doctrine, and for an all-sufficient Bible we shall prove to be foolish and unwise if we do not now build wisely for the great work that is resting upon us.

The negro is here and must be saved. In a mysterious way he has been brought from his benighted home and country and put down in our midst. He has been given civil liberty, then why should we not undertake to give him that greatest of all freedom, that throws off the fetters and saves the soul?

This is a most dimcult problem, and the Home Board has been continuously feeling its way in its efforts to uplift this ignorant, superstitious race, which to-day forms nearly 40 per cent of the population of the South.

Then we take a glance toward the Territories and Oklahoma. Oklahoma is now and but recently has begun life. But she is making rapid strides. Factories may soon be very numerous. Railroads are being rapidly laid, and other great interests are being born. Our work among the Indians is now practically one of training. But the Home Board can not afford to turn them loose at this stage. God calls us with a voice that can not be misunderstood to these new States and Territories.

We are a great people with great power, but power means peril. We may be a Samson to tear away the pillars that support the buildings above us and let fall destruction upon our very heads, or we may lead the nations on to victory and to God. Home Missions are bases for Foreign Missions; Home Missions are a real Jerusalem, from which will go to the uttermost parts of the earth a salvation that saves from all sin. But the greatest work of our Home Board is among our own native white people. We look to our mountains and find a class of people with big hearts and souls anxiously awaiting our State Convention or our Home Mission Board to send missionaries to their churches, establish schools and lead them to a true knowledge of their Saviour. Our frontier missionaries are promising great things. The frontier missionaries endure as much, or perhaps more, than the man who goes to a foreign field. Going on long journeys, washing his face by the roadside, and returning to find that his wife and children have grown hungry, and often have sickened and died. Sometimes in his loneliness he is called upon to dig the grave for his own child. Then, with trembling hands and a broken heart, he lays his own away, and with a prayer to Almighty God, looks forward to a great resurrection morn. Brethren, can we fail in doing our best for Home Missions? Cuba is now looking to us for light and life. We were ready to meet the armies of Spain and tear away the civil fetters that held them fast. How much more willing should we be to meet, in its very strongholds, the wickedness of Roman Catholicism, dethrone the Pope and give Cuba the freedom that Jesus purchased by His own blood!

The *Western Recorder*, writing about the report on Home Missions, submitted at the last session of the Southern Baptist Convention, says:

"The report begins with a warm-hearted and fitting tribute to the former Secretary, Brother Kerfoot. Fting mention is also made of the death of Bro. Porter King, who was chairman of the Committee on Cuba, and attorney for the Board.

"The report bears testimony to the efficiency of the Vice-Presidents in the States. The State Boards of Alabama, Arkansas, Florida, Georgia, Indian Territory, Kentucky, Louisiana, Maryland, Missouri, Mississippi, North Carolina, Oklahoma Territory, Tennessee, Texas, and Virginia are in co-operation in part or in whole. The following is the summary of the year's work: Missionaries, 674; weeks of labor, 20,450; churches and stations, 1,757; sermons and addresses, 75,041; prayer-meetings, 15,100; religious visits, 163,005; baptisms, 8,150; received by letter, 9,051; total additions, 17,201; churches constituted, 231; houses of worship built and improved, 398; Sunday Schools organized, 674; Bibles and Testaments distributed, 27,499; tracts (pages), 2,084,355.

"The total amount of money received for the regular work is $98,950.29, an increase of $12,045.61 over last year. Besides this, there has been contributed to the Church Building and Loan Fund and other investments the sum of $1,500. All of the States except five of the older and stronger, show an increase in cash contributions over last year."

May God give us faith and wisdom to lead the work of Home Missions to victory!

Respectfully submitted,

The report on Periodicals was submitted by the Reading Clerk as follows:

REPORT ON PERIODICALS.

Your committee has long since been convinced of the fact that there is nothing more helpful or more elevating to a people than the reading of good literature. And we know of nothing more damaging than the reading of corrupt literature. We believe that knowledge is power. Then, ignorance must mean weakness. What our people mostly need is information on the issues of our church work. To get this information we must read our denominational papers. We recommend first of all, the *Biblical Recorder*, because there is no organ in the State that can take its place. We recommend, also *Charity and Children* and the *Foreign Mission Journal*.

Respectfully submitted, S. F. Bristow,
For Committee.

J. W. Cobb and R. R. Overby spoke to the report, and the report was adopted.

The Reading Clerk read the report on the Orphanage as follows:

REPORT ON THE ORPHANAGE.

The number of children now at the Orphanage is 216—the largest number in the history of the institution. The "Mills Work Shop" is in operation and the demand for its products is growing. It is matching, planing and dressing lumber, and doing a little scroll

work. Other things will be added as soon as the conditions and prospects will justify the enlargement of the business.

The paper is doing very well indeed. The circulation of *Charity and Children* is now 7,000, covering a large portion of the State. However, there are yet many thousands of Baptists in North Carolina who never see a copy. A new outfit has been purchased and the plant is a valuable one. The farm, under the intelligent management of Bro. S. H. Averitt, has greatly improved in value and in the yield of crops for the use of the Orphanage. The prospects for this year, so far, are exceedingly bright. The health record for the past year has been exceptionally good, and the general progress of the children is satisfactory. The prospect is, that by the end of the year the Orphanage will be caring for 250 children. The price of provisions has advanced nearly 50 per cent within twelve months. This fact makes it especially hard on the institution, which has so much to buy. Three years ago a dollar would buy about what two dollars will buy at present. This has kept the Treasurer embarrassed, notwithstanding the report of the year, ending June 30th, will show the receipts fully equally to, if not a little more, than the receipts for last year. The enormous prices of provisions has made it hard for the Treasurer to meet his bills. In view of the fact that more children are coming just as fast as room can be made for them, and the likelihood that the price of food will advance, rather than decline, we recommend that our churches increase their contributions to meet the increasing need. The Baptist Churches of our State are the only ones to whom the Orphanage can go. May the Lord lead us to see and to do our whole duty.

Respectfully submitted,

JOSIAH ELLIOTT,
For Committee.

On motion to adopt, the report was discussed by Josiah Elliott, Archibald Johnson and Duncan McLeod. A cash collection of $21.51 was taken for the Orphanage. The report was adopted.

J. B. Ferrebee submitted the

REPORT ON TEMPERANCE.

Believing the liquor traffic to be one of the greatest curses of this day and time, the greatest enemy of the Church, or the earth, the means by which so many of our young men are wrecked and ruined, we recommend that our churches use all of their influence to bring public sentiment to bear on this monster evil, and by faithful prayer remove this great curse of humanity from the earth. I am glad that there is such a move being made by leading men and women of our land, known as the Anti-Saloon League. We are looking forward with a hope when men of refinement will not frequent the saloon and when the members of our churches will feel that they are disgracing their religion and are hindering the kingdom of Christ. We should feel encouraged to press with vigor on; we feel that we have made some progress against this mighty evil. And it is encouraging when we know that we have the Lord God on our side. With Him we can do all things. So let us take heart and pray and labor on, for our work is not in vain in the Lord. We recommend that all the followers of Christ join with the Anti-Saloon League.

Respectfully submitted,

J. B. FEREBEE,
For Committee.

The report was discussed by R. R. Overby, Duncan McLeod, T. B. Boushall and W. N. Gregory. The report was adopted.

The following resolution on Temperance was adopted:

Resolved, That it is the opinion of this Association that the frequenting of bar-rooms and drinking intoxicating liquors is a public offense against the Church and a demoralizing sin.

The Association then adjourned until 2 p. m.

THIRD DAY.—Afternoon Session.

The Association re-assembled at 2 p. m., and was called to order by the Moderator.

Prayer, by C. K. Hobbs.

The following resolution, submitted by J. G. Gregory, Reading Clerk, was unanimously adopted:

Resolved, That the sincere thanks of the Chowan Baptist Association are due, and are hereby cordially tendered to Ramoth Gilead Church and surrounding community for their kind and generous hospitality in entertaining us; also, to the Norfolk and Southern Railroad Company for reduced rates given to delegates and visitors attending this session of the Association.

The report on Sunday Schools was submitted through the Reading Clerk as follows:

REPORT ON SUNDAY SCHOOLS.

In submitting a report on Sunday Schools your committee would recommend that a greater effort be made to put into our schools efficient teachers, as this would bring better results. It is not the multiplication of schools we need so much, but more Godly, consecrated men and women at work in training the young for Christ and His service. The Roman dogma is, "Give me the child from five to seven years, and you may have him." This proves to us the importance of early training, and this training should be confined strictly to the Word of God, whose we are and whom we serve. It is useless for us to stop to discuss the importance of this work, when we take into consideration that most of our churches grow out of this work.

Respectfully submitted, N. P. Stallings,
For Committee.

Pending a motion to adopt, the report was discussed by J. G. Gregory, J. W. Cobb, W. N. Gregory, T. B. Boushall, Duncan McLeod, D. P. Harris and J. A. Spruill. The report was adopted.

It is ordered that the Clerk of the Association print and distribute the minutes in proportion to the Minute Fund contributed by each church, and the Clerk be allowed the usual amount ($25) for his services.

The following is a standing resolution of this Association:

Resolved, That hereafter the churches be requested to send to the Clerk of the Association the list of their delegates and alternates at least ten days before the meeting of the Association, that a roll of the body may be ready for call immediately on assembling.

(Adopted at the session of 1894, held with the church at Shady Grove.)

D. P. Harris was duly elected as the delegate from this Association to the next session of the Southern Baptist Convention, to be held in Savannah, Ga., beginning May 8, 1903.

John A. Shaw, W. H. Riddick and J. E. J. Warren were elected delegates to the next session of the Baptist State Convention, to be held in Durham, N. C., December 10, 1902.

The thanks of the Association were extended to the Moderator for his courteous and impartial rulings, and to the Clerk and Reading Clerk for their prompt and faithful services.

J. A. Spruill was elected as a member of the State Board of Missions and Sunday Schools.

The report of the Finance Committee was adopted. (See Appendix.)

The reports of the Committees on Church Statistics, Statistics of Benevolence, and Sunday School Statistics were adopted. (See Appendix.)

J. M. Forehand, Treasurer, submitted the

STANDING RESOLUTION OF REQUEST.

Resolved, That the pastors and deacons of the churches with which future session of this body may be held, be requested to prevent the sale of any article whatever on the church grounds during the session. That they also prevent the erection of tents or booths for taking pictures, and they secure similar prohibition as to the lands of citizens adjoining the church grounds.

(Adopted at the session of 1884, held with the church at Rockyhock.)

Constitution.

ARTICLE I. This Asociation shall be composed of white delegates, chosen by the churches of this body, and of all ordained ministers who are members of, or laboring in connection with said churches. Each church shall send a letter showing the number of members, those baptized, received by letter or restored, those dismissed by letter, excluded, and dead since last session.

ARTICLE II. The territory embraced in this Association shall be limited to the following counties, to-wit: Currituck, Camden, Pasquotank, Perquimans, Chowan, Gates, Washington, Tyrrell, Dare, Hyde and Beaufort.

ARTICLE III. The Association, when convened, shall be governed and ruled by parliamentary usage, as prescribed in Mell's Parliamentary Practice.

ARTICLE IV. The officers of the Association shall be a Moderator, Vice-Moderator, Clerk, Reading Clerk and Treasurer, who shall be elected annually.

ARTICLE V. Each church shall be entitled to a representation of three delegates to this body.

ARTICLE VI. Every motion made in due order and seconded, shall come under the consideration of the Association, unless withdrawn by the person who made it.

ARTICLE VII. The Association shall furnish the churches with a number of printed minutes of the Association, from time to time, proportionable to the moneys contributed from each church to the support of the Association fund.

ARTICLE VIII. We think it necesary to have an Association fund for defraying the expenses of the same, for the raising and support of which we think it the duty of each church in the union to contribute voluntarily such sums as they think proper and send by the hands of their delegates to the Association; and these moneys thus contributed by the churches shall be deposited in the hands of the Treasurer, who shall be accountable to the Association for all moneys by him received and paid out according to the directions of the Association.

ARTICLE IX. The minutes shall be regularly filed by the Clerk of the Association and kept for its use.

ARTICLE X. The minutes of the Association shall be read, and corrected if need be, and signed by the Moderator and Clerk before the Association rises.

ARTICLE XI. Orthodox and orderly churches shall be admitted to membership in this body on petition by letter and delegates.

ARTICLE XII. Amendments to this plan or form of government may be made by a majority of the union.

ARTICLE XIII. The Association shall have power—

1. To provide for the general union of the churches.
2. To give the churches all necessary advice in matters of difficulty.
3. To preserve inviolable a chain of communion among the churches.
4. To inquire into the cause why the churches fail to present themselves at any time in the Association.
5. To appoint any member or members, by and with their consent, to transact any business they shall see necessary.

6. To withdraw from any church in the union that shall violate the rules of the Association, or deviate from the orthodox principles of religion, after due measures are taken to reclaim such a church or churches, and they remain incorrigible.

7. To allow no delegate to leave the Association until final adjournment, without the permission of the body.

8. To admit any of the visiting brethren from other Associations, as assistants, who may be present.

9. To adjourn themselves to any future time and place they may think most convenient to the churches.

REPORT ON C. B. F. INSTITUTE.

Denominational schools, or the proper education of our young people, had their origin in a felt necessity. Education, in order to properly prepare men and women for the proper discharge of the duties of life, must have the religious, spiritual element dominating it, or it fails of its purpose. A clear-cut code of morals and a definite system of religion, as revealed in the Scriptures, are essential to the make-up of those elements of character which make a good citizenship. That citizenship which recognizes God as the only basis of character, and loving obedience to God's Commandments as the best means of serving our fellowmen, that alone makes a true

patriot. Patriotism has its best nursery in the Christian home, and is best cultivated and properly developed by Christian manhood and womanhood. This, for the future, depends largely if not entirely on what we shall make the womanhood of the present generation to be by our efforts to properly educate our young women who are very soon to take charge of the homes, and through these, in a large measure, are to shape the religious character, doctrines and ideals of people and churches.

This work of Christian education, so necessary for proper standards of citizenship, can best be done—is now best done—by denominational schools. This being true, our Baptist people must educate their children in their own schools and according to Scripture standards of teaching and practice.

The Baptists founded, in the past, our denominational schools of the means of self-preservation and of growth in numbers and in power for Christ. The growth in influence and numbers, the spread of our principles and the multiplying of Baptist homes and churches are to be credited very largely to the work and influence of these schools.

Chowan Baptist Female Institute, at Murfreesboro, N. C., has done its part of this work nobly and well. The work done by the Institute for fifty-five years of its history, in its influence on our present condition as a denomination and on the future of our growth and power, can not be measured. Its work for these fifty-five years speaks for itself. Its future will depend largely on the loyalty of its friends, for whom it has wrought a good work, and to whom it now appeals for patronage and help. It has just closed its fifty-fifth year. The session of 1902-1903 has been the most prosperous of its six years of the administration of Bro. John C. Scarborough, the President. The present boarding capacity was within a few pupils of being full. With the rate of increase in patronage for the past two years it will soon be necessary to enlarge its capacity for boarding pupils.

Very considerable repairs and improvements have been completed since the last meeting of this Association. A first rate system of water works has been put in and good water is now supplied by this system to every floor of the building. This adds greatly to the comfort of the inmates and the safety of the buildings.

A competent faculty—the best equipment for a school—has charge of the work of education committed to the Institute.

The committee desires to lay the Institute on the hearts and consciences of the Baptists of the Chowan Association. It is our school. We can help to make it what we wish it to be by taking it on our hearts and praying for its prosperity in broad Christian usefulness. We can give it the prosperity it deserves by giving it our sympathies and means and by sending to it our daughters to be educated.

J. B. Ferebee,
J. A. Spruill,
Committee.

The report was discussed by J. B. Ferebee, John C. Scarborough (President C. B. F. Institute), and A. B. Adkins, and then adopted.

The Association nominated the following brethren as Trustees of C. B. F. Institute, viz: T. R. Ward, Belvidere, N. C.; J. L. Savage, Mege, N. C.; J. R. Lassiter, Corapeake, N. C.; Albert Vann, Rich Square, N. C.; J. E. Vann, Winton, N. C.

REPORT ON THE ORPHANAGE.

In North Carolina the Orphanage work has made rapid strides since the year 1873, when Bro. John H. Mills established the first Orphan Home at Oxford. Like all other enterprises for good it had its foes as well as its friends. But from the very beginning it seemed that God smiled upon and blessed the efforts of His people in making the necessary preparation for helpless orphans.

The father and founder of this work was laughed at when he proposed to build a home that should be recognized as the orphans' home; but he struggled on, showing his determination to make some provision for the orphans until the people of God was awakened to a sense of duty and come to his rescue, and thus the first Orphanage was established in Oxford, N. C., in the year 1873.

In the year 1885, just twelve years later, good men, guided by the Divine Spirit, laid the foundation of what is known as the Thomasville Baptist Orphanage; and, to-day, this institution has more than one hundred thousand who are in sympathy with it.

We now have in this State eight of these institutions. In them all are to be found about one thousand children. Our Orphanage is caring for its share of this number. Seven of these are for white children and one for colored. The Baptist Orphange is supported mainly by voluntary contributions; hence the importance of keeping in touch with its needs, and in order to do this we should take the paper—*Charity and Children.*

There are at present 250 children at the Orphanage—the largest number at any time during its history.

Outside of the recent bequests that have been left it by the late Dennis Simmons and others, the property is worth about $50,000. The institution is run on an economical plan. Notwithstanding the number of children are just double what they were seven years ago, the force employed to run the institution is but very little larger. The entire cost of supporting a child at Thomasville is only $4.75 per month. This includes food, raiment, books, teachers' salary, etc.

So we must conclude that economy is the watchword of the institution. We believe that the Lord designed that the Orphanage should do the very work it has and is doing, viz., developing the grace of giving among our Baptist brotherhood in North Carolina. This, I think, is done by enlarging our sympathies and bring out the tender qualities of our *souls.*

Not withstanding the great work the Orphanage has done, is doing and will do in preparing the orphans for time and eternity, there has been and ever will be some who would hinder its progress. We should feel thankful for the loyalty of the loyal, because they have refused to listen to the slanderous reports and have stood by the Orphange through the years that are behind us. Doubtless it will have enemies in the future as it has in the past; but if its friends will show their fidelity as they have during the past the good work will go on.

May God, who lends the listening ear to the cry of even a little orphan, help every one who names the name of Christ, His Son, stand as a true friend when a cruel hand is raised against a helpless and dependent child.

Believing the time has come when our Association should do more than ever for the Orphanage, we recommend that the Association build a house costing $2,500 on the Orphanage grounds, to be known as the *Chowan* Building.

N. P. STALLINGS.

On motion to adopt, the report was discussed by R. R. Overby, N. P. Stallings, J. B. Boone (General Manager of the Orphanage), and C. A. G. Thomas.

The report was adopted.

It is moved and carried that the Chowan Baptist Association erect, within the next twelve months, a building at the Baptist Orphanage at Thomasville, N. C., to cost $2,500.

It is ordered that the Moderator appoint a committee of five to apportion the cost of the proposed building at Thomasville among the churches of this Association.

It is ordered that a collection for the Orphanage be taken tomorrow at 10:45 a. m.

REPORT ON MINISTERS' RELIEF BOARD.

This Board is located in the city of Durham. It was founded to give relief to our aged and indigent ministers. The salaries of our pastors are not more than sufficient to meet their daily needs. When old age comes on, or if ill health overtakes them, so that they are no longer able to preach, many of them would suffer were it not for the relief given them by the Board. Two-thirds of the amount contributed by the churches goes immediately to the beneficiaries of the Board, while one-third is invested as a permanent fund—the interest of which goes to the current fund. Several bequests have been made to this Board, which, together with the one-third reserved from the contributions, makes the permanent fund now $3,593.72. The Board is now giving aid to nineteen persons. Ten of these are worn out preachers, and nine of them are widows of preachers. These preachers wore themselves out in the service of the Lord, and died—leaving their families in destitute circumstances. There are others who need aid, and many of those now receiving help really need more than is given them. Let our churches take care of those who have given their lives to the Lord, and who, in the closing days of their lives, are in want.

JOSIAH ELLIOTT,
For Committee.

The report was adopted.

The Committee on Hospitality assigned homes to the delegates and visitors.

The Association then adjourned, to meet again to-morrow at 9:30.

Benediction by Livingston Johnson.

SECOND DAY—MORNING SESSION.

The Association reassembled at 9:30, J. E. J. Warren, Moderator, in the chair.

Devotional exercises were conducted by J. N. Booth, who read the 23d Psalm. Prayer by Duncan McLeod.

J. W. Rose was allowed time to make a statement in regard to Robersonville church.

G. L. Merrill made request for assistance to complete a church building in the Tar River Association.

REPORT ON MINISTERIAL EDUCATION.

The Board of Education located at Wake Forest, has stood side by side and has worked hand in hand with our State Mission Board from the beginning of our organized work in North Carolina. The one is the West Point and the Annapolis; the other is the army and the navy in active warfare. It is safe to say that the inroads on our Baptist hosts in Western North Carolina is due to inefficient leadership more than to any other one cause. The ignorance and the indifference as to our Lord's work in the world on the part of so many of our people may be traced largely to the same cause. The greatest need with us for some time has been Baptists that weigh as well as count. Development, enlargement, and forward are the watchwords of the hour. The key to the whole situation is very largely in the hands of the pastors. The Board of Education has had and still has its eyes on this situation, and is doing what it can to meet it. The brethren in charge of this work beg that the churches will give them intelligent sympathy and hearty cooperation in the work which has been committed to them. Your committee would urge upon pastors and parents the importance of keeping the ministry before our boys and young men in its proper light, and of praying to God that He would lay His hand on many of the brightest and best of them for this special work.

The Board has added 47 during the session which is now closing. Of this number two are from the Chowan Association. The Secretary of the Board reports that he had to borrow $500 in April to meet his accounts, and the accounts for May will be due next week and not twenty-five dollars in the treasury with which to meet them. Will not the churches of the old Chowan rise up and meet the expenses of the Board for the present month?

W. P. JORDAN,
For Committee.

The report was discused by W. P. Jordan and W. R. Culiam, Secretary Board of Ministerial Education.

Pledges were taken and the report was adopted.

The Moderator appointed J. M. Forehand, T. B. Boushall, T. R. Ward, E. J. Freeman and H. A. Litchfield a committee to apportion the expenses of the "Chowan Building," to be erected at the Orphanage.

On motion, C. A. G. Thomas is requested to discuss State Missions at the stand in the grove while the same subject is being discussed in the church.

A cash collection of $31.39 was taken for the Baptist Orphanage.

The following Standing Committees were appointed by the Moderator, viz:

On State Missions—W. A. Ayers, Duncan McLeod, A. F. Rountree.
On Home Missions—W. P. Jordan, J. A. Shaw, C. B. Garrett.
On Foreign Missions—J. N. Booth, W. R. Carawan, E. S. Norman.
On Ministerial Education—W. B. Waff, R. R. Overby, H. A. Litchfield.
On Baptist Orphanage—J. B. Ferebee, G. W. White, E. H. Eure.

W. S. Bartlett, E. Bunch and Edward Pearce were appointed a Committee on Time and Place and Preacher for the next session of this body.

REPORT ON STATE MISSIONS.

State Mission work is no doubt the work that is closest to the hearts of North Carolina Baptists. We are called upon almost every day to learn in one way or another of the needs of those who live nearest to us. God has in His wisdom placed this work right at our door, and when we give attention to it our hearts go out in deepest sympathy for this work, for it is the work of helping our neighbor. It is the heroic work of all North Carolina. It is the starting point of all missionary zeal and effort, and hence the beginning of world-wide evangelization. Indeed, when God said, "Go ye into all the world," there was a beginning at Jerusalem, and then a radiating to the uttermost parts of the earth. The great moral and spiritual forces, as well as the life of our denomination, are largely gathered about our State Mission work. We are glad to report the increased interest of the churches in this work. The pastors all over the State are endeavoring to train their churches and get them to realize the immensity of the task, and yet labor of love, which is before them.

Every effort is being made to get each and every Baptist in the State to feel that there is a work for him to do, and that God looks to him to make sacrifices, to give of his money, and in every way possible to aid in planting the truths of His blessed Gospel in every destitute part of North Carolina. Last year (December) at Durham our worthy Secretary reported $23,674.35 as the actual receipts for State Missions. Ten years ago we reported about $14,000 for State Missions, showing that in ten years we have practically doubled our contributions to State Missions. Sometimes we feel alarmed at the indifference of many of our church members, but a careful study of the churches to-day shows that they are in a vital condition. North Carolina Baptists will not suffer much longer to be placed low in the list, but they are rapidly pressing to the front. Our hearts are touched as we look upon the needs of our Eastern counties. The Eastern, the Neuse, and the Atlantic Associations are being thought of and prayed over and worked for more to-day than ever before.

We have good and faithful men of God at work on those fields, and they are sacrificing everything to give to those people the gospel of the New Testament. There are only a few of the churches in all this Eastern section that are self-sustaining. So it devolves upon us to come to their rescue.

The central part of North Carolina is burdened with the thought of how to provide for the religious training and development of the people who operate in its numerous factories. These operatives are for the most part Baptists and they must be cared for. Then, in the mountains of North Carolina we have grave problems confronting us. But the great religious and educational movements of that part of our State are being felt. There is perhaps west of the Blue Ridge school property worth more than $50,000; and in these schools nearly 2,000 pupils are being trained.

Many school teachers of North Carolina are spending their summers teaching in destitute parts of the State and without pay for their services.

We are printing tracts, sending out literature, and trying to establish Sunday Schools at every available point. So we need the help of every Baptist in this forward movement.

We have practically advanced fifteen hundred dollars in the amount to be raised for State Missions. While we are operating on a basis of twenty-five thousand dollars, by a resolution passed in our Convention at Durham, we receive fifteen hundred less from the Home Board than we did last year. This will cause us to raise fifteen hundred in the State more than we did last year, so that it is equivalent to working on a basis of $26,500. While we have gone forward grandly on Home and Foreign Missions, not a word has been said or written on State Missions since our Convention in Durham. Because of this fact we are somewhat behind in our receipts for the corresponding time last year.

Respectfully submitted,

D. P. Harris,
For Committee.

On motion to adopt, the report was discussed by D. P. Harris, Livingston Johnson (Corresponding Secretary Baptist State Convention), and Duncan McLeod.

The roll of churches was called and pledges taken for State Missions.

The report was adopted.

The Association adjourned to 2 p. m.

Benediction by A. W. Burfoot.

SECOND DAY—Afternoon Session.

At 2 p. m. the Association reassembled and was called to order by the Moderator.

E. S. Pierce led in prayer.

The minutes were read and approved.

REPORT ON FOREIGN MISSIONS.

Never before in the history of our Southern Convention have there been such grand forward strides in Foreign Mission work as in the past year. In the home land enthusiasm and contributions never ranged so high. On the foreign fields the effects of the work were never so good and baptisms were never so numerous. In all six of the foreign fields there have been glorious advances along all lines.

China.—In China, our oldest field, we now have 29 churches, 74 out stations, 63 missionaries, 79 native helpers; a membership of 3,401, 663 of which were baptized last year. Contributions of these churches amount to $3,167.48. There are two other features of the work there which are destined to do great good, namely, the Publication Society and the Theological Training Schools.

Africa.—In Africa we have 7 churches, 5 out stations, 10 missionaries, 21 native helpers; baptisms, 106; membership, 544; contributions, $1,184.66. We also have a Theological Training School in Africa.

JAPAN.—In Japan we have 5 churches, 8 out stations, 12 missionaries, 12 native helpers; 30 baptisms; membership, 120; contributions, $157.40.

ITALY.—In Italy we have 25 churches, 37 out stations, 4 missionaries, 27 native helpers; 60 baptisms; membership, 661; contributions, $1,200.

Dr. Whitinghill is head of our splendid Training School in Italy.

MEXICO.—In Mexico we have 43 churches, 32 out stations, 17 missionaries, 19 native helpers; 135 baptisms; membership, 1,251; contributions, $1,112.90.

BRAZIL.—In Brazil we have 48 churches, 75 out stations, 21 missionaries, 34 native helpers; 796 baptisms; membership, 2,903; contributions, $1,121.

INCREASE.—It ought to thrill all of our hearts with joy as we note the fact that there has been an increase in our work—first, of about eighteen new missionaries, appointed and sent out together. Some have not yet gone, having been only recently appointed. One of the supreme needs of the Board to-day is workers. Let us pray that many more may be sent out this year. An increase of 21 native helpers, churches 18, baptisms 361, membership 1,059, contributions of Southern Baptist Convention $45,083.13.

While we all thank God for what has been accomplished during the past year, let us also remember that there is before us the greatest opportunity which the churches of Christ have ever witnessed. The war clouds have passed away and nominal peace and harmony prevails. The nations are open to us. The heathen are listening with attentive ear. Surely Christ is fulfilling His promise, "Lo, I am with you." But what shall the churches do in the face of this great opportunity? Shall we glorify Christ in this generation through the conversion of thousands who now sit in darkness, or like the disobedient and rebellious Israel of old shall we refuse to take the land and thus be turned back into the wilderness of sin to die an ignoble death? The answer lies with our pastors and churches. May the pastors join hands in an effort to get all the members of all of our churches to make an offering to this supreme work of God's people. We pastors are disloyal to our trust if we fail to lead our people into missionary thought and endeavor, and the churches are missing the object for which they were left in the world if they fail to hasten to the lost with the message of life.

The Board has called for $300,000 this year. North Carolina's part is $20,000. We can raise it easily if we will. Let us all pray God to give us the will and the work will be done.

(Signed) W. A. AYERS,
JOHN A. SHAW.
E. S. NORMAN.

W. A. Ayers and J. N. Booth spoke on Foreign Missions.

Pledges were taken for Foreign Missions, and the report was adopted.

Announcement was made that Brother W. E. Wright would immediately preach at the stand in the grove.

It is ordered that a cash collection be taken at once for the Board of Ministerial Education. Eleven dollars and forty-six cents was the amount received.

REPORT OF COMMITTEE ON PERIODICALS.

"Knowledge is power," and if our people would be strong to carry forward the banner of our King, they must be informed as to the objects of the various movements and the ends sought to be attained by them. Discussions are to be desired because they bring the information in a degree and to a limited number of our people. But however valuable they may be, still your committee holds that by reason of the greater number reached and the regular visits of the periodicals, thus gaining more frequent opportunities to disseminate information, they are far more powerful agencies for information than any others. How important, then, that our periodicals shall be carefully selected, that the power gained by reading may be directed in the proper channels.

For general information along denominational lines in North Carolina we recommend the *Biblical Recorder*, which stands for progress—Spiritual, Moral and Intellectual. We further recommend *Charity and Children*, published by our Orphanage at Thomasville, furnishing information as to the work, needs and accomplishments of our great work of caring for the fatherless, as well as much other wholesome reading matter. We also recommend the *Foreign Mission Journal*, which, as its name implies, gives information as to our Foreign Mission work.

Respectfully submitted,

JAMES G. GREGORY,
L. W. NORMAN,
Committee.

The report was discussed by J. S. Farmer, R. R. Overby, E. S. Pierce, J. G. Gregory and J. W. Rose, and adopted.

Announcement was made that J. W. Rose would preach in the church at Woodville to-night at 8 p. m.

Committee on Time, Place, and Preacher reported as follows:

We, the Committee on Time and Place for the next meeting of the Chowan Association, submit the following: Tuesday after 3d Sunday, May 1904; place, Edenton; D. P. Harris to preach the introductory sermon; alternate, R. R. Overby.

Respectfully submitted,

W. S. BARTLETT,
E. BUNCH,
EDWARD PEARCE,
Committe.

The report was adopted.

REPORT ON TEMPERANCE.

Joshua Billings said that "A quart of mean liquor, and the meaner the better, would do more work for the Devil than the best agent he had." That the use of intoxicating liquors as a beverage is a curse to the world no one can truthfully deny. Its introduction into the purified world after the flood brought shame and disgrace and a curse to the human family, and this curse has been deepening and broadening ever since. God has made the church the custodian of that which is pure and holy; therefore, it must be opposed to that which is impure and unholy, for "What fellowship hath righteousness with unrighteousness? And what concord hath Christ with Belial?" The use of alcoholic stimulants debilitates the body, debauches the morals, and damns the soul. It furnishes material for our criminal courts, fills our prisons, asylums, and poor houses.

With such an array of facts before us can any one claiming to be a disciple of the Lord Jesus, affords to make, buy, sell, or use the accursed stuff? Nay, more, can he afford not to oppose it with all the fervor of his being? We would therefore urge that every church in the Chowan Association, and every member in each church discountenance the manufacture, sale, and use of alcoholic stimulants as a beverage. "Awake, awake; put on thy strength, O, Zion," and relegate this damnable evil to the regions of oblivion.

Respectfully submitted,

DUNCAN MCLEOD.

The report was discussed by Duncan McLeod.

On motion further discussion of the report was postponed to 9:30 a. m. to-morrow, after which, upon motion, the meeting adjourned with benediction by Bro. W. B. Waff.

THIRD DAY.—MORNING SESSION.

MAY 21, 1903.

Devotional exercises were conducted by Bro. E. S. Pierce, who read from Col. 3d chapter. Prayer by J. W. Rose.

The minutes were read and approved.

Report on Temperance was further discussed by E. S. Pierce, N. P. Stallings, and R. R. Overby, after which the report was adopted.

Bro. Duncan McLeod asked consent to present the following resolution.

WHEREAS, It has been suggested that it would be expedient to organize an Association south of the Albemarle Sound,

Therefore, be it resolved, That in the event of the plans maturing prior to the next meeting of the Chowan Association, that the Moderator and Clerk be empowered to grant letters of dismission to such churches lying south of the Albemarle Sound which make application for the purpose above mentioned.

DUNCAN MCLEOD,
H. A. LITCHFIELD.

After discussion by Bros. McLeod, T. B. Boushall, and W. A. Ayers the resolution was adopted.

REPORT ON HOME MISSIONS.

Our Home Mission work continues to move forward, but at a much slower pace than the needs of the work call for. The work grows in greatness and in importance every year. Foreigners are now flocking to the south and southwest; our cities are growing rapidly, and more and more becoming hot-beds of vice and immorality; wonderful development is taking place, and the need of the gospel is imperative.

For convenience the work is divided into six departments: work among the Negroes, among the foreigners, among the Indians, the work in Cuba, the work among our own white people, and the church building department.

A small work is being done among the Negroes. Part of it is the co-operative work as carried on in this and a few other states. The

Negroes, however, are showing a disposition to do their own work, and the Board is trying to encourage and help them do this by uniting with their Convention in the support of some of their own missionaries. Good work is being done in this way.

The work among the Indians of the Indian Territory is principally one of development, they being largely Christianized.

The work among the foreigners has been enlarged this year by the appointment of three new missionaries: one to labor at the piers of Galveston, Texas, among the immigrants as they land, and do a work among them like that done by Miss Buhlmaier at Baltimore.

A new German missionary has been appointed in Baltimore, and a general missionary to the Swedes of Missouri. Our Secretary says, "The inability of the Board to increase the work among foreigners is painful. Immigrants are settling our west and southwest in vast numbers, and our workers among them are too few."

The work in Cuba is progressive and hopeful. We have eleven male missionaries laboring there now, and four women who are teaching and doing mission work in connection with their churches. While the preaching force there needs to be increased the greater need just now is the means with which to build houses of worship for the churches which are there.

The largest work of our Board is that among our native white population, especially in the mountains, in the cities, and on the frontier. There is great destitution in many of the states, especially in Mississippi, Louisiana, and Texas, which the combined efforts of our Home Mission Board and the State Boards cannot supply. Twice the entire sum expended by our Board could be wisely spent in this one department of its work.

The church building department has not attracted that attention which it deserves. The Board has a church building fund and lends money to weak and struggling churches to help them and to encourage them to help themselves in building their houses of worship, and when the churches get strong enough they pay the money back to the Board. The importance of this work is not appreciated as it ought to be.

The following summary, so far as figures can do so, will give us some idea of the work of the Board for this year:

Missionaries employed, 671; weeks of labor, 42,355; churches and stations occupied, 3,133; sermons and addresses, 85,335; prayer meetings held, 12,232; religious visits, 163,587; baptisms, 8,969; received by letter, 9,716; total additions, 18,685; churches constituted, 127; houses of worship built and improved, 280; Sunday schools organized, 494; bibles and testaments distributed, 17,903; Tracts distributed, (pages), 3,044,888.

The receipts from regular sources for this work this year have been $108,661.59, and for the building and loan fund, $1,460.45. A total gain over last year of $9,671.75.

We are glad to note an increase of $1,700 in the contributions of our own state.

O, that all of our people could see this work as our leaders see it: its greatness, its importance, the opportunity that lies before us and the responsibility which it brings, and be led thereby to pour their offerings into the Lord's treasury that this work might be enlarged as it needs to be and our Southland and Cuba be saved from the perils that threaten them. Brethren, let us go forward.

Respectfully submitted, W. B. Waff.

Report was discussed by J. N. Booth and J. W. Rose, after which the roll of churches was called and pledges taken.

The report was adopted.

REPORT ON SUNDAY SCHOOLS.

In answer to the question "What is the greatest hope for the future of our denomination and the world?" one of well-trained and thoughtful mind said, "A thoroughly equipped and trained youth of to-day." There is no work of the churches which looks to the future with more of hope for the kingdom of God than that of the Sunday school. It is here that first impressions are given. It is here that a knowledge of God's word is imparted. It is often here that efficiency for future service in the Master's kingdom is acquired. But with all this the Sunday schools is not merely a place for children but for all the church. In the language of Spillman, "It is the teaching service of the church." Our parents are disloyal to their highest trust if they shift the religious training of their children on other shoulders. All the members of our churches ought to be induced to greater activity in this work which stands largely either for the life or death of our churches.

Respectfully submitted, J. E. COPELAND.

J. E .Copeland, E. S. Pierce, and J. S. Farmer discussed the report on Sunday Schools, and the report was adopted.

Respectfully submitted, J. M. Forehand, *Treasurer.*

The Treasurers report was adopted.

It is ordered that the Clerk be allowed the usual amount ($25) for his compensation per annum, and that he have the minutes printed and distribute the same in proportion to the minute fund contributed by each church.

The following is a standing resolution of this Association:

Resolved, That hereafter the churches be requested to send to the Clerk of the Association the list of their delegates and alternates at least ten days before the meeting of the Association, that a roll of the body may be ready for call immediately on assembling.

(Adopted at the session of 1894, held with the church at Shady Grove.)

C. W. Duke was duly elected as the delegate (D. P. Harris, alternate) from this Association to the next session of the Southern Baptist Convention, to be held in Nashville, Tenn., beginning May 13, 1904.

J. M. Forehand, A. F. Rountree and W. N. Gregory were elected delegates to the next session of the Baptist State Convention.

A letter was read from C. W. Duke, bespeaking the good will and endorsement of the work of building a house by Blackwell Memorial church, and, after discussion, the endorsement of the Association is given.

The Association, after fraternal exchange and singing "Blest be the tie that binds," adjourned to meet with the church at Edenton, on Tuesday after the *Third Sunday* in May, 1904.

J. E. J. Warren,
Moderator.

Lycurgus Hofler,
Clerk.

"The summaries of literature he prefaces to each division are admirable. His work is, in short, a 'manual,' drawn with great industry, impartiality, and devotion."—TALCOTT WILLIAMS, LL. D., in *Book News.*

"A well arranged manual closely packed with the essential facts of church history expressed in lucid English, and the fact of clear and simple expression cannot be too highly commended."—J. W. MONCRIEF, in *American Journal of Theology.*

"It would be hard to find a work on church history that could be so heartily recommended to the average pastor and layman, and yet would be so useful as a text book in connection with class work. The American Baptist Publication Society

Was established by the denomination to provide Baptists with the books, tracts, and periodicals needed in their church and Sunday School work and which may be required for the home and for the individual Christian, whether minister or layman. We have now on our list hundreds of books and tracts adapted to all classes of readers, and Sunday school periodicals which are not excelled by those of any other publishing house. We have also, both at our headquarters in Philadelphia and at our branch houses in Boston, New York, Chicago, St. Louis, Dallas, and Atlanta, the issues of all reputable publishers, which we offer at as low rates as can be secured elsewhere

We shall be pleased to send catalogues of our publications and sample copies of our Sunday school periodicals, free of expense, to any one requesting them.

All the net profits made by us on sales go into our missionary work and thus aid us in placing Baptist books and literature in the hands of destitute and struggling interests or in advancing Baptist views of truth where these are now either unknown or misunderstood. Every order sent us means more denominational growth. Every order sent an undenominational house means nothing for Baptists. We hope that all will take their duty to their own Society into earnest consideration and that we may have the cordial and constant co-operation of all Baptists in the great work given us to do.

Standing Resolutions of Request.

Resolved, That the pastors and deacons of the churches with which future session of this body may be held, be requested to prevent the sale of any article whatever on the church grounds during the session. That they also prevent the erection of tents or booths for taking pictures, and they secure similar prohibition as to the lands of citizens adjoining the church grounds.

(Adopted at the session of 1884, held with the church at Rockyhock.)

CONSTITUTION.

Article I. This Association shall be composed of white male delegates, chosen by the churches of this body, and of all ordained ministers who are members of, or laboring in connection with said churches. Each church shall send a letter showing the number of members, those baptized, received by letter or restored, those dismissed by letter, excluded, and dead since last session.

Article II. The territory embraced in this Association shall be limited to the following counties, to-wit: Currituck, Camden, Pasquotank, Perquimans, Chowan, Gates, Washington, Tyrrell, Dare, Hyde and Beaufort.

Article III. The Association, when convened, shall be governed and ruled by parliamentary usage, as prescribed in Mell's Parliamentary Practice.

Article IV. The officers of the Association shall be a Moderator, Vice-Moderator, Clerk, Reading Clerk and Treasurer, who shall be elected annually.

Article V. Each church shall be entitled to a representation of three delegates to this body.

Article VI. Every motion made in due order and seconded, shall come under the consideration of the Association, unless withdrawn by the person who made it.

Article VII. The Association shall furnish the churches with a number of printed minutes of the Association, from time to time, proportionable to the moneys contributed from each church to the support of the Association fund.

Article VIII. We think it necessary to have an Association fund for defraying the expenses of the same, for the raising and support of which we think it the duty of each church in the union to contribute voluntarily such sums as they think proper and send by the hands of their delegates to the Association; and these moneys thus contributed by the churches shall be deposited in the hands of the Treasurer, who shall be accountable to the Association for all moneys by him received and paid out according to the directions of the Association.

Article IX. The minutes shall be regularly filed by the Clerk of the Association and kept for its use.

Article X. The minutes of the Association shall be read, and corrected if need be, and signed by the Moderator and Clerk before the Association rises.

Article XI. Orthodox and orderly churches shall be admitted to membership in this body on petition by letter and delegates.

Article XII. Amendments to this plan or form of government may be made by a majority of the union.

Article XIII. The Association shall have power—

1. To provide for the general union of the churches.
2. To give the churches all necessary advice in matters of difficulty.
3. To preserve inviolable a chain of communion among the churches.
4. To inquire into the cause why the churches fail to present themselves at any time in the Association.
5. To appoint any member or members, by and with their consent to transact any business they shall see necessary.
6. To withdraw from any church in the union that shall violate the rules of the Association, or deviate from the orthodox principles of religion, after due measures are taken to reclaim such a church, or churches, and they remain incorrigible.
7. To allow no delegate to leave the Association until final adjournment, without the permission of the body.
8. To admit any of the visiting brethren from other Associations, as assistants, who may be present.
9. To adjourn themselves to any future time and place they may think most convenient to the churches.

PROCEEDINGS.

The report on Sunday Schools was submitted through the Reading Clerk, as follows:

SUNDAY SCHOOLS.

Although many generations have come and done their life's work and passed on to their rewards, even since the Sunday school work has been looked upon as well organized and doing a great work, yet, we, as we see our opportunities to-day, feel that we are but in the beginning of this work. The latent forces in our churches and Sunday-schools are tremendous, and the Pastors are making every effort together with our noble superintendents and teachers, to bring these undeveloped forces into harmony, activity and power for service in the Master's kingdom. Our best work is just now in its infancy. We have broadened our views of the importance of the Sunday School to our National Christian and denominational life. It has been carefully observed, and the observation reported to the last session of the Baptist State Convention, that the mission fields that had Sunday schools reported nearly twice as many conversions as the fields without Sunday schools. Upon the Christian culture of our children depend the life of our institutions, our purity, our prosperity and our homes. The Christian home and Sunday-school offer the finest field of endeavor to those who desire to enrich both time and eternity and leave a legacy of blessing to those who follow. If we as a nation are to hold the balance of power and bring richer blessings to the world, it must be done by wise heroic service which while it conquers a world, teaches our children to the life of righteousness that alone gives any people an abiding, yet growing power.

Our hope in the future is based not upon armies and navies, nor upon legislative wisdom and diplomatic skill, but upon the united moral and spiritual forces contributed by Christian homes and Sunday schools. We feel justly proud of the work of our leaders in the past, but with clearer vision and a brighter prospect we press on into a mighty future. We have as a leader in Sunday school work in our State one of the best adapted men in our forces. With Bro. Hight C. Moore, then, as leader we may safely make the effort that our Father demands we should make. We need more Sunday school rallies, conventions, institutes, etc., to vitalize the Sunday school feature of church life. Therefore let us as pastors and people who undertake to lead souls to Christ recognize the place of the Sunday School in our Master's vineyard.

We recommend,

1. That we as an Association approve the plan adopted by the Board of Missions and Sunday Schools for the prosecution of the Baptist Sunday School work of the State.

2. That all of our churches be requested to report the Sunday-school statistics so that the table for the same provided in our Minutes may be full and complete.

3. That there be appointed annually, by the Association, a committee on

Sunday schools to look after the interests of the Sunday school work in the Association.

4. That the mid-summer fifth Sunday meetings of each year be devoted to a discussion of Sunday Schools and that the programme for this meeting be provided by the Sunday school committee of the Association.

5. That the Sunday School committee shall provide annually for such Sunday school institutes and rallies as may be practicable.

6. That all of our churches be requested to make an offering for our State Sunday School work during the month of June of each year.

Respectfully submitted,
D. P. HARRIS,
For Committee.

REPORT ON MINISTERS RELIEF BOARD.

Your committee to report on the Ministerial Aid Board, report the following: The Board is located at Durham. Its object is to relieve the poverty, distress and want of the old and infirm of God's aged ministers—men who have hazarded their lives, and given of their means to sustain the preaching of God's word in destitute sections. These men having sacrificed health, and means now in their old age look to this board for help, for food and clothes.

This Board looks to the churches for the means to help these servants of God, and appeal to you delegates to lay this matter before churches of which you are members. May God lay this matter on your hearts. So that the needs of these men may be met, and each old servant of God be taken care of until they pass over the river.

Respectfully submitted,
S. F. BRISTOW,
For Committee.

The report was discussed by S. F. Bristow, Dr. C. P. Bogart, E. I. Sawyer, T. G. Wood, Josiah Elliott, John C. Scarborough, J. N. Booth and then adopted.

It is ordered that Article I of the Constitution of the Chowan Baptist Association be amended by inserting the word "male" after the word white and before the word delegates, in line one.

It is ordered that a committee of three be appointed to arrange for a fitting celebration of the Centennial of the Chowan Association at its next and 100th annual session to be held in May, 1905.

The Moderator appointed C. A. G. Thomas, W. A. Ayers and J. B. Ferebee, a committee on order of business for the Centennial Session of this Association.

The Association then adjourned with prayer by L. M. Curtis.

FIRST DAY—EVENING SESSION.

At 8 o'clock, the Association re-assembled, J. E. J. Warren, Moderator, in the chair.

Prayer by T. T. Speight.

The Reading Clerk submitted the report on C. B. F. Institute.

CHOWAN BAPTIST FEMALE INSTITUTE,

has just closed the most prosperous session for the past 12 years. Our boarding pupils numbered 75 and our day pupils 26 making a total of 101.

The health of the session was good except the general prevalence of La Grippe. No case however among the pupils serious enough to require the services of a Physician. We have a faithful, well qualified and efficient faculty of eleven members including the President. No better session's work has ever been done at the Institute than the one just closed. We graduated on our commencement day May 11th, 1904, eight young women, worthy and well qualified. These go out to join the Lord's workers for the world's betterment, through consecrated educated womanhood. They are all Christian girls and each a member of a Baptist church. Every one of them will be a helper and not a hinderer in the work of her church. The graduates of the Institute stand now and will continue to stand among the best equipped teachers and workers for the uplift of humanity and the glory of God. The course of Study is being constantly improved and enlarged. It is already a broad and efficient course taking four years to complete the full course after entering the college classes. Our preparation department is a first class, preparatory school taught by the same teachers who teach the collegiate classes. A girl or young woman is required to be thoroughly prepared before entering the Collegiate classes. This is the Lord's work and we desire to lay it on the hearts and consciences of our brethren in this Association. The Institute is the property of the Chowan and the West Chowan Associations. It is worthy of the best efforts and best gifts of our brotherhood. The Denomination of Christians neglecting the education of its people for efficiency of service and consecration of life to Christ will lose ground in direct proportion to this neglect. God lays upon His people the work of Christian Education for our daughters as well as our Sons. We dare not neglect it. If we do we fail in our duty to Him and to our children.

The Trustees at the recent commencement took a long step forward in determining and ordering better equipment and more room for pupils. The brethren and sisters, mothers and fathers of our Baptist girls, are turning their hearts to Chowan Baptist Female Institute. The next session will open, judging from present indications, with considerable increase in numbers. Will the Chowan Association come to the help of the old mother school for our girls, with their girls, for its better equipment, and larger capacity for taking care of the girls sent to it for Education?

May the Lord help us all to meet and discharge the duties of the hour to the education of our young women in our own school.

Respectfully submitted,

C. W. DUKE,

N. P. STALLINGS,

Committee.

John C. Scarborough, T. G. Wood and L. M. Curtis addressed the Association and the report was adopted.

C. A. G. Thomas, Josiah Elliott and Lycurgus Hofler were appointed a committee to suggest a plan to be considered by the Association for raising the desired amounts for the enlargement and better equipment of the Chowan Baptist Female Institute.

And then, after the benediction by S. F. Conrad, the Association adjourned to meet again on to-morrow at 9:30 a. m.

SECOND DAY—MORNING SESSION.

Edenton, N. C., May 18, 1904.

The Association met at 9:30 a. m. Devotional exercises were conducted by Josiah Elliott who read the 13th chapter of 1st Corinthians.

At 10 o'clock the Moderator called the Association to order.

The minutes of yesterday were read, corrected and approved.

The report on Ministerial Education was submitted as follows:

REPORT ON MINISTERIAL EDUCATION.

This is an age of progress along educational as well as other lines; and the need of an educated ministry was never so great as at the present. One of the primary objects for which Wake Forest College was founded was to educate young men called of God to preach the Gospel, and approved by the churches. The Education Board which has charge of this work is appointed every year by our Baptist State Convention and is composed of thirty of our wisest and best men, only five of whom are preachers; men who have at heart the cause of Christ and the interests of our denomination. The duty of the Board, so far as the churches by their contributions enable it do so, is to assist promising and indigent young ministers to prepare themselves for their great work.

The one specific object for which our Lord commanded his people to pray, Matt 9:38, still needs emphasis. The ministry needs choice men, and parents, pastors and churches should turn their attention and prayer to this matter. We are glad to note, in the report made to the Convention last December, an increase in contributions to this work. This is as it should be, only the increase ought to be larger. This object has not grown in proportion to other objects and in proportion to its importance. It is high time our people were waking up to the need and the importance of this work; a work that has been signally blessed of God. Forty young men were aided by the Board during the session now closing, two of whom are from this Association. The Secretary is trying to close the session without debt. He still needs about one hundred dollars in order to do that. He would like to know what this Association will do by the first of June.

We recommend that our churches increase their offerings to this department of the Lord's work.

Respectfully submitted,

W. B. WAFF,
R. R. OVERBY,
H. A. LITCHFIELD,
Committee.

W. R. Cullom, Secretary of the Board of Ministerial Education, addressed the Association and then the report was adopted.

THE ORPHANAGE REPORT.

Since the year 1885, when our Thomasville Orphanage was established, a wonderful work has been done. More than 800 children have found refuge within its walls, and numbers of these are now valuable and progressive citizens, and great factors in the development of the Commonwealth.

From one or two small cottages in the first memorable year of its life, the institution has grown into large and substantial proportions. The property of the Orphanage, including the bequests which it has received, is estimated to be worth at least $150,000, and more than ever before our brethren whom the Lord has blessed with means are turning their eyes toward Thomasville as a suitable place to invest a part of what the Lord has entrusted to their care. For several years the growing importance of an abundant supply of pure water has engaged the serious attention of the Board of Trustees, who were warned by the Orphanage physician that the springs which have furnished the institution with water for seventeen years would no longer do to rely upon. First a large well was dug, and afterward another; but both proved inadequate to the demand. A little more than a year ago the boring of a well through the granite rock which underlies the Orphanage grounds was begun. It involved a large outlay, but after reaching a depth of 876 feet a "gusher" was struck, which has settled the water question for all times. The quality of the water is of the best and the supply is sufficient to meet the demands of a city. For the goodness of the Lord in giving us this great abundance of pure water we have every reason to be grateful.

A new building, erected by Mr. John C. Whitty, of New Bern, in memory of his daughter Rowena, has just been opened. This makes the eighth family at the Orphanage. The others are: The Biggs and Mitchell homes, and the Fleming Nursery for Girls, and the Durham, Watson and Mothers' houses, and the Dennis Simmons Nursery for Boys. The Orphanage is governed by a Board of Trustees composed of eighteen honored brethren representing the different sections of the State. They are self-perpetuating and have no official connection with the Baptist State Convention. Since the last Association one of these brethren, Mr. E. Frost, of Davie County, has been called to his reward. He was ever a loyal and zealous friend of the Orphanage, and his hand was ready and his heart open to its call.

The cost of maintaining a child is a little less than $5.00 a month; and this includes, not only the board and clothing of the child, but all the salaries of all the employees. We commend these figures to those who are disposed to complain of extravagance in the administration of the Orphanage. If they do not silence them nothing can. A fairly good farm, prudently managed by Mr. S. H. Averitt, the treasurer and farmer, adds considerably to the revenues of the institution. A shoe-shop, conducted by Mr. V. Wilson, affords a fine opportunity for several boys to learn a useful trade, and saves quite a neat sum which heretofore was paid out for shoes; a machine shop is in operation, which it is hoped will soon become a revenue-producer, and which also opens up a trade for the boys, and Charity and Children, the Orphanage paper, with a bona fide circulation of 9,000, turns over to the treasury annually from $1,000 to $1,500 after all its running expenses are paid, and under the skilful training of Mr. N. B. Moore, the foreman, offers a number of boys the opportunity of becoming self-supporting and independent.

There are about 300 children now under the care of the Orphanage. There will be others as fast as room is provided. Not a dollar of interest arising from invested funds can be used for current expenses; that is, for meat and bread and clothes for the children. All this expense must be met from the contributions sent up by the Churches; so that instead of being relieved of our obligation, the splendid bequest left the Orphanage only increases our

obligations and throws the support of the children more heavily upon our shoulders and our hearts.

Shall we not bid the Orphanage go on its glorious way? Shall we not strengthen its arms of love and mercy as they are thrown around the waifs and straylings of our dead brethren? The only way in which we can answer these questions is to rally to the support of the Orphanage and enlarge our contributions to meet its enlarged demands.

J. B. FEREBEE, Chairman.

On motion to adopt, the report was discussed by J. B. Ferebee, John C. Scarborough and C. A. G. Thomas. The report on the Orphanage was postponed—to be taken up again during the session.

C. A. G. Thomas submitted the

REPORT ON PERIODICALS.

Religious papers are not luxuries, but necessary things of life in this age. No one can be counted well-informed who does not take a religious paper. No one can keep in touch with his denominational work and the progress of the Lord's kingdom in the world without one or more of these papers in his home.

The Biblical Recorder, as the organ of the Convention, stands first. It has no superior as a denominational paper, and stands for the Convention in every issue and with all its interests at home and abroad.

The North Carolina Baptist is endorsed by our Convention as worthy of recognition in the State. It is the best distinctively denominational dollar paper in the South. It was one of the pioneers in Temperance work and has been a helper in the moral and religious development of our people.

Charity and Children is a ray of sunlight for the homes and Sunday-schools. It comes every week as a message of love from the Holy of Holies of our Convention. It ought to come into every home in the Association.

The Foreign Mission Journal and Home Field represent our Mission Boards and will bring us closer to the men and women who represent us in the dark places of the earth. We recommend these papers as the evangels of our work to every family in the Association, and earnestly urge our people to read more about the work of our denomination.

Respectfully submitted,
CHARLES A. G. THOMAS,
JOSIAH ELLIOTT,
Committee.

The report was adopted, without discussion.
The Association adjourned for two hours.
Benediction by C. W. Duke.

SECOND DAY—AFTERNOON SESSION.

The Association met at 3 o'clock and was called to order by the Moderator, and N. P. Stalling led in prayer.

The report on Foreign Missions was submitted through the Reading Clerk.

REPORT ON FOREIGN MISSIONS.

In obedience to the commission of our Lord Jesus Christ, we are trying to evangelize the world—to make disciples of all nations. The Foreign Mission Board of the Southern Baptist Convention is carrying on mission operations in China, Africa, Brazil, Mexico, Italy and Japan, and besides these fields a new work has been begun in Argentina, South America, and the Board has decided to open a mission field in Persia, also. The blessing of the Lord rests in a marked degree upon this work in all these fields. The outlook is full of promise; the fields seem white unto the harvest. All nations are now open to the heralds of the cross, while highways of quick and

comfortable travel lead to all heathen lands. With these open doors, these white fields, these heroic mission workers, and these evident tokens of divine favor, we ought to "attempt great things for the Lord and expect great things from the Lord."

The hindrance lies, not in the prejudice and apathy of the heathen, not in the weakness of the message, borne by the messenger of the Cross to the lost of the nations, not in the want of wisdom on the part of the men composing our Board; but in the inexcusable indifference of our people at home. Look at our minutes of one year ago, and you will see that we reported a membership of 8,356, with a contribution to Foreign Missions of $1,184.94—the pittance of 14 cents per capita. And this is the old Chowan.

The report reaching us from the late session of the Southern Baptist Convention shows that our State, for the year ending April 30th ultimo, contributed $17,217.50, which is an advance over the year previous; but we should strive for still more during the present year, and not be content to rank as the seventh State in point of contributions, while we boast of our great numbers.

Let us undertake more, for when we obey the commission we link ourselves on to the Infinite in His greatest purpose for the world, so far as we can know it. What we need is more consecration, more of the spriit of self-sacrifice, more love for the Master, who laid down His life for us, and a deepening of the real spirit of missions among our whole people. We want everybody to be a Christian, every Christian a worker, and every worker trained.

Respectfully submitted,

J. N. BOOTHE,
E. S. NORMAN.

J. N. Boothe and C. W. Duke addressed the Association and then the report was adopted.

Pledges were taken for Foreign Missions. (See list of Pledges.)

The committee appointed to suggest plans for raising funds for the better equipment of C. B. F. Institute made the following report:

In consideration of the increased interest and development in the work of the Chowan Baptist Female Institute, and inasmuch as the needs are such as to demand immediate help, be it therefore

Resolved, That this Association raise at once $500 for the scientific apparatus, and that their agent be invited to canvas our Churches and get all the help possible.

We also urge our pastors to give every possible aid to the agent or agents, and at other times to bring the matter to the attention of their Churches in such a way as to put the claims of the Institute before them.

C. A. G. THOMAS,
JOSIAH ELLIOTT,
LYCURGUS HOFLER,

REPORT ON STATE MISSIONS.

There is no surer way of learning the strength of North Carolina Baptists than by putting your finger upon the pulse and feeling the throb of the missionary heart. The history of the progress of our denomination in North Carolina is very largely the history of the State Missions. The great record of our last State Convention, with more than $82,000 raised, was made possible only through the faithful labors and earnest prayers of hundreds of missionaries who have wrought for God within our bounds. These missionaries, since 1720, have preached the Gospel on more than four thousand destitute fields, and have organized more than one-third of all the Baptist Churches we now have in North Carolina, and along with this evangelistic and constructive work, every other interest of our denominational life has been stimulated. If there was no other proof that the work is in accord with God's will the Divine blessings upon it ought to be sufficient evidence to move every Baptist to a loyal support of this worthy enterprise. We are glad to report that last year we had 100 missionaries on the fields, and these preached 8,112 sermons, supplied 579 churches and 219 out stations and added to the churches by letter and baptism 2,258 persons. The work for this year is laid out on a $30,000 plan and in order to go up to the next Convention without debt we must have the earnest co-operation of every church. Every church ought to feel honored that they are laborers together with God, in bringing this grand old State to own and serve their Lord. Two great needs of the mission fields of the State to-day are church-houses and schools. Every cent of the $30,000 that we have set out to raise this year could be wisely expended along two lines only. There are numbers of fields which would soon have flourishing churches if the few struggling Baptists there had some source from which they might secure help in building meeting houses. We therefore ask you to recommend to the State Board the establishment of a Building and Loan Fund, which shall be used in helping these needy fields to build houses. The churches must reach and bring the people to Christ. The schools must prepare them for usefulness in His kingdom. What Wake Forest, the University at Raleigh and the C. B. F. Institute mean to the State the denominational academy means to the Association. We therefore recommend that this Association adopt some measure looking toward the establishment of a Baptist academy within our bounds.

Respectfully submitted,

W. A. AYERS,
For Committee.

The resolution was adopted. (See page 17 for committee.)

REPORT OF COMMITTEE ON TIME AND PLACE.

We, the Committee on Time and Place for the Next Meeting of the Chowan Association, submit the following: Time—Tuesday after the third Sunday in May, 1905. Place—Ebenezer. J. W. Rose to preach the introductory sermon. Alternate, J. N. Boothe.

W. G. GODFREY,
J. T. DAVIS,
W. S. BARTLETT,
Committee.

The report was adopted.

Announcement was made that D. P. Harris would preach this evening at 8 o'clock.

The Association then adjourned until 8 p. m., with prayer by W. E. Wright.

SECOND DAY—EVENING SESSION.

The Association met at 8 p. m., Moderator J. E. J. Warren in the chair.

After devotional exercises, D. P. Harris preached from the Scripture found in John, 6th chapter, part of 68th verse: "Lord, to whom shall we go? Thou hast the words of eternal life."

Rev. Spencer Chaplin—now laboring in this Association—was welcomed as a member of this body.

The report on Temperance was submitted through the Reading Clerk, as follows:

REPORT ON TEMPERANCE.

We are glad to note an increased growth of the Temperance sentiment in our State. Of the ninety-eight counties there are now about sixty of them which have local option, and many entire prohibition. Many of our leading towns and cities have voted prohibition or dispensary within the past year, and many others are preparing to vote on this subject. It is well for us to note that wherever Temperance has been agitated the liquor men have made a vigorous fight. They are thoroughly organized and resolved to overthrow every Temperance movement. They are leaving no stone unturned. They are appropriating large sums of money to support committees and attorneys in the primaries, nominating conventions and Legislature in behalf of their cause.

The liquor traffic is one of the greatest evils to humanity. It causes 90 per cent. of the crimes, 75 per cent. of the orphans of our land. One-fifth

of our young men fall victims to this evil. It is four-fold in its destruction—it squanders his means, it wrecks his manhood, dethrones his reason, and destroys his soul. We, as a Christian body, cannot afford to look upon this monster in our land with indifference and silence. We would therefore recommend to the Churches of this Association a most hearty co-operation with the Anti-Saloon League in maintaining our present Temperance laws, and securing Temperance Legislatures until we shall have entire prohibition throughout the State.

Respectfully submitted,
J. W. ROSE,
W. E. WRIGHT,
A. T. BUSH,
Committee.

Pending a motion to adopt the report, the Temperance question was discussed by J. W. Rose, W. E. Wright, E. S. Pierce, N. P. Stallings, John C. Scarborough, J. N. Booth and C. A. G. Thomas.

The report was adopted.

With prayer by W. P. Jordan, the Association adjourned until 9:30 a. m. to-morrow.

THIRD DAY.

Edenton, N. C., May 19, 1904.

The Association met at 9:30 o'clock a. m., and was called to order by the Moderator.

Devotional exercises were conducted by E. S. Pierce, consisting of an address based upon the fifth chapter of Romans, prayer and singing.

The minutes were read and approved.

The following resolution, offered by C. W. Duke, was unanimously adopted:

Resolved, That this Association express its hearty thanks to the good people of Edenton and of the Baptist Church for the cordial and hospitable manner in which they have entertained us; to the Methodists for the offer of their church, and to the railroads and steamboats for reduced rates.

REPORT ON HOME MISSIONS.

The Home Mission Board of the Southern Baptist Convention has just closed one of the best year's work in its history. Our God seems to be blessing the labors of our Home Missionaries with a lavish hand. The Home Board is doing mission work in all our Southland, the Indian Territory, and on the Island of Cuba. During the past year the Home Board had under its employment about 700 missionaries, giving the people the blessed Gospel of our loving Christ. During the conventional year just closed there were nearly 10,000 converts and baptisms as the result of the labor of these faithful missionaries of the Cross. Our blessed Lord has opened to Southern Baptists a great field, white to the harvest, and bids us enter and reap it for the Master. The churches of the Southern Baptist Convention are amply able to give to this work the sum of $200,000 during this convention year. May the Lord put it in our hearts to do this for His honor and glory.

Respectfully submitted,
W. P. JORDAN,
JOHN A. SHAW,
Committee.

On motion to adopt, the report was discussed by John A. Shaw and E. S. Pierce.

Then the following resolution was offered by C. A. G. Thomas:

Resolved, That it is the sense of the Chowan Baptist Association—comprising over 8,500 members—an unwise expenditure of money for the Home Mission Board to make any further increase in the appropriations for the evangelization of the negro at the present time, and notice is hereby given to

said Board that we do not feel called upon to increase our contributions for said purpose.

John C. Scarborough then addressed the Association on the resolution. The resolution and the report were adopted.

Pledges were taken for Home Missions. (See list of Pledges.)

The Moderator appointed E. F. Aydlett, L. W. Norman, A. T. Bush, J. H. Morrisette and M. N. Sawyer a Committee on the Advisability of Establishing a Baptist Preparatory School in this Association.

J. N. Booth was elected associational delegate to the next session of the Southern Baptist Convention, to be held in Kansas City, Missouri, May 12, 1905. Lycurgus Hofler was elected alternate.

Delegates to the Baptist State Convention were elected, viz.: C. A. G. Thomas, W. B. Waff and Spencer Chaplin.

E. S. Norman was elected a member of the Board of Missions and Sunday Schools.

The Clerk is instructed to notify the Board of the election of Brother Norman.

It is ordered that the Clerk be allowed the usual amount ($25) for his compensation per annum, and that he have the minutes printed and distribute the same in proportion to the minute fund contributed by each church.

The following is a standing resolution of this Association:

Resolved, That hereafter the churches be requested to send to the Clerk of the Association the list of their delegates and alternates at least ten days before the meeting of the Association, that a roll of the body may be ready for call immediately on assembling.

(Adopted at the session of 1894, held with the church at Shady Grove.)

The report of the Finance Committee was received and adopted. (See Appendix.)

The statistical reports were adopted. (See Appendix.)

American Baptist Publication Society

IS IT WISE?

WE HAVE been informed that there are Baptist Sunday schools which have yielded the solicitations, personal and otherwise, of an undenominational publishing hous and which are taking, in whole or in part, the literature of that house in preferen to the literature of their own Publication Society. In view of this information we desire put the question, ***Is it wise?*** to pastors, Sunday school officers and teachers who may hav been thus influenced.

Is it wise to put into the hands of Baptist children and youth a literature which in som parts is largely sensational, in other parts directly opposed to Baptist teaching, and in no pa clearly and positively declarative of our distinctive denominational views? What sort Baptists will the next generation be if the youth of this generation are brought up on a merel negative or an essentially Pedobaptist literature, and are never taught in the Sunday scho the truths for which our fathers were ready to suffer and which form the only ground for ou denominational existence? And how are young people to be brought to Christ and develope into stalwart Christians, if the aim in the literature employed is mainly to gratify a cravin for the sensational and not to instruct and fortify against errors in doctrine and life?

Resolved, That the pastors and deacons of the churches with which future session of this body may be held, be requested to prevent the sale of any article whatever on the church grounds during the session. (Adopted at the session of 1884, held with the church at Rockyhock.)

This Association shall be composed of white male delegates, chosen by the churches of this body, and of all ordained ministers who are members of, or laboring in connection with said churches. Article II. The territory embraced in this Association shall be limited to the following counties, to-wit: Currituck, Camden, Pasquotank, Perquimans, Chowan, Gates, Washington, Tyrrell, Dare, Hyde and Beaufort.

Article VII. The Association shall furnish the churches with a number of printed minutes of the Association, from time to time, proportionable to the moneys contributed from each church to the support of the Association fund.

Article VIII. We think it necessary to have an Association fund for defraying the expenses of the same, for the raising and support of which we think it the duty of each church in the union to contribute voluntarily such sums as they think proper and send by the hands of their delegates to the Association; and these moneys thus contributed by the churches shall be deposited in the hands of the Treasurer, who shall be accountable to the Association for all moneys by him received and paid out according to the directions of the Association.

Article IX. The minutes shall be regularly filed by the Clerk of the Association and kept for its use.

Article X. The minutes of the Association shall be read, and corrected if need be, and signed by the Moderator and Clerk before the Association rises.

Article XI. Orthodox and orderly churches shall be admitted to membership in this body on petition by letter and delegates.

3. To preserve inviolable a chain of communion among the churches.
4. To inquire into the cause why the churches fail to present themselves at any time in the Association.
5. To appoint any member or members, by and with their consent to transact any business they shall see necessary.
6. To withdraw from any church in the union that shall violate the rules of the Association, or deviate from the Orthodox principles of religion, after due measures are taken to reclaim such a church, or churches, and they remain incorrigible.
7. To allow no delegate to leave the Association until final adjournment, without the permission of the body.
8. To admit any of the visiting brethren from other Associations, as assistants, who may be present.
9. To adjourn themselves to any future time and place they may think most convenient to the churches.

The report on Ministerial Relief was submitted through the Reading Clerk, as follows:

REPORT ON MINISTERIAL RELIEF.

The Ministers Relief Board, located at Durham, N. C., looks after the needs of our aged and infirm ministers of the gospel, and by rendering timely aid makes their lives brighter and happier. During the past year three of the beneficiaries of the Board passed to their reward and one was discontinued. Eight were added to the Board, making twenty-four that are now aided, the largest number ever helped by the Board. But while the expenses have been greater, the contributions of the churches have also increased, so that the Board has not been embarrassed in its efforts to help these needy servants of God. We recommend that all of our churches take at least one collection each year for this work.

W. B. WAFF.

On motion to adopt, the question was discussed by E. S. Pierce, T. B. Boushall, Archibald Johnson, Edward Pearce, C. W. Duke, W. B. Waff and E. I. Sawyer. The report was adopted.

The roll of churches was called and pledges taken for Ministerial Relief. See list of pledges.

The committee on periodicals reported, as follows:

REPORT ON PERIODICALS.

We believe there has been no age that has offered such a golden opportunity to the press as the present age. Men of all classes everywhere are friendly toward the printed page.

Thirst for knowledge that we may keep pace with the age is steadily increasing. How important, therefore, that much care should be taken to spread abroad through this medium only those thoughts that will tend to elevate and ennoble manhood.

Who can estimate the good that has been done by the printed pages? And yet greater possibilities are before us. The religious newspapers of to-day stand among the most potent agencies for the evangelization of the world. Our own State paper, The Biblical Recorder, is wielding an influence that cannot be estimated, and yet a large portion of its territory is not under its influence.

Hundreds of Baptists in the State are not reading its valuable pages. Charity and Children has become a necessary factor in the home of every well informed Baptist. It is in our judgment the very best paper of its kind in existence. It not only keeps us in touch with our orphanage work, but brings us many other valuable thoughts. We trust its influence may extend to every home in the State.

The North Carolina Baptist is strong and fearless and should be in every Baptist home in the State. We heartily recommend to our people, and especially to those in the Sunday School work, the literature and publications of the Sunday School Board of the Southern Baptist Convention. Our Missionary organ, the Foreign Mission Journal and Home Field were never better than now. They bring us thoughts that burn and light that makes our hearts rejoice. We cannot be alive to every duty if we are ignorant of the thoughts these organs are designed to bring us.

If we would do a better service for the Master, if we would hasten the day when his kingdom shall come and his will be done in the earth as it is done in Heaven, then we should read our denominational papers, feed upon their thoughts, hear and heed their appeals for our aid in the salvation of the world.

Respectfully submitted,
W. E. WRIGHT,
For Committee.

The report was discussed by J. S. Farmer and Archibald Johnson and then adopted.

J. B. Ferebee presented the following

REPORT ON TEMPERANCE.

To the Chowan Association:

We, your Committee on Temperance, beg leave to respectfully submit our report as follows:

The friends of the Temperance Cause in North Carolina have great cause to rejoice on account of the great temperance movement now sweeping our beloved State. It would seem that the saloons in North Carolina are doomed. The distilleries have been driven out of our rural districts by law and a large number of our counties have prohibition. Such towns as Elizabeth City, Goldsboro, Raleigh, Wilson and others have eradicated the saloon from their midst, and the tidal wave of temperance is moving onward. Christian people and temperance lovers should feel greatly encouraged as never before, and should push on the fight against the drink curse with renewed energy and vigor, knowing that our labor is not in vain in the Lord.

(2) We wish to express our appreciation of the good work that is being done for the cause of temperance by The Woman's Christian Temperance Union and the Anti-Saloon League.

(3) We believe it wise that at least one sermon a year on temperance be preached to all of our churches by their pastors throughout our Association.

May the Lord, our God, hasten the day when the shackles of this great evil shall be stricken from our beloved people.

Respectfully submitted,
J. B. FEREBEE,
A. F. ROUNTREE,
Committee.

Pending a motion to adopt the report, E. S. Pierce, N. P. Stallings, Edward Pearce, W. N. Gregory and W. A. Ayers addressed the Association in the interest of temperance and the report was adopted.

The Committee on Hospitality assigned homes to the delegates and visitors.

The Association then adjourned, with benediction by J. W. Rose.

FIRST DAY—EVENING SESSION.

The Association re-assembled at 8 o'clock p. m., in Trinity M. E. Church. A. F. Rountree, Vice Moderator, in the chair.

The report of the Committee on Ministerial Education was submitted by J. N. Booth, as follows:

REPORT ON MINISTERIAL EDUCATION.

All who attended the last session of our Baptist State Convention remember the great stress placed upon the need of men. Men for the ministry are needed and the great need of each of these men is training—training not in order to make preachers of them, for this God Almighty alone can do; but training in order to make them stronger preachers, and to give them the full use of their powers in early life, which without training they can acquire only by long experience and laborious effort. To meet this need as far as human agency can meet it, our Board of Education has been established; and through many years has been aiding young men, called of God to the work of the ministry, in their effort to prepare themselves for the work upon which they feel impelled to enter. During the session now about to close, the Board has aided 54 young men fourteen more than during the session a year ago. The Secretary is trying to reach the end without debt; and writes your committee that he has met all accounts up to the first of May, and has on hand about half enough to meet the accounts for May, hence we see the need of immediate contributions to this very important department of our work.

Respectfully submitted,
J. N. BOOTH,
N. P. STALLINGS,
W. L. FORBES,
Committee.

The report was discussed by J. N. Booth and J. W. Rose.

Pledges were taken for Ministerial Education, (see list of Pledges) and the report was adopted.

Announcement was made that E. S. Pierce would preach immediately at Trinity Church.

The following report was submitted through the Reading Clerk.

ORPHANAGE REPORT.

The house recommended, in the report to this body two years ago, to be built on the Orphanage grounds, to be known as the Chowan Building, has

been completed at a cost of $3,225.00. It is in a commanding position, and is one of the most beautiful and commodious houses on the ground. It is an honor to our Association and through the years to come will tell the world of the loyalty and devotion of our people.

Since we met last year the institution has been visited by a fearful scourage of typhoid fever. In all there were more than 80 cases, many of them malignant, but only two children were lost of all the great number that were sick. The faithful and tender devotion of the good women who watched by the bed sides of the little sufferers deserves the everlasting honor of our people. For weeks the school was suspended and the Orphanage was converted into a great hospital; and never have victims of this dread disease been more lovingly nursed. A complete system of sewerage has been established and it is hoped that our beloved institution will never again be scourged as it was from August until December of 1904. The contributions were larger during the year which closes on the 12th of next month than in any other year of the history of the Orphanage. The hearts of the people were stirred and this loving sympathy poured into the treasury in a tide of gold; but the expenses incident to the fever were enormous, and it is feared that a small debt will be reported at the next annual meeting.

There is another family added to the Orphanage circles—the Chowan Children, which makes the ninth. The per capita cost of maintaining the children is still $5.00 a month, notwithstanding the increased price of provisions. This includes the salaries of all the employees.

We are glad to report the number of Sunday Schools taking a monthly collection for the Orphanage largely increased. We commend this plan to all our schools in the country as well as in the towns. It works well wherever honestly tried. Charity and Children has made them nine thousand subscribers. It is hoped that ten thousand will be reached within the year. Every dollar of profit the paper makes goes into the treasury. We urge upon the Association the pressing needs of the Orphanage on account of the deficit to be reported and the great work to be done during the year to come.

Respectfully submitted.
E. J. FREEMAN,
For Committee.

Archibald Johnson, editor of Charity and Children, addressed the Association and the report was adopted.

A cash collection, aggregating $40.32 was taken for the Orphanage.

The Moderator appointed S. F. Bristow, Josiah Elliott and J. W. Rose, a Committee on new Churches.

T. R. Ward, A. B. Hollowell and B. F. Bray were appointed a Committee on Time, Place and Preacher for the next session of this body.

The Reading Clerk submitted the

REPORT ON STATE MISSIONS.

All mission work is necessary to our development and growth. The poor we have always with us, and not so much for the sake of the poor as for our own sakes. We cannot become rounded and developed Christians unless we are helping others rather than ourselves.

The foundations that were laid in the Chowan Association one hundred years ago, and upon which we are now standing was the work of State Missions. Somebody had to lead the way and the heroic struggles of Samuel Burkett, Paul Palmer and others are enshrined in the sacred memories of the past. These men foresaw the greatness that we behold. They looked far forward to larger things and were not disobedient to the Heavenly Vision. To them under God we owe our present prosperity and power. Precisely the same done by these noble pioneers of a century ago is being done to-day by the State Mission Board. Not under the same diffi-

culties, but in the same spirit and impelled by the same motives, this work is going forward. Much of our good State has been occupied, but much remains, so far as our work and our view of truth is concerned a waste and dreary desolation. Vast stretches of North Carolina are strangers to Baptist teaching and practice. The strong should bear the burdens of the weak. The great should minister to the small. The Chowan Association will find itself growing stronger and more effective in all its work exactly in proportion as it expands its strength in helping other sections less favored than itself. The Chowan Association is well able to give $5,000.00 for State Missions. In fact it can hardly afford to give less and fulfill its mission to its weak brother for whom Christ died.

Respectfully submitted.

R. R. OVERBY.

J. S. Farmer, T. G. Wood, C. W. Duke and R. R. Overby addressed the Association on State Missions and the report was adopted.

Five Hundred Dollars was pledged by the Association to aid in the erection of a Baptist meeting house on Roanoke Island. The Moderator was requested to appoint a committee of three to apportion said amount among the churches of the Association.

C. W. Duke offered the following resolution which was unanimously adopted:

Resolved: That the Chowan Association will perpetually foster the work of Manteo, so long as our aid is needed.

Pledges were taken for State Missions. (See list of pledges).

The Association adjourned to 2 p. m.

Benediction by Thos. G. Wood.

SECOND DAY—AFTERNON SESSION.

THOS. R. WARD,
R. B. HOLLOWELL,
B. F. BRAY,
Committee.

The report was adopted.

The Committee on Sunday Schools report, as follows:

REPORT OF COMMITTEE ON SUNDAY SCHOOLS.

The traditional opinion that Sunday schools originated with Robert Raikes in 1780, seems altogether erroneous. In the first place his school was not a Bible school in the modern sense; and then the Bible school is as old as the Bible itself. Abraham, we are told, had 318 instructed retainers in his own house. In the Chronicles we read that in the days of Jehosaphat the princes and the priests and the Levites "taught in Judah, having the book of law of the Lord with them, and they went about throughout all the cities of Judah, and taught among the people." In Nehemiah we have a somewhat detailed exhibit of actual methods of Bible instruction, in the record of a great open-air Bible school in Jerusalem, after the return of the Jews from captivity. Ezra was the superintendent of this school, and his teachers are mentioned by name. Eighty years before Christ, Bible schools flourished in the Synagogues throughout Palestine, and education in them was compulsory. The system of instruction in vogue in these Bible schools was that of a careful grading of the classes according to the ages and qualifications of the pupils. From five to ten years of age the Jewish child was to study in these schools the Bible text only; from ten to fifteen the "helps" were allowed in connection with the text; and from fifteen on they were taught more fully in rabbinical exegesis.

Although the Sunday-school is an ancient institution, as old indeed as the Church of Christ, still it is by no means antiquated. The latent forces in our Sunday-schools are great, and the pastors are making every effort, together with our noble superintendents and teachers, to bring these undeveloped forces into activity and power for service in the Master's kingdom. Upon the Christian culture of our children depend the life of our institutions, our purity, our prosperity and our homes. The Christian home and Sunday-school offer the finest field of endeavor to those who desire to enrich both time and eternity, and leave a legacy of blessing to those who follow.

We feel justly proud of the work of our leaders in the past, but, with clearer vision and a brighter prospect, we press on into the mighty future. Brother Hight C. Moore is well adapted to lead the forces in our State.

We recommend:

1. That we as an Association approve the plan adopted by the Board of Missions and Sunday Schools for the prosecution of the Baptist Sunday School work of the State.
2. That all our churches be requested to report the Sunday-school statistics so that the table for the same provided in our Minutes may be full and complete.
3. That there be appointed annually, by the Association, a committee on Sunday schools to look after the interests of the Sunday school work in the Association.
4. That the mid-summer fifth Sunday meetings of each year be devoted to a discussion of Sunday Schools and that the programme for this meeting be provided by the Sunday school committee of the Association.
5. That the Sunday School committee shall provide annually for such Sunday school institutes and rallies as may be practicable.
6. That all our churches be requested to make an offering for our State Sunday School work during the month of June of each year.

Respectfully submitted.

C. W. DUKE,
M. N. SAWYER,
S. F. BRISTOW,
Committee.

C. W. Duke addressed the Association on Sunday School work, and the report was adopted.

Announcement was made that S. F. Bristow would preach at Trinity Church at once.

The roll of churches was called.

The report on Home Missions was submitted through the reading clerk, as follows:

REPORT ON HOME MISSIONS.

For sixty years the Home Board has served as an evangelizing agency of the Southern Baptist Convention. Its present field of work embraces fourteen Southern States; two territories, and Cuba. Its work is co-operative with State Boards where they are sufficiently organized but mainly in States and territories, where the Baptists are too weak to be successfully organized. In addition to the work among our native people, the Home Board supplies the gospel to the Foriegner coming into its territory, also to the Indians and to the colored race.

The Home Board is interested in some special departments of work, viz:

A Church building and loan fund, an orphanage for the children of missionaries, who have died on the Mission fields; Primary and Academic education of poor children in the mountains. The Board appropriated $5,429.00 to North Carolina last year for this last named object. The Board is also interested in a literature department located in Baltimore, under the management of the noble Baptist women of our South-land. In this department during the last conventional year, ending May 1st, was distributed more than 300,000 tracts, leaflets and mission topic cards, in addition to these the Board publishes a paper monthly called the "Home Field", the subscription of which was increased last year from 10,000 to 22,000 subscribers. The price of this paper is only ten cents per year. It should be in every Baptist home. The Board received as a support last year $145,705.31. An increase over the year before of $12,147.31; aided 718 missionaries, supplying 2,222 churches and stations, baptizing 10,551 persons, constituting 219 churches, building and improving 295 houses of worship and distributing 24,354 Bibles and Testaments.

Respectfully submitted.

J. W. ROSE.
JOSIAH ELLIOTT.
E. I. SAWYER.
Committee.

After discussion by J. W. Rose the report was adopted.

On motion the regular order of business for to-morrow shall begin at 9:45 o'clock, a. m.

The following resolution was unanimously adopted:

In view of the commendable advance in temperance sentiment in our State and the quickening of the conscience of our people with respect to the hurtful effect of the drink evil and the demoralizing tendency of this nefarious traffic, Be it resolved, therefore; That this Association for the future refuse to recognize or seat as members of this body, delegates coming from any church or churches who retain in their fellowship any member or members who make or sell ardent spirits.

A. F. BOUNTREE.

It is ordered that the foregoing resolution be published in the Elizabeth City papers.

The Association adjourned to 9:30 a. m., to-morrow.

Prayer by J. N. Booth.

THIRD DAY.

The Association met at 9:30 o'clock a. m. Devotional exercises were conducted by Spencer Chaplin, Jr.

At 9:45 the Association was called to order by the Moderator.

The Reading Clerk submitted the

REPORT ON FOREIGN MISSIONS.

In presenting our annual report we call upon all our people to join with us in returning thanks to God for His manifold mercies and continued blessings which have enabled us to make glorious advance during the past year. Never in our history have we so successfully lengthened the cords and strengthened the stakes. Two thousand two hundred and thirty-one baptisms were reported for the year. A number of new churches were organized. New stations for work were opened. The receipts in the home land were $283,415.88, the largest in the history of the Board. For the eighth year in succession we report with thankfulness and joy all accounts paid in full and no debt, and this, too, after a great enlargement of our work. With largest receipts, and largest number of converts, we report the largest number of new missionaries ever sent out in one year. Fifty recruits have gone during the year to the foreign fields. These noble, consecrated men and women represent some of the very best fruitage of our church life, and will add greatly to the working forces at the front. The Board cannot send all who apply to go; some are not suited for the work. We try to get those of deep consecration, good preparation and sound bodies, who can stand and work efficiently for our Father. Some of our largest and best churches have been called upon to give up their pastors to supply the crying need for men on the front line. No one can measure what the large reinforcement of this year will mean to our work in the years to come.

We are also glad to report that there is among the missionaries a spirit of aggressiveness beautifully strengthened by harmony and unity of purpose. We are working in five different countries.

1st, Africa. The past year has been the most wonderful in results of all the years we have worked in Africa. The Missionaries report 355 baptisms.

2nd, China. There has never been a time of such opportunity in China as now. We have greatly increased our force in that country and yet what are these few, eighty-eight missionaries among so many. 710 baptisms were reported during the year.

3rd, Japan. Notwithstanding the war, the missionaries report good progress in Japan. While in some instances the attendance at the church services has been cut down, yet the missionaries have gained access to the hospitals, where they can minister to the wounded and dying. As a result of the war many women and children have been left in destitution, and the missionaries, having reached out a helping hand to these, have gained the confidence and affection of the people. During the year there were forty-two baptisms.

4th, Argentina. This is a new work. We opened our first station November 30th, 1904. The outlook is very hopeful, two have already applied for baptism.

5th, Brazil. This seems to be our most prosperous work. During the year 866 were baptized.

6th, Italy. The work in this country has made good progress; during the past year there have been 121 baptisms—a large increase over the previous year. Dr. Taylor, our veteran, is doing good work in the training of young preachers. Rev. Everette Gill and wife have gone out to give their lives for Italy.

7th, Mexico. During the year 137 baptisms were reported in Mexico. North Carolina contributed during the year to this board $20,210.72, an increase over last year of $3,345.02, showing an increased interest of our

people in this work. Your committee recommend that we continue to increase our gifts to carry out the instructions of our Master to witness for Him to all nations. We also recommend that we pray earnestly to our Father for the success of our representatives on the foreign fields, in the salvation of the lost. Respectfully submitted,

E. S. PIERCE.

E. S. Pierce, J. N. Booth, R. R. Overby, and Josiah Elliott spoke to the report and the report was adopted.

Pledges were taken for Foreign Missions. (See list of pledges).

It is moved and carried "that brethren L. W. Norman, E. F. Aydlett and J. G. Gregory be appointed a committee to secure a sister to fill the place of Association Vice-President of our Woman's Mission Workers—our Association."

The report on C. B. F. Institute was submitted.

REPORT ON C. B. F. INSTITUTE.

Last week the Institute closed the most prosperous session that it has had in many years. There were 126 pupils, enrolled 90 of whom were boarders. In order to provide for this large increase, the old chapel was converted into dormitories. This necessitates the erection of a new building containing dining room, chapel and other rooms. The trustees, we are glad to say, have decided to put up this building and are planning to begin the work at once. This affords "An extraordinary opportunity for our people to put money liberally into this building for the blessings of Christian education to flow in larger and fuller streams from C. B. F. Institute into the minds and hearts of the women of this and other sections of our State."

"The prospects for the next session promise, as far as can be seen, enlarged patronage and better work. An additional number will be added to the Faculty to have special charge of the Natural Sciences." This is our school and we ought to rally to its support.

Respectfully submitted,

W. B. WAFF,

AMERICAN BAPTIST PUBLICATION SOCIETY

IS IT WISE?

WE HAVE been informed that there are Baptist Sunday schools which have yielde the solicitations, personal and otherwise, of an undenominational publishing ho and which are taking, in whole or in part, the literature of that house in prefer to the literature of their own Publication Society. In view of this information we desi put the question, ***Is it wise?*** to pastors, Sunday school officers and teachers who may h been thus influenced.

Is it wise to put into the hands of Baptist children and youth a literature which in s parts is largely sensational, in other parts directly opposed to Baptist teaching, and in no clearly and positively declarative of our distinctive denominational views? What sor Baptists will the next generation be if the youth of this generation are brought up on a me negative or an essentially Pedobaptist literature, and are never taught in the Sunday sc the truths for which our fathers were ready to suffer and which form the only ground for denominational existence? And how are young people to be brought to Christ, and develc into stalwart Christians, if the aim in the literature employed is mainly to gratify a cra for the sensational and not to instruct and fortify against errors in doctrine and life?

Standing Resolutions of Request.

Resolved, That the pastors and deacons of the churches with which future sessions of this body may be held, be requested to prevent the sale of any article whatever on the church grounds during the session. That they also prevent the erection of tents or booths for taking pictures, and they secure similar prohibition as to the lands of citizens adjoining the church grounds.

(Adopted at the session of 1884, held with the church at Rockyhock.)

CONSTITUTION.

Article 1. This Association shall be composed of white male delegates, chosen by the churches of this body, and of all ordained ministers who are members of, or laboring in connection with said churches. Each church shall send a letter showing the number of members, those baptized, received by letter or restored, those dismissed by letter, excluded, and dead since last session.

Article II. The territory embraced in this Association shall be limited to the following counties, to-wit: Currituck, Camden, Pasquotank, Perquimans, Chowan, Gates, Washington, Tyrrell, Dare, Hyde and Beaufort.

Article III. The Association, when convened, shall be governed and ruled by parliamentary usage, as prescribed in Mell's Parliamentary Practice.

Article IV. The officers of the Association shall be a Moderator, Vice-Moderator, Clerk, Reading Clerk and Treasurer, who shall be elected annually.

Article V. Each church shall be entitled to a representation of three delegates to this body.

Article VI. Every motion made in due order and seconded, shall come under the consideration of the Association, unless withdrawn by the person who made it.

Article VII. The Association shall furnish the churches with a number of printed minutes of the Association, from time to time, proportionable to the moneys contributed from each church to the support of the Association fund.

Article VIII. We think it necessary to have an Association fund for defraying the expenses of the same, for the raising and support of which we think it the duty of each church in the union to contribute voluntarily such sums as they think proper and send by the hands of their delegates to the Association; and these moneys thus contributed by the churches shall be deposited in the hands of the Treasurer, who shall be accountable to the Association for all moneys by him received and paid out according to the directions of the Association.

Article IX. The minutes shall be regularly filed by the Clerk of the Association and kept for its use.

Article X. The minutes of the Association shall be read, and corrected if need be, and signed by the Moderator and Clerk before the Association rises.

Article XI. Orthodox and orderly churches shall be admitted to membership in this body on petition by letter and delegates.

Article XII. Amendments to this plan or form of government may be made by a majority of the union.

Article XIII. The Association shall have power—

1. To provide for the general union of the churches.
2. To give the churches all necessary advice in matters of difficulty.
3. To preserve inviolable a chain of communion among the churches.
4. To inquire into the cause why the churches fail to present themselves at any time in the Association.
5. To appoint any member or members, by and with their consent to transact any business they shall see necessary.
6. To withdraw from any church in the union that shall violate the rules of the Association, or deviate from the Orthodox principles of religion, after due measures are taken to reclaim such a church, or churches, and they remain incorrigible.
7. To allow no delegate to leave the Association until final adjournment, without the permission of the body.
8. To admit any of the visiting brethren from other Associations, as assistants who may be present.
9. To adjourn themselves to any future time and place they may think most convenient to the churches.

The Committee on Periodicals reported as follows:

REPORT ON PERIODICALS.

We are living in an age of growing intelligence. People read more than ever before; and unless we read, we shall be left behind in the onward march. The importance of reading is, therefore, evident. But while it is important that we read, what we read is still more important for as the chameleon takes the color of the objects he rests upon, so we partake of the nature of that which our minds rest or feed upon. The reading of corrupt, pernicious literature goes far towards making a bad life; while the reading of good, pure, wholesome literature helps much in making a good life. The Biblical Recorder belongs to the latter class. It is sound in doctrine and faithful and true to our principles as Baptists. Its reading matter is high toned and elevating. And as no one can be an intelligent North Carolina Baptist without reading the Recorder, the paper ought to be in every Baptist home in the State. The efforts of the editor to get the paper into more of our homes, offering it at the very low rate of fifty cents for the remainder of the year, ought to be taken advantage of by our people and ought to add thousands of new names to his subscription list.

Charity and Children stands among the very best of our periodicals. It is strongly edited, keeps us in touch with the Orphanage, and contains much other wholesome reading matter.

These papers, however, do not give us as much information as we need

upon Home and Foreign Missions, hence Our Home Field and The Foreign Mission Journal ought to be in all our homes.

The North Carolina Baptist is also a good paper, worthy of our confidence and worthy of patronage by those who need more than one state religious paper. The Chowan Baptist, published in Edenton by Bro. Jas. W. Rose, may be made helpful in our work if rightly used by our pastors and churches.

As it is next to impossible to feel a deep interest in that which we know nothing or but little about, our people are doing themselves a great wrong by not taking and reading our denominational literature.

Respectfully submitted,
W. B. WAFF,
M. N. SAWYER,
Committee.

The report was discussed by T. B. Boushall, J. S. Farmer, R. R. Overby, N. P. Stallings, J. O. Alderman, and J. W. Rose, and then adopted.

The following pastors having moved into the Association during the past year were recognized and welcomed—J. F. Vines, T. S. Crutchfield, P. S. C. Davis, J. O. Alderman, L. C. Brickhouse, and J. W. Nobles.

Visiting brethren were recognized and invited to seats with us as follows:—M. P. Davis, S. B. Barnes, R. L. Gay, W. P. Jordan, T. T. Speight, J. A. Heilig, and A. B. Adkins, M. A. Adams.

The Chairman of the Committee on C. B. F. Institute, being absent, T. G. Wood was requested to serve on the committee in his stead.

The Committee on Ministerial Relief submitted its report as follows:

The Ministerial Relief Board is located in Durham and is in charge of Rev. C. J. Thompson. This Board looks after the needs of aged, indigent, and superannuated ministers of the Gospel. The Board is now aiding 26 brethren and has two applications on file for relief. It has expended during the last year about $3,000.00 and could use more if it were available. Your Committee would urge all the churches of this Association to contribute to this noble and worthy object.

T. B. BOUSHALL,
Chairman Committee

After reading this report, the report of the Secretary of the Ministers' Relief Board of the Baptist State Convention was read and the reports were discussed by T. B. Boushall, after which the roll of the churches was called and pledges taken.

(See list of Pledges.)

J. F. Vines submitted the following report:

Your Committe appointed to take into consideration the advisability of establishing a school suitable for the preparation of boys and girls for college, within the bounds of the Association, respectfuly submit that in its opinion, it is advisable to establish such a school.

That the Denomination is able financially to establish, equip and maintain a good school, which would be a feeder to our college, institutes, and University for both boys and girls. We, therefore, recommend that a Committee be appointed to adopt plans, and secure a site and means to establish such a school, in such locality as, in their judgment, they deem best.

Respectfully submitted,
E. F. AYDLETT,
M. N. SAWYER,
J. H. MORRISETTE,
A. T. BUSH,
L. W. NORMAN,
Committee.

The report was discussed by J. F. Vines, W. B. Waff, R. R. Overby, J. O. Alderman, M. N. Sawyer and Duncan McLeod, after which it was adopted, and the same committee was appointed to carry out the suggestions in the report.

It was announced that J. F. Vines would preach at the stand nearby at 11:00 o'clock.

REPORT OF COMMITTEE ON MINISTERIAL EDUCATION.

There was never a greater need for an educated ministry than to-day. Schools are being multiplied and the masses are being educated in all branches of industry. The improved facilities for studying the Bible in our Sunday Schools are educating our children in Bible truths.

We, therefore, urge upon you, now, that the ministry should receive our first and highest consideration since without this, the work of the Master's kingdom must suffer serious loss. We know we cannot take the kingdoms of this world and bring them to the feet of Jesus if we neglect to fit, prepare and thus qualify our ministry for this most important mission.

The Board has had sixty young men under its care during the past year, with ten additional applications now for next fall. Therefore, to meet the imperative needs of the Board, we urge increased contributions for this most important work.

Respectfully submitted,

R. R. OVERBY,
E. S. NORMAN,
Committee.

The subject was discussed by T. S. Crutcheld, L. C. Brickhouse, J. F. Vines and R. R. Overby, and the report was adopted.

The hour having arrived for the Orphanage report, the following report was read by the Reading Clerk.

New needs arise as the institution grows, but our people are always ready and willing to supply them. At a cost of $19,000.00 a system of waterworks has been established that has been a great blessing to the Orphanage. No one but those who have seen the situation can tell how much it means to the children now, and those to come. To have this fine facility for keeping the institution clean, 38 acres of land was recently purchased along the stream into which the sewerage is drained at a cost of $1,520.00. The acquirement of this land was a positive necessity.

Rev. M. L. Kesler, the new General Manager is giving great satisfaction. He is improving the appearance of the grounds, encouraging the planting of flowers, setting out hedges, and doing all he can to make the Orphanage grounds one of the most attractive and beautiful places in the State. There

are some 300 children there. The 400 acres of land are estimated to be worth, with the 20 odd buildings, $75,000.00, the endowment is $102,000.00; total, $177,000.00. A part of the debt incurred last year will be reported at the annual meeting in July.

Every dollar of the invested fund, and more, has been expended on the Orphanage equipment. This will be true for years to come, so that the bread and meat and clothes for the children must come, as they have always come, from our Baptist people all over the State.

A scourge of pneumonia lasting throughout the winter and spring months added no little to the general expenses, for it is at the Orphanage like it is in the family—sickness means doctor's bills and other expenses. The current fund has kept up amazingly well throughout all the year. More than 300 Baptist Sunday Schools in the State take up monthly collections for the Orphanage. We urge all the Sunday Schools in this Association to adopt this plan.

Respectfully submitted,

S. F. BRISTOW,
SPENCER CHAPLAIN,
W. S. BARTLETT,
Committee.

The report was discussed by S. F. Bristow and M. L. Kesler, the pledges of the churches were taken, and a cash collection amounting to $44.03 was raised, after which the report was adopted.

(See list of Pledges.)

The Reading Clerk read the report on State Missions as follows:

Christ who came as a demonstration of God's love, and whose mission to this earth was the salvation of lost souls, commanded His disciples to begin at Jerusalem. Thus we see, all other Missions are dependent on State Missions.

In the State of North Carolina we have sixty Associations with about eight hundred ministers. We are thankful to know that quite a number of these servants of God are laboring under the auspices of the State Mission Board, and yet, while this is true, one has only to lift up his eyes and see the fields already white unto harvest from the mountains to the seacoast.

We need more men as well as money to meet the conditions. Every year numbers of people from other countries come and settle in the State of North Carolina, and many of these are living without God and without hope. Therefore, if we fail to meet them with the Gospel and Christianize them, they will foreignize and heathenize our children. But the main reason why we should give them the Gospel is, because Christ has commanded us to "preach the Gospel to every creature."

In 1904 we gave to State Missions $26,984.94, in 1905 $31,043.00, showing an advance of about $4,000.00. With 188,785 white Baptists in the State, with their increased wealth, these figures are too small. We should thank God for what we have by His help been able to do here at Jerusalem, and at the same time remember that the performance of each duty is a call to new ones. This, the Chowan Association, with its 8,000 members and untold wealth, should contribute at least one-third more for the salvation of the people of our own State.

Respectfully submitted,

N. P. STALLINGS,
T. G. WOOD,
Committee.

The report was discussed by N. P. Stallings, H. C. Moore and R. R. Overby. The pledges of the churches were taken and the report was adopted.

(See list of Pledges.)

The Association adjourned to 2:00 o'clock P. M.

SECOND DAY—AFTERNOON SESSION.

The Association met at 2:00 o'clock P. M., and was called to order by the Moderator.

REPORT OF COMMITTEE ON SUNDAY SCHOOLS.

None of the members of this committee being present, there was no report presented, and on motion the subject was opened for discussion and the Association was addressed by H. C. Moore, Secretary of the Sunday School Board of the Baptist State Convention.

T. G. Wood submitted and read the

REPORT ON C. B. F. INSTITUTE.

More than half a century ago our fathers felt the need of providing for their daughters equal facilities with their sons in the matter of education, and erected at great cost for this purpose, a first-class school at Murfreesboro. Geographically in the midst of what was then the territory of this Association it speedily enlisted the affection and patronage of our people, and became the center of our educational interests, and the mecca of our annual gatherings. Its history has fully demonstrated the wisdom of those who planned it. No mightier agency is at work in our midst, for to this school, in its training of our wives and daughters is due, under God, the well nigh universal prevalence of our principles in this Chowan section.

Once its fostering mother, since the separation from the churches of the West Chowan Association—thus placing the school out of our bounds—this body seems to have lost the old time interest and zeal in the institute it then displayed; and yet, it is our school, and we have the naming of its Board of Trustees, and to let it lose its place in our hearts and patronage, is to prove ourselves unworthy sons of noble sires.

Seven years ago when the present management took charge of the school they began with twenty-seven pupils. Year by year the attendance has grown, and the session just closed registered one hundred and twenty-four on the roll, ninety of whom were boarding pupils.

A new building has just been completed at a cost of $10,000.00. The Trustees assume nearly $2,000.00 of this; other friends at the recent Commencement increased this to nearly $3,000.00, leaving a debt of $7,000.00 to be provided for. We suggest that this Association assume one-half of the debt, or $3,500.00, and plan at once to secure this amount.

T. G. WOOD,
For Committee.

The report was discussed by T. G. Wood, M. A. Adams, A. B. Adkins, S. F. Bristow, W. P. Taylor, R. R. Overby and T. B. Boushall and adopted, and a committee was appointed to apportion among the churches of this Association the $3,500.00 which the report recommended that we raise for this object—the amount apportioned each church being payable in three annual instalments.

J. M. FOREHAND,
M. N. SAWYER,
H. A. LITCHFIELD,
A. F. ROUNTREE,
J. H. MORRISETTE,
Committee.

The Reading Clerk read the

REPORT ON HOME MISSIONS.

Our Home Mission Board has before it the greatest task confronting Southern Baptists to-day, and its work, if well done, will not only save our home land, but greatly influence the whole earth. The immense ter-

ritory in which the Home Board is trying to preach the Gospel surpasses in area most of the empires of the Old World. The South alone contains 25,000,000 people, 11,000,000 of whom are our own white kin, 9,000,000 negroes, and 5,000,000 foreigners. In wealth and material possibilities the South is superior to nations that have dazzled the world and changed the course of history. What we make, then, of this great southland for God and righteousness depends much upon Home and State Missions.

The Needs. Let no one think our beloved land secure yet. Wise and well as our fathers laid the foundations, we are in peril with new problems and grave difficulties on every hand now. The South must wrestle with Catholicism, Infidelity, Indifference and Materialism. The flood of foreigners pouring in our country averages now more than 2,500 people every day in the year. More than ever they are turning South. Great train loads are brought South Sabbath after Sabbath. Many of these know little and care less for the Sabbath day, or any of our sacred institutions. We are told that New York now publishes thirty-six daily newspapers in foreign languages. The Heathen are coming to our very doors, and if we do not Christianize these foreigners they may paganize us. If we do not meet them and lift them up by the Gospel of Christ, they will drag us down to riot and bloodshed.

The mountain regions of the South comprise two millions of our own people who need our help, while Cuba, priest-ridden, illiterate and impoverished, contains 1,500,000 souls blinded and prejudiced by a religion worse than none. In Cuba the Gospel is as much needed as in the heart of China.

Our own Southwest presents another open door. Where but a few years ago was only prairie grass, large cities and towns are springing up and the country is being peopled for miles and miles, in many places without a church. Here the Home Board is trying to sustain missionaries and plant churches, and right now, if ever, this work must be done.

What is being done? Much every day, but vastly more needs to be done. Last year the Home Board had 718 missionaries who baptized 10,551 and received by letter 10,019—a total of 20,570. Is not this a glorious harvest? Yet the good Home Missions is doing to lift up our people and save our Southland for Christ, who can tell? Now that the Board's plan of work among the negroes, that some of our brethren objected to, is about abandoned, and in view of the great needs and large opportunities of this work, let us of the Chowan Association enlarge our gifts to Home Missions at least 25 per cent. this year.

Respectfully submitted,

JOSIAH ELLIOTT,
CHARLES BATEMAN,
Committee.

The report was discussed by Josiah Elliott ,J. F. Vines and M. L. Kesler and then adopted and pledges taken.

(See list of Pledges.)

On motion it is ordered that hereafter one hour during the sessions of the Association shall be yielded to the work of the women, and that a Standing Committee be appointed to make a report upon their work and that space be allowed in the Minutes for this report:

REPORT OF COMMITTEE ON MEMORIAL TO LEMUEL BURKITT.

We recommend that a committee be appointed to bring the matter of erecting a monument to the memory of Lemuel Burkitt before the pastors and churches of the Association and request them to take a collection for this purpose.

W. B. WAFF,
J. O. ALDERMAN,
Committee.

The report was adopted and J. O. Alderman, J. W. Rose and W. B. Waff were appointed a committee to carry out the suggestion of the report.

The Association adjourned to 9:30 o'clock A. M. tomorrow. Prayer by Josiah Elliott.

THIRD DAY—MORNING SESSION.

The Association met at 9:30 A. M. for devotional exercises, led by N. P. Stallings, who read Daniel 3:1-18. Prayer by M. L. Kesler.

On motion, it is ordered that Woman's Work be given one hour at the beginning of the afternoon session of the second day of the next meeting of the Association.

The Reading Clerk read the

REPORT ON TEMPERANCE.

In the opinion of your Committee, no more important subject has been discussed than this which, for want of a better name, is called Temperance, and it behooves us as representatives of the Lord Jesus Christ to give it careful and prayerful consideration. The progress the temperance sentiment is making in our State should cause all Christians to rejoice, and we should be ready to give it our most hearty support. We point with pardonable pride to the fact that Governor Glenn is making his administration, not a temperance, but a prohibition administration. Can we, as a religious body do less? The rather shall we not join hands with the temperance or prohibition advocates of the State and do what we can to rid our beloved State of this demon.

In view of the action of the last session of this Association we would append to and make a part of this report the following preamble and resolutions:

Whereas: At the last session of the Chowan Baptist Association a resolution was adopted "That this Association for the future refuse to recognize or seat as members of this body, delegates coming from any church or churches who retain in their fellowship any member or members who make or sell ardent spirits," and

Whereas: We are informed that there is present, as a delegate, a brother who is engaged in the manufacture of ardent spirits, therefore be it Resolved,

1st. That we refuse to recognize such a brother as a delegate.

2nd. That a committee be appointed to visit the church sending such delegate and urge them to reclaim or withdraw fellowship from such member.

3rd. That after one year this Association will not hold in its fellowship any church which retains in its fellowship any member who is engaged in the manufacture or sale of ardent spirits.

DUNCAN McLEOD,
For Commitee.

The report was discussed by Duncan McLeod, Josiah Elliott, S. F. Bristow, J. O. Alderman, W. N. Gregory, L. C. Brickhouse and N. P. Stallings, and was amended by striking out the first resolution and the Clerk directed to substitute the name of one of the Alternates from this church, as the brother referred to declined to serve the church as a delegate. The report as amended, was adpoted.

The Reading Clerk read the

REPORT ON FOREIGN MISSIONS.

We are glad to note the continued prosperity and advancement in our Foreign Mission work both at home and abroad. The aggregate of our gifts during the last Southern Baptist Conventional year ending May 1st, 1906, was $315,248.48 as against $283,415,88 last year. Of this amount the 188,785 Baptists of North Carolina gave $28,702.37 as against $20,210.72 last year. The Chowan Association gave $1,132.76 with our membership of 8,829 Baptists. A few years ago only a very limited number of our churches gave per annum the salary of a missionary ($500.00 to $600.00). Now it is common for churches to give that much, and a number of them contribute $1,000.00 to $1,200.00, the salary of a man and his wife. Besides this, a goodly number of individual men and women give the salary of a missionary, and a great many give $100.00, the salary of a native preacher in China for a year. Never were Southern Baptists so able to send the Gospel as now. We have now on the foreign fields 189 missionaries, 25 of whom have been appointed and sent out this conventional year. Besides these, we have 71 ordained and 229 unordained native helpers. Our Foreign Mission Board is doing mission work in seven countries as follows: China, Africa, Japan, Italy, Mexico, Brazil and Argentina. These seven countries combined represent a population of more than 600,000,000 people.

Our missionaries have baptized during the Conventional year 2,445 persons; and we have 12,894 members on the foreign fields. At our State Convention in Raleigh last December, it was agreed that we would raise $30,000.00 for Foreign Missions this year instead of $23,000.00 as last year. This is an increase of $7,000.00, or about 30 per cent. Let us increase our pledges and contributions in proportion.

Respectfully submitted,

J. B. FEREBEE,
JAS. W. ROSE,
Committee.

The report was discussed by J. F. Vines and adopted. The roll of churches was called and pledges taken.

(See list of Pledges.)

M. L. Eure was recognized as a visitor from the Portsmouth Association.

The committee appointed to apportion the $3,500.00 to be raised during the next three years for C. B. F. Institute reported as follows:

The following resolution was introduced and unanimously adopted:

Be it resolved, that this, the Chowan Baptist Association, at its One Hundred and First session wishes to express its sincere thanks and appreciation to the Rockyhock Church, and the Methodists of the surrounding country for the hospitality so generously shown to us, making every effort to minister to our pleasure and ease.

Be it further resolved that we express our thanks to the Transportation Companies for the reduced rates granted.

J. F. Vines, T. B. Boushall and J. W. Rose were appointed a committee to draft resolutions to be embodied in the Minutes of the Association condemning the running of Sunday trains.

The resolution submitted is as follows:

SUNDAY EXCURSIONS.

Recognizing the great evil caused by the Sunday excursions on the Norfolk & Southern and the Virginia & Carolina Coast Company railroads; and further recognizing the fact that both of these roads are under the same management, and there no longer being the "excuse" of "competition;" also knowing that efforts have been made to get this evil stopped; be it Resolved

1st. That this Association, representing 9,000 Baptists, in the territory of these roads, place itself upon record as condemning the practice of Sunday excursions as being a direct violation of God's commands, selling the Sabbath for money; robbing the men who run the trains of needed rest; encouraging a disregard of the Sabbath, and thereby encouraging drunkenness and evil in the country.

2nd. That we protest against such an evil and pledge ourselves to withstand the evil influence of such un-Christian and greedy agencies as would sell God's Word, and the morals of the people for money.

3rd. That a copy of these resolutions be sent the manager of the roads and become a part of the records.

JOHN F. VINES,
T. B. BOUSHALL,
JAS. W. ROSE,
Committee.

J. F. Vines was elected Associational Delegate to the next session of the Southern Baptist Convention.

A. F. Rountree was elected a member of the State Board of Missions and Sunday Schools.

Josiah Crudup, J. B. Ferebee and J. M. Forehand were elected delegates to the next session of the Baptist State Convention.

It is ordered that the usual compensation be allowed the Clerk and he is instructed to have the Minutes printed and distributed to the churches in proportion to the amount contributed for this purpose by each church.

The work of the Association being completed, after singing a hymn, the Moderator declared the meeting adjourned to meet on Tuesday after the third Sunday in May, 1907, with Corinth Church, Pasquotank County.

JAMES G. GREGORY,
Clerk.

LYCURGUS HOFLER,
Moderator.

PROCEEDINGS

After devotional exercises the address of welcome was delivered by Mrs. Annie M. Leary, President of the W. M. S. of Rockyhock Church, and response made by Mrs. Pierce.

The meeting was addressed by Mrs. A. T. Bush with suggestions on Sunbeam work.

There being no further business, the meeting adjourned to meet at Corinth with the Chowan Association Tuesday after the third Sunday in May, 1907.

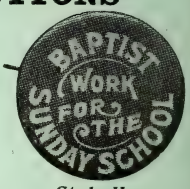
Rewards and Novelties for the Sunday School

REDS AND BLUES CONTEST BUTTONS

Two Designs

Style I

Reds and Blues contest plans have proved wonderfully successful in Y. M. C. A. work and are proving more so in Sunday-school work. By making use of our Reds and Blues plans you can easily double your school membership in a month or six weeks. You can break up irregular attendance in a very short time. You can raise large sums of money for your needs. You can secure church attendance, bringing of lesson helps, bringing of collection, coming on time, etc. Each Reds and Blues plan requires dividing the school into two sections—Reds and Blues and appointing captains, one or more, for each side, a social or other treat to be given at the close of the contest, when those on the winning side receive ice-cream and cake, and the losers crackers and cheese, or some other attraction to celebrate the close of the contest and the victory. Treat is to be paid for by the school. Complete instructions sent with each order.



Style II

Price, in lots of 10 or more (sent assorted, one-half each color), 1½c each, postpaid; 50 or more, 1c each, postpaid.

(STATE PLAINLY IN YOUR ORDER WHICH STYLE YOU WANT.)

Gold and Silver Star System

For increasing attendance has proved to be very popular and has met with phenomenal success.

It combines every valuable feature of all methods and eliminates practically every element of weakness. These stars are made from solid silver, solid silver gold-plated, and solid gold, and guaranteed to be exactly as represented.

Prices: Solid silver, 20c each; solid silver, gold-plated, 30 ceach; solid gold, 75c each, postpaid.

Baptist Sunday School Buttons

Black Button, triangular design in white and blue, with Baptist Sunday-school in gilt lettering. Outside of triangle is black, representing the world in darkness without the light of the gospel. Inside the triangle of one is white with red cross, and the other is blue with white cross. These colors represent purity and fidelity and the cross mercy and redemption.

The buttons are beautiful and inexpensive—always clean and bright, never soil, tarnish, or look dull.

Price, 5c each; 50c per dozen; $2.50 per hundred, postpaid.

COLORED CELLULOID BUTTON

Illustrating the Baptism of Christ in the Jordan

This button is a reproduction of the famous original oil painting by E. Goodwin Lewis, which was exhibited all through Europe and finally purchased for $5,000 and presented to one of our English colleges. The aim of the artist has been to represent as literally as possible the historic fact of the baptism of Christ as narrated in the Gospels. The baptism takes place at one of the fords of the Jordan. In the distance the sterile mountains of Moab glisten in the bright Eastern sunlight. On the west bank of the river a great mass of people "from Jerusalem and all Judea and all the region round about Jordan," are gathered together. An excellent reward. Every scholar should have one.

Price, 5c each, 50c per dozen, postpaid

COLORED SOUVENIR BUTTONS

Price, 15c per dozen, postpaid. Sold only in dozen lots. Series not broken.

Bible scenes copied from famous paintings bearing on the lessons. Beautifully colored celluloid buttons, furnished with pins, and mounted on cardboard (3½x6¼ inches), with the scriptural description of each scene printed around the button, so that the verse of Scripture and the picture become indelibly stamped on the child's memory. A line of perforation around each verse of Scripture permits each button and verse pertaining to it to be removed separately.

Series I. Twelve designs taken from the Life of Christ.
Series II. Twelve designs taken from the Life of Paul.
Series III. Twelve designs taken from the Old Testament.

The report submitted by J. W, Rose was as follows:

THE REPORT ON MINISTERIAL RELIEF.

What the orphanage is to the orphans of our State, the Ministerial Relief Board is, in part, to the old ministers of our denomination whose lives have been spent in preaching the gospel, and whose means are insuffient to meet the real necessities of life The Board also aides the windows of Baptist Ministers who have been left without the means to provide the necessities of life We most heartily recommend to the churches of our Association the Board as one of the most worthy objects of their support.

Jas. W. Rose.

The report was adopted.

J. O Alderman submitted the following:

REPORT ON ORPHANAGE.

Twenty-two years ago the Baptists of North Carolina established an orphanage at Thomasville, N. C., under the management of J. H.

Mills. Under his managemement, which lasted ten years, the orphanage established itself as a permanent institution claiming the support and securing securing the love of North Carolina Baptist. J. B. Boone followed Mills and served a like period of ten years as General Manager. Under his managent full of a period of enlargement and improvement that greatly strengthened the institution.

Rev. M. L Kelser has now been General Manager for two years and is pushing the institution to larger usefulness. The orphanage farm contains 441 acres. There are buildings valued at $65,000 and a good system of waterworks estimated at $20.000 In addition to the numerous colony houses for the children, there are the General Manager's House, the Central School Building, a Laundry, a Shoe Shop, a Wood Shop, and the Printing office from which Charity and Children is issued. There are 340 children in the orphanage, nine teachers in the school, and twenty-eight (7 male and 21 female,) employees serving the institution. They have fifteen milk cows four mules and two horses in this large family of three hundred and forty children Much wheat and corn and vegetables is produced on the farm, but these children are dependent on the Baptists of North Carolina for most of their food and for their clothing. This is the orphans call to us.

The Chowan Association has two buildings at Thomasville, one built by the Association and one by Bro E. F. Aydlett, of Elizabeth City, which is nearing completion and which will increase the capacity of the Orphanage by forty children. These two houses representing the Chowan Association claim a larger monthly or yearly contribution from our people In North Carolina only two Associations exceed the Chowan in membership, yet ten exceed it in contributions to the Orphanage. Three pass the $2,000 mark, and six pass the $1,000, while we with the third largest membership reached only $770. Our average per capita contribution to this object was only eight and one half cents while one church in the state with a membership of over nine hundred made an average of $1.93 per member to the Orphanage. We urge larger gifts on the part of our churches to this work We urge that every Sunday School give one collection each month to this object and talk up the Orphanage on that day. We urge that Charity and Children be pushed in circulation more and more.

J. O. Alderman,
For Committee.

In connection with the above report, the following communication from E F. Aydlett was read, after which the report was discussed by Archibald Johnson, and adopted:

To The Chowan Baptist Association,

In Session Assembled at Corinth Baptist Church.

Dear Brethren:

When you and I mutually agreed to erect, each a building for the orphans at Thomasville. it was understood that it would cost each of us $2,500 00 to erect them similar to the Durham building. When the Chowan building was finished it cost $3,200 00 and my building, which has just been completed, cost $3,600.00. This difference in the cost was caused mainly by the increased cost in the building material and labor. You brethren have paid on your build ing $2,391.25, which leaves a balance due of $808.75.

At a meeting of the Trustees in July last, I was requested to lay this matter before the Association and see if it was willing to pay the balance due on the building, they recognizing the fact that you are only liable for $108.75 unless you are willing to assume the full cost of the building.

Now I make this proposition to the Association. If you will pay the cost of your building of $3,200 00, being $700.00 more than you promised, I will pay the $3,600 00 for the building I erected, being $1,100 00 more than I promised.

I had hoped to be with you in your Association, but on account of its being held two weeks earlier, my engagements called me to Dare Court, and I am prevented from being with you, which I very much regret.

Enclosed I send you copy of my letter to Bro. Kesler, the General Manager, and his reply, and ask that they be read. From Bro. Kesler's letter it appears that the cost of maintaining the orphans in the Chowan building and the Aydlette building will amount to $4,750.00 per year.

Believing that we can do nothing better than to look after and train the orphans, I make this proposition to to the Association: "If the Association will pay one half for the care of these orphans for the year beginning with May, 1908, which amounts to $2,375.00, I will pay the other half." I make this proposition now so that a committee may be appointed to confer with the churches, and be ready to agree to this by the next annual meeting of the Association.

Fraternally yours,

E. F. Aydlett.

☞ A motion that the remaining $800.00 due on the Chowan Building be paid by the churches of this Association, and the amount be apportioned among the churches was carried and T. B. Boushall, E. J. Freeman, and Charles Bateman were appointed a committee to apportion the amount.

A motion that the Association accept the proposition of E. F. Aydlett and assume one-half the cost of supporting 66 orphans beginning with May 1908 was tabled for consideration at some hour of Wednesday's session to be designated by the Committee on Order of Business, after discussion by E. S. Norman and T. B. Boushall, was adopted.

The following Resolutions were offered:

RESOLVED.

Resolved: That the Chowan Association desires to put on record its deep appreciation of Bro. E. F. Aydlett's magnanimous offer looking to the support of sixty-six children at our Orphanage at Thomasville, and to tender him its hearty thanks, and the Clerk is hereby instructed to furnish him with a copy ot this resolution.

The resolution was discussed by H H. Mashburn and T. B. Boushall, and adopted. The roll of the churches was called and pledges taken for the Orphanage. (See list of Pledges.)

On motion the Committee on Hospitality of Corinth church was allowed at this time to make known to the delegates the assignment of homes.

The Reading Clerk submitted the following

REPORT ON PERIODICALS.

Periodicals means magazines and other publications appearing at stated times; as quarterly, monthly, weekly or daily. No institution in this day, whether it be industrial, educational, political or religious, can rise with the tide of success without the support of a live periodical to advocate its principles

The great Baptist denomination today owes its high standing in the religious world, more to its periodicals, than any other material agency. The success of its Colleges, Orphanages, Mission Boards, are all largely dependent on its periodicals. Our denominational progress is in proportion to the patronage its communicant give its periodicals.

For seventy-two years the Biblical Recorder has been advocating Baptist principles in North Carolina.

A period of forty years just prior to the establishing of this period ical, the numerical progress of the Baptists in the State was only about 200 members per year. The first thirty years after the establishing of the Recorder, the average increase was more than 1400 per year. As the circulation of the paper increased, the average gain of members increased. From 1860 to 1906 the gain was more than 3,000 per year. For the last twelve years the average gain has been nearly 16,000 per year.

Itis true that in these latter years other periodicals have come in and helped in speeding the wheels of progress, but the Recorder stands far in the lead of them all. And as the Baptist Organ of the State, it should be read and supported by every Baptist family In addition to the Recorder, we would recommend your patronage to Charity and Children, North Carolina Baptist, Foreign Mission Journal, Home Field and the Chowan Baptist. All of these periodicals combined will only cost you $4 25 per year.

To the Sunday Schools we would recommend the quarterlies and other lesson helps published by the Sunday School Board of the Southern Baptist Convention at Nashville, Tenn.

Respectfully submitted,

JOSIAH ELLIOTT,
R. B HOLLOWELL, } Committee.

The Moderator appointed the following Committee of Time, Place and Preacher for the next meeting of the Association, L. Basnight, David Hollowell, and M. P. Jennings.

The meeting adjourned to Wednesday 9:30 a m., May 8th. 1907.

SECOND DAY—MORNING SESSION.

The session was opened with singing "Nearer my God to Thee."

The proceedings of the first day were read and approved, after which T. G. Wood submitted the following

REPORT ON C. B. F. INSTITUTE

We have enrolled during the present session 107 boarding pupils, and 34 day scholars; making a total enrollment for the session of 141. This is the largest enrollment but one in the history of the school. That was the session of 1854-'55, when 160 were enrolled. We now have the largest boarding patronage except one in the history of the school—that was the session of 1874-'75, when 110 boarding pupils were enrolled.

The GRADUATING class of this year numbers 13.

The HEALTH record of the present session is VERY GOOD. For this we are profoundly grateful.

Pastor Gay, of Windsor, held a series of meetings for us during the fall term. A number of our girls made profession of religion and were baptized into the fellowship of the church here. The meeting left only two pupils who are not professing christians. We are profoundly thankful to God for this great blessing to the school, to the church, and to the fathers and mothers whose daughters were reached

and saved by the Gospel.

The session's work has been well done. We have 12 Teachers--2 men, and 10 women. Of the latter 3 are Music Teachers well qualified for their work.

The present outlook for the school is good. The hearts of our people are turning more and more, as the years go by, to the Institute founded in 1848, and now completing its 59th year of work for womanhood. In these years the School has graduated 410 young women and sent them out as workers for God and for the uplift of men and women to broader lives and better living

The present condition of the school and its outlook for the future ought to bring joy to the hearts of all good men and women everywhere; and especially to the men and women of the Chowan and West Chowan Associations.

This is pre-eminently OUR SCHOOL, and in the years to come should occupy a larger and larger place in the education of our women for service in home and school; in Church and State; and as far as humaniuity's needs extend.

The Reading Clerk read the following:

REPORT ON STATE MISSIONS

The State Mission Board began its work seventy-seven years ago. The results amply justify the wisdom of our fathers in this great undertaking Accurate statistics were not given by the Missionaries until 1882, just twenty-five years ago.

From these statistics are gathered the following interesting figures:

Number baptized by our Missionaries	31,179
Churches organized on Mission fields	787
Houses of worship built on Mission fields	735
Amount paid for building houses on Mis fields	$156,313 08
Sunday Schools organized by Missionaries	872

THere are in the State 1821 Missionary Baptist churches. Seven hundred and eighty-seven—three sevenths of these—were organized by the Missionaries of the Board, within the last twenty-two years. It would be entirely safe to say that at least half the Baptist churches in North Carolina were organized by the Missionaries of the Board. It is no exaggregation to claim that two thirds of the money that comes into the Lord's treasury for our general work, comes from churches that were organized by or beneficiaries of our Board

Last year fifty-eight churches gave each one hundred dollars or over to Foreign Missions Of these, forty-four are churches that have been aided by the Board, leaving only fourteen that had not been aided. Five churches gave, last year, $500 00 or more, each, to Foreign Missions, and every one of these five was founded or fostered by the Board. It will be seen by these facts, that in the work of State Missions, we have been laying the foundation for the enlargement of every department of our work.

As much as has been done, much remains to be done. A large area of rich, virgin soil remains untouched. There are five counties in the State with only one resident Baptist pastor to the county, and that one would not be there were he not supported in large measure by the Board. There are four county seats in no one of which is there a Baptist church or a Baptist preacher. Many towns, yet un-occupied, are making urgent appeals to the Board for help Many of the towns which the Board aided in establishing the first church, are now asking help for one or more Mission points. This is due to the rapid growth of many of our towns

The greatest destitution in the State is to be found within the bounds of the Chowan Association Our cause in Dare has made gratifying progress of late, under the wise leadership of Brother Wood, but very much yet remains to be done there In Tyrrell County there is still much unoccupied territory. Brother Owen has recently located at Columbia, and our cause there is in safe hands He is reaching as many of the other points in the county as possible, but we could use one or two other good men to great advantage in Tyrrell. At Belhaven in Beaufort County, our cause is in fine condition. They have recently dedicated a beautiful house of worship, and Brother Davis is preaching to large congregations.

In Hyde County we find our hardest and most unpromising Mission field. The County has a population of ten thousand, only twenty-eight of whom are Missionary Baptists Brother Farthing is trying to cover the whole county This is a task which is humanly speaking, impossible. We need at least two good strong men in Hyde. Every dollar that is being put in Mission work in the Chowan Association, might be profitably used in Mission Work in Hyde County We must not neglect the other points, but we must do more for Hyde "Let us go up and possess the land, for we are abundantly able to take it"

J B. Ferebee,
W. P Jordan, } Committee.

The report was discussed by Livingston Johnson and J. W. Rose. The roll of the churches was called and pledges taken (See list of

Pledges,) and the report was adopted.

H. H Mashburn requested that his motion at yesterday's session in reference to accepting the proposition of E. F. Aydlett be withdrawn, and this was done by unanimous consent, and the following resolutiions were introduced and adopted:

Whereas there has been submitted to this Association a proposition by Bro. E. F Aydlett challenging its fifty-nine churches to undertake jointly with him the support of sixty-six children at the Baptist Orphanage at Thomasville, N C., Bro. Aydlett to care for thirty-three, and the churches thirty-three, (sixty-six being the number that find accomodation in the two buildings, the Aydlett and the Chowan) at a present cost of $4,750 00, only $2,375.00 falling to the churches, therefore,

Be it Resolved, that it is the sense of the Chowan Association now in session that the churches ought gladly to accept Bro. Aydlett's challenge and that this challenge be referred to the churches with a request that they send their messengers to the next session of this body instructed to act in the matter

The Association adjourned to 2:00 p m., with benediction by I. N. Loftin.

SECOND DAY—AFTERNOON SESSION.

The meeting was opened by singing, and prayer by W. R. Cullom

The Reading Clerk read the following:

REPORT ON MINISTERIAL EDUCATION.

There is a great need of a larger number of strong, well equipped consecrated men in the gospel ministry to-day, and if we rightly discern the signs of the times, the need is becoming even greater and more imperative each year.

We believe in a special divine call to the ministry. But we should remember that God works through men as His agents, and this applies in His call ng men into the ministry as well as in His calling them into His kingdom Hence we would urge upon Christian parents, preachers, and Sunday School teachers the importance of their keeping the needs of the ministry, in this respect, before the minds of the boys and young men of our land and of preparing them in every possible way to hear and heed God's call as He calls them into this great work. We fear that the ministry is being encroached upon because of Christian workers not doing their full duty in this respect. And when young brethren give evidence of having given themselves to the work of the ministry, we believe the churches should help them, when aid is needed, to secure both a College and a Seminary education. And since we have the best of agencies for this in our Board of Education at Wake Forest College and the Students

Aid Fund at the Southern Baptist Theological Seminary, we recommend that our churches contribute liberally to this work through both of these channels.

T. S. CRUTCHFIELD,
N. E. JONES,
} Committee.

The report was discussed by T. S Crutchfield and W R. Cullom. The roll of churches was called and pledges taken for this object. (See List of Pledges.)

REPORT ON SUNDAY SCHOOLS.

Believing that the Sunday School in the church engaged in the studying and teaching scriptures, that this work is clearly authorized in the Bible, that it is the richest and ripest field for christians endeavor at the present time, that our State Convention is seeking wisely to emphasize it as a factor in our development, and that for us as churches and as an association it presents a wide open door of splendid opportunity.

Your Committee would earnestly recommend:

1 That all our churches put more life, energy and consecration into this imperative teaching work committed to them.

2. That every Sunday School be kept open if possible, for every Sunday in the year.

3 That special effort be made by pastors, superintendents and other workers, to enlist in the Sunday School the adult members of our churches as well as an increasing attendance on the part of the children.

4. That we encourage the organization of schools in all of our churches, and branch and Mission Schools wherever practicable, so that a Sunday School may be accessible to every man, woman and child within our Associational bounds.

5. That each school send full reports to the Association so that the Sunday School table in the minutes may contain complete statistics

6 That our Schools provide themselves with Baptist literature, (as that furnished by our Baptist Sunday School Board of Nashville, Tenn ,) ordering the same through our Baptist Book Store, Raleigh, N C., at least fifteen days before it is needed for distribution.

7. That we arrange with our State Sunday Schcool Secretary to hold within our territory during the coming year one or more Sunday School Institutes with a view to training our officers and teachers and improving our Sunday School conditiond.

8 That we have a Sunday School Convention by utilizing our Union meeting in Mid-Summer, devoting it entirely to the consideration of Sunday School topics and the unifying of our Sunday School forces

That we heartily endorse the Sunday School Department of the Baptist State Convention, that we recognize "Sunday School Missions" as one of our regular objects of benevolence and that we pledge ourselves to contribute towards its maintenance and enlargement.

Respectfully Submitted, P. S C. Davis,
Committee.

The report was discussed by P. S. C. Davis, R. M. Farthing and H. H. Mashburn, and adopted.

There being no report prepared on Home Missions, on motion, H. H. Mashburn was requested to address the body on this subject 20 minutes, and submit a report later to be inserted in the Minutes. This report, which was later submitted and adopted, was as follows:

HOME MISSIONS.

It is gratifying and full of promise that Home Missions are growing in favor with North Carolina Baptists. Increase in contributions for this cause was very much larger during the year now closing than for any other. If there is any paramount issue in our mission work at this hour that issue is Home Missions, the work of holding this great Southern Country for Christ and the evangelization of the whole world.

The Home Board projected its work in 1906-07 on a basis of $250,000. For the coming year 1907-08, it will be on a basis of $500,000, or double what it was last year. Our churches therefore must double their contributions. H. H. Mashburn.

The Reading Clerk read the

REPORT ON TEMPERANCE

Intemperance is one of the greatest evils our churches have to contend with. In spite of the plain teaching of the Bible, that "no drunkard shall inherit the kingdom of heaven," and that "woe unto him that giveth his neighbor drink, that puttest thy bottle to him, and makest him drunken also," many of the members of our churches are neutral on the question of prohibition, and are inclined to give their support to the liquor traffic If every Baptist in the Chowan Association would declare themselves in favor of prohibition; and would withdraw their patronage and support from the liquor traffic, the open saloons, dispensaries and blind tigers would die a natural death. The time has come, when the churches of our Association should take a high stand against this most distructive evil. Their discipline against the making, selling and drinking should be strict and positive Respectfully submitted:

THIRD DAY—THURSDAY.

The meeting was opened by singing, and prayer by J. S Farmer.

J. F. Vines read the

REPORT ON FOREIGN MISSIONS.

It should be a constant joy to every Baptist to note the continued increase of interest in Foreign Missions. The year just closing will be one marked by progress botn at home and abroad. At present we cannot know the amount contributed during the year, but the expected amount is four hundred thousand dollars ($400,000 00,) as compared to three hundred and fifteen thousand two hundred and forty eight (315,248.00) of last year. But while we do not know the amount given we can rejoice in the glad good news that we shall go to Richmond out of debt. Last year there was a debt, but the message has been sent to our foreign workers "VICTORY."

We can see the growth best when we note that the gifts this year will be equal to one third the total gifts of the first

forty years of the Convention's life Some individual states will give as much this year as the whole South gave a few years ago. Some churches will give as much as whole states a short while ago. And now some individuals are giving as much as our strongest churches gave recently This is a fact worthy of praise and joy.

The numbers of Missionaries and native workers have increased this year, sixteen new Missionaries having been sent out. Also, the number of baptisms has increased until now we have fifteen thousand Christians on the Foreign Field The 194,485 Baptists of North Carolina gave last year Twenty nine thousand, nine hundred and twenty six dollars ($29,926.00.) This year the good sum of thirty thousand, five hundred dollars ($30,500 00) The Chowan Association gives this year $1,627 80, with her nine thousand Baptists.

A short while ago there was a great destitution of buildings on the Foreign Fields but now we have quite a number of Chapels that stand as lights in the earth Many of our Missionaries have houses to live in, and there are school buildings which mean much to our work. We also have seven Theological Training Schools with over a hundred men in attendance and soon this number will be doubled Also, a splendid feature of our work is the mission of the Medical Missionary. To our hospitals thousands come for treatment and there learn of the Christ.

OUR NEEDS.

1. That we send out more men and women to the Foreign Land
2. Increased and better equipment.

It is ours to furnish these needs. The 1,899,427 Baptists of the South ought to give more than $400,000, to Foreign Missions. The 194,485 Baptists of North Carolina should give more than $30,500, and the Chowan Association should give more than $———. Will we not heed the cry and do more.

Respectfully submitted,

Be it Resolved: That a committee be appointed to remain during the year as a standing committee, whose duty it shall be to look into the workings of these churches, their orthodoxy and Mission work, and see that only suitable men are employed as pastors of the said Mission churches, to the end that only worthy churches may receive aid and recognition in the Association as Missionary Baptist Churches.

The Woman's Missionary Union of the Chowan Baptist Association was organized with officers as follows:

President—Mrs Daisy Spruill, Columbia.

Vice-President—Mrs. John F. Vines, Elizabeth City.

Rec. Secretary—Mrs. Wm T. Deans, Elizabeth City.

Mrs. John F. Vines addressed the meeting. Subject: "The Object of this Union."

The President then asked that each delegate remember the importance of each member in every Society in the Chowan Association contributing, during the month of May, the ten cents asked for to meet the expense of the State Central Committee.

Only a few of the Societies sent reports, and for that reason the statistics show but a small part of the work done by the Baptist Women of the Chowan Association. The Societies are urged to send, hereafter, full reports of numerical strength as well as of contributions to the various objects; and to send delegates to the next session.

After a song and a prayer, the meeting adjourned to meet at Columbia, with the Chowan Baptist Association, Tuesday before the first Sunday in May, 1908.

Mrs Daisy Spruill, President.

Mrs. Wm. T. Deans, Secretary.

Standing Resolutions of Request.

Resolved, That the pastors and deacons of the churches with which future sessions of this body may be held, be requested to prevent the sale of any article whatever on the church grounds during the session. That they also prevent the erection of tents or booths for taking pictures, and they secure similar prohibition as to the lands of citizens adjoining the church grounds.

(Adopted at the session of 1884, held with the church at Rockyhock.)

CONSTITUTION.

Article I. This Association shall be composed of white male delegates, chosen by the churches of this body, and of all ordained ministers who are members of, or laboring in connection with said churches. Each church shall send a letter showing the number of members, those baptized, received by letter or restored, those dismissed by letter, excluded, and dead since last session.

Article II. The territory embraced in this Association shall be limited to the following counties, to-wit: Currituck, Camden, Pasquotank, Perquimans, Chowan, Gates, Washington, Tyrrell, Dare, Hyde and Beaufort.

Article III. The Association, when convened, shall be governed and ruled by parliamentary usage, as prescribed in Mell's Parliamentary Practice.

Article IV. The officers of the Association shall be a Moderator, Vice-Moderator, Clerk, Reading Clerk and Treasurer, who shall be elected annually.

Article VI. Every motion made in due order and seconded, shall come under the consideration of the Association, unless withdrawn by the person who made it.

Article VII. The Association shall furnish the churches with a number of printed minutes of the Association, from time to time, proportionable to the moneys contributed from each church to the support of the Association fund.

Article VIII. We think it necessary to have an Association fund for defraying the expenses of the same, for the raising and support of which we think it the duty of each church in the union to contribute voluntarily such sums as they think proper and send by the hands of their delegates to the Association; and these moneys thus contributed by the churches shall be deposited in the hands of the Treasurer, who shall be accountable to the Association for all moneys by him received and paid out according to the directions of the Association.

Article IX. The minutes shall be regularly filed by the Clerk of the Association and kept for its use.

Article X. The minutes of the Association shall be read, and corrected if need be, and signed by the Moderator and Clerk before the Association rises.

Article XI. Orthodox and orderly churches shall be admitted to membership in this body on petition by letter and delegates.

Article XII. Amendments to this plan or form of government may be made by a majority of the union.

2. To give the churches all necessary advice in matters of difficulty.
3. To preserve inviolable a chain of communion among the churches.
4. To inquire into the cause why the churches fail to present themselves at any time in the Association.
5. To appoint any member or members, by and with their consent to transact any business they shall see necessary.
6. To withdraw from any church in the union that shall violate the rules of the Association, or deviate from the Orthodox principles of religion, after due measures are taken to reclaim such a church, or churches, and they remain incorrigible.
7. To allow no delegate to leave the Association until final adjournment, without the permission of the body.
8. To admit any of the visiting brethren from other Associations, as assistants who may be present.
9. To adjourn themselves to any future time and place they may think most convenient to the churches.

OLD MINISTERS' RELIEF.

For many years our churches failed to recognize the debt they owed to our aged and indigent ministers. Not until twenty years ago was a board established, to receive and disburse funds for the benefit of the old soldiers of the cross, who have worn their lives out in the service of their Master,

and who, out of their meagre salaries, were able to lay aside nothing for old age. Even now, only a pittance can be given to the beneficiaries of this board. The little they receive is a great help, but in almost every case the appropriation should and would be larger if a sufficient amount was contributed by the churches, to make it possible for the board to enlarge its appropriations. There are about fifty now on the roll, receiving a little aid quarterly from the Relief Board, and there are others who are asking and need aid. One-third of the amount contributed by the churches is set aside and invested as a permanent fund, the interest of which only can be used, while the other two-thirds go to the immediate relief of those receiving aid. In this way we will have an invested fund, after awhile, which will enable us to do a better part by our aged ministers, but the present needs are many and urgent. If the salaries paid to those servants of God during their active ministry were so small that they could not possibly lay aside anything, and, because of old age these churches no longer want their services, surely, it is the very least they can do to supply their simple wants during the remnant of their days.

A. F. ROUNTREE,
For the Committee.

The report was adopted.

The hour for the consideration of the subject of Foreign Missions having arrived, and the chairman of the Committee appointed to make a report on this subject having removed to another State, and the other two members of the committee being deceased, A. A. Butler was asked to prepare a report and upon information that S. J. Porter, Assistant Secretary to the Foreign Mission Board would be with us later in the day, on motion, consideration of this subject was deferred to 8:00 p. m. this evening that we might hear him. On motion, the roll of the churches was called and pledges taken for this object. (See List of Pledges.)

The report submitted by A. A. Butler was as follows:

REPORT ON FOREIGN MISSIONS.

Our fathers, not many years ago, prayed the Lord to open the doors of all the heathen nations for our Missionaries to enter. This was necessary because well-nigh all doors were closed against them. To-day, we are glad that it is our privilege to thank God for answering our fathers' prayers, and that all doors are now open, and that the Macedonian cry is coming from all quarters, "Come over and help us." We have great cause for thankfulness when we remember how abundantly God has answered our prayers in raising up men and women to go into the regions beyond, to proclaim the Gospel. Again we are profoundly thankful that God has put it into the hearts of so many of our people to aid so nobly in providing the means to sustain the work, and the workers. The latest report from Richmond assures us that our Board will report no debt to the Southern Baptist Convention, and that more than $402,000.00 have been contributed by our people during this Conventional year for Foreign Missions. So it is safe to say that we have gone forward. We have added to our number of Missionaries and have increased our contributions. But let us remember that we are not at the ending of Foreign Mission endeavor, but have hardly more than begun. The field was never so "white unto the harvest." The cry for help from the field was never so loud. The immediate necessity for increased effort, and enlarged contributions was never so great. The Master is calling. The field is before us. We have the men and women, and we have the money. The question for our consideration is, shall we consecrate our entire equipment for the work of Foreign Missions to the end of saving the lost world?

A. A. BUTLER,
For the Committee.

A motion that a Historian be elected to keep in touch with the ministers and prominent members of this body and submit an annual report with suitable resolutions of respect to their memory and labors among us, after discussion by J. B. Ferebee, Josiah Elliott, B. F. Duncan, and T. A. Tatem, was adopted. George J. Spence and Mark Majette were nominated, and upon request of Bro. Spence that his nomination be withdrawn, Bro. Majette was duly elected to this office. On motion, the Historian was requested to make a report at this session of the Association so that his report may be adopted and become a part of the records of this meeting.

On motion, the proposition of E. F. Aydlett in reference to providing for the care of the children in the Chowan and Aydlett Buildings at the Orphanage, at Thomasville, was taken up and his letter to the Association last year was read. A motion that the Association accept the proposition was discussed by S. F. Bristow, H. H. Mashburn, J. B. Ferebee, W. T. Love, Thomas G. Wood, E. Bateman and Josiah Elliott. A motion that the sentiment of the churches be secured by calling the roll and having the delegates vote on this proposition was discussed by I. N. Loftin, J. H. Poteet and Edward Pearce and adopted, after which the roll of the churches was called and the motion to accept the proposition was lost by a vote of 19 yeas to 22 nays. A motion that this matter be again referred to the churches for further discussion with the request that they send their delegates to the next session of the Association prepared to report further regarding this subject, after discussion by A. A. Butler, Josiah Elliott, H. H. Mashburn, and G. L. Merrell, was adopted.

The Committee on Periodicals being unprepared to report, were given leave to report later in the session, and, on motion, this subject was opened for discussion, and the body was addressed by J. S. Farmer, T. A. Tatem, I. N. Loftin, H. H. Mashburn and Josiah Elliott.

J. Porter, Josiah Elliott, W. B. Morton, A. A. Butler and T. A. Tatem pleading for an enlarged view and increased contributions for this work. After prayer by H. H. Mashburn, the Roll of the churches was again called for pledges for this object and changes in the amounts pledged by several of the churches noted.

B. F. Institute was discussed by T. A. Tatem, Charles Bateman, B. F. Duncan, O. J. Swain, M. A. Adams, H. H. Mashburn and I. N. Loftin, and adopted.

The Moderator appointed L. W. Norman and J. E. Parker, Finance Committee for this session of the Association.

The Reading Clerk read the

REPORT ON STATE MISSIONS.

The great command of Christ to go unto all the world and preach the Gospel to every creature carried with it the idea, not of selfish centralization, but of wise self-preservation in that His followers were to begin at home, and from thence into all the world.

The great enduement of power, the essential of constant communion with God and the most powerful present factor in conquering the world is and was to be gained by a right beginning at Jerusalem.

In North Carolina for this year we have set a high mark as our goal. We have gone on, step by step, upward in obedience to the call of State Missions until now, instead of $25,000 as it was three years ago, the State Board says we must have $45,000 to meet the needs of the year. God has ever smiled upon advancement and to-day he is calling for progress in the world of religion and therefore Missions in direct proportion to our material progress which in North Carolina is well-nigh phenomenal. No part of the State is making greater advancement in material growth than is our own Eastern section. New railroads are being built into nearly every County of the East and they open the door of opportunity to us as never before. Will we be about our Father's business and care for souls as much as we do for wealth? Will we go through the open door of material prosperity enter in and as we go "Seek first the kingdom of God and His righteousness" in advancing His cause in a land so wonderfully blest? Will you not remember as you pledge to this cause that in several Counties in our own section there is only one Baptist preacher to the County? Will you not in your pledge say I am willing to spend and be spent as God may require of me?

I. N. LOFTIN.

A motion to adopt the report was discussed by I. N. Loftin, and Livingston Johnson, after which the report was adopted, the roll of the churches called and pledges taken.

(See List of Pledges.)

By unanimous consent, S. J. Porter addressed the body in reference to Literature, maps, charts and work of the Foreign Mission Board.

A motion that Ministerial Education be made the order for 3:00 p. m. this afternoon and C. B. F. Institute be considered at this hour, 11:45 a. m., was adopted.

M. A. Adams read the

REPORT ON C. B. F. INSTITUTE.

For more than half a century the old Chowan Institute has stood as a beacon light to the women of our land. The lights and shadows have been intermingled all along the way, but through all the years she has been true to her mission. Never has her need been greater than at prsent. Girls throng the halls, and the classes are doing the best work of any time during the present administration. The Board of Trustees look faithfully after all her interests. This Association holds the title to all the property, and controls the election of Trustees, and sustains a vital relation to this work. The interest of the Institute imperatively demands that we free it of debt which is as follows: A note of $8,000.00 secured by a mortgage on the whole property held by Mr. Wood, of Edenton, a note held by Shaw Bros., of Winton for $1,792.00. Counting the interest it will owe in July $10,382.00. We have about $1,400 in the Treasury. There are two notes past due and a third will be due in July. The personal notes are redeemable at any time. To meet the present demands there is needed $5,379.00 or $500.00 more than we have in the treasury and there is now due on pledges and on tuition more than enough to meet these demands, but while we delay the

notes stand and the interest grows larger. The situation demands immediate attention on the part of all our people. We need this Inustitute for our work and it devolves on us to set her free and let her do her great work for the glory of God.

Respectfully submitted,

T. A. TATEM.

The report was discussed by T. A. Tatem, I. N. Loftin, Livingston Johnson, M. A. Adams, J. S. Farmer and A. B. Adkins, and adopted. On motion, the Roll of churches was called, pledges taken and in addition, personal pledges and cash collection amounting to $46.00. (See List of Pledges.)

The Moderator appointed the following committee on Time, Place and Preacher for the next Annual Meeting—W. T. Love, A. J. Ward and Enoch Bateman.

The meeting adjourned to 2:30 p. m. with benediction by M. A. Adams.

WEDNESDAY—AFTERNOON SESSION.

Opened by singing "All Hail, the Power of Jesus' Name," prayer by A. A. Butler. The Reading Clerk read the

REPORT ON SUNDAY SCHOOLS.

The best report that we have had in the history of our Sunday Schools was at Wilmington at the State Convention. Great things are accomplished when such men as H. C. Moore and B. W. Spillman are in the field. It is with much regret we give Bro. Moore up from Sunday School work, yet we feel that he is just as great as Editor of the Recorder.

The Sunday School is a very important factor in the cause of Christ in the world. It is the source from which our churches draw a large per cent. of their material and some of the best and most valuable members. We do not appreciate as we ought to do this God-given opportunity. Let us as a Baptist people lay hold of this means and train up the youth of our Association in the way they should go, etc. Bring them up in the nurture, admonition and in the fear of God. Separate and apart from God and Christ, the Sunday School is our greatest hope. It seems that every argument is in favor of our doing with our might that which we may find to do in the Sunday School work, so that we may be able to stand at the Judgment and say: Here am I and the children Thou hast given me, etc.

We have fifty-nine churches in our Association and fifty-three Sunday Schools. It is seen that there are six churches with no Sunday School.

We have a church membership of 9,426. What great things we could do for God and humanity if we would. We are fully able to possess the land.

We have enrolled in our Sunday Schools 5,726; there are 631 officers and teachers.

Baptisms from the Schools 276, Branch Schools 9. Evergreen Schools 34. There are eleven churches in our Association that have more Sunday School scholars than church members.

Respectfully submitted,

J. B. FEREBEE,
H. M. PRITCHARD.

The report was discussed by J. B. Ferebee and A. A. Crater, and adopted. The Reading Clerk read the

REPORT ON HOME MISSIONS.

It is gratifying and full of promise that Home Missions continues to grow in favor with North Carolina Baptists. Their contributions were $18,-

500.00 or $2,500.00 more during the year just closed than in any previous year. There is no more important work before our people than that of evangelizing this great Southern country, and through it to send forth the Gospel to every creature under heaven.

H. H. MASHBURN.
Chairman of Committee.

It was discussed by H. H. Mashburn and N. J. Allen, and adopted. The Roll of the churches was called and pledges taken. (See List of Pledges.)

The Reading Clerk read the

REPORT ON MINISTERIAL EDUCATION.

Never in all our history has there been such a demand for well equipped God-called consecrated preachers as at this time, and never was there so much demanded of the preacher as now. The time has forever past for any young man to attempt to enter the ministry unless he is willing to avail himself of the very best preparation for his work. God's method has always been to call, then a process of preparation, and then service. Even Jesus Christ was no exception, but rather the embodiment of this method. Never before have our facilities for training men been so efficient as now. No young man called to preach can give any reasonable excuse for not securing sufficient preparation for his work. It was for this very purpose that Wake Forest College was established. The Seminary provides for the special theological training of the preachers, while Wake Forest College looks after the literary training. The Board of Education at Wake Forest looks carefully after those who are committed to its care by the churches. At the last session of the Baptist State Convention, a resolution was adopted instructing the Board to disburse all monies received as a gift to the young men accepted by the Board; also that all funds for our men at the Seminary be disbursed by the Board of Education. The Board has aided 60 men at Wake Forest and 15 at the Seminary. The cost of maintaining our men at Wake Forest is near $6,000.00 and at the Seminary $1,500.00, making a total of something like $7,500.00 to be raised by the churches for our work. Last year this Association gave $240.00 for Ministerial Education, this year the churches gave only $183.25. This is a loss of $56.75. We most especially ask that the churches be urged to enlarge their gifts, and that all funds for both Ministerial Education and the Seminary be sent to Walters Durham, Raleigh, N. C.

The meeting adjourned to 8:00 p. m. this evening. Benediction by J. S. Farmer.

WEDNESDAY—EVENING SESSION.

Opened by singing "We're Marching to Zion," prayer by Josiah Elliott. T. G. Wood read the following

REPORT ON TEMPERANCE.

The duty of Christians to vote for prohibition in the coming election is the sole issue presented in this report.

Our obligation to do this is rooted and grounded in the law of Christian love and neighborliness. "All things are lawful for me, but all things are not expedient," says Paul, therefore, "let no man seek his own, but every man another's good." "If eating meat make my brother to offend, I will eat no flesh while the world standeth."

North Carolina Baptists are a controlling force in the destiny of the State, and are face to face with the greatest issue of the times, for in political economy, and in morals, there is no question of such transcendent importance as the liquor question. It involves more money than tariff or free trade. More lives every year than were mowed down in any year of our civil war. More happiness or misery than all other political questions.

Gov. Glenn asks, "If it be true that it brings mourning instead of rejoicing, tears instead of smiles, disease instead of health, death temporal and eternal instead of life, how dare we vote for this monster curse on the 26th of May?"

The church of the Living God is asked to-day to mass its forces for the overthrow of this gigantic atrocity, the traffic in intoxicants. We preach the duty of giving the Gospel to the ends of the earth, how can we go to the heathen with this cancer of worse than heathen infamy festering in our bosom? If the saloon is not wrong nothing is wrong. If the liquor traffic is not a sin against God, and a crime against humanity, then there are no such things as sin and crime outside the dictionaries and the creeds.

"Father in Heaven, 'Thy Kingdom come,'
That is the prayer we Christians pray,
And shall we vote the demon rum,
Over that kingdom sovereign sway?
"No drunkard ever enters here,
Sounds forth from Heaven its fearful knell,
And shall we vote from year to year,
To plunge the drunkard down to hell?"

JOSIAH ELLIOTT.
T. G. WOOD.

The report was discussed by T. G. Wood, H. H. Mashburn and Livingston Johnson, and adopted.

The meeting adjourned to 9:30 a. m. Thursday. Benediction by E. F. Sawyer.

THURSDAY—MORNING SESSION.

Opened by singing "The Solid Rock," Scripture reading and prayer by J. H. Poteet.

Minutes of yesterday's sessions were read and approved.

On motion, the body proceeded to take up miscellaneous business.

The Moderator appointed Charles Bateman and M. N. Sawyer as members of the Executive Committee.

N. J. Allen introduced the following

RESOLUTION.

Resolved, that at each session of this Association some resident pastor shall be elected to preach at the next Annual Session of the Association, a sermon on some distinctive doctrine of the Baptists.

The resolution was discussed by N. J. Allen, A. A. Butler, O. J. Swain, T. G. Wood and W. B. Morton, and adopted.

M. N. Sawyer reported for the committee on Associational School as follows:

Your committee appointed by the Association at its regular annual session at Edenton, N. C., in 1904, to consider the advisability of establishing a Denominational school within the bounds of the Chowan Association, beg leave to report that after continuing this matter to see how the State schools would affect us, we now recommend that further consideration of the matter be dropped, owing to the impracticability of establishing such a school under existing circumstances. Respectfully submitted,

M. N. SAWYER,
For Committee.

The report was adopted.

Archibald Johnson read the

REPORT ON ORPHANAGE.

We are glad to report a year of good work by our Orphanage. The smile of the Lord has rested upon the institution. The health of the children has never been better, and their progress in every way has been excellent.

The number of children now under the care of the Orphanage is 375. This means that in order to keep the institution out of debt $600 must come into the treasury each week. The per capita cost of maintaining a child is $6.25 per month. This includes all the running expenses of the institution.

The erection of a large and complete infirmary which has long been needed, has been undertaken by our Baptist women. Already more than $7,000 has been sent for this purpose and the building is well on toward completion. It is a large, modern structure admirably adapted to the purpose for which it was designed and its cost will be about $12,000. "The Woman's Building," will be the name over the doorway, and it will indeed be a fine memorial to the womanhood of our State. We commend this work to all our women.

Conditions at the Orphanage are constantly improving. Life is brighter there than it used to be. The children are better dressed and better fed than formerly. The social life of the Orphanage has been brightened. The children are very happy.

The educational advantages are also enlarged and made more thorough. It is hoped that in the near future two more grades will be added to the school which will complete the link between the college and the academy. The industrial life of the Orphanage is receiving intelligent attention. There are four departments of work, the farm, the shoe shop, the printing office and the wood shop. Other departments will be added as the denomination provides the means. The Orphanage is a busy place. It is a poor place for a loafer, but all the work is carried on with system and order.

In the Chowan and Aydlett buildings there are about sixty-five children. It takes about $400 a month to maintain these children. We believe our 59 churches ought to shoulder this burden.

The report was discussed by Archibald Johnson, and adopted. The roll of churches was called and pledges taken for this object. (See List of Pledges.)

The following resolution was unanimously adopted. We, the members and visitors to the Chowan Association wish to extend our thanks to the LeRoy Steam-boat Co., and the Norfolk and Southern Railway Co., for their splendid service of transportation to and from the Association, and especially do we wish to thank the whole people of Columbia for their open doors, their great kindness, and their unsurpassed hospitality shown us, and as we go our prayers are that God may shower His richest blessings upon this people.

A motion to reconsider the motion directing that the matter of the support of the children in the Aydlett and the Chowan Buildings at the Orphanage was adopted, and upon reconsideration, the motion to refer the proposition of E. F. Aydlett back to the churches for further consideration was lost. A motion that the Association appeal to every church to take up the matter of caring for the children at the Orphanage with the view to making increased contributions, was adopted.

On motion all churches which have not paid the amount apportioned them on the Chowan Building are requested to give this matter early attention.

A motion to reconsider the instructions to the Clerk in reference to the communications he is directed to make to the churches which have been failing to report to the Association, was adopted, and these instructions were amended by the suggestion that the communications should be made with the view of seeking to bring back these churches into active co-operation with the Association.

A. A. Butler, W. B. Morton, A. A. Crater, J. H. Poteet and E. F. Sawyer were recognized and welcomed as new pastors and ministers in the Association.

The Committee on Time, Place and Preacher, reported as follows: Time; Tuesday after the first Sunday in May, 1909; Place, Coinjock; to preach Introductory Sermon, W. B. Morton; alternate, A. A. Butler.

The report was adopted.

Mr. Majette read the

REPORT OF HISTORIAN.

Death, ever implacable and irresistible, has given us abundant illustration that he loves a shining mark. During the past year two of our oldest and most appreciated preachers have answered the last roll call, and while their names will no more appear on our list of ministers, we feel and know that they are still active in our cause—in the sacred precincts of Heaven.

Rev. P. S. C. Davis and Rev. R. R. Overby, D. D., have both recently died. Lack of exact data as to Brother Davis' life and ministry prevents your Committee from paying tribute to his memory at this time, but it confidently expects to be in a position to do so by the next meeting of this Association, so that it may be recorded in the minutes of this Association and thus be put in enduring form for the use of the future historian of this Association. Perhaps laymen, and ladies prominent in our cause have also obeyed the death summons since our last meeting, who by their lives of unselfish devotion to the cause of Christ and for the uplift of mankind, deserve for the benefit of posterity to have mention made of their life work, and it is the earnest wish of your committee that the pastors, friends and relatives of these should promptly place such information before your committee to the end that the objects of the appointment of your committee on history may be accomplished.

Rev. R. R. Overby, D. D.

Rev. R. R. Overby was born in Dinwiddie County, Virginia, Oct 12th, 1827, and died at his home in Camden County, N. C., on the 28th day of November, 1907, having outlived the allotted three score years and ten, and was doubtless comforted in his declining years with a knowledge of the vast good he had done.

When in his early life he received the call to preach, he received at the same time the call to prepare himself to preach, and attended Richmond College for such period of time as his zeal for the Master's Cause would permit him. Leaving Richmond College, he became a pastor in Goshen Association of Virginia, serving among other churches, the church at Newsom's, Virginia. His talent and strong individuality being early recognized by the Baptists of the Chowan Association, he was appointed agent for the Chowan Baptist Female Institute at Murfreesboro in the early and trying days of that institution, which position he filled with conspicuous ability, and from this time on, his life's work, was, to a great extent, identified with the Chowan Baptist Association. In 1860 he was called to the pastorate of the church at Elizabeth City which church he served in 1860 and 1861. He was first called to the pastorate of Sawyer's Creek church in 1862 to succeed Rev. Mr. Elwell, and for many years served that church, as he did all others that he served, to the glory of God, and to the uplift of humanity.

In 1868 he was chosen financial agent of Wake Forest College which position he filled with characteristic ability, but his love for the work in the old Chowan was so great that he resigned and came back to the home of his adoption. It was about this time that he did this great work as pastor of the Buckhorn church in Hertford County, which church was then in the Chowan Association, but by a subsequent division of territory, is now in the West Chowan Association. In 1869 and 1870 he served various churches in Currituck and Camden Counties, and Sawyer's Creek Church, which seemed to have such a hold on his affections, again claimed him as its pastor in 1871, and after a few years serving other churches, he returns again to Sawyer's Creek Church serving it continuously till 1894, during all these years serving other churches notably the church in South Mills. This church at South Mills seems also to have been dear to the heart of this valiant warrior of the Cross for he served it continuously for seventeen years during his first pastorate there, and then again for twelve years.

He kept on the armor of Christ until the end of his life, and during his ministry baptized more believers perhaps than any other one minister ever did in the bounds of his field of labor.

From many expressions of esteem made by his admirers and co-laborers at the recent memorial services held at the Camden and Currituck Union Meeting, your committee gleans the following from Brother C. H. Spencer. "He was a man of rugged native intellect, strong attachments, which possibly carried him too far, a tribute to his heart; yet always ready to be convinced. His great work throughout this whole Chowan Association can not be estimated. His life has been a benediction, under God, to this entire section of the State, and his influence has been felt throughout the whole State, for he labored earnestly for the objects of the Baptist State Convention and for the betterment of mankind everywhere.

True to his God, he was also true to his country, and while all was not well now, all would be well, because it is God's country. Loving husband, indulgent father, faithful servant of the Master. He seemed to some too austere—he preached the thunders of the law."

And the following from the tribute of E. F. Aydlett: "He was conscientious and brave. He shrank from no duty. He was kind and lovable, and had the universal love and esteem of everybody. No man in the ministry in this section has wielded a greater influence for good than Dr. Overby, and no man has accomplished more good than he. He has baptized more peo-

ple in the Baptist Church than any minister in North Carolina. He has been the leader of the Baptist hosts in this part of the State, and his influence has been felt throughout the entire State and had much to do with the shaping and moulding Baptist sentiment in all of our denominational work. He could always be trusted to do, and favor the best things, for he was zealous, wise and judicious; always looking to the advancement of the Lord's work."

Rev. I. N. Loftin said of him: "He was a man whose personality forced one to believe that his heart was clean, that his imagination was pure, that his thoughts were noble, that his spirit was right and that his daily walk was with God."

And the following from Rev. J. B. Ferebee: "He believed in and practiced purity of life, personal purity, and civic righteousness. He set all his neighbors a good example of industry and kindness. To the young minister he was always a father, advising and instructing, and if need be, materially helping. The State has lost one of its best citizens, and the great Baptist hosts, a great leader. I lost a personal friend, one who under God has done more than all others and one whose memory is to me dearer than any save that of mother and father."

The Camden and Currituck Union has most fittingly ordered that a memorial tablet be erected in Sawyer's Creek church to the memory of this departed saint in Israel, as an evidence of its appreciation and in acknowledgement of the debt of gratitude which it owes him, but long after this tablet of marble shall crumble from the ravages of time, posterity will remember him for the good he has done, appreciating the fact that after all, a man's good name is his best monument—and the most enduring.

The report was adopted.

A motion that the Committee on History be enlarged to include a member from each of the Union Meetings in the Association, viz.: Scuppernong, Camden and Currituck, and Yeopim, was adopted, and the Moderator appointed J. O. Alderman from the Yeopim, and George J. Spence from the Camden and Currituck.

N. J. Allen was elected to preach the Doctrinal Sermon at the next session of the Association; alternate, G. L. Merrell.

On motion, the Moderator appointed delegates to the Conventions. He appointed J. H. LeRoy delegate to the Southern Baptist Convention, and A. F. Rountree, Dr. J. L. Spruill and M. N. Sawyer delegates to the Baptist State Convention.

Committee.

Mrs. T. A. Tatum, of Elizabeth City, gave the women a very interesting and instructive talk on "The Louisville Training School and What It Means to Our Young Women."

"A Message from the Y. L. A. of Elizabeth City, First Church," was read by the Vice-President of that organization, Mrs. W. C. Twiddy.

The following women promised to use their influence to organize different missionary societies in their churches:

Mrs. W. S. Bartlett to organize W. M. S. in Ebenezer Baptist church; Mrs. R. M. Duncan to organize Sunbeam Band in same church; Mrs. La vinia Spruill, Y. L. A. in Columbia and Mrs. C. D. Gallop, Y. L. A. in Blackwell Memorial church.

The chairman then led the meeting into an open conference upon methods. Question: How to create sufficient interest to start a new society?

When is the best time for a society in the country to meet?

How to make the meetings interesting?

How to get the absentees?

How to make every woman in the church an active member of the W. M. S.?

These questions were discussed by Mrs. T. A. Tatum, Mrs. I. N. Loftin, Mrs. J. L. Pritchard, Mrs. J. H. LeRoy, Mrs. F. V. Whitehurst, Mrs. I. N. White, Mrs. Martha Combs and Mrs. T. H. Wordley.

At this hour the Union went into the election of officers with result as follows:

President, Mrs. Daisy Spruil, Columbia; Vice President, Mrs. J. A. Rucker, Elizabeth City; Secretary, Miss Buena Spruill, Columbia.

Upon motion, the Union extended a hearty vote of thanks to the people of Columbia for their kindness and gracious hospitality; to the Christian church for the use of its beautiful building and to the women of the W. M. S. of the Columbia Baptist church for their general preparation for and earnest co-operation in the Third Annual Meeting.

After singing "Onward Christian Soldiers" meeting adjourned to meet at the same time and place as Chowan Baptist Association.

MRS. T. S. WHITE, Chmn. Pro Tem.
MISS BUENA SPRUILL, Secretary.

Resolved, That the pastors and deacons of the churches with which future sessions of this body may be held, be requested to prevent the sale of any article whatever on the church grounds during the session. That they also prevent the erection of tents or booths for taking pictures, and they secure similar prohibition as to the lands of citizens adjoining the church grounds.

(Adopted at the session of 1884, held with the church at Rocky Hock.)

Article VIII. We think it necessary to have an Association fund for defraying the expenses of the same, for the raising and support of which we think it the duty of each church in the union to contribute voluntarily such sums as they think proper and send by the hands of their delegates to the Association; and these moneys thus contributed by the churches shall be deposited in the hands of the Treasurer, who shall be accountable to the Association for all moneys by him received, and paid out according to the directions of the Association.

Article IX. The minutes shall be regularly filed by the Clerk of the Association and kept for its use.

Article X. The minutes of the Association shall be read, and corrected if need be, and signed by the Moderator and Clerk before the Association rises.

3. To preserve inviolable a chain of communion among the churches.
4. To inquire into the cause why the churches fail to present themselves at any time in the Association.
5. To appoint any member or members, by and with their consent, to transact any business they shall see necessary.
6. To withdraw from any church in the union that shall violate the rules of the Association, or deviate from the Orthodox principles of religion, after due measures are taken to reclaim such a church, or churches, and they remain incorrigible.
7. To allow no delegate to leave the Association until final adjournment, without the permission of the body.
8. To admit any of the visiting brethren from other Associations, as assistants who may be present.

The report on Ministerial Education not being ready, on motion, H. H. Mashburn was asked to write a report to be submitted later during the ses-

sion, and the subject was opened for discussion. T. B. Hill and E. W. Stone addressed the Association on the subject.

MINISTERIAL EDUCATION.

The ever increasing demand for an efficient and truly educated ministry in our denomination is the "Call" to the churches to larger material response to the call of our educational institutions. The increasing attendance, both at Wake Forest and at the Seminary, of young men preparing for the ministry, is evidence of the fact that God is hearing His people's cry and calling the men, but the question is (?) are we meeting the measure of our responsibility in helping these men?

The difficulty with which we man our fields is sufficient evidence that unless we put more money into the education of these men, we will soon find many, many of our churches hopelessly vacant.

It is earnestly desired that those churches failing as yet to respond to the call of Dr. Cullom for this work, do so at once. The School of the Bible was never more efficient or popular than now.

We note with humble pride the success of the movement to secure $600,000 endowment for our Seminary. We extend the glad hand to Bro. Hill, and rejoice that he is with us. We also pray that God will help him in the securing from you the liberal share of this fund that the old Chowan should furnish.

Respectfully submitted,

A. A. CRATER,
For the Committee.

The Roll was called and pledges taken. (See list of pledges.)
The report was adopted.
The Reading Clerk read the following

REPORT ON SUNDAY SCHOOLS.

The value of the Sunday School as an agency for the promotion of righteousness and the advancement of God's kingdom in the world has been realized very slowly. Like every benevolent enterprise, it has had to work, and sometimes, fight its way. In some sections the hurtful influence of the anti-Sunday School spirit has not yet entirely ceased. The Sunday School often suffers for the lack of better co-operation on the part of the church.

The Sunday School is an open door to the Master's vineyard to every one who would become a servant. This, the Southern Baptists are more and more realizing. Dr. Frost writes that he has a fine report to offer the Southern Baptist Convention. We are also glad to note that he has just added to the corps of field men Bro. Arthur Flake, of Winona, Miss. This makes a total of six men who are giving their entire time to the Sunday School work.

We urge our people to co-operate in the Sunday School work. To this end we feel that our churches, through the Sunday Schools, ought to contribute to Sunday School Missions as to the other objects, and we recommend that the Moderator appoint one brother from each Union Meeting to co-operate with the State Secretary in the Sunday School work.

Respectfully submitted,

T. A. TATUM,
For the Committee.

The report was discussed by E. L. Middleton. On motion, all the delegates who would agreed to bring the matter of taking an offering for this object during the month of June were requested to rise, and quite a number responded, after which the report was adopted.

The Reading Clerk read the following

REPORT ON ORPHANAGE.

Our Thomasville Baptist Orphanage has proven as great a blessing to its supporters as to its beneficiaries.

Since the beginning of our Orphanage in 1885, the work has steadily grown, until now we have ten dormitories, where nearly four hundred orphan children find homes and shelter from a cold and rough world.

Our Orphanage at Thomasville is run for the benefit of the children; and so far as possible, intends to supply their loss in having become orphans. It supplies a home, food and raiment; industrial, intellectual, moral and religious development.

The means of development are the farm, the machine and shoeshops, the printing office, the graded school, the library, and the Orphanage church; and last, but not least, the precepts and examples of the Godly and consecrated men and women in charge.

Health Conditions.

During this year "The Woman's Building" has been completed for an infirmary, which, together with other excellent sanitary conditions, safeguards the Orphanage against disease or epidemic.

The Support.

The Orphanage is dependent upon our churches, Sunday Schools and its special friends for running expenses. It requires between six and seven hundred dollars per week to keep out of debt. Let the Chowan Association, as she has done in the past, continue to do her part.

Last year seven of our churches did not report to the Association. Of the fifty-two churches reporting, eighteen gave to the Orphanage nothing; while the other thirty-four churches gave $943.03.

Ten churches failed to report a Sunday School. Twenty-five Sunday Schools report nothing for the Orphanage, while the other twenty-four schools gave $540.41.

Let every church in this Association take one collection a year for the Orphanage, and every Sunday School one collection per month. And let everybody give liberally.

"The liberal soul shall be made fat." Proverbs 11:25.

Respectfully submitted,

J. L. MERRELL,
Committee.

The report was discussed by Archibald Johnson, after which the Roll was called and pledges taken. (See list of pledges.)

The Moderator appointed the following Finance Committee for this session of the Association: J. J. White, R. H. Welch and J. G. Brickhouse.

The Association then adjourned to meet at 9:30 a. m. Wednesday, May 5th

---

WEDNESDAY—MORNING SESSION.

Devotional exercises opened by singing "Jesus Lover of My Soul" and Scripture reading by E. F. Sawyer, Psalms 126, 133 and 137. The minutes of Tuesday's sessions were read and approved. W. B. Morton read the

REPORT ON STATE MISSIONS.

Our motto: "A Baptist church in reach of every soul in North Carolina, in the United States, in all the world," is in keeping with the expressed

will of our Saviour, who seeing the spiritual destitution—a great harvest of souls like ripening grain without reapers—encouraged them first to pray for and then to go as laborers into the world-field charged with the duty of carrying the kingdom of God so near unto the people that no soul could have a good excuse for being on the outside.

The State Mission Board is one of the agencies employed by the churches for carrying our Saviour's will, that the Kingdom of God be brought nigh unto the people. This Board began its organized work in 1830, but for fifty years the missionaries were not required to make statistical reports. So no definite figures can be obtained for these years. But since 1882, we have statistical reports which give visible results, to say nothing of the invisible, that amply justify the wisdom of this great undertaking, as the following figures show:

Number baptized by our missionaries	34,158
Churches organized on mission fields	821
Houses of worship built on mission fields	755
Amounts paid for building houses on mission fields	$200,000.00
Sunday Schools organized by missionaries	907

There are in the State 1,914 Missionary Baptist Churches. Of these, nearly one-half were organized by the missionaries of this Board during the last twenty-five years. It is a noteworthy fact that the churches thus aided are the most liberal supporters of every department of our organized work. At least two-thirds of all the money that comes into the Lord's treasury come from the churches that were organized or aided by this Board. It will appear from these facts that, in the work of State Missions, we have been laying the foundation for the enlargement of every department of our work.

Much as has been done, more remains yet to be done. The door of opportunity is just beginning to open to our State Mission Board. There is spiritual destitution all about us. Let us by our prayers and by greatly increased contributions enable this Board to bring the Kingdom of God nigh unto every soul in our bounds, and we will thus help every other agency being employed in world-wide evangelization.

W. B. MORTON,
J. A. WILLOUGHBY,
L. W. NORMAN.

The report was discussed by Livingston Johnson, after which the Roll was called and pledges taken (see list of pledges), and the report was adopted.

The Moderator appointed the following Committee on Time, Place and Preacher for the next session: Dr. J. R. Parker, Miles Whitehurst and A. L. Walker.

Livingston Johnson stated the needs of the Hyde field, and a subscription and cash offering was taken aggregating $174.66, and on motion, the pastors of the Association are requested to bring this matter before their churches during the month of May and make reports to the Union Meetings. The meeting then adjourned to meet at 2:00 p. m.

WEDNESDAY—AFTERNOON SESSION.

A. A. Butler read the following

REPORT ON HOME MISSIONS.

Your committee wishes to state at the beginning that the facts mentioned in this report have been gathered from many sources, reports, etc.

The last annual report of the Home Mission Board was very gratifying.

It shows that the missionaries of this Board are baptizing on an average 61 believers daily, and that they are instrumental in causing 49 additions by letter daily, making a total of 110.

The Board employs five evangelists and 961 missionaries. These were instrumental in constituting 337 churches during the last conventional year. These are encouraging facts. Let us consider some conditions that confront us:

1. The field before us is a great one, viewed from any standpoint. Single States of our territory are larger than many of the Old World empires, and kingdoms that in their day held the mastery over the then known world. Texas is larger than France and England added together. North Carolina is larger than Belgium, Greece and Denmark combined. Cuba is larger than Portugal. The wealth of the territory covered by the Southern Baptist Convention is greater than that possessed by some of the world-renowned empires of the Old World.

2. Consider the people with whom our Board has to deal: In round numbers our territory contains 25,000,000 souls. These are of various races and nationalities. Nine million are negroes, 5,000,000 foreigners, and about 11,000,000 Americans. Cuba has about 1,500,000 of blended races, most of whom are ignorant, priest-ridden, and poor, and blindly given up to a religion that thrives best where its policy of debasing, and blighting humanity by keeping them fettered with ignorance and superstition meets with the least resistance. Panama has its peculiar difficulties. It is said that the mixed population of what is known as the "Canal Belt," speak more than fifty dialects—a fact which renders missionary work among them extremely difficult.

3. The South is rapidly becoming a great manufacturing center. We can no longer boast of our homogenous population. We are to-day standing face to face with the more and more perplexing problem of the American city, including in its population men from well nigh every nation under heaven. If our Home Mission Board fails to solve this problem, and to adequately meet the demands of the situation, there is no other agency known to your committee that can hope to do it. The great steamship companies are dumping on our shores, and leaving in our cities on an average 1,000,000 emigrants annually. We must evangelize and Christianize these, or they will finally heathenize us. The last report of the Home Mission Board sums up the matter thus: "National menace and missionary opportunity were never before so combined. As compared with the country, the city is the seat of temptation, sin, crime, suffering, disease and death. These work like a canker on the very heart of the nation, and they make up a plaintive and loud call to the missionary heart of the churches. Comparing the two great sections of our country, the North and the South, it is at once patent that the menace of the city and foreign problem is larger in the North and the missionary opportunity is larger in the South. In many cities of the North the opportunity to do more than snatch a few as brands from the burning is already lost. The forces of evil have gained control, fortified themselves, and defy Christian interference. In every city and town of the South we ought speedily to entrench ourselves. This is possible now; it will not be possible in a few years. Presumption is more economic than invasion, and makes success sure. If this is to be done in Baltimore, New Orleans, St. Louis and a dozen other of our large and growing Southern cities, there is not a moment to be lost, and present effort should be reinforced tenfold."

The reports from every State in which the Board is at work are all that could be expected, and more in many cases.

1. The work among the white people has been abundantly successful.

2. Dr. A. E. Brown, superintendent of our mountain school work, gives a most encouraging report of his work. A little more than eight years ago there were only six Baptist schools struggling for existence in the mountains. These schools, with an enrollment of 1,261 pupils, employed 29 teachers and owned property valued at $33,000.00.

There are now 24 well organized schools, eight of them in North Carolina. These 24 schools have an enrollment of 5,117 pupils, with an increase of 845 over last year. Instruction has been given 253 ministerial students, 89 of whom became missionaries, one going to the foreign field. The property owned by these institutions is valued at $345,000.00.

3. Our work of co-operation with the Colored National Convention has been most gratifying.

4. The Isle of the Pines has become a part of Cuba. Therefore work on this island will not be embarrassed by political agitation growing out of uncertainty of its ownership by the United States. Work on both islands is hopeful, and there have been numerous baptisms during the year. There is greater need for more missionaries, teachers and buildings for missionary and school purposes than ever before.

5. A word about Panama: The isthmus has become a strategic point of great importance. In the providence of God the Baptists were the first evangelical Christians to enter this splendid, though very difficult field. Let us not under-value this God-given opportunity.

The Tichenor Memorial Building Fund of $20,000.00 raised by our noble women, is but an earnest of the much larger amount that is needed, and ought to be raised without delay for this noble purpose. The Board needs and ought to have now $500,000.00 to supply with houses of worship more than 3,000 homeless churches unable to build without assistance from the Board. The importance of this feature of our work cannot be overestimated. North Carolina Baptists are expected to raise $25,000.00 for Home Missions this year. It will be a shame if we fail to do it.

We recommend that all of our people take, and read Our Home Field, published by the Home Mission Board in Atlanta, Ga. This periodical has recently been enlarged and greatly improved. The price is twenty-five cents a year.

A. A. BUTLER,
For Committee.

The report was discussed by Charles E. Maddrey, adopted, the roll was called and pledges taken. (See list of pledges.)

On motion, M. A. Adams was allowed ten minutes to present the claims of the C. B. F. Institute.

H. H. Mashburn read the

REPORT ON FOREIGN MISSIONS.

The world is the field. And Jesus came to them and spake unto them saying: "All authority hath been given me in heaven and on earth. Go ye, therefore, and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things whatsoever I have commanded you, and lo, I am with you even unto the end of the world." The Holy Spirit said separate me Barnabus and Saul for the work whereunto I have called them. Then when they had fasted and prayed and laid their hands on them, they sent them away. But having hope that, as your faith groweth, we shall be magnified in you according to our province unto further abundance so as to preach the gospel unto the parts beyond you.

In the first quotation above, Jesus indicated the scope of the work of His people. In the second, He gave them their commission under the seal of authority to enter upon their world-wide and age-long task. In the third, the church at Antioch entered joyfully upon the work of evangelizing the heathen world, and in the fourth, Paul gives the law by which the world-field shall be cultivated.

In obedience to our Master's word and will as above given, Southern Baptists are trying to bring the nations of the earth to acknowledge the reign of Jesus Christ, the Lord.

H. H. MASHBURN,
For Committee.

The report was discussed by H. H. Mashburn, the Roll was called, and pledges taken (see list of pledges), and the report adopted.

On motion, I. N. Loftin was permitted to present the Report on Ministerial Relief—the regular order for this time being Periodicals.

REPORT ON MINISTERIAL RELIEF.

This is a call rather than a report, and it is a call that each Baptist should hear and heed. There are now depending on the Board thirty-two men, men who have given their lives to Christ and the Baptists of our State. Old age has come upon these men, and with age has come poverty. Their sense of pride is as strong as yours or mine; they remember how they have served, the shadows thicken about them and nothing of this world's goods is theirs to lighten the dark hours of want in this their time of affliction. No greater reproach rests upon the Baptists than that their old ministers are so poorly cared for in their old age. The State has fallen off in its collections for these men very much for the past two years. Our own Association has not been giving to this cause as it should. The committee wishes to urge the churches to do more this year than heretofore.

I. N. LOFTIN,
For the Committee.

The report was discussed by I. N. Loftin, the Roll was called and pledges taken (see list of pledges), and the report was adopted.

The Reading Clerk read the

REPORT ON PERIODICALS.

Literature has been defined as the reflection and reproduction of the life of the people who make it. It is not, as some people hold, the putting of the ideas of one person on paper in order that such ideas may be transmitted to some one else who reads that printed page. It is an account of the thoughts, emotions, feelings and acts of the whole people who make up that part of the world's population from whence it derives its being.

Viewing the Baptist literature of this State by the definition just given, does it reflect and reproduce the inmost thoughts, the pulsating emotions, the deep feeling of the religious life of our denomination? Remembering the fundamental truth that a religious literature must do more than instruct, inform or entertain, can we safely say that we have a Baptist literature in this State?

The State has a great paper, a paper that is making good literature, and good Baptist literature, in the Biblical Recorder, edited by that fearless leader of a great cause, Hight C. Moore. We have another strong paper in the Charity and Children, edited by Archibald Johnson, and right here at home we have the Chowan Baptist, edited by Brother Mashburn, which paper should have our hearty support.

But all these papers could be made better papers; all this literature could be made to reflect and reproduce in a greater measure the heart throbs and feelings of the great Baptist host of this State if only all the people who make up the Baptist hosts of this Commonwealth would join in and contribute their share of this burden.

How can a paper truly depict the life of a people whom it is supposed to represent, when only a few of the vast number of Baptists of this State subscribe to the paper and aid in its success?

The good that will redound not only to the Baptists of the State, but to all the people of the State by our having a greater and nobler exponent of the truths and principles of our faith, cannot be estimated.

The Druïd warriors were incited to deeds of valor by the songs of their bards, and in modern times victories are achieved by the editor at his desk no less important than many won on tented field.

The Baptist papers of this State should be supported and strengthened until they should mould the thoughts of the whole people of the State, guide their actions and impress their indelible mark upon the lives and conduct of its people. J. B. FEREBEE.

The report was discussed by H. H. Mashburn, A. A. Butler and J. W. Rose, and adopted.

The following resolutions were offered by A. A. Butler:

"Whereas, Circumstances sometimes arise making it desirable to change either the time or place for the meeting of the Association, therefore be it

"Resolved, That whenever such an occasion arises, the Moderator and Clerk, together with the Executive Committee, are hereby authorized to make such changes as shall seem to them wise and desirable, giving public notice of the same at the earliest opportunity."

The resolutions were adopted unanimously without discussion.

The following were nominated and elected the Executive Committee for the current year: Lycurgus Hofler, M. N. Sawyer and Dr. J. L. Spruill.

The Reading Clerk read the following report of the Committee on Time, Place and Preacher for the next session:

The Committee on Time, Place and Preacher, submit the following as its recommendations: Place, Sawyer's Creek; time, Tuesday after the first Sabbath in May, 1910; to preach introductory sermon, H. H. Mashburn; alternate, A. A. Butler. The committee recommends that hereafter sufficient space in the front of the church be reserved for the delegates.

The report was adopted.

On motion, the Moderator is requested to appoint one man from each Union Meeting to co-operate with the Sunday School Secretary, as suggested in the Report on Sunday Schools—this appointment to be made later and personal notification to be given by the Moderator to the appointees.

H. H. Mashburn was elected delegate to the Southern Baptist Convention. A. F. Rountree was elected a member of the Board of Sunday Schools and Missions.

The Reading Clerk read the list of committees appointed, to report at the next session of the Association, as follows:

A motion that the Moderator appoint the delegates to the Baptist State Convention was adopted, and he appointed J. O. Alderman, James G. Gregory and J. E. Parker.

A motion that the Clerk be allowed his usual compensation, was adopted.

A motion expressing the appreciation of the Association of the generous hospitality of Warwick Church and community for their entertainment of the meeting, was unanimously adopted.

There being no member of the Committee on Temperance present at this session of the Association, on motion, W. R. Haight was requested to write a report on this subject to be embodied in the Minutes.

REPORT ON TEMPERANCE.

The temperance fight in North Carolina is by no means ended, now that we have State-wide prohibition. If eternal vigilance be the price of liberty, it is no less the price of a sober State. Now that we have a State-wide law, let there be State-wide enforcement, and a swift, certain, and ample punishment of all violaters of law.

It seems to the writer that he could do no better thing than to incorporate into this report the resolution on the enforcement of the prohibiion law adopted at our State convention last December at Wilson, which is as follows:

"Equal in importance with the enactment of laws is their enforcement. Public sentiment, which is sufficient to effect the former, may or may not be adequate to the accomplishment of the latter. Victory which is not followed by such action as make it complete has been sometimes found to be worse than defeat. The people of North Carolina by an overwhelming majority, and with mighty action have pronounced the doom of the liquor traffic in our State, and after January 1, 1909, the voters of the State have proclaimed that no man shall have the right to engage in that nefarious business. The edict has gone forth. Shall it be enforced or shall it take its place among the other dead letters of the law? Is the public sentiment which pronounced it sufficient to enforce its observance? We believe that it is; but, realizing that eternal vigilance is the price of liberty here as elsewhere:

Be it Resolved, By the Baptist State Convention of North Carolina in meeting, duly assembled in the city of Wilson, on the 10th day of December, 1908:

That we call upon all the men and women of North Carolina who love righteousness and believe in the sanctity of law to exert their utmost efforts to see that the will of the people as expressed at the polls on the 26th day of May, 1908, be given full force and effect, and that we insist that every lover of his State should consider himself in duty bound to contribute his individual share of effort to see that the prohibition law of the State accomplishes the purpose for which it was enacted, namely, the freeing the State from the licensed and unlicensed sale of whiskey and other intoxicating liquors within her borders.

That we urge the members of our churches, in their capacity as citizens, to organize Civic or Law and Order Leagues in every community, to aid the officers of the law in the enforcement of the Prohibition measures.

That we suggest to our pastors the advisability of proclaiming from the pulpit the majesty and supremacy of law."

Respectfully submitted,
WILLARD R. HAIGHT.

E. W. Stone was elected to preach the Doctrinal Sermon at the next session of the Association.

Reports of Finance Committee and the Treasurer were read and adopted.

On motion, the Moderator was asked to appoint a Committee on History to report at the next session of the Association, and he appointed M. Majette, George C. Spence and C. S. Vann.

There being no further business before the Association, the meeting adjourned to meet at Sawyer's Creek Church, Tuesday after the first Sunday in May, 1910.

IN MEMORIAM.

Charles Bateman, a member of the Baptist Church at Columbia, and long prominently identified with the Baptist cause in the Scuppernong Union Meeting and Chowan Baptist Association, died at his home in Columbia on April 4th, 1909. He was born in Tyrrell County, April 22, 1862.

He became a Christian early in life, and entered with unusual earnestness and zeal into the service of his Master, persevering therein without wavering until the death summons came finding him prepared to enter upon the reward of the faithful.

Devotion to his church and the cause of Christ seemed to be the object rather than an incident in his Christian life. He served the church at Columbia many years as deacon, Sunday School Superintendent and Treasurer, in fact, in every way that a layman could. He was a regular attendant at the sessions of the Scuppernong Union Meeting and Chowan Baptist Association, and at these, as at his home church he was conspicuous because of his attention to duty. He gave liberally of his means for the support of his home church, the poor, and for benevolent and denominational objects generally, and the motto of his Christian life seems to have been "All for Jesus." He wrote his life's high purpose in his will, when he gave his estate to the Orphanage at Thomasville and to the Columbia Baptist Church, after making just provision for his wife and relatives.

Brother Bateman was a man of pure life and high ideals. Even tempered and always kind, he made all he came into contact with his friends. He had no enemies. The life he lived will be a blessing and inspiration to others long after his face and figure shall have faded from memory.

5. To appoint any member or members, by and with their consent, to transact any business they shall see necessary.
6. To withdraw from any church in the union that shall violate the rules of the Association, or deviate from the Orthodox principles of religion, after due measures are taken to reclaim such a church, or churches, and they remain incorrigible.
7. To allow no delegate to leave the Association until final adjournment, without the permission of the body.
8. To admit any of the visiting brethren from other Associations, as assistants who may be present.
9. To adjourn themselves to any future time and place they may think most convenient to the churches.

The Reading Clerk read the

REPORT ON MINISTERIAL EDUCATION.

The demand for ministers is heard on all sides, the call is for men who have had the best training; in fact there is no field of work to-day that is requiring so high a standard of education as is the ministry. It is true that there is some increase in the number of ministerial students in our schools yet the supply will not meet the demand. There are many causes that operate to prevent young men from entering the ministry, but in direct proportion to the way that the churches give to ministerial education these causes are reduced and the supply of ministers is increased.

I. N. LOFTIN,
For the Committee.

The report was discussed by I. N. Loftin and W. R. Cullom, and adopted.

The roll of the churches was called and pledges recorded. (See list of Pledges.) Also a cash collection was taken for this object amounting to $19.92.

The Reading Clerk read the

REPORT ON SUNDAY SCHOOLS.

We bless the Lord that we are living in an age when the teaching department of our churches are enjoying such excellent opportunities of equipment for work.

It is true, the Sunday School is a department of work in our churches into which the children should be gathered; but it is also an institution for girls and boys, young men and young women, for those of middle life, and for the aged.

We are glad to see the young men and young women gathered in by the thousands through class organization methods, which are being led by the Baraca and Philathea classes.

And the young men and young women are not only being gathered in, but they are being developed into active church workers and soul winners for Christ.

We have our Teacher Training Course which we can take at our homes under the auspices of our Sunday School Board, Nashville, Tennessee. This board has a large corps of instructors, that will aid our State Sunday School Secretaries free of charge; they also hold Teacher Training Institutes, and lecture on methods of teaching in our High Schools, Colleges and Seminaries.

These agencies have wrought wonderful changes in the last few years, but there is yet much to be done. Of the 223,000 white Baptists in North Carolina, only about 75,000 are in our Sunday Schools. There are 300,000 white children in our State between four and twenty-one years of age, that are not members of any Sunday School; and about one-third of these belong to the Baptists. About 44,000 white children become old enough to go to Sunday School every year, 15,000 of these rightly belong to the Baptists.

For the last four years, the Sunday School reports show a gain of about 50,000, which would only be a net gain of 5,000 in four years over and above the new material that mature every year, or 1,250 per year. At this rate it would take 200 years to enlist the 150,000 Baptists and the 100,000 children that belong to us, that are not now in Sunday School.

Pastors, deacons and leaders of the Lord's cause in our Baptist Zion; let us remember that 90 per cent of the new material that comes into the membership of our churches, comes from the Sunday Schools. And that those who are trained and kept in our Sunday Schools, are the most liberal supporters of our churches, both as to missions and home expenses. Let us most heartily co-operate and support the advanced Sunday School methods of work; for the salvation of those who may be reached by them, and for the strength they give to our churches.

Respectfully submitted,
JAMES W. ROSE,
For the Committee.

The report was discussed by J. W. Rose, W. R. Cullom and A. A. Butler and adopted.

The Reading Clerk read the

REPORT ON ORPHANAGE.

The Orphanage at Thomasville has become so firmly entrenched in our hearts that we count it a privilege to continue our support year by year. It is perhaps the one feature of our State denominational work about which no one ever thinks to grumble, doubtless because it appeals to us in a way that nothing else does.

Enlarged capacity, increased usefulness, greater adaptation to the needs of its hundreds of children, are the constant aims of the able and wide-awake management.

We trust the day is not far away when the hope for a building devoted to manual training, shall be realized. Then our orphan boys and girls will come forth from the Orphanage far better equipped than ever, to take their places in the world as successful toilers.

We recommend to our Sunday Schools that they take regularly one collection a month for the Orphanage in addition to the Church pledge. We also commend the plan already pursued by some of the churches, namely, the holding yearly a thanksgiving service at which the Orphanage shall be substantially remembered by a generous offering.

Last year, according to the minutes, thirty-five of the fifty-nine churches comprising this Association, gave $1,481.79. Let us see if we cannot increase this amount very materially the coming year. If all our churches and Sunday Schools will contribute as the Lord hath prospered, this can be done without prejudice to the other work of the denomination in the State.

Respectfully submitted,
W. R. HAIGHT,
H. H. MASHBURN,
Committee.

The report was discussed by W. R. Haight and T. S. Crutchfield and adopted.

WEDNESDAY—MORNING SESSION.

Devotional exercises were conducted by L. E. Dailey.

The business meeting was opened with prayer by T. S. Crutchfield.

A. A. Butler read the

REPORT ON STATE MISSIONS.

The last report of the State Mission Board to the Convention at Wadesboro shows 2,197 baptisms, which is an increase over the previous year. Our missionaries and evangelists preached 9,785 sermons, supplied 241 churches, and 115 out-stations. They conducted 376 meetings, completed 22 houses of worship; while there are 41 houses nearing completion. They organized eight new churches. We have not finished quite so many houses, but have spent $4,500.00 more for church building than we did last year, showing that we are building better houses than formerly.

The amounts raised on the mission fields for the different objects of the Convention are very gratifying. The Baptists of the State contributed during the past year to State Missions and Sunday Schools, $41,346.13, a

gain of $3,842.81. The out-look for State Missions was never more hopeful than it is to-day. The churches were never more thoroughly interested in the work, and our missionaries and their wives are loyal and self-sacrificing men and women, and are doing the work cheerfully and faithfully. Our State Mission Board has, under God, accomplished great things in North Carolina, but there is much destitution in the State—and much of the destitution is within the bounds of the Chowan Association. We are now in danger of losing much of what we have formerly gained at great cost, in some sections.

The demand for State Missions has never been more imperative than now. We need to pray, as never before we have prayed to "The Lord of harvest, that He will send laborers into His harvest." This means that we need consecration to this work that will result in greater effort, and larger giving on the part of our churches to State Missions. The denomination cannot afford to neglect State Missions, because such neglect necessarily injures every other interest of our Lord's kingdom.

A. A. BUTLER,
For the Committee

The report was discussed by A. A. Butler, G. L. Merrell and Livingston Johnson and adopted. The roll of the churches was called and pledges noted. (See list of pledges.)

The hour having arrived for the Doctrinal Sermon, E. W. Stone preached from Ps. 91:11.

The Committee on Time, Place and Preacher recommend as follows: Time, Tuesday after first Sunday in May, 1911; Place, Sandy Cross; to preach the Introductory Sermon, A. A. Butler; Alternate, I. N. Loftin.

Recommendation was adopted.

WEDNESDAY—AFTERNOON SESSION.

The Reading Clerk read the

REPORT ON HOME MISSIONS.

We, the undersigned, beg leave to submit the following report on Home Missions:

The purpose of the home board is the great constructive, co-ordinating, unifying mission agency of the Southern Baptists in inter-state work. It may be called the interior department of Southern Baptist work. Its highest purpose is to conserve, develop and unify the forces of our people for great aggressive work at home and abroad. It has helped in its gifts to establish our Baptist cause in every Capital City of the South save one, and in nearly all the larger cities besides, to say nothing of the hundreds and hundreds of churches in the smaller cities and towns and the great country districts.

Progress.

The work of the board has increased in extent and power from year to year. Its financial receipts have increased in the past five years about one hundred and fifty per cent, amounting last year to $283,436.00 from the churches. We could easily use double that amount during the coming year. The board needs $500,000.00 to do its work with anything like adequacy. The opportunities are bewildering, fields are opening in every direction. Enlargement is an absolute necessity. To falter now in our onward march would be to sacrifice the fruits of many a hard earned victory. To go forward will be to crown the glorious labors of about sixty-five years with success. The supreme opportunities of the age is upon the Baptists of the South. The whole land, from the Atlantic to the foot-hills of the Rockies, lies before us.

What the Home Board is Doing.

It is this year supporting more than one thousand missionary workers. It has approximately one hundred missionaries laboring among people of

foreign speech in the South and Cuba and Panama. Of these it maintains about sixty-five entirely, the others co-operatively. It is spending $63,700.00 co-operatively in the general missions activity in the South, and $68,000.00 independently. This is in addition to the work of various special departments, such as Mountain Schools, Evangelism, Negro, Cuba and others. At a truly remarkably small cost, it is in Oklahoma conducting very successful missions for the Osage and Pawnee Indians, besides aiding about twenty other Indian missions co-operatively. At the Pawnee and Osage Missions about thirty-five converts have been baptized this year. It is spending about $53,000.00 in aiding the erection of one hundred and seventy-five church buildings. $27,500.00 is being placed west of the Mississippi; $15,000.00 East of it; $10,500.00 in Cuba and Panama. At a cost of about $35,000.00 the board is conducting with great success twenty-five Mountain Mission schools in the education of 5,500 young men and young women of the Southern highlands.

The great demand on the home board, in our opinion, is to meet the great overflow of immigrants now coming among us, with Christian sympathy and the Gospel of Grace, so that they shall aid in making our country great and shall bless us instead of corrupting it and our children. To make the religion of Christ so active and earnest that the wonderful material prosperity now coming to the South shall contribute to our true greatness rather than our wreck and ruin.

Respectfully submitted,

W. B. MORTON,
J. B. FEREBEE, } Committee.

The report was discussed by J. B. Ferebee and W. B. Morton and adopted. The roll of the churches was called and pledges noted. (See List of Pledges.)

The Reading Clerk read the

REPORT ON FOREIGN MISSIONS.

According to the report of the Foreign Mission Board at Louisville last May, Southern Baptists are doing mission work in seven different countries—three of these pagan: Africa, China and Japan, and four Roman Catholic: Italy, Mexico, Brazil and Argentina. For this work, they contributed during the year, $460,000.00. Three missionaries died, six were retired, and twenty-two new ones were sent out. In all, there were on the field 247 missionaries, and 400 helpers—a total of 647. There were 259 churches, with a membership of 16,600. The baptisms for the year numbered 2,900.

The report shows 325 Sunday schools, with an enrollment of nearly 10,500, and 164 day schools, and institutions of a higher grade, with an attendance of 4,600 students. Other interesting facts gleaned are: The possession and operation of four printing plants, engaged in printing Gospel tracts, religious periodicals, books, and Bibles in the native language; several hospitals, in which thirteen medical missionaries treated during the year more than 42,000 patients; and other helpful agencies whose full results will only be tabulated at the last Great Day.

The offerings per member increased two cents over the preceding year. But it is the lamentable truth that per capita Southern Baptists are still the smallest givers of all the evangelical denominations in the country. In large measure this is due to the fact that 10,118 churches, nearly half of those composing the convention, give nothing to foreign missions; of these 443 are in North Carolina, and alas! 16 in the Chowan Association. These so lowered the general average that all counted together, Southern Baptists gave per member, less than a single postage stamp a month for the evangelization of the world. And this, too, when the parting command of the Master was: "Go ye into all the world and make disciples of every creature." The report shows that the larger part of the money given to Foreign Missions came in in the last month, and a very considerable share of this on the last day of the Conventional year. This forced the Board to borrow money at an interest charge of $8,460.00 to carry on its work—which simply means that what the Chowan Association contributed, together with that of nearly six others, giving an equal amount, were required to pay for the inefficient

and unbusiness-like methods of the vast majority of our churches. No reasonable excuse can be offered for so many of the churches holding back their offerings to the last moment, thus making it necessary for the Board to take the salaries of six or seven missionaries on the field to pay interest to the banks for money loaned to carry on the work. When will the churches heed the injunction to be diligent—not slothful in business—fervent in spirit—serving the Lord?

Another most depressing fact from the year just closed is to be reported. Some months ago a generous friend of the cause offered, on the condition that the deficit of last year be met, and all the obligations of the current year, to be responsible for the equipment, traveling expenses, and salaries of one-third of all missionaries sent out—up to sixty—before next November. But we did not respond, and the Board must report to the Convention next week, not only the loss of the offer, but an increased deficit.

Looking now beyond our denominational work and problems, there are two or three facts of a general nature bearing on this subject that ought to be of great interest. One of these is the paucity of Christian workers in the heathen world. In the United States, as a whole, there are said to be 187,800 churches, or one to every four hundred population; one protestant minister for every eight hundred; one Christian worker for every forty-eight and one communicant out of every five. How is it abroad? And mark you, we are not now giving merely Baptist statistics, but those of all the Christian organizations. In Japan, there is only one ordained missionary for every 200,000 people; in Africa, for every 250,000; in India, for every 300,000; in South America, for every 400,000; and in China, for every 700,000. In China, there are cities of 300,000 souls without a missionary, or native teacher of any kind, of any Christian denomination whatever. With these facts in mind, as we look out on the white field of the heathen world, is there not a fresh appeal to us in the Savior's words, "Pray ye, therefore, the Lord of the harvest that He would send forth more laborers into the harvest?"

Another fact is, that in spite of the tragically small number of laborers, the Redeemer's kingdom is making wonderful onward strides. Dr. James S. Dennis, says, that 100,000 are converted a year in heathen lands, a number out of all proportion to the force employed; and so far in excess of a much heavier expenditure of men and money at home, as to make foreign missions far and away the most successful form of Christian activity. In spite of all the advantages in this country, Christianity relatively is making more rapid progress in the regions beyond than here.

The last fact has to do with the plans forming to press mission work with a zeal, and to an extent hitherto unparalleled. Early next month, the World Conference on Missions, will assemble at Edinburgh. One of its eight Commissions is, "On Carrying the Gospel to the Whole World." And this indicates the purpose of the meeting. There is to be the definite facing of the world task—the evangelization of the entire human family. There will be not only a survey of the work already done, but of that left undone, with definite plans for its execution. The other Commissions are to present, not the historical status and methods of missions, nor of prophetic hopes, but practical plans for the accomplishment of the whole task. For the first time, 2,000 missionary statesmen, with a full geographical knowledge of the utmost bounds of the human family, and facing the universal unrest of the heathen world, will confer as to plans for this gigantic undertaking.

There is hope that the day will soon dawn in which the trailing robes of Christ's universal kingdom shall be pulled up closer about his shoulders. In Khartoum, a statue has been erected to General Gordon. He is represented as seated on a dromedary facing the vast desert of the Soudan. A traveler asked his guide recently if the statue ought not to have faced the city. "Oh, no, Sir," he replied. "They set him looking not towards the palace where he lived, nor towards the Nile where he might have escaped, but towards the Soudan for which he died, and he is waiting, Sir,

for the morn to dawn on the Soudan." Like that great soldier, let us live, and if needs be, die, that God's better day may speedily break over all people and nations that still sit in the shadow of death.

Respectfully submitted, E. W. STONE,
For the Committee.

The report was discussed by E. W. Stone and adopted. The roll of the churches was called and pledges taken. (See list of Pledges.)

THURSDAY—MORNING SESSION.

Devotional exercises were conducted by Josiah Elliott.

The Reading Clerk read the

REPORT ON OLD MINISTERS' RELIEF.

The Baptist Ministers' Relief Board was established in 1890. The first meeting of the Board of trustees was held in Wilmington with the following trustees present: Dr. T. H. Pritchard, W. A. French, D. L. Gore, J. T. Bland, J. S. Allen and J. C. Stevenson. D. L. Gore was elected President of the Board. The Board is now located in Durham, where it met the first time in December, 1890. It is composed of nine trustees who are elected annually by the Baptist State Convention.

The object of this Board is to afford aid and relief to needy Baptist ministers of North Carolina and their widows. There are four regular meetings of the Board each year, on the fourth Wednesday in February, May, August and November.

It is composed of five preachers, two lawyers, and two business men. No member can receive any compensation for services rendered.

There are at present thirty-five beneficiaries. They receive from forty to one hundred dollars a year. Many of them need more. Some of them have no means at all of support except the amount they receive from the Board. The Board is not always able to meet their actual needs. All money for this Board should be sent to the Treasurer of the Convention.

Applications for aid must receive the endorsement of the Moderator and the Executive Committee of the Asociations in which the applicant resides and also of the pastor of the person applying for aid. To entitle a minister or his widow to the help of this Board, he must be a Baptist minister of North Carolina; or if not a native, he must have served as pastor or evangel-

ist for five years prior to his application. The applicant is required to inform the Board of his physical or mental disability for active service; what private means of support he or his wife has and what amount will supply his actual necessities. In most cases the Board is entirely dependent on the Pastor, Moderator and Executive Committee for information concerning applications. The brethren should always investigate before giving their endorsement. In many cases those who are most worthy and most needy do not apply. The pastor and officers of the Association where these old brethren live, should look after them and inform the Board of their condition. The work of the Board has been most highly appreciated by those who have received its benefits.

Many of the Associations where these beneficiaries labored give very little to the Board. Six hundred and eighty-five churches gave $2,911.82 for this work last year. One thousand one hundred and ninety-three churches gave nothing. While the amount contributed by the 685 churches is proportionately small, yet if all the other churches would do as well, the Board would have a sufficient amount to meet the needs of these aged and worn-out ministers.

The minutes show only $256.29 was paid by the churches of this Association during last year to the Ministers' Relief Board—9,235 members of this Association—making an average of less than three cents per member. There were twenty-four churches in this Association that gave nothing to this object during last year.

Your Committee offers the above as the report on Ministers' Relief.

JOSIAH ELLIOTT,
For the Committee.

The report was discussed by Josiah Elliott, W. R. Haight, T. B. Boushal, A. F. Rountree, J. M. Forehand and W. H. Riddick, and adopted. The roll of churches was called and pledges taken. (See list of pledges.)

The Reading Clerk read the

REPORT ON PERIODICALS.

Ever since the invention of the printing press, it has been a great force in the distribution of God's word and Christian Literature and never in its history is the need of it more imperative than now.

Our people are becoming more and more a reading people and as they grow in knowledge and intelligence, it becomes of vital importance that the very best Christian Literature be placed in their hands.

The Biblical Recorder has supplied the need of a strong denominational paper since 1833 and has done its work well and served the denomination faithfully in all its work. Its great aim has been to teach the New Testament religion in all its fullness. It has expressed in Literature Baptist life, principles and ideals. It has been a great factor in uniting our people and supporting justice and righteousness.

Charity and Children, our Orphanage paper, is one of our brightest and best, and deserves a much wider reading. Every church in the State ought to give it a hearty welcome, not simply because it will be helping a good cause, but because of the benefit the church will receive from it.

The Foreign Mission Journal, published in Richmond, Va., gives the news from the foreign field and quickens missionary zeal for the spread of the gospel "in the regions beyond."

The Home Field, published by the Home Board of Atlanta, Ga., gives the home mission news and ought to find its way in thousands of homes where it does not now go.

The Literature of our Sunday school and Bible Board located in Nashville, Tenn., is able and safe, and is worthy of the patronage of every Baptist Sunday school within our borders.

Respectfully submitted,

C. E. EDWARDS,
M. N. SAWYER,
For the Committee.

The report was discussed by A. L. Betts, J. G. Gregory and I. N. Loftin, and adopted.

The Moderator appointed E. W. Stone, A. F. Rountree and T. L. Brown a committee to nominate a preacher for the Doctrinal Sermon to be preached at the next session.

The Reading Clerk read the

REPORT ON TEMPERANCE.

We notice that our Baptist State Convention in 1908, submitted for her annual report on Temperance a "Resolution" on "Law Enforcement"; in 1909, at Wadesboro, the Convention did not report on Temperance, and no one is appointed to report on Temperance for 1910. Is the Temperance question settled? Have we reached the goal? Or are we losing interest?

We would do well to consider the following scriptures: "Wine is a mocker, strong drink is raging and whosoever is deceived thereby is not wise." (Prov. 20:1.) "It is good neither to eat flesh, nor to drink wine, nor anything whereby the brother stumbleth, or is offended, or is made weak." (Rom. 14:21.) "Woe unto him that giveth his neighbor drink, that puttest thy bottle to him, and makest him drunken also." (Hab. 2:15, 16.)

As long as drinking intoxicants results in drunkenness, with all its attendant evils, let us as churches, and individual members, be temperate, and do all we can to retard the use and suppress the manufacture and sale of intoxicating drinks in every way—if it need be, by law enforcement.

Respectfully submitted,

G. L. MERRELL,
For the Committee.

The report was discussed by G. L. Merrell and adopted.

A motion that this body commend the action of the men who are trying to uphold the Prohibition law and opposing the sale of Near-Beer, was adopted.

E. W. Stone, Lycurgus Hofler and W. B. Morton were elected Executive Committee for the current year.

It appearing that several churches failed to make any reports to the Association, on motion, G. L. Merrell, L. E. Dailey and J. G. Gregory were appointed a committee to investigate the cause of their failure and make such recommendations to the next session of the Association as shall seem proper.

On motion, the Clerk was allowed the usual compensation, twenty-five dollars for his services. It appearing that the Minute Fund is inadequate to meet the expenses of the Association, on motion, a collection was taken to supplement the amounts sent up by the churches, the amount collected being $15.23.

The Committee on Preacher for the Doctrinal sermon nominated W. R. Haight to preach the sermon, and he was unanimously elected.

Josiah Elliott was elected delegate to represent this Association at the meeting of the Southern Baptist Convention to be held in Baltimore, Md.

A. F. Rountree, J. B. Ferebee and W. T. Love were elected delegates to represent this Association at the meeting of the Baptist State Convention to be held in Hendersonville, N. C., beginning December 6th, 1910.

A. F. Rountree was elected member of the State Board of Missions.

On motion, S. F. Bristow, T. B. Boushal and Ed. Parker were appointed Committee on History.

The Reading Clerk read the report of the Finance Committee which was adopted.

The following resolution was unanimously adopted:

Resolved: That we hereby express our hearty thanks to Sawyer's Creek church and community for their kind hospitality to us during the meeting; also to the Norfolk & Southern Railway Co., for courtesies extended.

On motion, the Association adjourned to meet with Sandy Cross Church Tuesday after the first Sunday in May, 1911.

LYCURGUS HOFLER, Moderator.

J. G. GREGORY, Clerk.

The report was adopted.

The following application for membership in the Association was read by the Reading Clerk:

Albemarle Baptist Church to the Chowan Association.

Dear Brethren: On October 15th, 1910, there assembled at Albemarle meeting house in Tyrrell County twenty persons with letters of dismission from Columbia, Sound Side, South Shore, Mount Pleasant and Creswell Baptist Churches, and were constituted into the Albemarle Baptist Church, Rev. W. B. Morton acting as Presbyter, adopting articles of faith recommended by him, and which we know to be in accordance with the articles of faith adopted by sister Baptist Churches. We, therefore, petition to your honorable body for membership, pledging ourselves to be governed by your rules and regulations. We send as delegates brethren W. W. Sawyer, E. E. Cahoon. Our present membership is Male Members 10, Female Members 9, total 19. By order of the church in conference, April 1st, 1911.

W. W. SAWYER, Clerk.
J. TYNCH, Moderator and Pastor.

The application was referred to a committee composed of J. W. Rose, S. F. Bristow and J. Tynch. This committee later in the sitting of the body, reported as follows: "We, your committee on credentials, beg leave to recommend that Albemarle Baptist Church be admitted into our Association. Respectfully submitted, Jas. W. Rose, S. F. Bristow, J. Tynch." The report was unanimously adopted, and the hand of fellowship extended to Brother Sawyer, a representative of Albemarle Church.

The following visiting brethren were recognized: E. L. Middleton, A. L. Betts, E. C. Brooks, N. P. Stallings, J. C. Mizell. W. W. Sisk, J. D. Howell and J. F. Murray were recognized as new pastors in the Association.

The Reading Clerk read the Report on Chowan College.

REPORT ON CHOWAN COLLEGE.

The sixty-third session of Chowan College closes May 16th. During the present year, 1910-1911, the College has enrolled 120 students, 98 of whom are boarders, an increase of 31 boarders over the preceding session. There are twelve members of the faculty, all of whom are Baptists, and three of them are from the Chowan Association. Three-fourths of the rooms have already been engaged for next year.

The curriculum has been greatly enlarged. The course leading to the degree of A. B. is now as substantial as that of any other college for women in the State. Among other things, it comprises three years each of Latin and Mathematics, four years each of English and Natural Science, six years of Modern Languages, one year each of the Bible and History of Christian Missions, and two years of Normal Training. There is also connected with the college a preparatory department covering two years of work. This year, for the first time in the history of the institution, there will be three candidates for the degree of A. B.

The College is having a hard struggle for existence. By the closest economy it has managed to meet its current expenses and to incur no new debt. The old debt is nearly provided for, but several hundred dollars are yet lacking to pay interest and to allow for some inevitable shrinkage. The President and Trustees realize that the College cannot continue to live and do its important work without an endowment. If the State makes appropriations for the State Schools, it is fitting and necessary that the churches should make appropriations for the church or denominational schools. Our prayer is that the churches will adopt the request of the Association and

make annual contributions to the endowment of the College. The present endowment is $129.22.

Respectfully submitted,

JOSIAH ELLIOTT,
J. M. FOREHAND,
W. H. RIDDICK,
Committee.

Motion to adopt was discussed by J. D. Bruner, Josiah Elliott and carried.

The Reading Clerk read the Report on Sunday Schools.

REPORT ON SUNDAY SCHOOLS.

God has commanded his people to teach his Word to men. The Sunday School is a splendid agency for doing this work. God is greatly blessing the work. The growth among Southern Baptists is highly gratifying. The work in North Carolina is encouraging. During the last five years we have made a net gain of nearly 600 Sunday Schools and 65,000 pupils.

With all these gains we are still far from what we ought to be. The Sunday School membership is nearly 75 per cent. as large as the church membership. It ought to be much larger. This Association ought to measure up to its full possibilities.

We recommend the following as our policy for next year:

1. An earnest, systematic effort to enlist more of our church members in the Sunday Schools.
2. That we see that there shall be a Sunday School open the whole year in every church, and such branch or mission schools as may be needed.
3. The use of fifth Sunday in each Union for a Sunday School convention.
4. That we encourage our officers and teachers to begin some special study in teacher training to increase their efficiency.
5. That we use the literature published by our Sunday School Board at Nashville.
6. That we co-operate with our State Sunday School committees and secretary and that a committee of one from each Union be appointed to lead the local work and co-operate with our State work.
7. That our school be asked to take at least one collection for Sunday School missions.

Respectfully submitted,

REPORT ON PERIODICALS.

Today, as never before, the masses of the people are reached by the printed page. A mighty factor from the year of its invention, the power of the press still grows from more to more. Never came there into the hands of man a weapon that could be wielded so potently for good and for evil. With the poison of scandal and the slime of slander thick on the page of the yellow journal, with the scepticism of infidelity or the superstition of Romanism flaunted from every page of the secular press, it behooves that the spirit of our denomination literature should be aggressive, progressive and militant. In order to meet fully the demands of the situation, these publications must have the hearty and general support of the denomination.

The Biblical Recorder, established since 1833 and growing better with each succeeding year, claims our first allegiance. Standing for truth and

righteousness, teaching Baptist principles, and holding up the ideals of our denomination, it has been a great factor in expounding our distinctive doctrines and uniting our people; and has stood at the fore in our State in every fight for justice and right.

No paper of its class that we know can compare with Charity and Children, published in the interest of our Orphanage. It deserves the support of every church and Sunday School in the State, and no progressive and liberal Baptist can afford to be without it. It is doubly worthy of support—worthy for its own sake and worthy for the sake of the cause for which it stands.

The Home Field, published by the Home Board at Atlanta, and the Foreign Mission Journal, published in Richmond, give us information of strong interest and of vital importance from our home and foreign field. These publications deserve a wider circulation and more thorough study than they now receive.

We recommend the literature of our Sunday School and Bible Board at Nashville. It is able, sane and safe; and worthy of the patronage of all.

REPORT ON FOREIGN MISSIONS.

The great business of the Churches of Jesus Christ is to witness to Him, and for Him, to every creature of every nation. The commission of our Lord requires that we preach the gospel to every creature, and that we baptize every creature who, through hearing and believing the gospel, becomes a disciple of Christ. And further that we teach these baptized believers the significance of their church membership with all its opportunities and responsibilties. Southern Baptists have been continually engaged in preaching the gospel in foreign parts since the organization of the convention in 1845. We have much to praise God for. He has greatly honored and blessed us in our work. We have, through His great goodness, more to show for our efforts in proportion to the money expended than any other people on earth.

Looking into the future, we see wonderful opportunities coupled with unspeakable responsibilties. It will require eternity to reveal how much depends upon what we do with the opportunity, and how we meet the responsibility.

The needs of our Foreign Mission Board are more than we have either time or space to mention in detail in this report. Among them I will mention the fact that men and women who have religion, brains, and thorough train-ing are needed for important places. Some of our missionaries have died,

and others on acccunt of ill health, and for other reasons beyond the control of the Board, have returned home. God, in answer to the prayers of his people, is constantly enlarging our opportunity by opening up new fields, which call for more workers. There are now many applicants before the Board, but the Board is dependent upon the churches for the necessary funds to support them. So we see that money, and a large amount of it, is greatly needed to sustain and equip the workers who are now on the field for the best work of which they are capable, and at the same time to send out new ones to occupy the new fields that are opening to us constantly. We need money to better equip our hospitals and schools. No brain can conceive, nor tongue tell the good that is being accomplished by these institutions. Last year 43,000 people were treated in our hospitals. The hospitals bring the missionaries in touch with both the rich and the poor. Our schools and theological seminaries are doing wonderful work. Last year there were more than 225 young men attending our seminaries, preparing for the ministry. Who can say what it will mean four or five years hence to have several hundred well trained native preachers in the church on the foreign fields?

The reports coming from our missions in the seven countries where the Board is doing work are most encouraging. Three of these fields, China, Africa, and Japan, are pagan; and the other four, Mexico, Italy, Brazil, and Argentina, are Roman Catholic. Southern Baptists gave last year for this work, $501,058.84. Bro. Sowell went as our first missionary to Argentina seven years ago. We now have there seven men and their wives, and six organized churches, ten out-stations and a membership of 255. We have two houses of worship. The work has been helped much by Bro. Hoshfone, who is from Europe, and is a banker in Rosario.

The Board began work in Brazil in 1879. We now have 109 churches with a membership of 7,085. These churches report 1,254 baptisms last year. The cost of living is high and persecutions are frequent in Brazil, but the work is encouraging and the workers are hopeful.

To look for wonderful and sudden changes in Italy is to invite disappointment. This is one of our most difficult fields. We have 34 churches, and a membership of 993 in this hard field. Our missionaries baptized 113 persons during last year. The theological seminary is doing fine work, and turning out some well trained preachers. Many of the churches have these men for pastors. The Board's last report to the Convention in Baltimore declares that last year was the best in the history of our work in Mexico. There are now 47 churches with a membership of 2,000, 377 of these being baptized last year; 23 young men are preparing for the ministry.

Africa is one of our oldest missions. The climate and other conditions make it one of the most difficult fields the Board has entered. Many faithful men have laid down their lives for the salvation of Africa. We have 21 churches with a membership of 1,098—of whom 231 were baptized last year. These missionaries are doing faithful work in the face of many difficulties. Twenty years ago we began our work in Japan. We now have ten churches with a membership of 504, of whom 58 were baptized during the last year. There are 15 young men in the theological seminary at Fukuoka. The health of many of the missionaries sent to this country has failed—some have died and others have been obliged to give up the work. Those who have found it possible to remain are doing faithful and telling service. It would be difficult to over-estimate the importance of mission work in Japan. The Board has placed its largest force of missionaries in China. We began the work in China in 1845. Much has been accomplished in each of the mission fields: this is especially true of the South China mission. In the whole of China we have 62 churches with a membership of 7,304. The missionaries baptized 1,106 during last year. Our medical missionaries treated more than 35,000 patients. Our schools and seminaries are doing great things for the Kingdom of God in China. The Board sent out 21 new

missionaries last year—12 to China, 1 to Japan, 4 to Brazil, 2 to Mexico, 2 to Argentina.

There were five deaths among our missionaries during the Conventional year. At Baltimore last May the Convention instructed the Board to plan its work this year on a $600,000 basis. North Carolina is asked to contribute $50,000 of this amount. When the members of our church learn to "Honor the Lord with their substance, and with the first fruits of their increase and lay it by in store on the first day of the week, as God hath prospered us," we will do a great deal more than this. God is worthy of such honor. We owe this and much more to Him. Why do we not obey Him?

The Reading Clerk read the Report on Old Ministers' Relief.

REPORT OF COMMITTEE ON OLD MINISTERS' RELIEF.

Your committee comes before this Association with its report in the form of a plea for larger contributions and pledges for the relief of the old ministers of the Baptist denomination in North Carolina. Last year this entire Association gave only $297, a pitiable sum for so worthy an object. If our Federal Government and our State Government think it only right and just that they should contribute money for the support and maintenance of their aged veterans who fought their cause upon fields of bloodshed and carnage for material gain, fighting only for a few short years, how much more so should we who call ourselves the Christian Church, be willing and glad to contribute to the support and maintenance of those veterans of God's cause who have fought His fight and ours, not for a few short years, but for a long, faithful lifetime against more overwhelming odds than ever confronted an army upon any battlefield.

The smallest contributions that are made for any purpose by this Association are made for the old ministers' relief fund. And then, more than that, not only about one half of the churches make any contributions toward this object at all. It would be entirely too heavy a burden for any few in number of the churches of this Association to raise a very large sum for this object, but if each individual church will only lend a helping hand and pledge something, a sum somewhat commensurate with the needs of these old fathers in Israel, can be raised and distributed.

M. N. SAWYER.

Report was discussed by I. N. Loftin and J. B. Ferebee and adopted. The roll of churches was called and pledges noted. (See list of Pledges.)

The Doctrinal Sermon was preached by W. R. Haight from John 3:3.

The Moderator announced the following Committee on Finance: R. B. Hollowell, W. J. F. Spence and R. W. Outland, after which the meeting adjourned to 3 p. m.

WEDNESDAY—AFTERNOON SESSION.

Women's meeting, 1:30 to 3 p. m., after which Bro. T. B. Boushal was remembered in prayer led by J. D. Bruner.

E. S. Pierce was recognized as a visitor.

The Moderator appointed W. R. Haight, W. H. Cannon and J. Baker Holland, committee to nominate preacher of the Doctrinal Sermon at the next session.

The Committee on Time, Place and Preacher reported recommending as follows: Place, Salem Church; time, Tuesday after the first Sunday in May, 1912; to preach Introductory Sermon, E. L. Wells; Alternate, W. W. Sisk. The Report was adopted.

By consent, the time for State Missions was yielded to L. Johnson, Corresponding Secretary of the Baptist State Convention, and M. L. Kesler, general manager of the Thomasville Orphanage, to present State Missions and the Orphanage respectively.

The Committee on Nomination of a Preacher for the Doctrinal Sermon for next session, nominated T. L. Brown, and he was unanimously elected.

The Reading Clerk read the report of the committee appointed at the last session in reference to churches which have, for some time, failed to make any reports to the Association, as follows:

"We, your committee appointed at the session of 1910 to investigate the matter of certain churches which do not report to the Association, report as follows: From such information as we have been able to gather there is no regular worship at either Collington, Pleasant Grove or Rose Bay, and that at neither of these points are there enough members to sustain an organization, nor does there seem to be enough interest on the part of these members who are left to justify a hope that there will be an active prosecution of the church work. We, therefore, recommend that the names of these churches be dropped from the roll of the Association.

G. L. MERRELL,
J. G. GREGORY,
Committee.

The motion to adopt was discussed by G. L. Merrell, J. D. Howell, S. F. Bristow, E. W. Stone, E. F. Sawyer and J. W. Rose. A substitute motion was made and adopted referring the matter as to Rose Bay to the Executive Committee of the Yeopim Union, and as to Collington and Pleasant Grove, to the Executive Committee of the Camden and Currituck Union, with the request that they report to the next session of the Association.

The meeting then adjourned with singing the Doxology and benediction by J. D. Howell.

At 10 o'clock a. m., the Vice-Moderator called the meeting to order. The minutes of yesterday's proceedings were read and approved.

The Reading Clerk read the Report on Home Missions.

REPORT ON HOME MISSIONS.

The objective point in missions is the ends of the earth. This alone meets the Master's demands. "Make disciples of all the nations," is the very heart of the grand missionary charter.

This glorious enterprise of our Lord will have gone a long way towards consummation when America shall have become really and truly a Christian nation. It was Austin Phelps who said, "If I was a missionary in Canton, China, my first prayer every morning would be for American Home Missions, for the sake of Canton, China," and in the opinion of that eminent authority, Dr. Josiah Strong, "He does more to save the world who does more to save America."

In this enterprise of grace, God has placed the American people in positions of peculiar importance. Upon them, in the divine economy and in the issues of human destiny, rests a tremendous load of responsibility for other people as well as for themselves. The voice of America has the

ear of the world. To no other nation has been given such opportunities to do the things most worth while for the whole world. Under modern conditions the world has become one vast neighborhood. The thoughts of America today are read from the printed page in the most distant lands tomorrow. Indeed the eyes of the nations are upon us. The Chinaman is no longer in the dark as to whether our boasted Christianity is dominant in our social, business and political life. And we should not think it strange for the Chinaman, with a knowledge of many phases of American life, to be skeptical as to the probable value of our Christianity to China.

The law of gravitation holds in the spiritual, as in the material, world. The spiritual level of our ministers to the heathen cannot rise above that of the churches from which the missionaries are sent out. If we cannot grapple successfully with the religious destitution at our very doors, with what degree of expectancy can we hope to lift heathen nations into spiritual life? The contention that the mere engaging in foreign mission work will necessarily react to the curing of all our spiritual ills is a fallacy of which we need to beware. It is only when we are moved to missionary activity by genuine and sincere love towards Christ, that it reacts as a saving father, adding grace to grace.

Is America evangelized? Is it a saved land? In the light of actual conditions, we most emphatically answer, No! So long as it remains true that 60.9 per cent. of the American people are members of no religious body whatever, while of the remaining 39.1 per cent. are Roman Catholics, we cannot truthfully say that America is a Christian nation.

Evidently there is yet much of needed preparation to be made for the Christly mission for which God is ready to use us. No work can transcend in importance that of Home Missions, and neglect at this point is but to invite the fate of Hardshellism and Moravianism.

Among the various evangelical bodies of America, Southern Baptists stand out pre-eminently as facing a responsibilitiy unequalled by that of any denomination or body. The South is the great center of the Baptist strength. Of a Baptist world membership of 62,280,649, there are to be found in the South 4,110,873. This is about one seventh of the South's entire population. And of this Southern Baptist membership, 2,218,911 are white Baptists. Under the blessing of God, it is within our power to become the leading force in the religious life of this section, which is destined to exert a far-reaching influence in shaping the world's material, religious and political affairs. To arouse the Baptists to this opportunity—to this vast responsibility, is the task set for our Home Board.

We call attention briefly to a few of its lines of activity:

1. The Great Southwest. With a territory much larger than all the territory occupied by Southern Baptists east of the river, and with a population of more than 12,000,000, the possibilities for mission work are almost illimitable. The destitution is depressing, yet every year records sensational achievements in Baptist progress.

More than two-thirds of the baptisms at the hands of the Home Board missionaries last year were in this territory. The influx of immigrant population each year into this section is estimated at 1,000,000—thus rendering the problem of its evangelization increasingly more difficult. Here Southern Baptists have the greatest of all opportunities which they will ever have in America to build up a great country—a vast empire, indeed, for Christ. We must not allow it to pass.

2. Mountain Schools. The need of the mountain section is development. It is already Baptist. This year the Home Board has conducted twenty-five schools, with a total of 135 teachers and 4,933 students, seventy of whom were ministerial students. The total amount given by the Board to this work was $36,025.29. The policy of the Board is to put these schools on their resources at the earliest day consistent with their best interests. Two of them became self-supporting this year.

3. Church Building. In the territory of the Southern counties, there are about 4,500 unhoused churches. Southern Baptists have been tardy in regard to building houses for needy and young organizations. We are lagging far behind the other leading denominations. The Board has a nest-egg of some $60,000 for this work, which should speedily be increased to the proposed $500,000.

4. Work Among the Negroes. The negro problem is one of religion rather than politics. Christian sympathy and patience will go much farther towards its solution than political passion and vengeance. We cannot afford to slight this work. Our Board, in conjunction with the National Baptist Convention (colored), employed thirty-three negro missionaries last year.

5. Cities and Foreigners. The tendency of population now is towards the cities. The foreign problem in the South is intimately associated with that of the cities. The Board has about sixty-five men and women at work among the foreign element of our population. The importance of this work cannot be over-estimated.

6. Cuba and Panama. Here the work is greatly hindered because of inadequate forces. Still the work is full of promise. During the past year there were 237 baptisms in Cuba—making a total membership of 1,315. Three new churches were organized. Contributions on the field averaged $2.70 per member. In Panama there were 123 baptisms—an increase of 31 per cent. Collections averaged $7.16 per member.

7. Non-Contributing Churches. There are 10,000 of these in the South. They give nothing for missions. The enlisting and the building up of these churches is one of our most pressing problems.

8. Evangelism. The Board now has a force of twelve evangelists, headed by Dr. Weston Bruner. It is the purpose of the Board to greatly increase this number. Its policy is to operate in both city and country. The importance of this part of the Board's endeavors is each year becoming more evident.

Last year there were 27,426 baptisms, and a total of 52,910 persons added to the churches through the labors of the Home Board missionaries. These results were more than three times as large as those reported by any other Home Mission Board in America. Our people contributed to this object $329,475.79. This year the Southern Baptist Convention is asking for $400,000.00 to be raised for the work of the Home Board, and the good news comes that the Board will close its year's work without a debt.

T. L. BROWN,
For Committee.

Motion to adopt was discussed by T. L. Brown, and adopted. The roll of churches was called and pledges noted. (See list of Pledges.)

The Reading Clerk read the Report on State Missions.

STATE MISSION REPORT.

Eighty-one years ago, with the organizations of the North Carolina Baptist State Convention, there was appointed what is now known as the Board of Missions and Sunday Schools. The weight of the increasing years has in no wise diminished the vigor of this Board; but rather, with enlarging vision, increase of experience, and multiplicity of blessings from the Great Head of the Church, whose work it is, the Board, with the prayers and support of the churches, is more than ever "Expecting great things from God, and attempting great things for God."

The Board last conventional year raised for State Missions $41,428.46, as against $39,327.95 the year before, a gain of $2,100.51. There were 148 missionaries on the roll. These reported 2,227 baptisms; 1,384 added by letter; 3,002 professions of faith; 254 meetings held; 68 churches building; 26 churches finished, and 14 churches organized.

There was an increase over the preceding conventional year in the fol-

lowing particulars: 110 more baptisms; 267 more were received by letter; 27 more houses of worship building, and four more finished. The contributions from the State Mission churches last conventional year, amounted to $67,494.28, as against $51,143.00 the preceeding year, showing a remarkable gain of $16,351.28. Thirty-nine of the 51 churches reporting at this session of the Association contributed the past year $1,826.26 to State Missions. Therefore, practically 24 per cent., or nearly one-fourth of the churches reporting to this session of the Association, contributed nothing to this object last year.

So there remains yet much land to be possessed. The Eastern section of the State—particularly the twenty counties between the Roanoke and Cape Fear rivers—furnishes the chief area of our Baptist destitution. A missionary recently tramped from Cape Henry to Cape Hatteras and found but one Baptist Church—Whale's Head—on his journey. Recently a little band of Baptists has been gathered together at Nag's Head and a building erected and partially completed, though no church has been organized there as yet.

The Piedmont section of the State affords a fine opportunity for organization, assimilation and upbuilding, for here are the mill centers where people are flocking by the hundreds and thousands—and here are the country churches weakened by this exodus to the mills, for ere long the tide will turn again to the farm and to rural life.

And we cannot be deaf to the "Call of the Mountains." Development is the need here—the building up of weak churches into strength, and dormant churches into efficiency.

We wish to call special attention to the church building feature of the State Mission work. What the women contribute to State Missions is given by their consent to building churches at important points. They have been engaged in this work now for two years, and as a result we have six churches built and paid for at strategic points in the State. As this contribution from the women amounts to five to six thousand dollars a year, a gap is left which must be filled up with increased contributions from the churches, for we cannot afford to cut down our appropriations to the support of our missionaries one penny; but on the other hand, we need to increase that amount from year to year.

The State Mission Board by the voluntary action of the last State Convention has laid out its work this year on the basis of $50,000.00—$10,000.00 in advance over last year. We urge, therefore, all the churches to enlarge their contributions to State Missions, while ceasing not to pray for the work and the workers throughout the State.

Respectfully submitted,

W. R. HAIGHT,
C. J. WARD,
JAS. W. ROSE,
Committee.

Motion to adopt was discussed by G. L. Merrell, J. D. Howell and N. P. Stallings, and adopted. The roll of churches was called and pledges listed. (See list of Pledges.)

The Reading Clerk read the report on Orphanage.

REPORT ON ORPHANAGE.

Our Orphanage came into being nearly twenty-six years ago with almost nothing except the faith and love of a big-hearted people. It is now one of the most valuable assets the denomination has in the State. It has a farm of four hundred and fifty acres of land, one hundred and seventy-five of them being in cultivation, which not only supplies the children with plenty of fresh, wholesome food, but also the larger boys with an opportunity for healthful exercise, and for a practical up-to-date agricultural training.

In addition to the farm there are dormitories, a school building, a sewing building, a steam laundry, a printing office, a shoe-shop, a library building, an infirmary, an auditorium, homes for the Manager and Treasurer, and the necessary barns.

About twelve hundred orphans have been received at the institution. There are now present nearly four hundred, and new applications are sent in almost daily.

It takes about eighty dollars a year to feed, clothe and educate an orphan at the institution. The expense bill averages about one hundrd dollars a day. Only about five hundred out of the seventeen hundred Sunday Schools in the State contribute once a month to the orphanage. Last year forty-seven of the fifty-nine churches in our Association gave for this work sixteen hundred and sixty-two dollars and nine cents.

The Orphanage is not to be considered as a mere place for dispensing charity, but as an institution for the education and training of needy orphans. Every feature of the work is made to contribute to this end under the best possible moral conditions.

The Superintendent thinks the institutions needs:

1. More dormitories. A number of worthy applicants are turned away for lack of room.

2. A larger school plant—the present one being inadequate for the best training of the children.

3. An assembly hall—a place for the gathering of the children in the necessary public services and functions of the institution.

In the name of Him who said, "Inasmuch as ye have done it unto the least of these ye have done it unto me," we commend the Orphanage to the sympathies, the prayers and the generous support of Chowan Baptists.

Respectfully submitted,

E. W. STONE,
B. F. BRAY,
Committee.

The Report was adopted, the roll of churches called and pledges noted. (See list of Pledges.)

The Report on Ministerial Education was read by the Reading Clerk.

REPORT ON MINISTERIAL EDUCATION.

The Baptists of this State are building more churches each year. These churches as they are built must be supplied with ministers. The great source of the supply of ministers for this State is at Wake Forest College. As the call for more preachers comes, so the number who attend Wake Forest College is increasing each year.

But the contributions made toward ministerial education have not kept pace with the increase of ministerial students who attend Wake Forest College. The fund, as it now stands, is inadequate to meet the demands made upon it for the help of deserving students preparing themselves for the ministry. Can we not increase our pledges to meet this demand?

Respectfully submitted,

J. B. FEREBEE,
For Committee.

Motion to adopt was discussed by J. F. Murray and A. A. Butler, and adopted. The roll of churches was called and pledges noted. (See list of Pledges.)

The following resolutions were introduced and read by J. F. Murray:

"To the Chowan Baptist Association: Knowing that the riot that took place in Elizabeth City on July 31st, 1910, and anticipated by the members of Blackwell Memorial Church, and afterwards engaged in, they being led up to the same by two sermons delivered by their pastor, I. N. Loftin, to

be detrimental and damaging to the Baptist cause wherever known, and to leave this matter unnoticed will be detrimental to the cause and weakening to the Baptist Discipline, I move that this body at its present session take steps to settle this matter as we believe our Saviour would have it settled."

A motion was made by A. A. Butler to refer this matter to a council of three ministers and three laymen outside of the Association—one minister to be chosen by Blackwell Memorial Church, and one by Bro. Murray, or those whom he represents, the third to be selected by these, and the laymen to be selected in like manner. On motion of J. B. Ferebee, the matter was tabled.

E. W. Stone rose to a question of personal privilege in behalf of the First Baptist Church of Elizabeth City. A point of order was raised and the Moderator ruled that the First Baptist Church had not been brought into the matter in words, and that it was not in order. An appeal from this decision sustained the ruling.

The Reading Clerk read the Report of the Finance Committee and Treasurer, and it was adopted. (See Report of Finance Committee.)

The Moderator appointed Standing Committees to report at the next session as follows:

THURSDAY—AFTERNOON SESSION.

Meeting opened by singing, "We'll Work Till Jesus Comes." Sermon by W. W. Sisk from text John 3:16.

The Reading Clerk read the Report of the Historian, which was adopted.

REPORT OF THE HISTORIAN OF THE CHOWAN ASSOCIATION.

For the third time the Association has met with the Sandy Cross Church. The first meeting was held in 1846. G. C. Moore was Moderator, and Elder G. M. Thompson preached the introductory sermon. There were in that year 42 churches in the body reporting, 378 baptisms, and $69.75 contributions. In 1883 at Harrellsville, 34 churches with a membership of 5,044 were dismissed to form the West Chowan Association. This year there are 59 churches with a membership of 9,440. The baptisms reported number 355. There have been 98 deaths. There appears to be a net gain of 68 in the membership of the Association. For all purposes, $33,997.75 have been contributed.

In 1843 there were reported 1,329 baptisms, the greatest number in the history of the Association. In each of two other years, 1849 and 1857, there were over a thousand. Since the division of the Association the minutes of 1897 show the greatest number. In that year there were 578. The largest amount ever contributed by the churches of the Association was in 1909, the total for all purposes being $38,168.46.

But one new church has been received into the Association in seven years, and several of those carried on our rolls have not reported to or been rep-

resented in the meetings of the body for a number of years. There are eight churches not represented in any way at this session of the body.

During the year Revs. H. H. Mashburn, L. E. Dailey, C. E. Edwards and W. B. Morton have resigned their pastorates. Revs. J. F. Murray, E. L. Wells, J. Tynch and W. W. Sisk have come into our midst.

The introductory sermon was preached by Rev. A. A. Butler and the doctrinal discourse was delivered by Rev. W. R. Haight. The attendance throughout the session has been large, and the delegates have seemed deeply interested in the Master's business. For the sixth term our Moderator has been elected to office. By his impartial presiding and marked ability in dispatching business at this session he has greatly strengthened his hold on the confidence and affections of the brethren. The labors and sacrifices of our efficient Clerk deserves grateful recognition.

The hospitality of the Sandy Cross Church has been boundless. Nothing has been wanting that could serve the comfort of the brethren.

The Woman's Missionary Union, of which Mrs. B. B. Ferebee, of the Sawyer's Creek Church, is president, held a very profitable service. The Union is composed of 21 Women's Societies, 6 Young Women's Auxiliaries, 2 Royal Ambassador and 11 Sunbeam Societies, and is doing a fine work.

With a deeper spirit of unity, with a more cordial co-operation among all our churches, and with a God whose mercies are everlasting, let all our hearts be fired with strong determination to serve our day and generation according to the will of God.

S. F. BRISTOW,
For Committee.

The following resolution was read and adopted: "Resolved, That this Association return thanks to this church (Sandy Cross) and community for their kind hospitality to us during this session of our body."

The following delegates were elected:

To Southern Baptist Convention—I. N. Loftin.
Baptist State Convention—T. L. Brown, W. R. Haight, E. W. Stone.

A. F. Rountree was elected member of the State Board of Missions.

A motion was adopted that in view of the needs of Manteo and a portion of the Brunswick Association, Bros. Howell and Mizell be requested to write to the pastors of the Association soliciting contributions from their churches for these fields.

A motion was adopted increasing the compensation of the Clerk to $35.00 per annum and a collection was taken to raise the additional amount necessary to pay the increase.

The meeting closed with singing "Blest Be the Tie That Binds," and benediction by W. P. Jordan.

LYCURGUS HOFLER,
Moderator.

J. G. GREGORY, Clerk.

The Association having failed to elect an Executive Committee, the committee elected last year, composed of Lycurgus Hofler, E. W. Stone and W. B. Morton will serve this year.

J. G. GREGORY, Clerk.

The Reading Clerk read the

REPORT ON SUNDAY SCHOOLS.

The advancement made in our Sunday School work in the past few years is indeed gratifying, and yet we have only begun. One of the great responsibilities of Christianity is the "Teaching them to observe all things." The Sunday School becomes a kind of local Seminary in which all the people have a chance to study the Word of God. The church that is not aroused to the great importance of the work of the Sunday School is lagging behind and has a name to live, but is practically dead. The value of the Sunday School to the church and the cause of Christ is no longer questioned by intelligent Christian people. Its power to accomplish good is limited only by lack of equipment. Our people thus realizing the importance of the Sunday School as an educational agency, are putting forth every possible effort to better our schools, and thereby make them more efficient in teaching the Word of God. Therefore, to this end we heartily recommend the following:

1. That our churches, if possible, provide class-rooms where the school is in the least crowded.
2. That we encourage and hold Teachers' Training classes when and wherever it is possible to do so.
3. That we earnestly endeavor to properly grade our schools.
4. That we encourage our Sunday Schools to secure and maintain well furnished libraries.
5. That our schools be encouraged to contribute liberally to our Orphanage and to Missions.
6. That we purchase our Sunday School supplies from our Board at Nashville, Tennessee.

Respectfully submitted,

W. W. SISK,
For the Committee.

The report was discussed by E. L. Middleton and W. R. Haight, and adopted.

The Reading Clerk read the

REPORT ON PERIODICALS.

We fully realize and would urge the importance of good reading matter being placed in our homes.

Our people need information in regard to every phase of our work and to this end we would urge the importance of our religious papers.

The Biblical Recorder has for more than seventy-seven years been the organ of the Baptist State Convention and was never better in its history. It represents every department of our work and is the bond of union for our people. It claims a place in every Baptist home.

We would recommend Charity and Children, the Orphanage paper, and the Foreign Mission Journal, and the Home Field as representing the Foreign and Home Boards respectively; also the literature of our Sunday School Board of Nashville, Tenn., as the very best in their respective fields.

Respectfully submitted,

S. F. BRISTOW,
For Committee.

The motion to adopt was discussed by S. F. Bristow, J. Tynch, W. W. Sisk, J. F. Murray, J. B. Squires, and W. R. Beach, after which it was adopted.

The Reading Clerk read the

REPORT ON ORPHANAGE.

Perhaps there is no enterprise of our denomination that appeals more tenderly to our people generally than the Orphanage. You can always get a collection for the Orphanage when you would fail to do so for the other objects.

The institution is commendable in its equipment and economy of management. The methods of training and rearing the children place it right in the front ranks of the orphanages of the world.

During the last associational year one new dormitory has been completed. The West Chowan Association furnished the money for this building. A new laundry building has been erected, and quite an addition to the dining hall and the kitchen, and other minor improvements. The cost of these permanent improvements was twenty or twenty-five thousand dollars.

A new feature of our orphanage work that was unforeseen or thought of perhaps, has most recently dawned upon us, the princely gift of Mr. and Mrs. W. L. Kennedy, of Lenoir County, of twelve hundred acres of farm land in a high state of cultivation, with all the necessary equipment for running it. This not only makes it possible to establish a branch of the Thomasville Orphanage on this farm, but compulsory, for the gift is on this condition. So the gift will increase our obligations instead of reducing them. New buildings will have to be erected, and a larger current fund will be necessary.

What are the churches and Sunday Schools of the Chowan Association doing for this institution? The last minutes show that forty-six of the fifty-nine churches contributed last year $1,557.37. Only twenty-four of the more than fifty Sunday Schools contributed $775.12, making a total of $2,332.49.

We recommend that every Sunday School make a monthly offering to this object, and that we do what we can to increase the circulation of our Orphanage paper, Charity and Children. In clubs of ten or more we get it for sixty cents per year. It should be distributed in every Sunday School.

Respectfully submitted,

JAS. A. ROSE,
JOHN T. DAVIS,
J. F. MURRAY,
Committee.

The report was discussed by J. W. Rose and adopted, and the roll of churches was called and pledges noted. (See list of pledges.)

The following resolution was offered and adopted:

Resolved, That each Sunday School in this Association be requested to make at least one offering during the year for Baptist Sunday School Missions.

The following motion was made and adopted: The Association has no objection to the brethren who represent churches desiring financial assistance, soliciting private subscriptions to the objects which they represent.

The meeting then adjourned with singing of the Doxology and benediction by Josiah Elliott.

WEDNESDAY—MORNING SESSION.

Devotional Exercises were conducted by J. E. Kirk.

At 10:00 o'clock a. m., the Moderator called the meeting to order.

The minutes of Tuesday's proceedings were read and approved.

The Reading Clerk read the

REPORT ON MINISTERIAL EDUCATION.

We Baptist people have for years been emphasizing the importance of an educated ministry, but we have never yet realized its importance as we should have done, neither have we contributed to the Board as its needs have demanded. We trust, however, that the day is not far distant when all of our churches shall experience a revival of interest in this great work of the denomination.

Including four young men who expect to be medical missionaries, we have had eighty-nine young ministers in College this year. Of this number seventy-two have received aid from the Board. Most of these young men give promise of becoming useful men in the ministry. In settling the board bills of the students for April Dr. Cullom had to over-draw his account with the Treasurer several hundred dollars. Our Secretary is urging at least one hundred Sunday Schools to give the Board a collection of not less than $10.00 each, on May 12th. This will just about pay the board of one man for a month. Your committee urges that all of our Sunday Schools give earnest heed to this call of our Education Board, and that all of our churches endeavor to increase their contributions to this work.

JOSIAH ELLIOTT,
W. R. HAIGHT,
Committee.

The report was discussed by Josiah Elliott, W. R. Haight, Livingston Johnson, I. N. Loftin and W. R. Beach, after which it was adopted; the roll was called and pledges noted. (See List of Pledges.)

The Reading Clerk read the

REPORT ON STATE MISSIONS.

In submitting this report your committee desires to call attention to the following statement:

"Never have the blessings of God rested more signally upon the Baptists of North Carolina. Never has His guiding hand been more clearly seen." These words are from the lips of our faithful secretary of the Board of Missions and Sunday Schools, in his report to the Convention in Winston-Salem. And these are significant words. The blessings of God are bestowed in a marvelous way, and His guiding hand is clearly seen. In the light of such a statement the Baptists of the "Old North State" ought to find themselves, and take the State for Christ and His truth. "As the father hath sent me into the world, even so send I you." This means our State as well as our world. The world will not be saved until North Carolina is saved. And the task before us is not only evangelization, in the sense of leading the lost to the Saviour, but the training of the saved. When the lost of the highways and hedges are won to Christ the State Mission Board will only have finished part of its task. Our Board stands for a whole Gospel. This report is based upon the facts and figures presented by Dr. Johnson in his report to the Convention in Winston-Salem. Our missionaries preached 10,119 sermons; supplied 351 churches and outstations; received into the churches by baptism 1,921 and by letter 1,427; held 328 meetings; organized 10 churches and finished 14 new buildings. The report shows total contributions for State Missions and Sunday Schools $48,999.00, an increase of $5,744.73 over the preceding year. The Board closed its year's work with $475.00 in the treasury.

In the minutes of the last Association you will note that a total of $1,826.26 was given for State Missions. Of this amount, 11 churches gave nothing. Your committee would recommend:

First: That an effort be made to enlist these churches in this great

enterprise. Let the motto be "Something from every member of every church for State Missions."

Second: That earnest prayer be made for our workers that their hands be made strong and efficient for the task.

Third: That we recommend the effort now being made to build in our educational centers adequate church-buildings, buildings worthy of our God and the cause we love.

Respectfully submitted,

E. L. WELLS,
Chairman.

The report was discussed by Livingston Johnson and adopted. The roll of churches was called and pledges noted. (See List of Pledges.)

The Reading Clerk read the following committees appointed by the Moderator: On Time, Place and Preacher, W. T. Love, R. B. Hollowell, and J. G. Brickhouse; To nominate preacher of the Doctrinal Sermon at the next session, T. L. Brown, H. A. Litchfield and M. N. Sawyer.

The hour having arrived for the Doctrinal Sermon, it was preached by T. L. Brown, from Romans 6:3-5.

WEDNESDAY—AFTERNOON SESSION.

The Moderator appointed J. E. Parker and W. S. Bartlett, Finance Committee.

I. N. Loftin read the

REPORT ON FOREIGN MISSIONS.

The church of God has as its task to preach the Gospel to every creature. It is the command of Christ Jesus our Lord, Saviour and Head. It is the task of the ages. This command has back of it all that the God Head is, plus the need of the whole race of man. Missions and the missionary spirit is the actual operation of the saving power of Christ going to its final goal. The missionary spirit is Christ, not dead, but alive in His church and spending self for the salvation of man for whom He has died. The work is not so much a task as it is a privilege; it is not human but it is divine; it is not a business but it is a life. Since 1845 this life has been working in Southern Baptists, making the power of God felt to a greater or less degree unto the uttermost parts of the earth. God has wonderfully blessed the work, but we have not at all times been faithful to Him and the work has suffered because of our lack of faith, loyalty and surrender to the Life into which we have been called.

Now, in regard to conditions and needs in our Foreign Fields, only a short statement can be made from most of them.

"The response of Southern Baptists to the need of China is 145 missionaries and 302 native workers. The labors of our representatives have been so blessed that we have in China now, 66 churches with 8,645 members, 142 Sunday schools with 5,231 scholars, 146 day schools with 2,844 scholars, 9 boarding schools for boys with 530 students; 12 boarding schools for girls with 533 students, 1 college with 48 students, 6 Women's Training schools with 118 students, 3 Theological Seminaries with 131 students, 120 houses of worship, 41 residences for the missionaries, 7 hospitals and 7 dispensaries, and our 11 physicians treated a total of 38,152 patients last year.

In connection with these are the China Baptist Publication Society and the Shanghai Baptist College, owned jointly by the Northern and Southern Baptists. Besides, there are native schools, orphanages and mission boards sustained by the native Chinese Baptists.

What are these forces in the face of such vast needs? They are beginnings, they are capable of wide expansion, they are prophesies of larger endeavor in the future.

Africa.

"The Foreign Mission Board of the Southern Baptist Convention has maintained its work in Africa under great difficulties. The operations, begun in Liberia, in 1846, grew until in 1861 there were 1,258 members of our churches. This field was finally abandoned in 1875 because of the lack of funds. The work in the Yoruba country, which was opened in 1850, has now twelve missionaries; 25 native workers; 14 churches; 11 outstations, with 610 members; 17 houses of worship; 13 Sunday Schools, with 437 scholars; 8 day schools, having 251 scholars; one girls' boarding school, with 14 scholars; one industrial school; one theological seminary, with 8 students; 2 medical missionaries, equipped with 2 dispensaries.

The difficulties of the work in Africa must not daunt us. To the command of Christ to go, and to the call of the deep, deep needs of Africa to come, there can be only one response. To both our Saviour and our dark brother we will be faithful, whatever may be the cost."

Italy.

"The Southern Baptist Mission in Italy was begun in 1870. We have in that country now 6 missionaries; 40 Italian helpers; 35 churches; 96 outstations; 1,017 church members; 7 houses of worship; 33 Sunday Schools with 947 scholars; one day school with 120 scholars; one theological seminary, with 15 students. There were 109 baptisms last year.

During the entire history of our mission, we have sent only 13 missionaries to Italy. There are proportionately more ordained native ministers in Italy than in any other field. In no other country have we demonstrated more clearly the wisdom of establishing a Theological Training School. The work in Italy is done chiefly by the Italian workers."

Mexico.

"We began our mission in Mexico in 1880. We have there now 34 missionaries; 50 native helpers; 52 churches; 112 outstations; 2,063 church members; 24 houses of worship; 53 Sunday Schools, with 1,606 scholars; 7 day schools, with 247 scholars; 2 boys' boarding schools, with 104 students; 5 girls' boarding schools, with 411 students; one theological seminary, with 26 students; 2 medical missionaries, equipped with two dispensaries, who treated 2,047 patients last year. Our publishing plant renders efficient service. The Mexican Baptists have State and Home Mission Boards. They co-operate also with the Brazilian and Argentine Baptists in conducting foreign mission work in Chili."

Brazil.

"We have been working in Brazil only since 1882. We have there 44 missionaries; 88 native helpers; 113 churches; 209 outstations; 8,182 church members; 103 Sunday Schools, with 3,711 scholars; 13 day schools, with 606 scholars; one college, with 230 students; 2 theological seminaries, with 30 students and a publishing plant. The native Christians are very active in their endeavor for Christ. They have a Foreign Mission Board which supports missionaries in Chili and Portugal. Their Home Mission Board and State Mission Boards labor for the salvation of Brazil.

In no other country has our work grown as rapidly as it has in Brazil. Our success there is a fine illustration of the fact that the Gospel does prosper splendidly in Catholic lands. We could win Brazil if we could treble our forces in that fruitful land."

Japan.

"Southern Baptists opened their mission in 1889. We have in Japan 18 missionaries and 17 Japanese workers; 10 churches with 578 members; 19 Sunday Schools, having 1,148 scholars; 8 houses of worship; 4 residences for missionaries and a theological seminary, which is conducted jointly by Northern and Southern Baptists.

If Japan is to be the leader of the Orient, then effort to make her the right kind of leader is of the highest significance and importance. In this grand privilege Southern Baptists ought to take a larger share. We must do more to make the leader, a leader for our Christ."

Argentina.

"It cannot be expected that a very large showing could be made in the way of statistics in the years since our work was opened in 1903, but fine progress has been made and the future is bright. We have in Argentina 16 missionaries; 9 native workers; 7 churches; 7 outstations; 248 members; 9 Sunday Schools with 146 scholars and a beginning has been made towards a theological seminary which in its first year has enrolled 9 students. The Argentine Baptists co-operate with the Brazilian and Mexican Baptists in Foreign Mission work in Chili."

The opportunity is too great to put in language. Almost all the wide world is open to the Gospel. The spirit of democracy as it is in Christ Jesus has taken hold of man as never before. At our command is wealth in more abundance than the world has before known. And when once consecrated to this life and work the whole power of God is ours.

The Reading Clerk read the

REPORT ON CHOWAN COLLEGE.

This institution was founded as Chowan Baptist Female Institute in 1848. The originators were the Baptists of Eastern North Carolina and Virginia, who felt the imperative need of a school that would give their daughters the opportunity and advantage of higher education and culture, to fit them for life's duties and responsibilities. The fact that these servants of God and of our race, built more wisely than they knew, is attested by the glorious history of the college from then down to this day.

The enrollment this year (the sixty-third year of its existence) is the largest in its history. The President reports 111 boarders, an increase of 13 over the entire enrollment last year. The college has a faculty of thirteen members, including the President. The last report of the President to the Baptist State Convention announces that every member of the faculty is a member of the Murfreesboro Baptist Church, and that their influence is not only Christian, but Baptistic.

The curriculum of the college has been greatly enlarged, and the claim is made with good reason, that the course leading to the degree of A. B. is as substantial as that of any other college in the State. Among other things in this course, is one year each of the Bible and the History of Christian Missions. The State now recognizes the diploma of Chowan College, and gives it the same credit in granting teachers' certificates as it does those of Meredith, Wake Forest and the State University.

The last report from the college shows that its financial condition is slowly improving. It was due to the good business methods of the President that last year the college was able to meet all of its current expenses, to avoid a deficit, and to incur no new debt. Out of a business

of nearly twenty thousand dollars, less than twenty dollars remain uncollected.

Possibly the greatest need of the college now is an adequate endowment. Realizing this, a systématic effort is being made to raise, if possible, one hundred thousand dollars for this purpose. The two Chowan Associations have voted to request each church within their bounds to make an annual contribution to this endowment fund. Many churches, most of them in the West Chowan, have responded favorably and liberally to this request. Quite a number of individuals have expressed their willingness to give fifty or one hundred dollars a year for five or ten years to this worthy object. Only recently a former student of the college has given five hundred dollars to establish a "Fanny Knight Loan Fund," the money to be loaned to girls who could not attend college without such help. It is the purpose of this good woman to add to this amount from time to time. May the Lord raise up many more who shall delight to follow her noble example.

The Reading Clerk read the

REPORT ON OLD MINISTERS' RELIEF.

To my mind this object stands side by side with the Orphanage. The difference is that the one is in the morning of life, the other in the evening. What is done for these old veterans of the cross must be done quickly. The board has helped some of the widows of these old brethren. This board is now about twenty-two years old, having been established in the year 1890. The object of the Ministers' Relief Board is to aid the old and needy Baptist ministers of North Carolina. The Corresponding Secretary is encouraged, as some of the churches are increasing their contributions to this work, while I find so many of our churches give nothing to these old orphans. I notice that there are thirty-one churches in our Association that give absolutely nothing. Why, I do not know! And to the Orphanage there are twenty churches that give nothing, but I notice the amount subscribed by our Association to the old ministers' relief is $215.00 and to the Orphanage $1,050.00, so you see the difference is $835.00. "These ought ye to have done, and not to leave the other undone."—Matt. 23-23. This board has not received the attention that it deserves. We recommend this great and good work to all of our churches.

The Reading Clerk read the

REPORT ON HOME MISSIONS.

One of the most important agencies Southern Baptists have for extending the Kingdom of Christ is the Home Mission Board. Its work is divided into the following departments: Mountain Schools; Evangelism; Church Building and Loan Fund; Mission Work Among the Indians; Immigrants and Negroes; and the Evangelization of Cuba and Panama.

The Board is contributing to the support of 26 mountain schools, eight of which are in North Carolina. There are at least as many more communities where schools could and would be established if the Board had the funds. In those already in operation there are nearly 5,000 students. The far-reaching influence of these schools cannot be estimated. In all the communities where they exist the moral tone has been greatly improved—crime has been lessened, feuds have disappeared, and respect for law has steadily grown. There has been a veritable revolution in the home and church life of these communities, and thousands of bright and promising boys and girls have been and are being prepared for useful and honorable lives. Some of the best ministers in the South, as well as some of its most successful business and professional men received their first inspiration in these schools.

There is in the Building and Loan Fund the pitifully small sum of $69,500.00, the interest of which may be applied to the erection, or to assisting in the erection of buildings for weak and mission churches. And when it is remembered that there are 3,000 homeless Baptist churches west of the Mississippi River within the bounds of the Convention, and 1,500 east of the river, it will be seen that the Board can do very little towards meeting the distressing demands of the 4,500 organized congregations that can have at best, under the circumstances, but a very uncertain existence. There is an urgent call upon the consecrated energies of Southern Baptists to equip, as soon as possible, many of these churches with houses suitable for their work.

There are 15 evangelists and two singers employed by the Board. Two hundred and forty-three meetings were held by these men, in which there were nearly 5,000 additions to the churches. A most interesting fact is that in these various meetings there were 455 volunteers for the ministry and for foreign work. Seven Bible Conferences were held, and in many other ways the influence of these consecrated evangelists has been felt among our brethren.

What work the Board has done for the negroes has been in co-operation with the Negro National Baptist Convention, of Nashville. It has in this way aided in the support of 29 missionaries who reported nearly 4,200 additions to colored churches through their efforts. Southern White Baptists gave last year $8,500.00 towards the evangelization and uplift of the 9,000,000 negroes in our midst. How great is the responsibility of the white people of the South for the moral and spiritual welfare of the negroes! Alas! how poorly white Baptists are shouldering their measure of this responsibility! How slow are they to take up their share of the burden of the white man of the South!

In Cuba the Board has 21 missionaries. As in all Roman Catholic countries the progress there is slow. But foundations are being laid. Some of the churches, even now, are almost self-supporting. A number of pious and consecrated young preachers are being trained by Superintendent McCall and his assistants. As yet, in Panama, the work has hardly passed the

temporary stage. It changes, of course, with the progress of the canal. But the Board is planning for far-reaching results in supplying the spiritual needs of those who are to be permanent residents of the Canal Zone.

The best the Board could do with the means at its command has been done among the Indians and the thousands on the western frontier who are without churches or religious advantages. And a strenuous effort is being made to reach the foreigners who come South with the pure Gospel taught and preached in their native tongues. Such is a brief record of the Board's work for the year past.

For all this work it received $333,534.00. Of this amount, $161,374.00, or nearly half came in during the last week of the conventional year. From a little tract issued by the Publicity Department of the Board, I take the following items concerning the year that closed on May 1st, this year. It requires about $1,000.00 a day to pay the missionaries, and to do the work of the Board. Up to February 15, 1912, it should have received $316,666.00. But instead of that amount, only $89,822.00 had been received. Nearly all of the rest had to be borrowed from banks, on which interest money is being paid that ought to go to the missionaries themselves. This is simply inexcusable. It is the result of an unbusiness-like and unsystematic method on the part of our churches of supporting our Board. As it is we Southern Baptists are giving little enough for the great work of Home Missions. But to have to pay out of the sum we do give thousands of dollars to banks in the form of interest because so many of our churches persist in waiting until the last month of the Convention year to make their offering is little short of a crime against the Kingdom of our Lord. Let the churches of this great Association support this work in the year to come more generously than they have ever done. Let them give systematically. Let them not wait until next spring to make their offering. Let them at once arrange a schedule of benevolences and work it through the year. Let the public offering in the church be followed up by a thorough canvass of the membership of the church. Let everybody have a chance to give and to help in the work of saving the lost of our own beloved country, and of those of Cuba and Panama, for the welfare of which we have been made in the providence of God peculiarly responsible.

If so be we neglect this work we shall prove most unfaithful to our Lord and Saviour Christ. For there is not one of all the ignorant and degraded peoples in, or coming into our midst that has not a soul of priceless value for which He suffered and died. A soul as precious to Him as that of any lord or king. To those we are commanded to carry the Gospel of His redeeming love. Dare we disobey Him, and fail in our duty to these neighbors at our very door? One of the severest indictments He ever made was against a man who despised a wretched beggar at his gate. That man, He said, died and went straight to perdition. From which there seems no escaping the conclusion that we must minister to the destitute about us if we would not lose His favor. May each of us then prove his fidelity to Him by doing his best to save the perishing multitudes among us, and thus to contribute what he can to the bringing of our whole Southland under His benign and gracious sway.

E. W. STONE,
For the Committee.

Motion to adopt was discussed by W. W. Sisk, A. A. Butler and Josiah Elliott, and carried. The roll was called and pledges noted. (See List of Pledges.)

The following motion was offered and adopted: That in this Associational year we make a plea to the pastors to make a missionary campaign in all the churches of the Association, the pastors visiting the churches in twos and holding all-day meetings in each church. The Moderator appointed A. A. Butler, I. N. Loftin and W. W. Sisk, a committee to arrange for this campaign.

The Reading Clerk read the

REPORT ON TEMPERANCE.

The subject of Temperance is one of vital importance to the church and to the Christian world. The cry today is, "The saloon must go," and well might it be so, for it has always been an enemy to the church, home, and all that is pure and good in the world. It has become a mighty giant of evil, intrenching itself behind the laws of our land. As long as the liquor traffic is protected by law, the Christian people must give no uncertain sound, and see to it that a progressive educational campaign is kept up until our people learn to appreciate the awful results of the saloon.

Let our ministry bravely speak out on this subject and let church-men vote as they pray.

Our State is, we are glad to report, legally, a dry State, but as long as our national law permits the shipment of liquors into our borders, so long will there be violations of the law in our State. We desire to put ourselves on record as heartily endorsing the work of the Anti-Saloon League and will give it our support. Christian men should see to it that the men who represent us, in our legislative bodies are men who have right convictions on this great question. Eternity alone will reveal the sad havoc wrought by the saloon. Another name for the saloon is the "bar" and some one writing of it under this head aptly describes it thus: "A bar to heaven, a gate to hell, whoever named it, named it well."

Respectfully submitted,

W. W. SISK,
For Committee.

Motion to adopt the report was discussed by W. W. Sisk and J. Tynch, and carried.

The Reading Clerk read the

REPORT OF HISTORIAN.

The first meeting of the Chowan Association ever held, was held in Salem Church, in 1806, just 106 years ago. George Outlaw was Moderator, Lemuel Burkit was Clerk, and J. B. Wall preached the introductory sermon from Luke 24:36—"And as they thus spake, Jesus Himself stood in the midst of them and saith unto them, Peace be unto thee."

In 1822, and again in 1834, and yet again in 1885, the Association met with Salem Church. And now for the fifth time in her history the Association has met with this historic church. "Step by step, as a light to this section, she has made advance in soul-saving, in missions, in contributions to the orphanage, and all other objects for God's glory."

At the date of its first meeting, there were 18 churches comprising the Association. These reported a total membership of 1,750; 55 baptisms; and 12 pounds, 12 shillings (or $61.32) as the amount of contributions from the churches. It is interesting to note that this first meeting of the Association was held at a time before we had adopted our present money system, the amounts being expressed, as you have noticed, in terms of English money.

In the first years of her history, the growth of the Association was evidently not very rapid, for when the Association again met with this church in 1822, there were but 22 churches reporting, with the same total membership and number of baptisms as in 1806; and the contributions had fallen to $32.50.

But in 1834, when the Association met with Salem for the third time, there was a decided increase. That year 33 churches reported a membership of 3,815, and 190 baptisms. The amount contributed, however, was but $56.42.

Before you met with Salem again, a new era had dawned. The old anti-

missionary spirit had largely departed, and the churches had increased in number and in membership, and in contributions, until the gifts of the churches had passed the $21,000 mark. Such growth, indeed, had come that the Association was compelled to divide, the West Chowan Association having been organized in 1883. In spite of this division, in 1885, when you met with Salem for the fourth time, there were 38 churches reporting 6,216 members, 467 baptisms, and $12,818.43 in contributions.

And now let us see what God hath wrought in this good year of our Associational work. There are now 60 churches, with a total membership of 10,084, reporting 450 baptisms; and the total contributions amount to $41,350.25. There appears to be a net gain of 352 in the membership of the Association for the year just closed.

During the year J. D. Howell resigned the Roanoke Island field to go to Bayboro, and O. N. Marshall, lately of Durham, has become his successor. J. A. Willoughby, after an absence of a year or two, has returned to the Association to become the pastor at Columbia. J. E. Kirk is the new pastor at Swan Quarter, having succeeded G. L. Merrill, resigned. E. J. Harrell succeeded Josiah Elliott at Cool Spring.

During the year, Elder Mills H. Green, who for some years labored in this Asociation as pastor of several churches, passed away after a long illness.

The Introductory Sermon was preached by E. L. Wells, of Edenton, from I Samuel 10:26-27—"And there went with him a band of men whose hearts God had touched." The Doctrinal Sermon was preached by T. L. Brown, of Gatesville, from Romans 6:3-5, the topic being: "The Significance of Baptism."

The attendance throughout the Association has been large, and the delegates have given thoughtful attention to the work of the Association.

For the seventh term our Moderator, Brother Lycurgus Hofler, was elected to office. Brother Gregory has been our faithful Clerk since 1906, having held office since our present Moderator was promoted from the clerkship. The Association appreciates the services of these men.

The hospitality of the whole community has been boundless. Everything has been done that could be done to make the people feel at home.

The Women's Missionary Union, of which Mrs. B. B. Ferebee, of the Sawyer's Creek Church, is the President, held its regular session. The Union is composed of 17 Women's Societies, 5 Young Women's Societies, 8 Royal Ambassador and Sunbeam Societies, and is doing a work that could not be dispensed with without serious loss to the Association, Miss Blanche Barrus, Corresponding Secretary of the Women's Missionary Union of North Carolina, was present and made addresses.

God grant us new visions of opportunity, and give us fresh supplies of His Grace and power so that we may push on to greater victories in soul-saving, and to the larger development of Christian character, than ever before in our history.

Respectfully submitted,
JOSIAH ELLIOTT,
Historian.

The report was adopted.

E. Kirk be appointed a committee to look further into this and report to the next session of the Asociation was carried. A motion to reconsider the vote upon the report from the Executive Committee of the Camden and Currituck Union, and the motion in reference to Rose Bay was carried. The report was then withdrawn and amended to read as follows: Executive Committee of Camden and Currituck Union reports as follows: First, as to Collington: Bro. Howell states that there are but two members of the church—a brother and his wife—and the brother is an invalid. The congregations are small and no chance to build up anything. The property is deeded to J. W. Melson and Stephen Beasley. The latter does not now claim membership of the church. This deed was never recorded. Pleasant Grove now has preaching once a month. Brother Loftin is doing the preaching and the work has prospered under his ministry. The Clerk has a church letter from this church.

W. R. HAIGHT,

A. F. Rountree was elected member of the State Board of Missions and Sunday Schools.

The meeting adjourned with singing "Blest Be the Tie That Binds," and benediction by Josiah Elliott.

The Reading Clerk read the

REPORT ON OLD MINISTERS' RELIEF.

The funds spent on this department of our demnominational work is purely benevolent rather than an investment in progressive enterprises which promise future realization. God has called upon us to clearly discern between the objects of our charity and those lines of growing work wherein we spend our money with an expectancy of accumulative development.

To take care of the old preachers who have already invested themselves in the work of the Kingdom is no less a duty than to contribute to the preparation of the young men for future investment of themselves in the same work. Our State Convention reported last December that nearly three-fifths of our churches contributed nothing in 1912 for this object and more than one-fourth of the Association gave nothing. Neglect of those whom God has placed upon our hearts as eminently worthy of fraternal sympathy and substantial help makes for just criticism by the outside world upon our Christian faith. We cannot afford to pose as Christian philanthropists while we neglect the most worthy of all objects of our philanthrophy. We sometimes make a mistake in referring to these old preachers as "veterans of the Cross." Had we not better call them "veterans of the Throne," because it is the enthroned Christ they have preached to us for years and it is the same enthroned Christ that calls upon us today to help them in their infirmities.

We would urge the recommendation of the State Convention that each church take an offering for this object the Sunday nearest to Christmas that the church meets for services, and let it be understood that this offering is not a part of the regular pledges for Ministerial Relief made by the churches. In the hands of the pastors this matter largely rests and your committee respectfully urges them to be diligent in this trust.

Respectfully submitted,

L. T. REED,
For E. W. STONE.

The report was adopted without discussion.

The Reading Clerk read the

REPORT ON PERIODICALS.

It is not the purpose of your committee to argue the importance of having every home supplied with good wholesome religious and educational literature; for it is generally admitted by all thinking people everywhere that no man has properly provided for his household till he has used all proper means to keep all unclean and hurtful literature out of his home; and at the same time to supply it with that which is clean, safe and uplifting.

We Baptists are fortunate in having a wealth of just the kind of literature that is essential to the well-being of our homes, edited and published by Baptists for Baptists. We call attention to the Biblical Recorder, Charity and Children, Our Home Field, The Foreign Mission Journal and our Sunday School Periodicals published by our Sunday School Board at Nashville.

There are many other splendid periodicals, edited and published by Baptists, that we can take and read with profit; but we call special attention to those mentioned above, because we consider them indispensable to the North Carolina Baptist, who wishes to count for all that it is possble for him to count for in our Baptist Zion.

A. A. BUTLER,
For Committee.

The report was discussed by A. A. Butler, S. E. Garner, W. R. Haight, C. J. Thompson, T. S. Crutchfield, and adopted.

REPORT ON ORPHANAGE.

The Thomasville Baptist Orphanage is in its twenty-eighth year and has enrolled in round numbers 1,400 children. There are now present in the institution 413 children.

During the year we have enjoyed excellent health until about two months ago we had a scourge of measles. More than half the children were stricken but fortunately we have had no serious complications. Aside from this we have had perhaps the best health during any year in our history.

Two years of drought in succession have caused us to fall behind in the profits from our farm. This has been discouraging because we had made unusual efforts to improve and enlarge our trucking and other farming operations.

Collections have not been sufficient to meet all of our indebtedness. While we are not seriously involved we are suffering some embarrassment in meeting all of our bills promptly. Otherwise, the work of the Orphanage has been very encouraging. The large gift from Mr. and Mrs. W. L. Kennedy, next to the Dennis Simmons bequest, is the largest gift in the history of the Orphanage. But it is very important that our people understand that this does not take the place of regular contributions, but will only call for larger gifts from all the people.

We have already begun two dormitory buildings at the Kennedy Memorial Home. We hope to be able to receive children at this place by Christmas. We have made an appeal for Thirty Thousand Dollars in one hundred dollar gifts. We have had encouraging responses to this appeal, but we are very far from securing this amount and we trust that many in the old Chowan Association will see their way clear to join the three hundred.

One source of constant encouragement is found in the boys and girls who are going out from the Orphanage. Each year adds new trophies, making it unnecessary to produce further proof of the worthiness of this cause. But we are unable to accommodate the large number applying for help; at least fifty a month are knocking at the door. Only a very small proportion of these can be received.

One of our greatest needs is equipment, buildings, enlargement in every direction. We shall appeal to the Associations this year to enlarge their gifts. We urge every Sunday School to take a collection at least once a month and if possible take a club of Charity and Children.

We must depend upon the Thanksgiving offering to give us extra help at the season of the year when our expenses run highest.

JOSIAH ELLIOTT,
For Committee.

The above report was not at hand and, on motion, the representative of the Orphanage, Fuller Hamrick, was requested to speak to the subject, the report to be furnished the Clerk later. Brother Hamrick, accordingly, addressed the body on the Orphanage and was followed by O. N. Marshall and J. Tynch.

The Moderator appointed W. S. Privott and M. B. Toxey, Finance Committee for this session.

The Moderator appointed E. J. Freeman, H. A. Litchfield and H. S. Gilbert Committee on Time, Place and Preacher for the next session of the Association.

The Mission Rally Committee made the following report:

REPORT OF MISSION RALLY COMMITTEE.

Your committee has labored under many disadvantages. It is not necessary to enumerate them. Several mission meetings were arranged and conducted during the year by members of the committee with the co-operation of several of the other pastors of the Association, and particularly Brother E. L. Wells, of Edenton.

Meetings were held at Edenton, Hertford, Blackwell Memorial, Sandy Cross, Gatesville, Belhaven, Shiloh and Creswell.

These meetings have, we think, been productive of much good to the churches and the Kingdom.

A. A. BUTLER,
I. N. LOFTIN,
W. W. SISK.

The report was discussed briefly by I. N. Loftin and A. A. Butler.

A motion that we cease to call the roll of churches, taking pledges for the various objects, with the understanding that our churches will be expected to contribute not less for any of the objects than last year, following the lead of the Spirit in their giving, was discussed by A. A. Butler, L. T. Reed, T. S. Crutchfield and J. T. Phillips, and adopted.

The Moderator appointed R. E. Brickhouse to conduct devotional exercises Wednesday morning, after which the meeting adjourned with Benediction by C. J. Thompson.

WEDNESDAY—MORNING SESSION.

Devotional exercises were conducted by J. M. McKenzie.

The hour having arrived for the regular order, the meeting was called to order by the Vice-Moderator.

The minutes of yesterday's proceedings were read and approved.

The Reading Clerk read the

REPORT ON SUNDAY SCHOOLS.

Our Sunday School Work is no little thing, and we should feel the responsibility that is upon us as a denomination, for out of our Sunday School is where we enlist our church members. The Sunday School is what you might call a hot bed. We draw from it and plant our churches, and we should have them taught, trained and ready for the church, for some of the best teaching that a church member ever gets in doctrine and the Bible views of Christ and His works are given them in Sunday School. And if we neglect the Sunday School then our churches will become seriously affected. We should teach our church doctrine and a clear view of the Bible beyond all things else, for there is where our principle stands, and as to the Baptist doctrine the New Testament principle in both doctrine and faith is what we need to establish and should not be left out of our Sunday Schools. There has been real progress in the general Sunday School work the world over. As an evidence of this we call your attention to the fact; whereever a new church is being erected it is being adapted to the purpose of Sunday School Work and we should be aroused to this great work, we should not neglect the needed equipment and the teachers' training class, grading work etc. We should give to all the missions, especially to the Orphanage, and subscribe to the Charity and Children, published by our Orphanage, read good books in connection with our Sunday School work and, if possible, each Sunday School have a library; and we should buy our literature from our Sunday School Board at Nashville. Last, but not least, we should be as prudent in selecting the officers, superintendent, teachers, etc., as in calling the pastor and selecting deacons.

Respectfully submitted,

O. N. MARSHALL,
E. F. SAWYER.

The report was discussed by O. N. Marshall and adopted.

The Reading Clerk read the

REPORT ON FOREIGN MISSIONS.

The impetus given, under God, to concerted, aggressive and practical obedience to our Lord's command to "Go into all the world and preach the gospel to every creature" upon the part of Baptists in this country, by the unexpected entering into our ranks of Adoniram Judson and his wife, together with Luther Rice, just one hundred years ago, and fostered by their untiring zeal (the Judsons laboring in India, while Rice rode from one part of his native land to the other "Stirring up the pure minds of the

brethren by way of "remembrance" as to their duty and privilege in giving the gospel to the whole world) has culminated in the things which "we do now see and hear."

Our people are realizing more and more that the "Christian spirit" is the "Missionary spirit." They are realizing that if they have something worth possessing, it is worth sharing with others. They are beginning to understand that a selfish Christianity is an impossibility. They are growing in perception of the Master's own vision of what the gospel was meant to do for a lost world. It is gradually dawning upon Baptists that to obey Christ means something more than going down into the water and coming up out of it again; and that if we love Him we will keep his commandments—all of them. Hence our increased attention to our Lord's last commission: "All power is given unto me in heaven and in earth. Go ye therefore and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit: teaching them to observe all things whatsoever I have commanded you;" hence our increasing realization that His promise to be with us even unto the end of the age, is conditioned upon our obedience to that commission; and hence our growing determination to be witnesses unto Him, not only in Jerusalem, and in all Judea, and in Samaria, but unto the uttermost part of the earth.

In justifying His visit to the home of the publican Zacchaeus, Jesus said: "For the Son of Man is come to seek and to save that which was lost." This was the statement of His life-purpose, and he passed it on to His disciples when He said, after His death and resurrection, "As my Father hath sent me, even so send I you." Let us praise God for the fact that in some measure at least, we are accepting our place in the plan of our Lord for those who believe on, and love Him, as to our part in seeking and saving that which was lost.

May God give more of our people the eyes to see the whitening harvest ready for the gathering—and to those who do see, a larger vision. May God give us the willing spirit to undertake, and the generous heart to respond to the call for means to send the men and women who are not only willing and ready to go, but count it a glorious privilege to do so.

We have been unfortunate in our use of terms. For the sake of convenience we have divided our work into Foreign Missions, Home Missions and State Missions. This has brought about, in a measure, the conditions which make it possible for "the unlearned and unstable" to wrest the subject of missions to their own destruction, so far as their usefulness is helping to spread the gospel is concerned, and in great injury to their own spiritual life. One cannot be a new Testament Christian unless he obeys the great commission of Christ; and there can be no such thing as a New Tetsament Church which does not first, go; second, into all the world; third, and preach the gospel to every creature. The baptizing and the teaching come next; but how shall we baptize and teach unless we first go and preach, for "faith cometh by hearing, and hearing by the Word of God."

Perhaps the Church would have been better off if it could have kept the terms used in the New Testament. A recent writer says: "The key-word in the religious thought of this age is the Kingdom of God. It was the key-word in the thought of Christ. * * * * Christ's work for the world was not simply a legal adjustment of the differences between the race and Jehovah, although this is included, but His work was the establishment of a new-life kingdom. In this new kingdom there is a new kind of citizenship of which He is the type. And He proposed to make this kingdom world-wide. It is the business of the church to work for the coming of the kingdom. He called it the kingdom of God. I sometimes wish we could get rid of the word "mission," and put in its place the word "kingdom." It would not then be 'Foreign Missions' and 'Home Missions' and 'State Missions;' but it would be the kingdom in the foreign land, and the kingdom in the home land, and the kingdom in our own State. The word kingdom

would serve as a unifying idea, and it would be getting back to Christ's conception of our mission. You find men who are opposed to different phases of missions, but no man who claims to be a Christian can be opposed to the coming of the kingdom. Let us then put the emphasis in our mission work on the kingdom conception. And missions means the coming of the kingdom of God in all the world."

A just and comprehensive view of foreign mission opportunities at present is the greatest inspiration in the Kingdom of God on earth.

Our present fields are Argentina, Brazil, Mexico, Italy, Africa, Japan and China.

The present number of missionaries is 271. The native workers have been increased to 577, making a total force of 848. The 342 native churches are growing in self-support and missionary efforts. The 422 Sunday Schools are doing aggressive work. Nine Women's Training Schools have 312 students, and ten Theological Schools have 245 students. These, with the other 208 schools of all grades have 6,156 pupils. In six hospitals and thirteen dispensaries thirteen medical missionaries treated 51,796 patients during the year. Four publishing plants are sending out millions of pages of religious literature. At the meeting of the Southern Baptist Convention last year there were reported 24,689 church members, and 4,300 baptisms.

The contributions for 1911-'12 were $580,408, a gain of $70,400 over the previous year. Of this amount 12 per cent. was used for expenses at home as follows: In Richmond, 5 per cent.; Women's Misionary Union, 1 per cent.; interest, 2 1-2 per cent; State expenses, 3 1-2 per cent. This percentage of expense is larger than the Board wants it to be. Our people can reduce it very much by sending their money all through the year, so as to save the interest account. Let it also be remembered that a large part of the money used at home is expended in efforts to arouse our people and increase contributions.

The work has often been greatly helped by bequests and annuities. More and more our people ought to remember the Board in their wills. Pastors can exert a blessed influence in this direction. A still better way is to give money to the Board on the Annuity Plan whereby the donor receives an income from the gift during his life. Write to the Board for particulars.

The Southern Baptist Convention asked the churches to raise $618,000 for foreign missions last year. Every dollar of it was needed to meet past obligations and maintain the work on a hopeful basis. But the year closed with the Foreign Mission Board $76,000.00 in debt. Brethren this ought not so to be. It is very important that this Association raise this coming year its proportion of what shall be asked of it. We must cancel this debt and set the Board free.

The most significant advance ever proposed by the Southern Baptist Convention took place when the Oklahoma meeting last May authorized the Foreign Mission Board to raise $1,250,000.00 as an Equipment Fund in honor of the Judson Centennial. One million dollars of this is to be used for equipping our schools and publication work. Two hundred and fifty thousand dollars is to be used for building chapels, hospitals and missionary homes. This is a mighty call, but it is made to a mighty people in the name of a Mighty God. The fund is to be raised during the next three years. It is to be entirely separate from the regular foreign mission offerings and the effort will be made to secure it in such a way as not to interfere with any other cause.

The complete transformation of China within the last few months is one of the greatest events in human history. A radical change of one-fourth of the human race intellectually and politically and the making them ready for spiritual readjustment, in so short a time, is without parallel in the history of nations.

The Foreign Mission Board, located at Richmond, Virginia, is a committee appointed by the Southern Baptist Convention to carry on this, our for-

eign mission work—the work of the Kingdom of God in foreign lands—by the co-operation of all our churches and in behalf of all our people.

It is our work. One member of the Board lives in each State and is called the State Vice-President. A representative of the Board lives in every Association. He is expected to confer with the Board and with the churches in the interest of the work. At the present meeting of the body this Association is expected to elect this representative of the Forign Mission Board to serve until the next meeting of the Association.

We recommend: 1. That all our people help in our Foreign Mission work by sympathy and prayer; by subscribing for and reading the Foreign Mission Journal; by distributing tracts which can be had for the asking; by making our offerings as large as possible; by sending in their gifts now and not waiting for the season of pressure in March and April.

2. That we solemnly pledge ourselves to do our part to raise the amount which will be asked of our association this year.

Respectfully submitted,
W. R. HAIGHT,
Committee.

The report was discussed by C. J. Thompson and adopted.

The hour for the Doctrinal Sermon having arrived, it was preached by J. E. Kirk from I Samuel, 15:22.

WEDNESDAY—AFTERNOON SESSION.

State Missions being the regular order and no report being at hand, the Moderator requested L. T. Reed to prepare a

REPORT ON STATE MISSIONS.

Our State Mission work is essentially first because it takes care of and fosters our base of denominational supplies. Without this base of supplies any aggressive warfare or work will soon fail; we must look to the immediate field at home and support every department of our work here or else our larger world forces, for the conquering of sin in distant places, will decrease in effectiveness.

Our State Mission Board is now pressing the work at three separate points, viz: the Western, Central and Eastern sections of the State. In the western field $7,970 is being spent annually for the development of the work; in the central $19,528 has been appropriated, and in the Eastern section $20,210 has been set apart for missionary, Sunday School and Church building purposes. In our own Eastern field, contiguous to the Chowan Association are eighteen counties in which our State Secretary reports great religious destitution. Evangelization seems to be the great need of this part of the State. The Board last year reported 150 missionaries employed who preached 10,150 sermons at 335 churches and stations. They baptized 1,607 people and received 1,393 by letter. There were twenty houses of worship built and 2,627 professions of faith.

Last year $47,931.91 was received for State Missions. Five and one-half per cent. of this amount only is used for the expenses of the Board, so that 94 1-2 per cent. of all money contributed goes into the work directly. Your committee asks for the prayers, the sympathy and the support of each church in the Chowan Association for a vigorous and full campaign of New Testament evangelism within the bounds of our Association.

Respectfully,
L. T. REED.

The subject was discussed by Livingston Johnson.

The meeting was addressed by J. M. McKenzie on behalf of the church, at Chocowinity, N. C. On motion, the brother was accorded the privilege

of the floor and of the churches in the Association to present the matter, and a cash collection was taken amounting to $11.46.

T. J. Ragland was recognized as a new pastor on the Currituck field.

The Reading Clerk read the

REPORT ON CHOWAN COLLEGE.

The sixty-fifth session of Chowan College has been the greatest in the history of the institution. The enrollment is one hundred and fifty, eight more than the highest previous enrollment. The dormitories have been full. The expenses have been met and some equipment has been purchased from the current receipts.

The curriculum has been further enlarged by the addition of Greek, Italian, Domestic Science, the History of Philosophy and a second-year course in the Bible. The entrance requirements have been made the same as those of Meredith, Wake Forest and the State University. The faculty of fourteen, all Baptists, is composed of expert teachers, graduates of such institutions as Emerson, Georgetown, Meredith and Salem Colleges, and Chicago, Columbia, Stetson, and Johns Hopkins Universities. Rev. Q. C. Davis, the new teacher of the Bible and Philosophy, and pastor of the Murfreesboro Baptist Church, is a tower of strength to the religious life of the College.

The installation of a new steam heating plant and a new system of waterworks is now complete and the improvements are very satisfactory. By the recent purchase of twenty-one acres of land immediately to the rear of the original tract, the campus now comprises about fifty acres, making it one of the finest campuses in the entire country.

The conditions of Mr. E. F. Aydlette's liberal offer on the endowment fund have been met. The churches responding to his generous proposition are Blackwell Memorial, of Elizabeth City, the Ebenezer, of South Mills, the Aulander and the Murfreesboro. The endowment fund now amounts to twenty-five hundred dollars in cash and twenty-two thousand dollars in pledges and subscriptions.

The needs of the College are many and urgent. Electric lights, a laundry and a dormitory should be supplied at once. An adequate auditorium would add much to the efficiency of the College. The most pressing need, however, is an endowment fund of one hundred thousand dollars. The interest on this fund would keep up the equipment. The other institutions of the State of equal grade have either endowments or large appropriations from the State funds. Last May twenty-six churches in the Chowan Association made pledges on the endowment fund of the College, and it is hoped that this year the pledges will be increased in size and number.

REPORT ON MINISTERIAL EDUCATION.

The Baptist people of North Carolina are waking up to a knowledge of the fact that we stand in need of a better educated ministry, and no department of the work of the Baptists of North Carolina is more encouraging than that of Ministerial Education. We recommend that this be brought just as close to our churches as possible and we urge the Association to adopt all the suggestions made in the report of the Board of Education to the Baptist State Convention. We would be glad to see North Carolina Baptists take hold of this work in a large way. There should be more field work done to gather money for this cause and to arouse men to the need of more consecrated men in the ministry. We would be glad to see every Woman's Missionary meeting in prayer once a month that God would send forth more laborers into the harvest, following this with liberal giving as an expression of their earnestness.

J. TYNCH,
For Committee.

The report was discussed by J. Tynch, Walter Johnson and W. R. Cullom, and adopted.

The Vice-Moderator appointed Josiah Elliott to conduct Devotional Exercises Thursday morning.

On motion, A. A. Butler is elected as associate member of this Association to the Board of Education.

The Committee on Time, Place and Preacher for the next session of the Association reported as follows: Your committee recommend that the next session of the Association be held with Corinth Church, Tuesday after the first Sunday in May, 1914. To preach Introductory Sermon, T. S. Crutchfield; alternate, R. E. Brickhouse. The report was adopted.

On motion, E. L. Wells was elected Associational Representative on the Foreign Mission Board.

On motion, A. A. Butler, I. N. Loftin and E. L. Wells were elected the Committee on Missionary Rally.

The meeting then adjourned with Benediction by Walter Johnson.

THURSDAY.

Devotional Exercises were conducted by Josiah Elliott.

The meeting was then called to order by the Moderator.

The Reading Clerk read the

REPORT ON HOME MISSIONS.

It is gratifying to your committee to be able to report marked progress and efficiency in our Home Mission work. Our Home Board has as its dominant word, Enlargement. "The field is the world," but if we as Baptists in this country, would fulfill our Godgiven mission to the nations of the world, we must look well to the base of supplies. A prosperous work at home will insure a great work abroad. Many problems confront us in America, and the Home Mission Board of the Southern Baptist Convention occupies a strategic position. Southern Baptists are true champions of the faith. The forces against which we have to contend are infidelity, skepticism, commercialism, worldliness and indifference.

The Home Board has before it the task of the city. Here is its great opportunity, not only to do home mission work but foreign as well. Then the work among the negroes—Cuba and the Canal Zone, and out on the Frontier. The commission lies in three divisions: First, universal evangelization; second, baptizing; third, the teaching of all things commanded by the Master. Baptists have been measurably strong in the first part of the commission. They have also been very strong on the second part—but in some places distressingly weak on the last part. In the new department of the Board's work emphasis will now be laid upon the neglected part of our Lord's last command. This department is known as "Enlistment" and has as its secretary Dr. Arch C. Cree. The need for this movement will be conceded by all when the following facts are considered. Southern Baptists have 23,676 churches with a total white membership of 2,421,203. About 10,000 of these give nothing to the work of the Convention; 3,000 churches are homeless. We have in North Carolina 600 churches that gave nothing to Home Missions last year. It seems that many have forgotten God's word upon the subject of giving.

In this report we wish also to call attention to the Department of Evangelism. This work is also young. It was started in 1906. God's favor and blessings have been upon it from the beginning. There are now 18 evangelists, giving all their time and efforts to this, the supreme business of the Church. Last year 3,739 were baptized as a result of their efforts.

No report on Home Missions would be complete without reference to the work of education. There are now twenty-nine schools in seven States,

with Dr. A. E. Brown as superintendent. In these schools there are 142 teachers, 4,646 students. There are 75 young men studying for the ministry. In addition to the evangelists and teachers referred to above the Board has a large force of white and negro missionaries. The number of workers under the Home Board totals 1,309. The total gifts from all sources last year amounted to $366,050.00. Of this amount North Carolina Baptists gave $26,689.72.

Your committee believes the time has come when the Baptists of North Carolina and the South ought to enlarge their gifts to the Home Mission Board. We urge the churches of this Association to enlarge their gifts and to systematize their giving.

E. L. WELLS.
For the Committee.

The report was discussed by L. T. Reed and A. A. Butler, and adopted.

On motion, W. R. Haight was appointed Chairman of the Missionary Rally Committee in lieu of A. A. Butler.

The Reading Clerk read the

REPORT ON TEMPERANCE.

Eleven years ago, last December, a resolution was passed by the Baptist State Convention which led to the organization of the North Carolina Anti-Saloon League, and launched the forward movement against the entrenched liquor traffic in this State. The movement gained momentum as the months and years passed, until the issue was squarely drawn in 1908, when the men, with the assistance of our noble women, said "The Saloon Must Go."

State-wide prohibition has been an evident blessing to our State. Yet we often hear it said that prohibition is a failure, that it does not prohibit. I reply, there has never been a prohibiton of God or man that did completely prohibit. Let us see what prohibition has done for North Carolina since 1908. At that time, says the Charlotte Observer, the internal revenue collected on whiskey in this State was $784,951.04. In 1909 the figure was $363,589.98. In 1910 it was $36,119.90. And in 1911 it was only $5,156.40. The Observer says: "The figures plainly indicate the effect prohibition is having on the liquor traffic in North Carolina."

The average saloon in the United States costs the people $8,300.00, it pays $1,000.00 license, and some people call it "Good investment"; i. e., $1,000.00 against $8,300.00 along with the wreckage and death incident thereto. At the close of a murder case in Cairo, Ill., Judge Butler made the following very striking and significant statement: "The case at bar is the seventy-sixth murder case I have tried, either as State's Attorney or as Judge, during the past nineteen years. I have kept a careful record of each case, and I have to say that in seventy-five out of seventy-six liquor was the inciting cause." The American Issue is quoted as saying that the man who killed Lincoln first fired his brain with liquor at a nearby saloon; that the man who killed Garfield got his immediate inspiration in a saloon; that the plot to kill McKinley was concocted in a saloon and carried out by a regular habitue of that resort; and that the man who tried to kill Roosevelt last fall was a saloon-keeper up to the time of his assault on the ex-President." Brother, now long shall we American people tolerate this prolific breeder of crime?

We are not through with the fight in North Carolina, for we have no more powerful, more resourceful, or a more relentless foe for the Christian people to fight than the devil, with his organized liquor interest of America. His advocates, as J. A. Oates has said, "Would silence the tongue and put shackles on the hands of the Church if they could. And the Church, the visible expression of the Christ who came to seek and to save the whole man, can put the fires out in every distillery, close every saloon and enforce the law whenever it realizes its full obligation to humanity and its power

as the strong right arm of God." The Church must keep up her fight and see to it that our prohibition laws are enforced, letting our battle cry be: "Blind Tigers Must Go," "Liquor Drinking Must Go, Too."

What about the "Moderate Dram-drinking" evil, that we sometimes discuss in our Union meetings? How does this sound to the man who advocates "moderate dram-drinking, moderate dancing, moderate card playing, moderate gambling, and moderate cursing. They are all evil, and the logic that condemns one condemns the other. Paul admonishes us to, "Abstain from all appearance of evil." A church member who participates in evil, whether moderately or excessively, defeats the message of the minister and the mission of the church in saving lost men. This being true, the first man of all men to denounce the drink habit and the liquor traffic is the minister of the gospel. No man, called of God to preach the gospel, has any right to tolerate it, apologize for it, or be indifferent toward it.

The progress of our temperance cause in North Carolina has been great within the past few years. With a State-wide prohibition law, passed in 1908 and the passage of the search and seizure law by our last General Assembly shows how strong public sentiment is against intemperance. Another advanced step in our temperance cause is the passage of the Webb-Kenyon-Shepherd interstate liquor shipment bill by our National Congress.

For these victories we thank God and pray His Spirit to continue to lead our temperance forces until the liquor traffic is completely crushed, never to rise again.

We commend the Anti-Saloon League as worthy of our moral and financial support.

We commend our faithful preachers and Sunday School workers for their good work in our temperance reforms and we feel assured that they will continue the wholesome education of our boys and girls in practical temperance.

We commend co-operative work, local and general in the enforcement of our prohibition laws.

Respectfully submitted,

J. E. KIRK,

Article VI. Every motion made in due order and seconded, shall come under the consideration of the Association, unless withdrawn by the person who made it.

Article VII. The Association shall furnish the churches with a number of printed minutes of the Association, from time to time, proportionable to the moneys contributed from each church to the support of the Association fund.

Article VIII. We think it necessary to have an Association fund for defraying the expenses of the same, for the raising and support of which we think it the duty of each church in the union to contribute voluntarily such sums as they think proper and send by the hands of their delegates to the Association; and these moneys thus contributed by the churches shall be deposited in the hands of the Treasurer, who shall be accountable to the Association for all moneys by him received, and paid out according to the directions of the Association.

Article IX. The minutes shall be regularly filed by the Clerk of the Association and kept for its use.

Article X. The minutes of the Association shall be read, and corrected if need be, and signed by the Moderator and Clerk before the Association rises.

3. To preserve inviolable a chain of communion among the churches.

5. To appoint any member or members, by and with their consent, to transact any business they shall see necessary.
6. To withdraw from any church in the union that shall violate the rules of the Association, or deviate from the orthodox principles of religion, after due measures are taken to reclaim such a church, or churches, and they remain incorrigible.
7. To allow no delegate to leave the Association until final adjournment, without the permission of the body.
8. To admit any of the visiting brethren from other Associations, as assistants who may be present.

The Clerk read the

REPORT ON SUNDAY SCHOOLS.

The importance of some movements and influences can be measured to some extent; but no man can estimate the value of the Sunday school work. The progress of the Master's kingdom in the next generation will be de-

termined by the teaching and training done by us who are living in the throbbing present. We praise the Lord because of the good already accomplished through and by our Sunday schools; but as servants of the Most High, we need to realize that what we have done is only an earnest of what we ought to do.

No higher work than that of training young lives for God's service and for God's glory can be undertaken by mortal man. Therefore, in the words of Azariah to King Asa,—"Be ye strong, and let not your hands be weak; for your work shall be rewarded." And count yours a grand privilege, as on Sunday morning you go into God's sanctuary either to teach, or to be taught the divine truth.

Most of us have observed that a live Sunday school means a live church; but as a rule, the church with no Sunday school has an atmosphere that is depressive indeed; and it is an alarming fact that in our association there are seven churches with no Sunday schools. Our people should heed the Lord's injunction, "Teaching them to observe all things whatsoever I have commanded you."

We are beginning to see two great needs in material equipment. Our Sunday-school libraries are poorly supplied with good books. Herein do we need more money and wisdom expended. And thank God, that the saw and hammer have been heard already in some quarters building class-rooms. Money spent in this direction is wisely invested.

Much is being done by our secretaries and other agents. Teacher Training Courses, Institutes and Conventions are giving new zeal and inspiration to the work.

Sunday school Missions was born about 1835, but had a struggle to exist for the first five decades of its history, during which time it had but few regular secretaries and agents. In 1870 this branch of the work began to gain in momentum, and since that date has had men employed regularly. For six years the Sunday school Mission Fund has paid expenses; and we urge that our churches emphasize this department of the work more.

Some of our churches are already electing the leading officers for their respective school, and we think that this is a wise course to pursue.

We recommend that our people pray, plan and labor for more efficient Sunday-school work. Respectfully,

ROBERT E. BRICKHOUSE.

The report was discussed by R. E. Brickhouse, and E. L. Middleton, and adopted.

I. N. Loftin read the

REPORT ON ORPHANAGE.

The Thomasville Baptist Orphanage received its first child in November, 1885. It has had a great growth. It has cared for over fourteen hundred children and it now has over four hundred present, divided into eleven families.

This institution is dependent upon voluntary gifts to provide for the little ones. The number is increasing and the demands grow greater each year. This calls for larger gifts which ought to be sent weekly or monthly to meet the daily expenses. Our people should see that every necessary expense is met promptly and no indebtedness allowed to accumulate to embarrass the institution. The two dormitory buildings on the Kennedy Memorial Home are about completed and will soon be occupied. While the property is one of the largest gifts received by the Orphanage, it brings with it greater liabilities in that we have to possess it and use it. To do so requires additional buildings and more of the little ones to care for and provide for. We are not able to take care of the demands. Hundreds are refused admittance each year because we have no room. We greatly need more buildings.

We urge that this pressing need be met. We also urge that individuals and Sunday schools provide for the care of one or more of the children paying the expenses monthly.

I. N. LOFTIN,
T. J. RAGLAND.

The report was discussed by E. F. Aydlett and T. B. Hamrick, and adopted.

A motion that a committee of five be appointed by the Moderator to take under consideration the advisability of erecting a suitable dormitory on the Kennedy Farm (this committee being requested to report at the next session of the Association) was adopted.

A motion that we request the churches and Sunday schools of the Association to increase their contributions to the Orphanage during the coming year 25 per cent, was adopted; also that the churches send by their messengers to the next session some expression as to their wishes in the matter of erecting the dormitory mentioned above.

The Reading Clerk read the

REPORT ON PERIODICALS.

The spirit of brotherhood that generally prevails among Baptists of North Carolina is due largely to the great work of the Biblical Recorder. The relation of the Recorder to North Carolina Baptists has almost reached the ideal. This paper has the happy faculty of being able to discriminate and has always fearlessly championed the cause of the Baptist host of North Carolina. It leads without assuming to; it forces us to think whether we would or not. No paper can take the place of the Recorder among North Carolina Baptists, and if we neglect to read it we do so at our peril as a denomination; for it stands as a sentinel to warn us of the approach of the enemy, and as a teacher to instruct us in the faith once for all delivered unto the saints.

Charity and Children.

The name suggests and defines the function of this paper, and how well it has lived up to its name can only be attested by the Baptists of this State and the friends of our Orphanage. It is painfully orthodox (I mean painful to the heterodox). It fights with the bravery of a Spartan, and loves with the tenderness of a mother. If we love the boys and girls at our Orphanage at Thomasville and the cause which this paper espouses we can ill afford to be without it.

The Home Field.

We must know of the spiritual destitution in the Southland to be able adequately to meet the situation that so much needs to be met, but we cannot know these conditions unless we read the literature that deals especially with our southern problems and gives us first hand the great need of the gospel of Christ in our own beloved Dixie. O that we might catch the spirit of missions that breathes on every page of "The Home Field" and with bible in hand go out to win the South for our Lord and Master.

The Foreign Mission Journal.

Our Foreign Mission work has been simply dragging along through the years because of the want of a larger vision, and we have failed to get that larger vision because of a lack of information. I dare say that the Foreign Mission Journal does not go into a single home of the more than eleven thousand churches in the Southern Baptist Convention that contribute nothing for foreign missions. Information properly applied will give inspiration. The Foreign Mission Journal will not only give us the information we so much need, but the heart cries of the brave and loyal soldiers of our Lord Jesus Christ who stand on the firing line in foreign fields will inspire us to greater

efforts to make the kingdoms of this world the kingdom of Christ Jesus our Lord.

Our Sunday School Periodicals.

There is no better way to disseminate truth than by the skillful use of our Sunday school periodicals in the hands of regenerate and consecrated Sunday school teachers. But, and here is the only discordant cry I shall raise, we are a bit handicapped just here. Our lessons are selected by the International and Interdenominational Sunday School lesson committee. I sincerely hope and pray that the day is not far distant when we Baptists shall not only publish our Sunday school literature, but make it. I long for the day when Baptists shall choose for themselves the scripture passages that shall be studied in Baptist Sunday schools. When we have done that we can stand up for our distinctive doctrines as we have not been able to do heretofore, and through these bible doctrines we shall the more speedily win our young people to Christ.

Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are of good report: if there be any virtue, if there be any praise, think on these things.

E. L. WELLS,
For Committee.

The report was discussed by W. M. Green, N. P. Stallings and J. A. Willoughby, and adopted.

R. E. McFarland presented the matter of the acute need of the Baptists at Pinetown of money to save their building from foreclosure under mortgage and asking for help. On motion he will be given further time at the close of the discussion on State Missions.

There being two new churches seeking admission into the Asociation, on motion, a committee was appointed to pass upon the same.

WEDNESDAY—MORNING SESSION.

Devotional exercises were conducted by H. B. Hines.

T. J. Ragland reported that Collington has only two members, and advised that this church be dropped from our roll. No action was taken.

Josephus Tynch and W. W. Sawyer reported as to Gum Neck that its weakness is due mainly to lack of information and that with the location of a pastor on that field who can instruct them, the field gives promise of growth and development.

Lycurgus Hofler reported that Ariel is practically though not actually disbanded, and that it contemplates this step as soon as the title to the property can be definitely determined.

A motion that the time for Education be given to Walter Johnson, pastor of Wake Forest church, and that he be authorized to call for pledges from the churches for funds to complete Wake Forest Church building was adopted.

The minutes of Tuesday's sessions were read and approved.

J. K. Henderson was recognized as a new pastor.

The Reading Clerk read the

REPORT ON CHOWAN COLLEGE.

It being important that a report on Chowan College to this body should set forth some of the more significant happenings in the life of the institution during the past year, the President of the College was asked for information in this respect. His letter in reply was so full and suggestive that your committee beg leave to present the said letter as the major part of the

report. The letter follows: "During the sixty-sixth session of Chowan College one hundred and sixteen boarders have been enrolled, five more than that of any previous year. More boarders, however, have dropped out during the progress of the current year than last year. With two or three exceptions the reasons for their withdrawal were providential. One girl was operated on for appendicitis, one lost her father, one had serious trouble with her eyes, one left on account of the serious illness of her mother, and two got married. There are more students this year than ever before from the central and western parts of the State. To accommodate the increase in the number of boarders, a new concrete cottage dormitory has been built. This cottage has eight rooms and cost twenty-six hundred dollars."

"I wish to repeat and emphasize the fact that our curriculum is as substantial as that of any other college for women in the State. All of the new courses in the curriculum—Greek, Italian, Bible 2, and Domestic Science—have made an excellent beginning. Several boarders, called assistants in Domestic Science, are waiting on the tables in the dining-room, receiving their tuition as compensation."

"Rev. W. H. Woodall, who is the new pastor of the Church at Murfreesboro and Professor of Bible and Philosophy in the College, is quite an acquisition to the College life. He is a graduate of the University of Arkansas, and has had considerable experience in Baptist schools notably at Clyde. He has already endeared himself to both faculty and students."

"An important event in the history of the College took place on the College grounds in October. This event was the first home-coming day observed by the Alumnae Association. Many of the former students, including some of the early graduates of Chowan Baptist Female Institute, attended and participated in the exercises. Two former Presidents, Mr. J. B. Brewer and Mr. J. C. Scarborough, made interesting addresses. The Alumnae Association met and transacted important business. It was decided to publish a small quarterly magazine, to pay the school expenses next year of some deserving girl, and to put an agent in the field next summer to canvass for the College."

"The endowment is growing slowly. Quite a number of churches in the two Chowan Associations are making annual contributions to the endowment fund of the College. Many individuals are doing the same. Two bequests of one thousand dollars each have been reported. The loan funds have been increased by more than two hundred dollars, and plans are being adopted for substantial increase of these important funds, the purpose of which is to aid deserving girls. An endowment of one hundred thousand dollars is greatly needed."

Signed: "JAS. D. BRUNER, President."

Your committee considers it very important both for our denomination and for Christian education in general, that we have Dr. Bruner at the head of this institution. He and his good wife should be very warmly commended for their very faithful and efficient service.

Furthermore, we recommend that the friends of the College co-operate most loyally and heartily with the management in all of the work of the institution, and that we encourage in every way practicable the movement to increase the endowment fund. Respectfully submitted,

T. S. CRUTCHFIELD,
L. W. NORMAN, Committee.

The report was discussed by James D. Bruner and T. S. Crutcheld, and adopted.

The Reading Clerk read the following appointments of committees by the Moderator:

Committee on Time, Place and Preacher—J. J. White, L. W. Norman and W. W. Sawyer.

Committee on Reception of New Churches—A. A. Butler, S. F. Bristow and J. K. Henderson.

Committee on Advisability of Erecting a Dormitory at the Kennedy Farm: E. F. Aydlett, T. S. Crutchfield, C. S. Vann, T. J. Ragland and H. A. Litchfield.

The Reading Clerk read the

REPORT ON STATE MISSIONS.

There are some things of which we hear so much that we fail to be impressed with their importance as we should. If some one who had grown to maturity were to see the sun rise for the first time, he would be astonished beyond measure and consider it the greatest sight he had ever beheld, but every morning, as far back as he can remember, the sun has risen and filled the world with light.

So if a stranger were to hear for the first time the story of our State Mission work, if he were interested at all in the needs of the Kingdom, he would be thrilled by a recital of what has been accomplished, but we North Carolina Baptists live in the midst of it all and have heard from year to year about the achievements of our missionaries and so it has come to be a worn-out tale. But if by any peculiar circumstance we were forced to suspend the work of State Missions for a single year, our whole denominational machinery would suffer a distinct jar.

State Missions lie at the very base of all our other work. As an endowment often makes it possible for any great institution to conduct its affairs in a more satisfactory way, and gives stability and permanency to the work of such institution, so State Missions stimulates and vitalizes every department of our denominational activities. Just before the beginning of the last century, William Carey went out as a missionary from England. That created an interest in missions in England that they had not known before. Missionary societies were formed in different sections of England to aid in the support of William Carey. The news came across the water that Carey had gone out as a missionary and the missionary fires were kindled over in this country. Societies were formed in many States of the Union. In 1812 Judson and Rice went out as Congregational missionaries from America, but were converted to the Baptist views and were baptized after reaching Burma. This deepened the interest in Foreign Missions in this country. But when some organized effort was begun for the support of our Foreign Mission work, it caused the Baptists of the United States to see how much their own country stood in need of evangelizing, and so, in almost every state, the State Mission Society was converted into a convention, and active measures were taken to plant churches in the destitute sections in the several states, and to strengthen the ones already in existence. So, while Foreign Missions was the immediate cause of the awakening of a missionary interest, it was seen that the success of Foreign Missions depended upon mission work at home.

Not only Foreign Missions, but every other department of our denominational work has felt, through all these 80 years, the impulse of our State Mission endeavors. All our educational institutions—our Orphanage, the education of young preachers and the care of our old ones all draw liberally upon the churches planted and supported by the State Mission Board.

Nor is the work of State Missions yet completed. Indeed, the needs are more urgent than ever before. We have come to the time of intensive cultivation. The Board must go back over the same ground and plant new churches, because new communities are opening up and our country is becoming more thickly populated. In many country districts new churches are needed, and some of the old ones have been weakened by removals to town. This places upon the Board a new burden in its work in the country.

Towns are springing up along all the new lines of railroad and each one of these towns calls for aid from the Board. Many of the towns in which the Board aided in the support of one church years ago, have grown so rapidly that more money must be expended now in these places than when the work was first begun. Then one church served the purpose, while now the Board has from one to four new churches in each of these new places. The demands are great for more money in the support given to all our important denominational enterprises; but we cannot retrench in our work for State Missions, because in enlarging our State Mission work we are adding to our endowment which makes possible a larger work along all lines of denominational endeavor.

Let no one suppose that there is any conflict or rivalry between the departments of our mission work. It is all one, and we are simply carrying out the order of our divine Lord in beginning at Jerusalem, and reaching out to the ends of the earth. We are doing State Mission work, not to the neglect of Foreign Missions, but for the sake of Foreign Missions. The neglect of State Mission work now means a cutting off of support to Foreign Mission work in the years to come.

We have this year 150 missionaries, laboring at over 300 points. We are also expending $7,500.00 this year in aiding weak mission points in their efforts to build houses of worship. This church building fund has been contributed by the women and nothing that we have done in the way of State Missions during the last decade has brought richer returns.

We shall need this year, to meet our obligations to State Missions, $55,000.00. This is $5,000.00 more than we have ever raised, but we are abundantly able to do it and we cannot afford to fail.

J. O. ALDERMAN,
For Committee.

The report was discussed by Livingston Johnson, and adopted.

R. E. McFarland again stated the need of $255.00 to save Pinetown church. He stated that the Roanoke Association had made temporary arrangements of the matter and requested this Association to assist in raising the necessary amount. A cash collection and pledges were taken aggregating $185.80.

The following visiting brethren were recognized: Dr. C. S. Blackwell, J. T. Riddick, F. C. Nye and H. M. Fugate.

The Reading Clerk read the

REPORT ON HOME MISSIONS.

To write a report on Home Missions is to write the history of heroic struggles, titanic faith and marvelous achievements under the leadership of men and women who have toiled unceasingly and prayed unfalteringly during the past year. The Kingdom of God in our Southland and contiguous territory under the supervision of our Home Mission Board has been advanced with almost miraculous strides, while every department of this work has felt the thrill of larger purposes and greater victories. The Home Board is developing some special lines of co-operative and missionary work which is telling in its increase of interest and sympathy. We have the following departments: The Building and Loan Fund, the Mountain Schools, Enlistment and co-operation, and Evangelism. The special departments are all under the supervision of experts who are devoting their best time and talents to the enlargement of their respective fields of labor.

Last year, the Board reported from its various fields, 26,930 baptisms, $36,592.00 raised, and 49,039 additions to the churches. Directly in our Southern Baptist territory we have scattered throughout the different states 10,000 churches giving nothing to either Home or Foreign Missions, 3,332 giving less than $5.00 annually to both, and 13,355 churches that are unenlisted in the constructive work of our various agencies. In these churches are many really regenerated people who need encouragement and help toward a larger usefulness in the Kingdom. Baptists are a very resourceful

and prosperous people and our Home Mission Board is doing its best to reach these wonderful resources and turn them into channels of divine service. We have every promise of God at our command and every purpose of God on our side in the fight we are waging against sin and if we could but enlist our people as a whole, we would soon conquer the world for Jesus Christ.

Contiguous to our direct Southern territory, the Home Board is doing work in Cuba and Panama. Last year, in Cuba, we had 139 baptisms, two new churches constituted, three Sunday schools organized, 1,628 Bibles and Testaments distributed, and $3,800.00 collected on the field. In Panama, we have been working eight years. Last year we reported $4,483.22 collected for the local work, with 101 baptisms and 71 received by letter and restoration. There are now 11 churches in the Panama Canal Zone.

Sometimes the white Christians of the South are censured for their neglect of the South's negro population. It is true that in many instances we have been indifferent to the appeals of our brother in black, but the Home Mission Board reports some encouraging statistics on this work. During 1913, we report 3,113 baptisms, 1,817 added by letter, 396 Bible Conferences held and 573 district associations attended by our missionaries. This will disprove any wholesale charges of neglect on our part towards the spiritual welfare of the Southern black man.

Added to the above figures which are really only a surface survey of the work actually done by our Home Mission Board, we have the difficult problem, under the direction of this Board, of christianizing the Pagan and Papal foreign immigrants who pour into our coast cities by the thousands each year. These uncertain forces which must inevitably become a part of our christian civilization or become, on the other hand, a serious menace to our State and Civic Institutions, are met on the threshold of their new home with christian tact and courtesy; their minds and hearts are, many of them, reached by the spoken word and the printed page from our Home Board missionaries and often saved from sin to service in our Master's Kingdom. Last year about 1,000,000 immigrants came to this country from lands across the sea and brought with them many alien ideas of religion and the observance of the Sabbath. This means a tremendous task for us to meet and our Home Board is nobly meeting it with more than passing success.

In conclusion, your committee asks indulgence for this brief and scattered report of what in some sense is the most important and far-reaching work we have. The Home Mission Board is evangelistic; it is Educational; it is constructive and aggressive and it links the great work of State Missions onto the world sweep of the Foreign Mission ideal by strengthening the stakes at home and lengthening the cords beyond, and it is our own Southern Baptist agency to save the whole nation with the salt of divine salvation and help save America for Jesus Christ our King.

Respectfully submitted,
L. T. REED, for Committee.

The report was discussed by L. T. Reed and A. A. Butler and adopted.

The meeting then adjourned to 2:00 p. m. with benediction by Livingston Johnson.

WEDNESDAY—AFTERNOON SESSION.

The session opened with singing "There Is Power in The Blood."

The Reading Clerk read the

REPORT ON FOREIGN MISSIONS.

We have heard, with deep sorrow, of the illness which recently befell the beloved Secretary of the Foreign Mission Board. We rejoice to know that

his condition is favorable and his physicians feel confident that, after a season of much needed rest, he will again take up the work which, in his absence, is being faithfully done by his associates.

The Foreign Mission Board is heavily in debt, and the money to relieve its present needs is coming in very slowly. We are glad to say that North Carolina came up to the appointment by the Southern Baptist Convention. The amount asked of us for this year is $52,250, every cent of which we sincerely hope will be raised by the first of May. The campaign for securing pledges for the Judson Centennial Fund, has been pressed vigorously and with gratifying success. We feel assured that North Carolina will raise its part of this fund.

Dr. R. T. Bryan rendered excellent and unselfish service in the interest of the Judson Memorial Fund, during the first half of the year. For several months Brother G. T. Lumpkin has been soliciting pledges and his appeals have called forth liberal responses from the churches which he has visited.

Three new missionaries have recently gone from North Carolina to China. These are Mr. and Mrs. H. H. McMillan, and Mr. J. B. Hipps. These young brethren are graduates of Wake Forest College and the Southern Baptist Theological Seminary, and Mrs. McMillan is a graduate of Meredith College.

The day is at hand when the Christian world should do something for Foreign Missions worthy of the great being who gave his life to redeem the whole world, and North Carolina should take its place among the foremost states in the South in fostering this mighty enterprise.

The last report from Richmond, before preparing this report was that $375,000.00 was yet to be raised by Southern Baptists during the closing days of April. We believe our people are abundantly able to raise this amount, and trust that at the time this report is read it will be an accomplished fact.

JOSIAH ELLIOTT,
For Committee.

Pending discussion of the report, it was announced that C. R. Angell would preach in the grove.

The report was discussed by C. J. Thompson and adopted.

The Reading Clerk read the

REPORT ON MINISTERIAL EDUCATION.

The day has surely passed, at least in this Association, for the necessity upon the part of any member of this body to arise to argue that we should have an educated ministry. We take it, then, that a report on this matter is intended only to present before the Association the present status and immediate needs of the Education Board, and to lay upon the hearts of the brethren afresh their duty in this direction.

Last year at Cool Spring, the churches of this Association reported a total of $277.26 to ministerial education. But this amount came from only 30 of the 58 churches listed in the Chowan Association—at least only that many reported.

The number of men at Wake Forest preparing for the ministry is 75; the number preparing to be medical missionaries is 3; the number of North Carolina men in our Seminary at Louisville, Ky., is 34. The total number in both institutions is 112, of which number, 98 are receiving aid either from the Board of Education or the Student's Fund at the Seminary. According to the instructions of our Convention at Goldsboro two years ago, all money for our North Carolina men in both these institutions from this time is to pass through the Board of Education. It is to be divided on a basis of two-sevenths to the Seminary and five-sevenths to Wake Forest. It is estimated that about $7,500.00 will be needed for this purpose. It should be borne in mind that the maximum amount of aid given a man does not meet half of his necessary expenses, and that with the high cost of living,

some of them find it hard to meet the financial requirements that are laid upon them.

The churches ought to count it a high privilege to contribute to this phase of our denominational work; not only in money, but in consecrated young men.

We recommend, therefore, that all our churches make provision in their financial budgets for a contribution to this object.

We further recommend that the Sunday Schools of the Association give one Sunday's contribution a year; or take one special offering a year at such times as will best serve the needs of the Board.

We further recommend that our pastors preach special sermons on the need of men in the ministry, and the opportunities for real service in this calling. Respectfully submitted,

W. R. HAIGHT,
For Committee.

The report was discussed by W. R. Haight and Walter Johnson and adopted.

On motion, the messengers are requested to lay the matter of the Wake Forest Church Building before their several churches and request them to contribute between now and December 1st, one-half as much for this object as they paid for State Missions during the past year; also that a committee be appointed to get into touch with the churches and try to get a response from every one—I. N. Loftin, Chairman, J. M. Bell and W. J. Berryman, committee.

The Committee on Reception of New Churches reported, recommending the admission of Oak Grove and Eure churches. The recommendation was adopted.

On motion, the courtesy of the floor was extended to Dr. B. D. Griffin, Moderator of the Roanoke Association, Colored.

The Reading Clerk read the following resolution which was adopted:

Resolved, That this Association appreciates the helpful co-operation and faithful work of our beloved brother, A. A. Butler, in his pastorate at Hertford the other churches within the bounds of the Association, and commends him heartily to the Baptists and town of Maxton, praying God's blessings abundantly to rest on him and his labors in his new field."

A motion to appoint a Committee on the Association and its needs—this committee to report from session to session—was adopted after discussion by E. F. Aydlett, C. S. Vann and L. T. Reed.

The Committee on Time, Place and Preacher reported, recommending as follows:

Time—Tuesday after the first Sunday in May, 1915.
Place—Ballard's Bridge.
To preach Introductory Sermon—J. K. Henderson; Alternate, R. E. Brickhouse.

The report was adopted.

On motion Oak Grove and Eure churches were received into the Association and the Right Hand of Fellowship was extended to their messengers.

The meeting then adjourned with benediction by W. R. Haight.

THURSDAY.

Devotional exercises were conducted by R. E. Brickhouse, after which the meeting was called to order by the Vice-Moderator.

The Reading Clerk read the

REPORT ON MINISTERIAL RELIEF.

The object of the Ministerial Relief Board is to afford aid and relief to needy Baptist ministers of North Carolina and their widows. God has called upon us to clearly discern between the objects of our charity and those lines of growing work wherein we spend our money with an expectancy of accumulative development. To take care of the old preachers who have already invested themselves in the work of the Kingdom is no less a duty than to contribute to the preparation of young men for future investment of themselves in the same work.

For some good reason, God has seen fit to leave among us a number of old ministers who have worn themselves out in the work, and have come to old age without a sufficient means of support. Therefore, we recommend that each church in the Association urge every member to aid in this great and good work, as the number of these dependent ones is increasing every year. We trust that all will hearken to the Master as recorded by Matthew 23:23—these ought ye to have done and not to have left the others undone. This Board has not received the attention that it deserves. We, therefore, again commend this good work to our churches.

Respectfully submitted, E. F. SAWYER,
Chairman Committee.

The reort was discussed by N. P. Stallings and T. S. Crutchfield, and adopted.

The Reading Clerk read the

REPORT ON TEMPERANCE.

Isaiah says: "'For precept must be upon precept, precept upon precept, line upon line; here a little and there a little"; and thus it has been in connection with the temperance issue until mighty waves of temperance sentiment and conviction have swept this fair land of ours from the Atlantic to the Pacific and from the Canadian line to the borders of Mexico. One by one, slowly but steadily, the states of the Union are falling into line in favor of state-wide prohibition. The movement is no longer confined to a handful of consecrated wives and mothers, but it has grown until it is now fostered by a great army of men of brains and brawn, who mean to see the fight made to a finish for National Prohibition. Resolutions have been introduced in both branches of Congress to have the matter of an amendment to the Constitution covering the issue submitted to the States for action and a mighty effort is being put forth to have these resolutions reported from Committee at this session of Congress. A few years ago, temperance advocates prophesied national prohibition within fifty years, then it was reduced to twenty-five years and now they are saying we expect it within the next ten years. Let us pray and work to the end that even this time may be shortened several years.

The committee recommends that we continue to give our hearty and practical support to the Anti-Saloon League, which is leading in this great moral battle.

We recommend, that the pastors of our churches in their preaching give increasing emphasis to the discouragement of the use among the people of intoxicants as a beverage.

We further recommend, that the churches hold their members to more strict account in the matter of indulgence in the use of intoxicants.

We further recommend, that as Christian citizens we seek to place men in public office who will do their duty in enforcing our already existing prohibition laws.

Respectfully submitted,
J. TYNCH, for Committee.

The report was discussed by Josephus Tynch and J. K. Henderson, and adopted.

The Reading Clerk announced the Standing Committees appointed by the Moderator to report at the next session of the Association. (See Page 2 for list).

The following resolutions were introduced by L. T. Reed:

"Whereas, the work of the Association is developing to that point where some sort of supervision is necessary during the year, between the Annual Meetings of the Association, over some points of strategic importance to our cause; and

Whereas, this supervision might be tactfully used by a judicious committee to save some places of worship from dissolution and perhaps avoid the decline of interest in others; and

Whereas, our present Executive Committee is inadequate to do this work on account of its lack of numbers and limitation of territory; therefore, be it
